The #1 New York Times Bestseller * Named one of Variety's Best Music Books of 2021 * Included in Audible's Best of The Year list * A Business Insider Best Memoirs of 2021 * One of NME's Best Music Books of 2021 So, I've written a book. Having entertained the idea for years, and even offered a few questionable opportunities ("It's a piece of cake! Just do 4 hours of interviews, find someone else to write it, put your face on the cover, and voila!") I have decided to write these stories just as I have always done, in my own hand. The joy that I have felt from chronicling these tales is not unlike listening back to a song that I've recorded and can't wait to share with the world, or reading a primitive journal entry from a stained notebook, or even hearing my voice bounce between the Kiss posters on my wall as a child. This certainly doesn't mean that I'm quitting my day job, but it does give me a place to shed a little light on what it's like to be a kid from Springfield, Virginia, walking through life while living out the crazy dreams I had as young musician. From hitting the road with Scream at 18 years old, to my time in Nirvana and the Foo Fighters, jamming with Iggy Pop or playing at the Academy Awards or dancing with AC/DC and the Preservation Hall Jazz Band, drumming for Tom Petty or meeting Sir Paul McCartney at Royal Albert Hall, bedtime stories with Joan Jett or a chance meeting with Little Richard, to flying halfway around the world for one epic night with my daughters...the list goes on. I look forward to focusing the lens through which I see these memories a little sharper for you with much excitement.

Contains a magical collection of folktales from around the world.

The Teller of Tales and the Tales He Told, Etc

Each year, Hassan, the storyteller, gathers listeners to the city square to explore the mysterious disappearance of a young foreign couple through recollections and witness descriptions in the hope of finding new details that absolve his brother of the crime. Reprint.

A great story transcends the coldest winter. The year is 1738. Jacques Lafargue, a wide-eyed young Frenchman, arrives in New France aboard the Saint Michel. But before his Canadian adventure has a chance to begin, he is detained at Quebec harbour by suspicious port officials. Their distrust proves warranted: instead of a young man named Jacques Lafargue their captive turns out to be a young woman named Esther Brandeau, and instead of answers to their questions about who she is and where she came from, they are given tales of castaways raised by apes, of blind lovelorn sailors and merciless pirates, of runaway slaves and kindly desert nomads, and of other curiosities in a limitless world. Few suspect the truth: Esther is a Jew, which by law prohibits her from entering New France, and she is using her tale-telling to escape the restrictions placed upon her race and gender. And no one — not even Esther herself — realizes the power her stories have to open their hearts and minds to old dreams and new possibilities. The Tale-Teller is a marvel. Susan Glickman takes readers on a journey of discovery — starting with the fascinating true story of an obscure historical figure, and continuing through an intimate and richly-detailed portrait of Canadian colonial society, guided always by a map of wonders—to reveal timeless truths.

"WOW! I wish I could dream up a story this good!" J.J. Seidelmaier, Animator (Beavis & Butthead, SNL's Ambiguously Gay Duo) "A wonderfully clever tale, well-told." Jerry Cleaver, Author of Immediate Fiction. "The power of my fables is legendary-if I may be permitted to say so. They have reformed the criminal, healed the sick, and righted the mentally unbalanced. Why, just last year did I not bring the implacable Blackhouse Ripper to tears of repentance on the eve of his execution, so that he begged to be led to the gallows forthwith? I have fables for every occasion, and this is no exception, believe me." So boasts the Fabulist to the King of Uxvala, who has summoned him to that distant unknown land to improve the character of the Prince. But the Prince has stories of his own to tell, and the Fabulist and his Manservant are drawn into astonishing adventures, including (but not limited to): Cold-blooded revenge; an infinite labyrinth; startling philosophical speculations and disputes that actually move the plot forward; torture by unbearably exquisite caresses; death-duels aboard a pirate ship; an uncharted island inhabited solely by comely young women; gunpowder tattoos; gysacuti farsed with grebes farsed with capons farsed with wrens; imprisonment in a tower; The Excursus of Hermes Trismegistus, as well as the Chema of Chemes; polygamous marriage and jealous wives; potions of invisibility and immobility; a barber of blood. The Tale of the Teller of Tales is a novel of high adventure, low comedy, and disturbing metaphysical insights.

The Storyteller Essays

The award-winning YA author weaves “an unsettling tapestry of ugly secrets, violence, suspense, twisted motives and love’s unfathomable ways” (Kirkus). Anna and Abel couldn’t be more different. They are both seventeen and in their last year of school, but while Anna lives in a nice old town house and comes from a well-to-do family, Abel, the school drug dealer, lives in a grim tower block at the edge of town. Anna naturally keeps her distance from Abel. But when she discovers that he is the only one caring for his six-year-old sister, her fear turns to fascination. Anna follows the two, listening as Abel tells little Micha the story of a tiny queen assailed by dark forces. It’s a beautiful fairy tale that lets Anna see Abel’s reality. Unable to make ends meet, he’s in danger of losing Micha to their abusive father. Anna gradually falls in love with Abel, but when his "enemies" begin to turn up dead, she fears she has fallen for a murderer. Antonia Michaelis, the Batchelder Honor Award-winning author of Tiger Moon, moves in a bold new direction with her latest novel: a dark, haunting, contemporary story that is part mystery, part melodrama, and part dark romance.

Retells nine tales about the mortals and magical beings who reside in Cornwall. A discussion of the various magical ones follows each selection.

A mechanical gypsy with a mind of its own, a lifeguard ghost, and other ghoulish apparitions haunt the pages of this hair-raising collection guaranteed to leave your readers screaming for more! Black-and-white illustrations.

Readers of the Canterbury Tales have always marvelled at the spirited interplay among the pilgrims and the manner in which the stories they tell seem to fit their characters. In Tellers, Tales, and Translation Warren Ginsberg argues that Chaucer often recast a coordinating idea or set of concerns in the portraits, prologues, tales, and epilogues that make up a 'Canterbury' performance. For the Clerk, the idea is transition, for the Merchant it isreversion and reticence, for the Miller it is repetition, for the Franklin it is interruption and elision, for the Wife of Bath it is self-authorship, for the Pardoner it is misdirection and subversion. When readersassemble the parts, which say the same thing otherwise, they become roadside translators who join Chaucer in organizing his greatest work.

A Novel

Teller of Tall Tales

A retelling of five classic folk/fairy tales, including Cinderella, Sleeping Beauty, Paul Bunyan, John Henry, and Jack and the Beanstalk, from a contemporary perspective.

Inspired by folklore from around the world and all told in the spirit of Jim Henson's beloved beloved television series, this hardcover collects the watercolor story of "The Magic Swan Goose and the Lord of the Forest" from S.M. Vidaurri (Iron: Or, the War After), Spera artist Kyla Vanderklugt's haunting tale of the snow witch, Matthew Dow Smith's tale of a man shipwrecked on an island of witches, and the unproduced The Storyteller teleplay from The Jim Henson Company Archives, adapted by Jeff Stokely (Six-Gun Gorilla). Features an all-new cover illustration by Sonny Liew (The Shadow Hero) and the never-before-seen, unproduced The Storyteller teleplay from The Jim Henson Company Archives.

This book offers new, often unexpected, but always intriguing portraits of the writers of classic fairy tales. For years these authors, who wrote from the sixteenth to the nineteenth centuries, have been either little known or known through skewed, frequently sentimentalized biographical information. Jacob and Wilhelm Grimm were cast as exemplars of national virtues; Hans Christian Andersen's life became—with his participation—a fairy tale in itself.

Jeanne-Marie Leprince de Beaumont, the prim governess who wrote moral tales for girls, had a more colorful past than her readers would have imagined, and few people knew that nineteen-year-old Marie-Catherine d'Aulnoy conspired to kill her much-older husband. Important figures about whom little is known, such as Giovan Francesco Straparola and Giambattista Basile, are rendered more completely than ever before. Uncovering what was obscured for years and with newly discovered evidence, contributors to this fascinating and much-needed volume provide a historical context for Europe's fairy tales.

'Nicanor - Teller of Tales' is a collection of short books set in Roman controlled Britain in the 5th century. 'Nicanor the story-teller was the son of Rathumus the wood-cutter, who was the son of Melchior the story-teller. So that Nicanor came honestly by his gift, and would even believe that his great-grand sire had handed it down to him by special act of bequest.' The gifted story teller sets off to Londinium in pursuit of fortune and fame...

The Life of Arthur Conan Doyle

Tales from the Droll-teller

Tales of Enchantment

A new translation of philosopher Walter Benjamin's work as it pertains to his famous essay, "The Storyteller," this collection includes short stories, book reviews, parables, and as a selection of writings by other authors who had an influence on Benjamin's work. "The Storyteller" is one of Walter Benjamin's most important essays, a beautiful and suggestive meditation on the relation between narrative form, social life, and individual existence—and the product of at least a decade's work. What might be called the story of The Storyteller Essays starts in 1926, with a piece Benjamin wrote about the German romantic Johann Peter Hebel. It continues in a series of short essays, book reviews, short stories, parables, and even radio shows for children. This collection brings them all together to give readers a new appreciation of how Benjamin's thinking changed and ripened over time, while including several key readings of his own—texts by his contemporaries Ernst Bloch and Georg Lukács; by Paul Valéry; and by Herodotus and Montaigne. Finally, to bring things around, there are three short stories by "the incomparable Hebel" with whom the whole intellectual adventure began.

Ava Gabriela is visiting her extended family in Colombia for the holidays. She's excited to take part in family traditions such as making bunuelos, but being around all her loud relatives in an unfamiliar place makes Ava shy and quiet. How will Ava find her voice before she misses out on all the New Year's fun?

More than a hundred years have passed since the creation of Sherlock Holmes, perhaps the most famous fictional character of all time. But while the legendary detective lives on in the popular imagination, the man who created him is often overlooked and frequently misunderstood. This fresh and compelling biography examines the extraordinary life and strange contrasts of Sir Arthur Conan Doyle, the struggling provincial doctor who became the most popular storyteller of his age.

This traditional story from Iran tells about a poor man who was forced to be a fortune teller, becomes rich by telling the first thing that pops into his mind when the king is robbed of forty chests. Incredible Iran introduces factual information about Iran.

The Riverman Trilogy

Sefia is determined to keep Archer out of the Guard's clutches and their plans for war between the Five Kingdoms. The Book, the ancient, infinite codex of the past, present and future, tells of a prophecy that will plunge Kelanna in that bloody war, but it requires a boy-Archer-and Sefia will stop at nothing to ensure his safety. The Guard has already stolen her mother, her father, and her Aunt Nin. Sefia would sooner die than let them take anymore from her-especially the boy she loves. But escaping the Guard and the Book's prophecy is no easy task. After all, what is written always comes to pass.As Sefia and Archer watch Kelanna start to crumble to the Guard's will, they will have to choose between their love and joining a war that just might tear them apart.

Civil-servant-turned-schoolteacher Arunava Varman is secretive and reticent. But he turns into an inspired teller of tales after a couple of drinks, especially in the company of his friend, Tapan. Arunava's bizarre stories—involving friends, family and colleagues—add a dash of excitement to Tapan's mundane life of a bureaucrat. But over the years, as Tapan gets to know Arunava better, he starts discovering disturbing holes in these tales. Elegant, wistful and full of surprises, this exquisitely crafted first novel combines the suspense of a thriller with the tender charm of a love story.

Hunter Davies has set off on an adventure to search out the man and his motivation, following him in the past and in the present, visiting his birthplace in Edinburgh, France, California and his final home in the Pacific. His book is half travel, half biography, but all of it is entertaining, amusing and informative.

Along with stories, Keri Cleary records in her diary the strange and terrifying events surrounding the disappearance of Fiona Loomis and Alistair Cleary's efforts to find her in Aquavania, a world where wishes can nearly come true, as well as the repercussions of the shooting of Kyle Dwyer.

"Draw closer... closer, that you might clearly hear my words; for in the telling of tales, the softly spoken word may carry more power than the shout... the silence between words, more power than the words themselves.I know this, because I am Omar, the Teller of Tales..." Omar the Teller of Tales, winner of the British Fantasy Society Short Story Prize 2010 and thirty more stories.

Winner of the 1999 Edgar Award for Best Biographical Work, this is "an excellent biography of the man who created Sherlock Holmes" (David Walton, The New York Times Book Review) This fresh, compelling biography examines the extraordinary life and strange contrasts of Sir Arthur Conan Doyle, the struggling provincial doctor who became the most popular storyteller of his age. From his youthful exploits aboard a whaling ship to his often stormy friendships with such figures as Harry Houdini and George Bernard Shaw, Conan Doyle lived a life as gripping as one of his adventures. Exhaustively researched and elegantly written, Daniel Stashower's Teller of Tales sets aside many myths and misconceptions to present a vivid portrait of the man behind the legend of Baker Street, with a particular emphasis on the Psychic Crusade that dominated his final years—the work that Conan Doyle himself felt to be "the most important thing in the world."

Five Stories

In Search of Robert Louis Stevenson

A beautiful collection of the legendary thinker's short stories The Storyteller gathers for the first time the fiction of the legendary critic and philosopher Walter Benjamin, best known for his groundbreaking studies of culture and literature, including Illuminations, One-Way Street and The Arcades Project. His stories revel in the erotic tensions of city life, cross the threshold between rational and hallucinatory realms, celebrate the importance of games, and delve into the peculiar relationship between gambling and fortune-telling, and explore the themes that defined Benjamin. The novellas, fables, histories, aphorisms, parables and riddles in this collection are brought to life by the playful imagery of the modernist artist and Bauhaus figure Paul Klee.

Innkeeper's daughters Adele and Eleda are "mirror twins"—identical twins whose looks are reflections of each other’s—and their special talents are like mirrors, too. Adele is a Safe-Keeper, entrusted with hearing and never revealing others' secrets; Eleda is a Truth-Teller, who cannot tell a lie when asked a direct question. The town of Merendon relies on the twins, no one more than their best friend, Roelyn Karro, whose strict, wealthy father is determined to marry her off to the prince. When the girls are seventeen, a handsome dancing-master and his apprentice come to stay at the inn, and thus begins a chain of romance, mistaken identity, and some very surprising truths and falsehoods.

From Germany to Beirut, the Storyteller follows the turbulent search of a son for a father whose heart has never stopped yearning for his homeland, Lebanon.
