come in handy. Understanding tax rules, regulations, and strategies are important for anyone who has a business. Irrespective of whether it is a small or large business, taxes are crucial. There are several types of taxes that must be paid that go beyond income tax. A small business has to pay employment or payroll tax, excise tax, self-employment tax, property tax, sales tax, dividend tax, and franchise tax apart from regular income tax. It is important to not just understand the different types of taxes, but you must also know the various rates of taxation. There are several rules and regulations about taxes. If you fail to pay certain taxes, regardless of whether it is a conscious or unconscious decision, it will certainly cost you additional money. The lack of

Access PDF Tax Strategies For The Small Business Owner Reduce Your Taxes And Fatten Your Profits.

familiarity with tax rules and strategies can lead to various mistakes that cost businesses thousands of dollars in the form of penalties and fines every year. Also, the type of taxes your business is required to pay depends on the type of business you run. It is safe to say that there are several different aspects of your business you must take into consideration when you pay taxes. From books of accounts to the separation of business and personal expenses to proper tax practices, there are various topics you should familiarize yourself with. There are millions of small business owners in the US, and the tax codes of this nation continue to change regularly. Also, there are several variations in taxes from one state to another. Therefore, you must understand different

Financial Freedom, educates readers how being a small business owner can save you thousands of dollars a year for life and how to create financial freedom for you and your family. As a tax, corporate, and business attorney, it is Kara Krystina's deeply held belief that everyone should own a business. Please understand, Kara Krystina does not advocate that anyone leave his or her present employer or that you will need to leave your

Acces PDF Tax Strategies For The Small Business Owner Reduce Your Taxes And Fatten Your Profits.

employer in the future. What Kara Krystina encourages in her book is even if you are employed, it is in your best interest to be involved in some additional business venture that is separate and apart from your employment. Why does Kara Krystina hold this belief that everyone should own a business, separate and apart from their employment? Simply stated, Kara Krystina's foundation for her belief is centers on three (3) fundamental

Access PDF Tax Strategies For The Small Business Owner Reduce Your Taxes And Fatten Your Profits

business principles. First, acquiring multiple streams of business income is more advantageous than receiving additional employment income. Second, owning a business will make you better off financially than a second income because the tax laws for business owners are more favorable than the tax laws for individuals. Realize, business owners have the opportunity to take many personal expenses that they incur daily and transform those into business

about taxes. If you fail to pay certain taxes, regardless of whether it is a conscious or unconscious decision, it will certainly cost you additional money. The lack of familiarity with tax rules and strategies can lead to various mistakes that cost businesses thousands of dollars in the form of penalties and fines every year. Also, the type of taxes your business is required to pay depends on the type of business you run. It is safe to say that there are several different aspects of your business you must take into consideration when you pay taxes. From books

Access PDF Tax Strategies For The Small Business Owner Reduce Your Taxes And Fatten Your Profits

of accounts to the separation of business and personal expenses to proper tax practices, there are various topics you should familiarize yourself with. There are millions of small business owners in the US, and the tax codes of this nation continue to change regularly. Also, there are several variations in taxes from one state to another. Therefore, you must understand different aspects of taxation, such as tax planning, expense tracking, business decisions, categories of expenses, types of taxes, creating the tax routine, avoiding penalties, and so on.

strategy to your business's size, maturity, and growth potential Frustration-free filing is not a myth. With the proper planning and understanding, you can save your business a significant amount of money, without wading through volumes of tax legalese. J.K. Lasser's Small Business Taxes 2015 provides the facts, strategies, and up to date information you need to get it done right, and get back to work.

Tax Strategies for the Small Business Owner: Reduce Your Taxes and Fatten Your Profits will help the small business owner increase profits

Access PDF Tax Strategies For The Small Business Owner Reduce Your Taxes And Fatten Your Profits

while feeling more comfortable dealing with taxes. It begins by looking at the often overlooked critical decision small business owners face when they start a business: the choice of business entity. The book then examines all the deductions that a business owner can take legally to reduce taxes. It also provides advice business owners need to make good tax-related decisions: Should I lease or buy? Should I hire an employee or outsource the task? How much will buying a building reduce my taxes and for how long? Many people freeze

Access PDF Tax Strategies For The Small Business Owner Reduce Your Taxes And Fatten Your Profits

up when they are forced to prepare or even think about taxes. Some receive a notice from the IRS and put it aside: They're too scared to open it! Yet taxes for the most part follow common sense rules. You just need to know what they are and how they affect your decisions. In this book, readers will learn about the different business entities, the different taxes you must deal with (primarily income taxes), documentation procedures, how to work with a tax professional, how to handle an audit, and, in general, how to use the U.S. Tax Code to your advantage. Among
