BASIC SPANISH FOR TEACHERS is a career manual designed to serve those in the teaching professions who seek basic conversational skills in Spanish. Written for use in two-semester or three-quarter courses, it presents everyday situations that teachers could encounter in various work settings (public and private elementary, middle, and high schools) when dealing with Spanish speaking students and parents/guardians in the United States. This second edition introduces practical vocabulary, everyday on-the-job situations, and culture notes (Notas culturales) written from a cross-cultural perspective. It provides opportunities to apply, in a wide variety of practical contexts, the grammatical structures presented in the corresponding lessons of the Basic Spanish core text. [This is] a source collection that traces the course of human history from the rise of the earliest civilizations to the present. [This book] follows the evolution of cultures that most significantly influenced the history of the world from around 3500 B.C.E. to 1700 C.E., with emphasis on the development of the major social, religious, intellectual, and political traditions of the societies that flourished in Eurasia and Africa. -Pref.

View the Independent Writing Within, Beyond and About Texts Webinar Now there are three distinct Reader's Notebooks to help students grades K through 8 become better readers through writing. New! Reader's Notebook: Primary (recommended for Grades K-2) Reader's Notebook (recommended for Grades 2-4) Reader's Notebook: Advanced (recommended for Grades 4-8) Here's an engaging way to improve your students' reading comprehension and to encourage them to write their thoughts about what they've read. It is also an excellent assessment tool for documenting reading achievement over time in a reading workshop that includes independent reading, guided reading, and genre study. Fountas & Pinnell Reader's Notebooks: Advanced are 8.5x11 spiral notebooks, similar to what students use every day, but specially designed to promote reflection and dialogue about reading. As described in the authors' best-selling Guiding Readers and Writers, Grades 3-6, the Reader's Notebook is practical and easy to use. In it, students transform traditional book

reports into active dialogues. The notebook becomes a personal storehouse of students' thoughts and feelings and a place to access them for later review, reflection, and sharing. It is also a way for teachers to systematically assess students' responses to the texts they are reading independently. Used throughout the academic year, the notebook serves as a continual record of one reader's book list, interests and reading responses. Students may write in longhand, make charts or quick sketches, or glue in their writings produced on the computer. The Reader's Notebook: Advanced also contains many different resources for writing about reading. It is organized into easy-to-use, color-coded tabbed sections. The Reader's Notebook: Advanced is also available in 25 packs

Now there are three distinct Reader's Notebooks to help students grades K through 8 become better readers through writing. New! Reader's Notebook: Primary (recommended for Grades K-2) Reader's Notebook (recommended for Grades 2-4) Reader's Notebook: Advanced (recommended for Grades 4-8) Here's an engaging way for primary grade (K-2) students to respond to reading-through thinking, talking, drawing, and writing. Fountas & Pinnell Reader's Notebook: Primary is an 8 1/2 x11 spiral notebook organized into three color-coded tabbed sections: All About Me, Books I Read, and Letters and Words. It is specifically designed for younger children who may not yet be writing, with ample space to respond through both drawing and writing, with room for teacher support. All About Me recognizes the younger child's interest in their own developing identities-as individuals and as readers-with space for them to draw and write about themselves, their friends and family, and the books and authors they love. Books I Read outlines the steps for Readers' Workshop in a simple format that includes illustrations that support the print, and provides space for children to record the titles and authors of books they have read, along with space to draw and write about those books. The helpful Letters and Words section provides children with an alphabet chart, high-frequency words, a chart for children to record words as they encounter them, and an Alphabet Linking Chart. Reader's Notebook: Primary promotes reflection and dialogue about reading and is an excellent assessment tool for documenting reading achievement over time in a readers' workshop that includes independent reading, guided reading, and literature study (book clubs). Used throughout the academic year, the notebook serves as a continual record of one reader's book list, interests, and reading responses. The Reader's Notebook: Primary is also available in 5-packs.

A combined text that meets the needs of second-year intermediate courses in Spanish. Part I reviews Spanish grammar, in Spanish, with oral and written exercises and brief cultural readings. Part II offers five complete stories and one play by Hispanic authors from Latin America, the U.S., and Spain. The program addresses the problem of both ``anglo" and ``hispanic" students.

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country

or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our finger-tips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: www.thelinguist.com.
