¿Alguna vez te han regalado la luna? José creyó que le pertenecía cada noche, pero se dio cuenta que fue un regalo vacío; Lo supo de la manera más dolorosa posible pues pensó haber encontrado el amor de la mano de Fernando un joven con grandes pretensiones, un manipulador encantador y mentiroso de profesión, junto a él vivió el más tórrido e inocente romance cuando ambos cursaban la universidad, con el tiempo José descubre que la promesa que le hacía cada noche no era más que un montón de palabras carentes de emoción o sentimiento, así Fernando se encargaría de hacer añicos las ilusiones de José. Incapaz de poder sanar las heridas de su corazón José inicia una búsqueda y descubrimiento de él mismo al intentar encontrar una sombra con el color más hermoso para pintar nuevamente su vida de ilusión, pero en esta búsqueda pronto es alcanzado por las sombras de su pasado, una de ellas estará dispuesta a agitar las tranquilas aguas de su presente y ensombrecer su futuro mientras que la otra le enseñara nuevamente lo que es volver a amar sin condición.

The Aggretsuko Guide to Office Life

Sensual, earthy love poems that formed the basis for the popular movie *Il Postino*, now in a beautiful gift book perfect for weddings, Valentine's Day, anniversaries, or just to say "I love you!" Charged with sensuality and passion, Pablo Neruda's love poems caused a scandal when published anonymously in 1952. In later editions, these verses became the most celebrated of the Noble Prize winner's oeuvre, captivating readers with earthbound images that reveal in gentle lingering lines an erotic re-imagining of the world through the prism of a lover's body: "today our bodies became vast, they grew to the edge of the world / and rolled melting / into a single drop / of wax or meteor...." Written on the paradisaal island of Capri, where Neruda "took refuge" in the arms of his lover Matilde Urrutia,

Love Poems embraces the seascapes around them, saturating the images of endless shores and waves with a new, yearning eroticism. This wonderful book collects Neruda's most passionate verses.

Mi propio testimonio vivo ha sido un viaje. Comenzó de muy joven y ha continuado hasta el día de hoy. Sin embargo, encontrar el coraje para escribir fue difícil. Dejando atrás el miedo, creo que en ese sentido hubo un momento en el que entró esta hermosa fuerza y fue tan poderosa. Un poderoso momento de Amor que solo el Padre Todopoderoso puede brindar, ese empujón que sientes y te dice despierta, no hay que rendirse, te he estado preparando durante mucho tiempo. Cómo no compartir sus dones, la belleza, las letras que vienen como revelación, la palabra que brinda. Es caer en ese primer amor con un Padre Todopoderoso, que, aunque no lo vea, conozco su gracia y definitivamente confirmo sus obras, ya que él proporciona su maravilla y milagros. Este libro pertenece al Padre Todopoderoso, está dedicado a él y a su gloria. Él te da Amor, Fe, Fortaleza y Paz. Es tan hermoso cuando la gracia toca tu alma y ves a la gente sonreír, tocada en tu corazón y a través de él dada paz y amor. Una inmensa maravilla que proporciona libertad. Solo soy un servidor, un instrumento del Padre Todopoderoso que sirvió durante muchas noches para escribir y se motivó a compartir las bendiciones que él ha dado en mi vida y en colocar en los demás de maneras maravillosas. Le agradezco por llenarnos todos los días de amor, compasión y comprensión, darnos y llenarnos con Sus bendiciones y cuidarnos cada segundo de nuestras vidas. El cambio de actitud, es una posición asumida para un propósito específico, lo que significa un estado mental negativo u hostil, una manera fría, engreída, desafiante o arrogante. Tómese un minuto y reflexione sobre cuántos momentos hemos tenido de estos. Imagínese cómo habría resultado si se hubiera utilizado en una perspectiva diferente. Ya sea, es para una empresa la forma de aplicarlo individualmente... un personal que trabaja positivamente en equipo, crecimiento en número y producción. Quiero decir que no todo puede ser perfecto... de lo contrario, ¿cómo aprenderíamos? Pero es quizás en la forma en que servimos, el cambio puede suceder. Cambiar actitudes, ayudar a otros a sobrevivir y proporcionar amor y bondad en este hermoso viaje de propósito. Es a través de la edificación, donde "edificar" está "diseñado para mejorarte de alguna manera, ya sea moral, educativa o espiritualmente". Como dije antes me encanta aprender, me encanta escuchar especialmente hacia el crecimiento espiritual... lo que agrada al Padre Todopoderoso. A pesar de que desearíamos que todo pudiera ser 100% bueno, se trata de ser humano. Por lo tanto, tenemos nuestros buenos y malos momentos.

Este valioso libro nos da instrucciones acerca de cómo debemos proceder para conseguir lo que anhelamos basándonos en principios fundamentales de la metafísica. Se recomienda comenzar por el principio, que es el Principio de Mentalismo, porque todo Universo, todo en la Creación, está basado en él y es, sencillamente, una gran verdad: lo que tu piensas se manifiesta. Los pensamientos son cosas, por lo tanto, es tu actitud la que determina todo lo que te sucede.

We build in the mental equivalents by thinking quietly, constantly and persistently of the kind of thing we want, and by thinking that has two qualities: clearness or definiteness, and interest. The key to life is to build in the mental equivalents of what we want and to expunge the equivalents of what we do not want.

Fantastic portmanteu featuring the stoic warriors of the Adepta Sororitas. To die in the name of the God-Emperor of Mankind is to live eternal, and none are more willing to bleed in His name than the Adepta Sororitas - the Sisters of Battle. The Book of Martyrs charts the deaths of these exemplars. Sister Ishani of the Orders Hospitaller, serving alongside the death-obsessed Valorous Heart, tends to her Ecclesiarchy charges as something inhuman hunts the fields. Sister Anarchia of the Order of Our Martyred Lady, taken captive by the vile T'au Empire, seeks to teach her interrogators what it truly means to be one of the faithful. On a regressed Imperial world, Sister Superior Laurelyn of the Order of the Bloody Rose reinforces the beleaguered defenders against a familiar foe turned anew by the Great Rift. And in the age of the Indomitus Crusade, with the galaxy split in two, only one thing is certain - there will be no shortage of martyrs to fill the pages of this ancient tome. One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Part of the Gibbs Smith Women's Voices series: A collection of literary voices written by, and for, extraordinary women—to encourage, challenge, and inspire. Louisa May Alcott (1832-1888) published more than thirty books in her lifetime, but it was her "girls' story" (written at the request of her publisher), Little Women, that has captured the imagination of millions of

readers. This coming-of-age story spotlights beloved tomboy Jo March (arguably America's first juvenile heroine and a reflection of a young Alcott herself) and Jo's three sisters—Meg, Beth, and Amy—in a heartwarming family drama. Originally published in two parts, in 1868 and 1869, Little Women has never been out of print. A NEW YORK TIMES NEW & NOTEWORTHY BOOK Good bookshops are questions without answers. They are places that provoke you intellectually, encode riddles, surprise and offer challenges ... A pleasing labyrinth where you can't get lost: that comes later, at home, when you immerse yourself in the books you have bought; lose yourself in new questions, knowing you will find answers. Picking up where the widely praised Bookshops: A Reader's History left off, Against Amazon and Other Essays explores the increasing pressures of Amazon and other new technologies on bookshops and libraries. In essays on these vital social, cultural, and

intellectual spaces, Jorge Carrión travels from London to Geneva, from Miami's Little Havana to Argentina, from his own well-loved childhood library to the rosewood shelves of Jules Verne's Nautilus and the innovative spaces that characterize South Korea's bookshop renaissance. Including interviews with writers and librarians—including Alberto Manguel, Iain Sinclair, Luigi Amara, and Han Kang, among others—Against Amazon is equal parts a celebration of books and bookshops, an autobiography of a reader, a travelogue, a love letter—and, most urgently, a manifesto against the corrosive influence of late capitalism.

"Awaken to the fact that your thought and feeling in the past have built—created—the inharmony of your world today. Arise! I say, Arise! and walk with the Father—the "I AM"—that you may be free from these limitations. Life, in all Its Activities everywhere manifest, is God in Action; and it is only through lack of the understanding of applied thought and feeling that mankind is constantly interrupting the pure flow of that Perfect Essence of Life which would, without interference, naturally express Its Perfection everywhere."

Preached at Enfield, Connecticut on July 8, 1741, this is perhaps the greatest sermon ever preached in America—and is certainly among the most well known. Owing to its forthright dealing with God's wrath and His intense hatred of sin and the sinner, it is also one of the most controversial. Indeed, for more than three-quarters of the sermon Edwards lays down

a relentless stream of the most vivid and horrifying descriptions of the danger facing unregenerate men. While it is difficult to read such graphic language, there is abundant hope in the sermon's conclusion. Edwards puts it this way, "And now you have an extraordinary opportunity, a day wherein Christ has thrown the door of mercy wide open and stands calling and crying with a loud voice to poor sinners." While those who would rather ignore God's justice in favor of His mercy condemn Edwards and his sermon, those who were present and actually heard him preach that day reacted in a decidedly different manner. According to the diary of Reverend Stephen Williams who attended the sermon, "Before the sermon was done there was a great moaning and crying through the whole House, 'what shall I do to be saved; oh, I am going to hell, etc.'" The diary goes on to indicate that Edwards had to interrupt his sermon and come down to minister to those who were under such awful conviction. And so, in spite of what the scoffers might think or say, "the amazing and astonishing power of God" was manifested among the people that day—with many falling not into the hands of an angry God, but into the arms of a mighty Savior.

Internationally known singer, songwriter, business woman, and actress Thalia shares this fun and fanciful story about something every parent can relate to—persuading your child to give up the pacifier. Vibrant, colorful, and campy, this is the perfect story for kids who need the extra push to give up their own binkies.

In this wonderfully "clever and compelling" (Kirkus Reviews) retelling of the infamous—and torrid—love affair between Anne Boleyn and King Henry VIII, history collides with the present when a sizzling romance ignites in a modern-day high school. Henry's life has been mapped out since the day he was born: student body president, valedictorian, Harvard Law School, and successful political career just like his father's. But ever since the death of his brother, the pressure for Henry to be perfect has now he's trapped: forbidden from pursuing a life as an artist or dating any girl who isn't Tudor-approved. Then Anne Boleyn crashes into his life. Wild, brash, and outspoken, Anne is everything Henry isn't allowed to be—or want. But soon Anne makes him think about. His mother, his friends, and even his girlfriend warn him away, but his desire for Anne consumes him. How can he do anything to be with her, but once they're together, will their romance destroy them both? Inspired by the true story of Anne Boleyn and King Henry VIII, Anne & Henry beautifully reimagines the intensity, love, and betrayal between one of the most famous couples of all time.
