

Thank You Sarah The Woman Who Saved Thanksgiving

"A jaw-dropping psychological thriller." –Publisher's Weekly, starred review "A fiendishly clever romantic thriller in the vein of *Gone Girl* and *The Girl on the Train*. This one will keep you guessing." –Anita Shreve, *New York Times* bestselling author of *The Stars are Fire* When you read this book, you will make many assumptions. You will assume you are reading about a jealous ex-wife. You will assume she is obsessed with her replacement – a beautiful, younger woman who is about to marry the man they both love. You will assume you know the anatomy of this tangled love triangle. Assume nothing. Twisted and deliciously chilling, *The Wife Between Us* exposes the secret complexities of an enviable marriage – and the dangerous truths we ignore in the name of love. Read between the lies. A 2018 Indie Next Pick Praise for *The Wife Between Us*: "A clever thriller with masterful twists." –Karin Slaughter, *New York Times* bestselling author of *The Kept Woman* "The Wife Between Us delivers a whip smart, twisty plot in a taut, pacy narrative. It's terrific and troubling. This is one scary love triangle where you won't know who to trust. I loved it." –Gilly Macmillan, *New York Times* bestselling author of *What She Knew* "A twisty, mind-bending novel about marriage and betrayal. A gripping plot and fascinating characters; this book will keep you turning the pages and guessing until the very end. A must-read!" –Lauren Weisberger, *New York Times* bestselling author of *The Devil Wears Prada* "This amazing story gallops along at breakneck speed, with an ending that smacks you between the eyes and takes your breath away. These authors are destined to become trail blazers in the field of psychological suspense books that explode in your hands!" –Nancy Simpson-Brice, *Book Vault* "Like a house of mirrors, *The Wife Between Us* kept me guessing around every corner, delving into the complexities of marriage, friendship, and obsession." –Javier Ramirez, *The Book Table* Contemporary art historians – all of them women – probe the dilemmas and complexities of writing about the woman artist, past and present. These 13 essays address the work and history of specific artists, beginning with the Renaissance and ending with the present day.

"A riveting tale about a town and its people that officially never existed and the secrecy behind one of the Manhattan Project's top-secret cities!" –Kim Michele Richardson, *New York Times* bestselling author of *The Book Woman's Daughter* For fans of *Atomic City Girls* and *The Secrets We Kept*, a fascinating historical debut of one of the most closely held secrets of World War II and a woman caught up in it when she follows her missing sister to the mysterious city of Oak Ridge, Tennessee. Lillian Kaufman hasn't heard from her twin sister since Eleanor left for a mysterious job at an Army base somewhere in Tennessee. When she learns, on an unexpected phone call, that Eleanor is missing, Lillian takes a train from New York down to Oak Ridge to clear up the matter. It turns out that the only way into Oak Ridge is to assume Eleanor's identity, which Lillian plans to do swiftly and perfectly. But Eleanor has vanished without a trace—and she's not the only one. And how do you find someone in a town so dangerous it doesn't officially exist, when technically you don't exist either? Lillian is thrust into the epicenter of the gravest scientific undertaking of all time, with no idea who she can trust. And the more she pretends to be Eleanor, the more she loses her grip on herself.

INSTANT NEW YORK TIMES BESTSELLER Named Most Anticipated of 2021 by *Newsweek*, *Good Housekeeping*, *Hello!* magazine, *Oprah.com*, *Bustle*, *Popsugar*, *Betches*, *Sweet July*, and *GoodReads!* March 2021 Indie Next Pick and #1 *LibraryReads* Pick "A bold, edgy, accomplished debut!" –Kate Quinn, *New York Times* bestselling author of *The Alice Network* A forgotten history. A secret network of women. A legacy of poison and revenge. Welcome to *The Lost Apothecary*... Hidden in the depths of eighteenth-century London, a secret apothecary shop caters to an unusual kind of clientele. Women across the city whisper of a mysterious figure named Nella who sells well-disguised poisons to use against the oppressive men in their lives. But the apothecary's fate is jeopardized when her newest patron, a precocious twelve-year-old, makes a fatal mistake, sparking a string of consequences that echo through the centuries. Meanwhile in present-day London, aspiring historian Caroline Parcell spends her tenth wedding anniversary alone, running from her own demons. When she stumbles upon a clue to the unsolved apothecary murders that haunted London two hundred years ago, her life collides with the apothecary's in a stunning twist of fate—and not everyone will survive. With crackling suspense, unforgettable characters and searing insight, *The Lost Apothecary* is a subversive and intoxicating debut novel of secrets, vengeance and the remarkable ways women can save each other despite the barrier of time.

The Measure of Gold

All This Could Be Different

Dear Mary

The Joy (& Weirdness) of Being a Late Bloomer

What would you risk to be free? It's 1776 and Isabel, Curzon, and Ruth have only ever known life as slaves. But now the young country of America is in turmoil—there are whisperings, then cries, of freedom from England spreading like fire, and with it is a whole new type of danger. For freedom being fought for one isn't necessarily freedom being fought for all...especially if you are a slave. But if an entire nation can seek its freedom, why can't they? As war breaks out, sides must be chosen, death is at every turn, and one question forever rings in their ears: Would you risk everything to be free? As battles rage up and down the Eastern seaboard, Isabel, Curzon, and Ruth flee, separate, fight, face unparalleled heartbreak and, just like war, they must depend on their allies—and each other—if they are to survive. Which leads to a second, harrowing question: Amidst so much pain and destruction, can they even recognize who their allies are?

Presents how Sarah Josepha Hale fought to make Thanksgiving a national holiday.

With a white mother and a Japanese father, Koji Miyamoto quickly realizes that his home in San Francisco is no longer a welcoming one after Pearl Harbor is attacked. And once he's sent to an internment camp, he learns that being half white at the camp is just as difficult as being half Japanese on the streets of an American city during WWII. Koji's story, based on true events, is brought to life by Matt Faulkner's cinematic illustrations that reveal Koji struggling to find his place in a tumultuous world—one where he is a prisoner of war in his own country.

Pairs such vegetarian recipes as pumpkin cinnamon rolls, ginger soy soup, maple dijon tofu chops, and tempeh stroganoff with stories from a mainstream family eating a not-so-mainstream diet.

A Novel of WWII

Writing the Artist

Sarah Gives Thanks

The Lost Apothecary

The Blue Book of Grammar and Punctuation

An authoritative guide to natural childbirth and postpartum parenting options from an MD who home-birthed her own four children. Sarah Buckley might be called a third-wave natural birth advocate. A doctor and a mother, she approaches the question of how a woman and baby might have the most fulfilling birth experience with respect for the wisdom of both medical science and the human body. Using current medical and epidemiological research plus women's experiences (including her own), she demonstrates that what she calls "undisturbed birth" is almost always healthier and safer than high-technology approaches to birth. Her wise counsel on issues like breastfeeding and sleeping during postpartum helps extend the gentle birth experience into a gentle parenting relationship.

A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

For women, understanding how the brain works during the key stages of life - in utero, childhood, puberty and adolescence, pregnancy and motherhood, menopause and old age - is essential to their health. Dr Sarah McKay is a neuroscientist who knows everything worth knowing about women's brains, and shares it in this fascinating, essential book. This is not a book about the differences between male and female brains, nor a book using neuroscience to explain gender-specific behaviours, the 'battle of the sexes' or 'Mars-Venus' stereotypes. This is a book about what happens inside the brains and bodies of women as they move through the phases of life, and the unique - and often misunderstood - effects of female biology and hormones. Dr McKay give insights into brain development during infancy, childhood and the teenage years (including the onset of puberty) and also takes a look at mental health as well as the ageing brain. The book weaves together findings from the research lab, case studies and interviews with neuroscientists and other researchers working in the disciplines of neuroendocrinology, brain development, brain health and ageing. This comprehensive guide explores the brain during significant life stages, including: In utero Childhood Puberty The Menstrual Cycle The Teenage Brain Depression and Anxiety Pregnancy and Motherhood Menopause The Ageing Brain

Hopeful, Inspiring Message for Moms from Sarah Jakes Mary, the mother of Jesus, is a remarkable example of quiet, resilient faith and courage in the face of adversity. From the angel's first announcement of her pregnancy to the death and resurrection of her son, Mary was witness to our Lord and Savior in a unique and special way. And as a mother herself, she speaks to the modern-day mom in a way few have explored before. Writing in the form of letters, Sarah Jakes examines the life of Mary--and through Mary, Jesus--to better understand what a life of faith looks like. Maybe you struggle to trust God's will for your life. Perhaps you have fears and insecurities that keep you from realizing the joy God wants for you, or the thought of raising little

ones overwhelms you. Through the example of Mary, discover the freedom that only true faith can bring.

Sarah

An Easy-to-Use Guide with Clear Rules, Real-World Examples, and Reproducible Quizzes

Speak

If You Were at the First Thanksgiving

From the author of Speak and Fever, 1793, comes the never-before-told tale of Sarah Josepha Hale, the extraordinary "lady editor" who made Thanksgiving a national holiday! Thanksgiving might have started with a jubilant feast on Plymouth's shore. But by the 1800s America's observance was waning. None of the presidents nor Congress sought to revive the holiday. And so one invincible "lady editor" name Sarah Hale took it upon herself to rewrite the recipe for Thanksgiving as we know it today. This is an inspirational, historical, all-out boisterous tale about perseverance and belief: In 1863 Hale's thirty-five years of petitioning and orations got Abraham Lincoln thinking. He signed the Thanksgiving Proclamation that very year, declaring it a national holiday. This story is a tribute to Hale, her fellow campaigners, and to the amendable government that affords citizens the power to make the world a better place! Included in this e-book edition is a read-along option.

Find a fuller, richer life by letting God direct your destiny. The story of Ruth is a journey of transformation. By allowing God to transform her circumstances, Ruth went from a widow who would be excluded from society to a wife with a secure and protected future, a future that ultimately paved the way for the birth of King David! Her story is full of collision--loss, heartache, poverty, even shame--but she never let her past define her. Instead, the most painful time of her life became her most pivotal, propelling her to a destiny she never imagined. Perhaps you have a past you're struggling to overcome. If disappointments, whether a result of your own choices or the actions of others, have kept you from being your true self, this book is for you. Follow Ruth's life and discover the hope available to each of us. Your yesterday does not have to dictate your tomorrow. Despite your past pain, you, too, can find redemption and restoration.

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

In this festive Caldecott Honor--winning picture book, Alice Dalgliesh brings to life the origin of the Thanksgiving holiday for readers of all ages. Giles, Constance and Damaris Hopkins are all passengers aboard the crowded Mayflower, journeying to the New World to start a new life. Things get a little more cramped when their baby brother Oceanus is born during the passage. However, when they arrive, there are even worse challenges to face as the Pilgrims are subjected to hunger, cold, and sickness that put their small colony in great danger. With the help of the Native Americans though, they might just be able to survive their first year in this strange land—and have a November harvest to celebrate for generations!

A Journey through the Treasures and Transforming Power of a Reading Life

She Wouldn't Change a Thing

The Woman Who Saved Thanksgiving

The Women's Brain Book

Answers questions about the historic harvest festival, life in the new settlement of Plymouth, and the Pilgrims' friendship with Squanto, Samoset, and the other native people.

Spring is in the air, and everyone's favorite old lady is ready to celebrate!

"America's Favorite Holidays explores how five of America's culturally dominant holidays--Christmas, Valentine's Day, Easter, Halloween, and Thanksgiving--came to be what they are today, combinations of seasonal and religious celebrations heavily influenced by modern popular culture. Distilling information from a wide range of sources, Bruce David Forbes reveals the often surprising history behind the traditions of each holiday. The book offers a comprehensive look at the Christian origins of these holidays and also touches on Passover, the religions of ancient Rome, Celtic practices, Mexico's Day of the Dead, and American civil religion.

America's Favorite Holidays answers our curiosity about the origins of our holidays and the many ways in which religion and culture mix"--Provided by publisher.

A Phenomenal Book Club Pick • A Vogue Book Club Pick • A Good Housekeeping Book Club Pick • A The Rumpus Book Club Pick "All This Could Be Different is a bildungsroman, a gorgeous queer love story, and a musing on labor and immigration. But you'll fall most in love with its wickedly sharp narrator, who's funny, passionate, and complicated." —The Cut "If you've ever wanted to read a love letter to friendship, this is it . . . Through exquisite observations, Sarah Thankam Mathews reflects on the gift of having people you can count on, who anchor you through new chapters." —NPR's "Books We Love" From a brilliant new voice comes an electrifying novel of a young immigrant building a life for herself—a warm, dazzling, and profound saga of queer love, friendship, work, and precarity in twenty-

first century America Graduating into the long maw of an American recession, Sneha is one of the fortunate ones. She's moved to Milwaukee for an entry-level corporate job that, grueling as it may be, is the key that unlocks every door: she can pick up the tab at dinner with her new friend Tig, get her college buddy Thom hired alongside her, and send money to her parents back in India. She begins dating women—soon developing a burning crush on Marina, a beguiling and beautiful dancer who always seems just out of reach. But before long, trouble arrives. Painful secrets rear their heads; jobs go off the rails; evictions loom. Sneha struggles to be truly close and open with anybody, even as her friendships deepen, even as she throws herself headlong into a dizzying romance with Marina. It's then that Tig begins to draw up a radical solution to their problems, hoping to save them all. A beautiful and capacious novel rendered in singular, unforgettable prose, *All This Could Be Different* is a wise, tender, and riveting group portrait of young people forging love and community amidst struggle, and a moving story of one immigrant's journey to make her home in the world.

Sarah's Key

Gaijin: American Prisoner of War

Northwood

America's Favorite Holidays

*A beautifully told and intriguing mystery about two generations of Scottish women united by blood, an obsession with the past, and a long-hidden body, from the author of *The House Between Tides*. Libby Snow has always felt the pull of Ullaness, a headland on Scotland's sea-lashed western coast where a legend has taken root. At its center is Ulla, an eighth-century Norsewoman whose uncertain fate was entangled with two warring brothers and a man who sought to save her. Libby first heard the stories from her grandmother, who had learned it from her own forebear, Ellen, a maid at Sturrock House. The Sturrocks have owned the land where Ulla dwelled for generations, and now Libby, an archaeologist, has their permission to excavate a mysterious mound, which she hopes will cast light on the legend's truth. But before she can begin, storms reveal the unexpected: the century-old bones of an unidentified man. The discovery triggers Libby's memories of family stories about Ellen, of her strange obsession with Ulla, and of her violent past at Sturrock House. As Libby digs deeper, she unravels a recurring story of love, tragedy, and threads that bind the past to the present. And as she learns more of Rodri Sturrock, the landowner's brother, she realizes these forces are still at work, and that she has her own role to play in Ulla's dark legend.*

*Sure to thrill readers of Jenny Milchman, Linda Castillo, and Lisa Gardner, *The Girls She Left Behind* marks the return of ex-Boston homicide detective Lizzie Snow, the new sheriff's deputy in Maine's Great North Woods. For Lizzie Snow, the ice and snow of her first punishing North Woods winter are dreadful enough. But near the small town of Bearkill a stubborn forest fire now rages out of control, and as embers swirl dangerously in the smoke-filled air, a teenage girl with a history of running away has dropped out of sight again. The locals and the law both think Tara Wylie is up to her old tricks—until her mother receives a terrifying text message. Equally disturbing: Henry Gemerle—a kidnapper and rapist who once held three girls prisoner for fifteen years—has escaped, and may be lurking in Bearkill. As the fire closes in, Lizzie teams up with her boss, Sheriff Cody Chevrier, and state cop Dylan Hudson to search for the missing girl and the wily fugitive. But they're blocked by Tara's mother, a frustrating teller of needless lies and keeper of dark, incomprehensible secrets. Following a trail of grisly clues—a bloodstained motel room, a makeshift coffin in a shallow grave—Lizzie is drawn ever closer to the flames in her race to save an innocent and corner a monster. Someone else also wants to find Tara Wylie and Henry Gemerle, though, for reasons that have nothing to do with mercy or justice. And when they all meet, the inferno threatening Bearkill will pale in comparison to the hell that's about to break loose. Praise for *The Girls She Left Behind* “[Sarah] Graves writes at full strength when she's focused on this economically depressed region, once the hub of a thriving lumber industry but now mostly the domain of meth cooks, unhappy teenagers and scores of volunteer firefighters battling tenacious blazes in the surrounding forest. . . . [A] rugged landscape with its down-to-earth characters.”—Marilyn Stasio, *The New York Times* “Graves is firing on all cylinders. Lizzie Snow is a dynamic protagonist, just the right blend of capable and flawed. The fictional town of Bearkill is definitely coming into its own—the richness of the backdrop seems destined only to increase. And Graves has spent years demonstrating an ability to construct textured, nuanced mysteries. Put it all together and *The Girls She Left Behind* is another worthwhile entry in this series.”—*The Maine Edge**

*The extraordinary, groundbreaking novel from Laurie Halse Anderson, with more than 2.5 million copies sold! The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. *Speak* was a 1999 National Book Award Finalist for Young People's Literature.*

*When you hear a riveting story, does it thrill your heart and stir your soul? Do you hunger for truth and goodness? Do you secretly relate to Belle's delight in the library in *Beauty and the Beast*? If so, you may be on your way to being a book girl. Books were always Sarah Clarkson's delight. Raised in the company of the lively Anne of Green Gables, the brave Pevensie children of Narnia, and the wise Austen heroines, she discovered reading early on as a daily gift, a way of encountering the world in all its wonder. But what she came to realize as an adult was just how powerfully books had shaped her as a woman to live a story within that world, to be a lifelong learner, to grasp hope in struggle, and to create and act with courage. She's convinced that books can do the same for you. Join Sarah in exploring the reading life as a gift and an adventure, one meant to enrich, broaden, and delight you in each season of your life as a woman. In *Book Girl*, you'll discover: how reading can strengthen your spiritual life and deepen your faith, why a journey through classic literature might be just what you need (and where to begin), how stories form your sense of identity, how Sarah's parents raised her to be a reader—and what you can do to cultivate a love of reading in the growing readers around you, and 20+ annotated book lists, including some old favorites and many new discoveries. Whether you've long considered yourself a reader or have dreams of becoming one, *Book Girl* will draw you into the life-giving journey of becoming a woman who reads and lives well.*

The story of an 1820s Thanksgiving filled with the warmth of character and family life that has made Alcott a favorite for more than 100 years.

On the anniversary of the roundup of Jews by the French police in Paris, Julia is asked to write an article on this dark episode and embarks on an investigation that leads her to long-hidden family secrets and to the ordeal of Sarah.

Winner of the Pura Belpré Illustrator Award A Kirkus Reviews Best Picture Book In soaring words and stunning illustrations, Margarita Engle and Rafael López tell the story of Teresa Carreño, a child prodigy who played piano for Abraham Lincoln. As a little girl, Teresa Carreño loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa ' s music bring comfort to those who needed it most?

Book Girl

How Teresa Carreño Played the Piano for President Lincoln

Sarah Josepha Hale and the Making of the Modern American Woman

Colliding With Destiny

An Old Fashioned Thanksgiving

For half a century Sarah Josepha Hale was the most influential woman in America. As editor of Godey's Lady's Book, Hale was the leading cultural arbiter for the growing nation. Women (and many men) turned to her for advice on what to read, what to cook, how to behave, and—most important—what to think. Twenty years before the declaration of women's rights in Seneca Falls, NY, Sarah Josepha Hale used her powerful pen to promote women's right to an education, to work, and to manage their own money. There is hardly an aspect of nineteenth-century culture in which Hale did not figure prominently as a pathbreaker. She was one of the first editors to promote American authors writing on American themes. Her stamp of approval advanced the reputations of Edgar Allan Poe, Harriet Beecher Stowe, and Nathaniel Hawthorne. She wrote the first antislavery novel, compiled the first women's history book, and penned the most recognizable verse in the English language, "Mary Had a Little Lamb." Americans' favorite holiday—Thanksgiving—wouldn't exist without Hale. Re-imagining the New England festival as a patriotic national holiday, she conducted a decades-long campaign to make it happen. Abraham Lincoln took up her suggestion in 1863 and proclaimed the first national Thanksgiving. Most of the women's equity issues that Hale championed have been achieved, or nearly so. But women's roles in the "domestic sphere" are arguably less valued today than in Hale's era. Her beliefs about women's obligations to family, moral leadership, and principal role in raising children continue to have relevance at a time when many American women think feminism has failed them. We could benefit from re-examining her arguments to honor women's special roles and responsibilities. Lady Editor re-creates the life of a major nineteenth-century woman, whose career as a writer, editor, and early feminist encompassed ideas central to American history.

Relates how Sarah Hale, a magazine editor and author, persuaded President Lincoln to transform Thanksgiving Day into a national holiday. One track of sound disc has page-turn signals.

The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects

the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

Sliding Doors meets Life After Life in Sarah Adlakha's story about a wife and mother who is given the chance to start over at the risk of losing everything she loves. A second chance is the last thing she wants. When thirty-nine year old Maria Forssmann wakes up in her seventeen-year-old body, she doesn't know how she got there. All she does know is she has to get back: to her home in Bienville, Mississippi, to her job as a successful psychiatrist and, most importantly, to her husband, daughters, and unborn son. But she also knows that, in only a few weeks, a devastating tragedy will strike her husband, a tragedy that will lead to their meeting each other. Can she change time and still keep what it's given her? Exploring the responsibilities love lays on us, the complicated burdens of motherhood, and the rippling impact of our choices, *She Wouldn't Change a Thing* is a dazzling debut from a bright new voice. The Life of Sarah Bernhardt

Northwood; A Tale of New England;

A "memoir about what happens when your coming-of-age comes later than expected, from the co-host of the ... podcast Forever35"--Publisher's description.

"Growing up amid Kansas wheat fields and airplane factories, Sarah Smarsh witnessed firsthand the particular strengths and vulnerabilities of females in working poverty. Now, Smarsh reveals the overlooked contributions to social progress by such women -- as exemplified by the beloved icon Dolly Parton. She Come By It Natural, originally published as a four-part series for the roots-music journal No Depression, explores the intersection of gender, class, and culture through Parton's trailblazing life and songs. Infused with Smarsh's trademark intelligence and humanity, this insightful examination is a tribute to Dolly Parton and the organic feminism she embodies." --

Thank You, Sarah

Women of the Dunes

No magic is more powerful or dangerous than the spell of love. It is 1940, and Germany has just invaded France. Across the ocean, in Sweetwater, Tennessee, Penelope, a beautiful alchemist, receives a letter from her childhood friend, Naomie, urging her to France. Bereft from the loss of her widowed father, Penelope leaves her life and travels to German-occupied Paris. There, she meets Naomie's brother, the brilliant alchemist Fulcanelli and his mysterious apprentice, Lucien. Falling headlong into the alchemy's esoteric world, she helps Fulcanelli and Lucien resist the Nazi forces. She trains as a spy and infiltrates a powerful brothel, Le Chambrement. As the horrors of war close in around her, Penelope must seduce a murderous Nazi officer in a desperate calculation to save her lover, Lucian. Through the devastating magic of life, Penelope learns that alchemy has far more to do with the person than the element. The Measure of Gold is an epic story of alchemy, betrayal, courage, and transcendent love.
