How (Not) to Ask a Boy to Prom is a modern gender-bent young adult rom com from S. J. Goslee. Nolan Grant is sixteen, gay, and very, very single. He's never had a boyfriend, or even been kissed. It's not like Penn Valley is exactly brimming with prospects. Nolan plans to ride out the rest of his junior year drawing narwhals, working at the greenhouse, and avoiding anything that involves an ounce of school spirit. Unfortunately for him, his adoptive big sister has other ideas. Ideas that involve too-tight pants, a baggie full of purple glitter, and worst of all: a Junior-Senior prom ticket.

That Boy

Six years ago, Kitty Valentine took the book world by storm when her sweet debut romance hit number one on the New York Times Best Sellers list, which was followed by a string of successful releases. Her latest novel, however, totally bombs, causing her editor to suggest she write much sexier books. To Kitty, writing smut is the literary equivalent of stripping. But with no advance coming in and her royalties dipping to an all-time low, Kitty has no choice. Armed with a hot-guy spinning prize wheel, made by her best friend, listing all the different types of men she will date and then write about, Kitty will be spinning--not stripping--her way back onto the best-sellers list.

From USA Today bestselling author Jillian Dodd comes the third book in sizzling series filled with action and adventure. Fans of The Selection and The Hunger Games will discover a heart-pounding thrill ride of espionage and suspense set in glittering high society. Sent to London for their next mission, Huntley and Ari are guests at Malcolm Prescott's home, where Ari is asked to join a secret group called The Society, and Huntley learns more about her "father" Ares Von Allister. Spy Girl was trained not to have emotional entanglements, but Huntley is learning that it's hard to survive in the real world without them. As she uncovers hidden truths about her past, the knowledge leaves her reeling and questioning everything. She's going to have to trust someone, and it's not going to be Black X. So she goes against her training and forms relationships—caring, trusting, and, maybe, even loving. But relationships are dangerous for a spy. Particularly one who will be facing her most challenging mission to date. Tasked with getting close to the illusive Money Man, she will be forced to delve into a seedy underworld that will threaten her very existence. Dylan Mathews grew up in a house that was always filled with good-looking guys, although with four protective older brothers they never stood a chance. Except for one. Dylan knew she loved Ben McKenna from the first time she laid eyes on him. When he started sneaking into her room, she thought he felt the same way. But just as their passion ignited, he

left for college and never came back. Until now. Returning home after 5 years, Ben realizes Dylan has always been the one for him. Can he win back her heart and finally find love under the orange moon?

You know, being friends with two cute boys does have its benefits. There's Danny. Danny is a golden boy in every way. He has dreamy blue eyes and blonde hair that always looks perfect, even when it's windblown or been stuck under a football helmet. He's the boy every girl crushes on. The boy I get into trouble with, the boy I fight with, the hot quarterback no girl can resist. Being with Danny is like being on an adventure. He has a bright, contagious smile and abs to die for. Equally crush worthy is Phillip. Adorable, sweet Phillip, who I have known since birth. Phillip has dark hair, a perfect smile, brown eyes, and the sexiest voice I have ever heard. He's the boy I talk to every night before I go to sleep. The boy who rescues me, the boy who can read my mind, the boy who is always there for me, the boy who tries to keep me out of trouble, the boy who irritatingly keeps getting hotter, and whose strong arms always seem to find their way around me. And when he gives me that grin, I can never say no. One boy will give me my very first kiss. One boy will teach me to make out. One boy will take me to prom. And finally, one boy will ask me to marry him. They will both be my best friends. But only one of them will be the boy I fall in love with. Only one of them is That Boy.
