Imagine being able to understand how high scoring answers structured in Ielts Writing Task 2?

I was an IELTS examiner and I wrote this book with the current IELTS Task 2 topics 2020. The goal of this book The purpose of IELTS UP is to improve writing skills and ideas for people who wish to receive a score of 6.0-7.0 or higher for Task 2 of Academic and General exam. This book strives to reach your desired score by giving the ideas and vocabulary for current topics. I have many years of experience success developing learners for the IELTS exam and many more years as a writing examiner. The layout of this book has been used with countless students with great success. It can be used in the classroom with a teacher or as a self-study manual. Description: Writing Task 2 Task 2 is similar to putting a jigsaw puzzle together. The exam question gives a tiny picture of what you must make. The puzzle pieces are in your mind somewhere, but you only have 40 minutes to find them and put them together. If you ever built a jigsaw puzzle, you know how essential the corner and edge pieces are. This innovative book, unlike any other, gives you the corner and edge pieces (ideas) that match with all current exam questions. No other book does this! Having good ideas on current topics is necessary to achieve 7 or higher on your IELTS writing. This book will: \*Give you 10 to 15 minutes more to do Task 2. \*Give more ideas to write more. \*Give you great ideas to make your Task 2 look better. \*Give you more vocabulary and grammar. Challenges to overcome for Writing Task 2 This book dramatically helps candidates with the two most notable complaints about IELTS Writing. Candidate complaint #1 - "I do not have enough time to write Task 2 well." Solution - This book provides ALL type 2 questions and answers so you can save time preparing before you start writing. Candidate complaint #2 - "The topic is strange or not well known to me, so it is hard to write a good essay." Solution - Looking at all the question, especially the topics less familiar, you can quickly plan a convincing essay to receive a score of 7 to 8 comfortably. Candidate complaint #3 - "It is not easy to use different words to talk about the same topic." Solution - Each topic in this book has synonyms and idioms to improve your vocabulary score. This book has a list of connecting words and referencing advice you need to receive a 7 to 8. Connecting words like however and there, and knowing how to refer back to previous ideas is necessary to achieve 7 and higher. Vocabulary - Many books give you lists of words and synonyms. However, if you then you lose points on your writing test because you have misused words or have

wrong collocation. By looking at how this book uses different words to describe context, you will have a much better idea when you write your exam. This book guarantees to have all you need to receive 7 or higher for 3 of the 4 categories: Achievement, Coherence + Cohesion, and Lexical Resource (vocabulary). Note for teachers: You can format this book from epub to a Word document. There are 47 which can begin with the 'vocabulary questions' included for each topic. These questions will help learners to activate schemata and personalize lexis to improve writing and speaking. For self-study students: You can study alone, but more progress will be made if you have a partner or group. You can use the vocabulary questions to improve your understanding of more academic words/collocations that will help you with speaking, listening and reading. The book is not meant to be memorised but rather to give you ideas for you to add your examples. You cannot memorise an essay. You can have more ideas and vocabulary about many different topics so that when it comes time to write, you can do so much more confidently. Each essay style is provided with many examples, relevant vocabulary and vocabulary questions to help you improve your vocabulary.

IELTS General Training measures English language proficiency in a practical, everyday context. It is appropriate for those planning to study in high school or a vocational training program. People migrating to Australia, Canada, New Zealand and the UK must take the IELTS General

Training test. (Source: [ieltsessentials.com](http://ieltsessentials.com)). If you're here reading this book, it means you're taking your first step in your immigration plan: to prove your language ability. You should be proud of yourself. When IELTS test takers have been asked: "Which is the most difficult skill out of the four skills in an IELTS General Training test?" Most of them answered: Writing. You see, writing is hard. Even native speakers make mistakes in punctuation, spelling, and grammar. They do it all the time. Next time, pay attention when you read emails, Facebook posts, Instagram posts or even magazines, you will realize that not any native speakers are able to write correctly. It happens because not all of them reach the same level of literacy. Many professionals rarely write in their day-to-day life. Remember, native speakers have to take IELTS for immigration purposes, too! Keep that thought in mind, you have an equal opportunity to get a band 7 or above in an IELTS test. With a strong desire to succeed, a detailed learning strategy and well-prepared course from this book, you will get the score you deserve.

IELTS General Training Task 1 Letters & Task 2 Essay gives step-by-step instructions as to how to write both Letters and Essays. Part 1 sets out to show the important parts and differences, with multiple prompt models, that make-up IELTS Formal, Semi-Formal, and Informal letters. Likewise, in Part 2, Task 2 essays are unfolded through a step-by-step procedural outline, descriptor explanations, prompt exemplars, and essays for the 7 different IELTS prompts. The essay examples expose the thesis statements, topic sentences for body paragraphs, and conclusions. In addition, sentence structure examples of compound and complex sentences, with appropriate academic word choice are displayed. Essentially, this text shows how, with multiple tips and advice, how to climb past a 7 to an 8 Band in IELTS writing is possible. Also included are a Speaking Primer for the IELTS Speaking exam and an academic word list.
