The popular Flash Kids Workbooks now features STEM enrichment sections and easy-to-tackle projects for wherever learning takes place! This comprehensive line of workbooks was developed through a partnership with Harcourt Family Learning, a leading educational publisher. Based on national teaching standards for Grade 1, this workbook provides complete practice in math, reading, and other key subject areas. New content includes an introduction to STEM concepts and terms, how STEM impacts everyday life, concept review quiz, and fun, engaging projects that reinforce the subjects. Flash Kids Complete Curriculum Grade 1 also includes a new introduction providing recommendations for educators on how to use this volume to differentiate lessons in the classroom and instructions to integrate the content into hybrid and remote learning.
