*From the author of The Outsiders: “Immediate and gripping” tales of two boys whose lives diverge in dramatic ways after a shared childhood tragedy (School Library Journal). Terry and Mike were cousins who were as close as cousins could be—more like twin brothers, really. They thought they were invincible and that the happy times would last forever, until the day their fathers headed off for their annual deer-hunting trip. That was when everything started to change, and their paths went in very different directions. Years later, another fateful event will send one of them to prison—and the other to a bartending job in Oklahoma—while the prospect of an eventual reunion looms . . . From the award-winning author of That Was Then, This Is Now and Rumble Fish, “Some of Tim’s Stories is a compact set of vignettes” full of “sharp, concise observation” (The New York Times).*

*From celebrated novelist S.E. Hinton, the classic YA novel TEX, now available as an eBook for the first time. Tex McCormick, fifteen, is happy: happy living in a small town in Oklahoma; happy living with his big brother Mason; and especially happy to live next door to his best friend Johnny, and Johnny's sister Jamie. But with money running out and no sign of Pop for months on end, Mason is getting nervous. He's talking about leaving Oklahoma too, for good. Feeling adrift, Tex goes looking for - and finds - trouble. When happiness is impossible to find, how will Tex keep himself and his family together? From the author of THE OUTSIDERS, S.E. Hinton's classic story explores the true meanings of strength and vulnerability. “In Tex, the raw energy for which Hinton has justifiably reaped praise has not been tamed—it’s been cultivated, and the result is a fine, solidly constructed, and well-paced story.”—School Library Journal An ALA Best Books for Young Adults A School Library Journal Best Books of the Year A New York Public Library Books for the Teen-Age An American Book Award Nominee*

*Ty Johnson knows survival. Since inheriting his pop’s business at sixteen, Ty’s developed smarts, skills, and mad discipline. The supply game’s in his blood. *One of thousands of children who fled strife in southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. In this memorable book, the two convey the best of African values while relating searing accounts of famine and war. There’s warmth as well, in their humorous tales of adapting to American life. For its importance as a primary source, for its inclusion of the rarely told female perspective of Sudan’s lost children, for its celebration of human resilience, this is the perfect story to inform and inspire young readers.*

*Two novels reveal the realities of growing up young and poor in an Oklahoma city, the importance of family and friends during hardship, and the struggle to discover identity apart from society's perceptions.*

When Davey Wexler's father is killed in a holdup in Atlantic City, her mother moves Davey and her brother to Los Alamos to get away from the memories--but Davey is a girl frozen in fear and anger, until she meets an older boy called Wolf who can read hertiger eyes. The classic YA story of a boy, a horse, and pursuit of a dream. TAMING THE STAR RUNNER written by celebrated novelist S.E. Hinton, now available as an eBook for the first time. With an absent mother and a domineering step-father, Travis uses his tough-guy exterior to hide his true passion: writing. After a violent confrontation with his step-father, Travis is sent to live on his uncle's horse ranch - exile to a born-and-bred city kid. Angry and yearning for a connection, Travis befriends Casey, the horse-riding instructor at the ranch, and the un-tamable horse in her stable: the Star Runner. When a friend from the city visits with stories of other kids from the neighborhood facing jail time, Travis is more determined than ever that he needs to escape the life of juvenile delinquency he seems destined for. When the offer of a book deal comes through, Travis is hopeful that this is his chance to escape, if only his step-father will stop standing in the way of his dreams. From the author of THE OUTSIDERS, S.E. Hinton once again writes about what it feels like to be unaccepted, and the power in being true to yourself. "Hinton continues to grow more reflective in her books, but her great understanding, not of what teenagers are but of what they can hope to be, is undiminished."—Kirkus Reviews An ALA Best Books for Young Adults An ALA Quick Pick A pregnancy pact between three teenaged girls puts their mothers' love to the ultimate test in this explosive new novel from Barbara Delinsky, "a first-rate storyteller who creates characters as familiar as your neighbors." (Boston Globe) When Susan Tate's seventeen-year-old daughter, Lily, announces she is pregnant, Susan is stunned. A single mother, she has struggled to do everything right. She sees the pregnancy as an unimaginable tragedy for both Lily and herself. Then comes word of two more pregnancies among high school juniors who happen to be Lily's best friends-and the town turns to talk of a pact. As fingers start pointing, the most ardent criticism is directed at Susan. As principal of the high school, she has always been held up as a role model of hard work and core values. Now her detractors accuse of being a lax mother, perhaps not worthy of the job of shepherding impressionable students. As Susan struggles with the implications of her daughter's pregnancy, her job, financial independence, and long-fought-for dreams are all at risk. The emotional ties between mothers and daughters are stretched to breaking in this emotionally wrenching story of love and forgiveness. Once again, Barbara Delinsky has given us a powerful novel, one that asks a central question: What does it take to be a good mother?
