

## That Patchwork Place 2018 Quilt Calendar

*Sew fifteen inspired designs with strong lines and quilted curves! Laced with retro-inspired circles and bold stripes, these modern quilts leave an unforgettable impression. Piecing circles, half-circles, and quarter-circles is easier than you think, and the authors will teach you to add movement and depth two ways—through easy strip sets or stripe-printed fabric. These aren't your typical Drunkard's Path quilts, but distinctive quilts for adventurous quilters! With block-based patterns, some improvisational piecing, and designs ranging from beginner-friendly to complex, there's something for everyone.*

*Here in one handy volume are 20 popular quilt patterns from "McCall's Quilting" and "McCall's Quick Quilts" magazines.*

*Want to be a scrap quilter? Great! Want to think like a scrap quilter? Learn from a master! Lissa Alexander has spent three decades honing her scrap-quilting talents, and in her first solo book, she offers page after page of tips for making dazzling scrap quilts bursting with colors, prints, and textures. Learn Lissa's secrets for deciding which fabric combinations work (and understanding why others don't). Best of all, with a dozen patterns to choose from you'll discover how to (finally!) use your unique stash to make scrap quilts that sing. Includes a preface by renowned quilt historian Barbara Brackman.*

*Build your skills, gain confidence, and have fun with improv piecing! Scrappy Improv Quilting is the first quilting book of its kind that takes the intimidating technique of improv piecing and breaks it down to a smaller scale, making this guide an approachable how-to resource for quilters of every skill level. With 22 mini quilt patterns, step-by-step instructions on improv piecing, tutorials on how to select and combine scraps, and so much more, the featured quilting projects will allow you the freedom to test various ideas using scraps of different colors and patterns, resulting in adorable little quilts that are perfect for decorating and gifting. Create a charming collection of mini scrappy quilts and be inspired to keep going and move onto larger-scale improv! Author Kelly Young of My Quilt Infatuation has been quilting for more than 20 years. Her tutorials are featured on FaveQuilts.com, and in 2018 she published her first book, Stash Statement.*
