

of everyone and every aspect of the fashion industry. There are hugely famous people interviewed (Marc Jacobs, Bruce Weber, Patrick DeMarchelier) alongside assistants and others who are just getting started. The book includes 6 sections: Designers, Editors, Stylists, Beauty, Photographers and Models. And in every section, the people in the profile share simple tips on how to live the Teen Vogue lifestyle, now.

The secret to great relationships--just for teens #1 New York Times bestselling book The 5 Love Languages® has sold over 10 million copies, helping countless relationships thrive. Simply put, it works. But do the five love languages work for teens, for their relationships with parents, siblings, friends, teachers, coaches, and significant others? Yes! Introducing A Teen's Guide to the 5 Love Languages, the first-ever edition written just to teens, for teens, and with a teen's world in mind. It guides emerging adults in discovering and understanding their own love languages as well as how to best express love to others. This highly practical book will help teens answer questions like: What motivates and inspires me? What does it mean to be a caring friend? What communicates love to my family? What is the best way to get along with the opposite sex? Features include: A straight-forward overview of the 5 love languages A profile/assessment instrument specifically geared to teens Practical examples/tips for how to apply each language in a teen's context Graphics that drive home key concepts Teens' relationships matter, and these simple ideas will help them thrive.

As a teen girl, you are likely feeling pressure and stress from every direction. Having good, healthy relationships with friends you can count on makes all the difference. In this guide, psychologist and teen expert Lucie Hemmen offers ten tips to guide you toward creating and maintaining the social life you want. Even better, the real experts that make this guide special are older teen girls who have recently been where you are now—and have plenty to say about it. As you move through this fun and engaging guide, you will get a sense of who you are as a friend, appreciate authentic qualities you can share with others, and get moving toward expanding the quality and quantity of your social connections. Before you know it, small steps will lead to big changes and you will find yourself more confident, connected, and happy. Grounded in evidence-based cognitive behavioral therapy (CBT), the ten tips guide you in developing yourself in both simple and significant ways. You will engage in thought-provoking exercises and take fun quizzes spaced between tips to get you thinking more deeply about yourself and others. If you 're ready to get going on your social life, this book will show you the way.
