**Two Billionaires. Two Dominants. One
Drunken Bet. IAN MATHERS That feisty
blonde making my life hell is Kathryn, a
woman who seduced me twelve years ago.
Seduced and left me in one of the most
embarrassing situations of my life. I don't
hold a grudge. Not really. How can I when I**

still find myself staring at her every time she's around? How can I want her to leave my presence when all I think about is her watching my every move, studying me... wanting me? Oh, I still want her. I need to have her like the world needs the sun. There's just one problem. She's a Domme. I have no idea how to seduce a woman I refuse to let control me. KATHRYN ALISON Ian is smug, condescending... and so stupidly handsome that I can't stop thinking about him as we work together. When the sparks fly so hot

that we finally get what we've wanted for the longest decade ever, I make the greatest mistake of my life. I propose a friendly wager that sees the loser submitting to the other for a night. I never anticipated losing.

Beth Ann needed a hero... Beth Ann Williamson has finally had it with her on-and-off fiancé of nine years. The problem? No one in town seems to believe her when she says it's really over. Now Beth Ann is determined to show the small town of Bluebonnet, Texas, that she can take care of herself. That means

opening her own salon and not taking the help that her ex-fiancé seems determined to offer. Of course, even the best laid plans go awry when she's stranded in the woods in the middle of a downpour. Some independent woman she is. She can't even find her way out of the woods without the help of a handsome, but scowling, Marine. She got more than she bargained for... A die-hard survivalist, Colt Waggoner's none too pleased when he's sent to find the town's pampered princess. He's even more annoyed when Beth Ann isn't

grateful for the rescue. Fine, then. He'll just have to teach the sexy blonde a lesson--a weekend of roughing it out in the wild. Just the two of them, alone, in muddy, wet clothing that needs to come off... But Beth Ann isn't the spoiled princess he thought. And when she propositions him for a one night stand, he knows he should turn it down. Because this alpha male might need more than just one night in her bed to satisfy him... From Best Selling Author, Ali Parker comes another book in her beloved Alpha Billionaire

Series... She's his forever, but keeping up with his needs is starting to redefine 'forever'. The vacation in Jamaica is over and was exactly what everyone needed to catch their breath, but coming back to a government audit and possible takeover of Bryant Accounting Firm was not expected. Between Bethany's masters program taking far more of her time than she thought possible and the drama with her closest friends, her work begins to suffer. Damon's caught up in the madness at work and needs more than

anything a woman to come home to at night and make him forget anything but the feel of her skin against his. Sadly enough, he finds himself alone far too many nights. A Romance Novel by USA Today Bestselling Author Priscilla West Note: This is the beginning of Vincent & Kristen's story. You DO NOT need to read any books in the Forever Series before enjoying this one. "What gives you a thrill Kristen?" The minute I saw Vincent Sorenson, I knew he was trouble. Arrogant. Controlling. Possessive. He was everything I craved, and nothing I needed.

Unfortunately, I couldn't just avoid him. The higher ups at my company decided they needed his business, and I was on the team to bring him in. Vincent Sorenson didn't seem as interested in business as he was in me, but I knew that was a door better left unopened. If I got involved with him, it would only unearth the pain I spent years trying to bury. I thought I had it under control, but I seriously underestimated Vincent's seductive charm and silver-tongue. I would soon find out how delicious it would feel to let myself fall into this forbidden surrender.

cold, and a man with a business acumen that both matches and sometimes surpasses her own. But then Heather realizes that she may not be the only lonely one. The big lug who seems to enjoy tormenting her in the business world also has a soft side. And when that part of him is wholly directed at her, she gets stupid. Stupid finds her waking up hungover and naked in Clay's bed. With a giant diamond ring. On her left hand. Oh lord, what has she done? Bad Date: A Never Before Released Novella Blind dates were the absolute

worst. Awkward, filled to the brim with small talk, and they never, ever worked out. Kay knew all that. Yet for some reason, she still had agreed to let Heather set her up. Maybe it was because Heather O'Keith had rescued her when some idiot had dropped half a Venti Frappuccino on her laptop, saving her nearly-completed novel and befriending her in the process. Maybe Heather was just a force to be reckoned with. Or maybe, it was because Kay had serious pushover tendencies. But when the date came, Kay found herself alone at a

table for almost an hour before she called it quits. She'd been stood up. Yup, that was just perfect. Her night was shot, she was behind on her word count, but then . . . she quite literally ran into tall, dark, and handsome outside the restaurant. One look at him and Kay thought that perhaps her night might be salvaged after all. Until she discovered tall, dark, and handsome was a jerk. Until she discovered that jerk was her missing blind date—her rude and insufferable date who blew right by her as if she didn't exist. What. The. Hell?

She loves his kindness, his innovation, his endless optimism, and his sense of humor. Not to mention the fantasies she has about him day and night. But shy, gentle Anna wouldn't dream of approaching him with her desires. She has convinced herself that he could never be interested in her, but takes every opportunity she can to be with him. On Christmas Eve, she gladly goes with him on a visit to a Catskills farmhouse that his

company just completed rebuilding. There, they plan to tour the place, finish up with the construction team, and have a nice dinner with one of Henry's friends. Henry left off dating a few years ago after a horrible breakup led to his being stalked by his ex. He claims to be "picky", leaving Anna to feel that she has no chance. But when Henry's dour but attractive foreman, James Thompson, flirts with Anna openly in front of him, Henry reacts with obvious jealousy. Unfortunately this leads to his ignoring James when the man tries to warn him that
