

## Texas Special Education Certification Test Study Guide

Is this blue book more valuable than a business degree? Most people enter their professional careers not understanding how to grow a business. At times, this makes them feel lost, or worse, like a fraud pretending to know what they're doing. It's hard to be successful without a clear understanding of how business works. These 60 daily readings are crucial for any professional or business owner who wants to take their career to the next level. New York Times and Wall Street Journal bestselling author, Donald Miller knows that business is more than just a good idea made profitable – it's a system of unspoken rules, rarely taught by MBA schools. If you are attempting to profitably grow your business or career, you need elite business knowledge—knowledge that creates tangible value. Even if you had the time, access, or money to attend a Top 20 business school, you would still be missing the practical knowledge that propels the best and brightest forward. However, there is another way to achieve this insider skill development, which can both drastically improve your career earnings and the satisfaction of achieving your goals. Donald Miller learned how to rise to the top using the principles he shares in this book. He wrote *Business Made Simple* to teach others what it takes to grow your career and create a company that is healthy and profitable. These short, daily entries and accompanying videos will add enormous value to your business and the organization you work for. In this sixty-day guide, readers will be introduced to the nine areas where truly successful leaders and their businesses excel: **Character:** What kind of person succeeds in business? **Leadership:** How do you unite a team around a mission? **Personal Productivity:** How can you get more done in less time? **Messaging:** Why aren't customers paying more attention? **Marketing:** How do I build a sales funnel? **Business Strategy:** How does a business really work? **Execution:** How can we get things done? **Sales:** How do I close more sales? **Management:** What does a good manager do? *Business Made Simple* is the must-have guide for anyone who feels lost or overwhelmed by the modern business climate, even if they attended business school. Learn what the most successful business leaders have known for years through the simple but effective secrets shared in these pages. Take things further: If you want to be worth more as a business professional, read each daily entry and follow along with the free videos that will be sent to you after you buy the book.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* REA's TE<sub>x</sub>ES English Language Arts and Reading 4-8 (117) Test Prep with Online Practice Tests Gets You Certified and in the Classroom! Teacher candidates seeking certification to become ELA teachers for the middle grades in Texas public schools must take the TE<sub>x</sub>ES ELA & Reading 4-8 (117) test.
