

The Apartment Book

A "dissident of the gender-sex binary system" reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the "third sex" and the rights of those who "love differently." Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial strictures invented by modernity. "My trans condition is a new form of uranism," he writes. "I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism." This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender transitioning. Preciado also considers political, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. An Apartment on Uranus is a bold, transgressive, and necessary book.

Presents thirty do-it-yourself projects for first-time apartment dwellers that work with limited budgets and lease requirements, and shares advice on strategies related to flea-market shopping, using colors, and implementing themes.

The majority of people now live in cities and for many that means apartment living. Apartments are where we spend our time, make our homes, raise our families and invest our money. Apartment living requires that we try to get along with our neighbours and make decisions collectively about the management of our buildings. This book examines how different housing markets, development practices, planning regimes, legal structures and social and cultural norms affect people's everyday experiences of apartment living.

THE #1 NEW YORK TIMES BESTSELLER "As you patiently await season two of Only Murders in the Building, cozy up with Lucy Foley's latest whodunnit." -- Parade "Exceedingly clever." -- Booklist From the New York Times bestselling author of The Guest List comes a new locked room mystery, set in a Paris apartment building in which every resident has something to hide... Jess needs a fresh start. She's broke and alone, and she's just left her job under less than ideal circumstances. Her half-brother Ben didn't sound thrilled when she asked if she could crash with him for a bit, but he didn't say no, and surely everything will look better from Paris. Only when she shows up – to find a very nice apartment, could Ben really have afforded this? – he's not there. The longer Ben stays missing, the more Jess starts to dig into her brother's situation, and the more questions she has. Ben's neighbors are an eclectic bunch, and not particularly friendly. Jess may have come to Paris to escape her past, but it's starting to look like it's Ben's future that's in question. The socialite – The nice guy – The alcoholic – The girl on the verge – The concierge Everyone's a neighbor. Everyone's a suspect. And everyone knows something they're not telling.

Cool Design for Small Spaces

Apartment Therapy's Big Book of Small, Cool Spaces

Do you want to purchase an apartment community but don't have prior real estate or apartment investing experience, don't have access to private capital, can't find a good deal, lack the skills to execute a business plan or a combination of the four? The Best Ever Apartment Syndication Book is the ONLY book that will solve these challenges. It provides a step-by-step system for completing your first apartment syndication deal and building a multimillion or multibillion dollar apartment investing empire. You will learn the exact process that I followed to go from making \$30,000 each year at a New York City advertising firm to controlling over \$400,000,000 in apartment communities, which includes: 1. Becoming an expert on the apartment syndication terminology 2. Setting a specific, quantifiable goal and creating a long-term, motivating vision 3. Building a powerful brand that attracts passive investors 4. Evaluating and selecting the real estate market that will be the launching point for your apartment empire 5. Surrounding yourself with an all-star real estate team 6. Tapping into your existing network to find passive investors 7. Creating a lead generation machine that pumps out qualified off-market apartment deals 8. Selecting the ideal business plan to maximize returns to passive investors 9. Learning the science behind evaluating, qualifying and submitting offers on apartment deals 10. Preparing and presenting an apartment offering to your passive investors and securing financial commitments 11. Impressing your investors by effectively implementing the business plan and exceeding their return expectations

From not enough space and too many things to not knowing what color to paint the living room walls, many of us struggle with our homes. Now Maxwell Gillingham-Ryan, frequent makeover expert on HGTV's Mission: Organization and Small Spaces, Big Style, shares the do-it-yourself strategies that have enabled his clients and fans to transform their apartments into well-organized, beautiful places that suit their style and budget. Week by week, Apartment Therapy will guide you to treat common problems, eliminate clutter, and revamp even the tiniest space. Here is an eight-step process that includes: • A therapeutic questionnaire to help you get in touch with your personal taste and diagnose your home's physical, emotional, and energy flow issues • A prescription with recommendations for each room based on your needs and lifestyle—including tips on how to use color, lighting, and accessories • A treatment plan, including regular maintenance schedules to ensure the ongoing health of your space • Illustrations of floor plans and decorative examples that allow you to visualize concepts before you begin With surprising ease and without elaborate professional help, Apartment Therapy will help you clear a path through disorder and indecision—to reveal a home you'll love.

From the international bestselling author of The Lost Wife and The Garden of Letters, comes a story--inspired by true events--of two women pursuing freedom and independence in Paris during WWII. As Paris teeters on the edge of the German occupation, a young French woman closes the door

to her late grandmother's treasure-filled apartment, unsure if she'll ever return. An elusive courtesan, Marthe de Florian cultivated a life of art and beauty, casting out all recollections of her impoverished childhood in the dark alleys of Montmartre. With Europe on the brink of war, she shares her story with her granddaughter Solange Beaugiron, using her prized possessions to reveal her innermost secrets. Most striking of all are a beautiful string of pearls and a magnificent portrait of Marthe painted by the Italian artist Giovanni Boldini. As Marthe's tale unfolds, like velvet itself, stitched with its own shadow and light, it helps to guide Solange on her own path. Inspired by the true account of an abandoned Parisian apartment, Alyson Richman brings to life Solange, the young woman forced to leave her fabled grandmother's legacy behind to save all that she loved.

A New York Times Editors Choice Longlisted for the 2020 Simpson / Joyce Carol Oates Literary Prize One of Vogue.com's "Best Books of 2020 So Far" One of Elle's "Best Books of 2020 So Far" Named A Most-Anticipated Book by The New York Times, Vogue, The Boston Globe, Salon, The Millions, Inside Hook, and Vol. 1 Brooklyn In 1996, the unnamed narrator of Teddy Wayne's Apartment is attending the MFA writing program at Columbia on his father's dime and living in an illegal sublet of a rent-stabilized apartment. Feeling guilty about his good fortune, he offers his spare bedroom--rent-free--to Billy, a talented, charismatic classmate from the Midwest eking out a hand-to-mouth existence in Manhattan. The narrator's rapport with Billy develops into the friendship he's never had due to a lifetime of holding people at arm's length, hovering at the periphery, feeling "fundamentally defective." But their living arrangement, not to mention their radically different upbringings, breeds tensions neither man could predict. Interrogating the origins of our contemporary political divide and its ties to masculinity and class, Apartment is a gutting portrait of one of New York's many lost, disconnected souls by a writer with an uncommon aptitude for embodying them.

The Apartment Guide

Modern Apartment Design

THE INSTANT NEW YORK TIMES BESTSELLER "Looking for a suspense novel that will keep you up until way past midnight? Look no further than Lock Every Door, by Riley Sager."—Stephen King No visitors. No nights spent elsewhere. No disturbing the rich and famous residents. These are the rules for Jules Larsen's new job apartment sitting at the Bartholomew, one of Manhattan's most high-profile buildings. Recently heartbroken—and just plain broke—Jules is taken in by the splendor and accepts the terms, ready to leave her past life behind. As she gets to know the occupants and staff, Jules is drawn to fellow apartment sitter Ingrid, who reminds her so much of the sister she lost eight years ago. When Ingrid confides that the Bartholomew has a dark history hidden beneath its gleaming façade, Jules brushes it off as a harmless ghost story—until the next day when Ingrid seemingly vanishes. Searching for the truth, Jules digs deeper into the Bartholomew's sordid past. But by uncovering the secrets within its walls, Jules exposes herself to untold terrors. Because once you're in, the Bartholomew doesn't want you to leave....

A decorating handbook for apartment dwellers explains how to transform large or small spaces into a home that reflects one's taste and personality, combining nearly three hundred full-color photographs, floor plans, informational sidebars, and practical tips for high-style decorating ideas that emphasize easy-to-complete, economical projects ranging from storage solutions to dealing with a tiny kitchen. Original. Rethinks films including Pillow Talk and Rear Window by identifying the apartment plot as a distinct genre, one in which the urban apartment figures as a central narrative device.

What if there was a ghost in your brother's room? This kid-friendly mystery about three friends who try to help a restless spirit find peace is perfect for fans of Under the Egg and The Book Scavenger. It stinks that Danny's older brother moved out and went to college. But you know what's worse? He left behind an angry ghost in his room! With the help of his friends Nat and Gus, Danny interviews everyone his Brooklyn neighborhood to find out about spirits. Is it an Arabian ghoul? A Korean gwishin? A Polish haunting? Maybe the answer lies with Danny's own bubbe and her tales of a dybbuk, a Jewish mythological ghost. Regardless of its origins, what does the spirit truly want? And can Danny manage to bring the phantom to rest? "Gently scary with plenty of fun . . . absolutely delightful." --Kirkus Reviews "As addictive as your favorite video game. I couldn't put it down." --ADAM GIDWITZ, New York Times bestselling author of A Tale Dark and Grimm on Click Here to Start "This is one adventure no gamer should miss!" --GORDON KORMAN, New York Times bestselling author of Restart on Game Masters of Garden Place

The Apartment: A Century of Russian History

Best Ever Apartment Syndication Book

Smart Decorating for Spaces Large and Small

An Apartment on Uranus

Billy Wilder won two Oscars - as co-screenwriter and director - for this mordant comedy about getting ahead in the corporate world. Jack Lemmon played the 'schnook' who lends out his apartment for his boss's sexual trysts, only to fall in love with the boss's girl - played by Shirey MacLaine. The Apartment is a beautifully judged piece of writing saved from cynicism by Wilder and Diamond's tenderness towards their central characters. This edition of the screenplay includes a specially commissioned introduction by Mark Cousins.

They thought they were safe . . . The Sanctum is a luxurious, self-sustaining survival condominium situated underground. It's a plush bolt-hole for the rich and paranoid – a place where they can wait out the apocalypse in style. When a devastating super-flu virus hits, several families race to reach The Sanctum. All have their own motivations for entering. All are hiding secrets. But when the door locks and someone dies, they realize the greatest threat to their survival may not be above ground – it may already be inside . . . Under Ground is a page-turning locked-room mystery from the combined talents of Sarah Lotz and Louis Greenberg, writing as S. L. Grey. It is perfect for fans of Under the Dome by Stephen King and films such as The Hole

and *The Descent* (with a pinch of *And Then There Were None* by Agatha Christie).

After her parents' death, Bree moves in with her aunt, but the situation is less than ideal.

Whether you inhabit a studio or a sprawling house with one challenging space, Maxwell Gillingham-Ryan, co-founder of the most popular interior design website, Apartment Therapy, will help you transform tiny into totally fabulous. According to Maxwell, size constraints can actually unlock your design creativity and allow you to focus on what's essential. In this vibrant book, he shares forty small, cool spaces that will change your thinking forever. These apartments and houses demonstrate hundreds of inventive solutions for creating more space in your home, and for making it more comfortable. Leading us through entrances, living rooms, kitchens and dining rooms, bedrooms, home offices, and kids' rooms, Apartment Therapy's *Big Book of Small, Cool Spaces* is brimming with ingenious tips and ideas, such as:

- Shifting the sense of scale through contrasting colors
- Adding airiness by using transparent collections
- Utilizing the area under a loft bed for a kitchen and mini-bar
- Tucking an office with chic vintage doors into an unused bedroom corner

In each dwelling Maxwell points out what makes the layout work and what adds style. Most of the "therapy" involves minor tweaks that can be accomplished on a limited budget, such as dividing a room with sheer curtains, turning a door into a desk, or disguising electrical boxes with art displays. An extensive resource guide, including Maxwell's favorite websites for buying desks, open storage solutions, and much more, will help you turn even the tiniest residence into a place you are always happy to come home to.

Apartment Stories

New Orleans After the Deluge

There's something wrong with Apartment 401... When the newlywed couple Brad and Julia decide to move into their new home, they are ecstatic to start their new lives. They finally have a home of their own, and with a baby on the way, this couldn't have come at a better time. However, just one day in the apartment is enough to tell them that something is very wrong. Things go missing only to reappear in strange places, footsteps and whispers echo in the rooms, and every night, the same song plays from somewhere inside the apartment. The longer Brad and Julia spend in the apartment, the more they learn about the dark secrets that haunt it. No longer able to afford moving to a new place, they have to make a decision - run away from their new home, or face the apparitions that plague it. One thing is for sure, though. They are not the only inhabitants of Apartment 401.

Some doors are better left closed . . . In Barrington House, an upmarket block in London, there is an empty apartment. No one goes in, no one comes out. And it has been that way for fifty years. Until the night watchman hears a disturbance after midnight and investigates. What he experiences is enough to change his life forever. A young American woman, Apryl, arrives at Barrington House. She's been left an apartment by her mysterious Great Aunt Lillian who died in strange circumstances. Rumours claim Lillian was mad. But her diary suggests she was implicated in a horrific and inexplicable event decades ago. Determined to learn something of this eccentric woman, Apryl begins to unravel the hidden story of Barrington House. She discovers that a transforming, evil force still inhabits the building. And the doorway to Apartment 16 is a gateway to something altogether more terrifying . . . Apartment 16 is another gripping novel full of suspense and horror from Adam Nevill, twice winner of the August Derleth award.

20th-century Russian history comes to life through six generations of a family in their Moscow apartment. The Apartment: A Century of Russian History explains the true history of 20th-century Russia through the fictitious story of a Moscow family and their apartment. The Muromtsev family have been living in the same apartment for more than a century, generation after generation. Readers are taken through different rooms and witness how each generation actually lived alongside the larger social and political changes that Russia experienced. A search-and-find element has readers looking for objects from page to page to see which items were passed down through the generations. Beautifully illustrated with minute details, this book helps readers engage with Russia's history in an all new way. The book includes a timeline, glossary, bibliography, and index.

A powerful and elegant debut novel about love, memory, exile, and war. One snowy December morning in an old European city, an American man leaves his shabby hotel to meet a local woman who has agreed to help him search for an apartment to rent. THE APARTMENT follows the couple across a blurry, illogical, and frozen city into a past the man is hoping to forget, and leaves them at the doorstep of an uncertain future—their cityscape punctuated by the man's lingering memories of time spent in Iraq and the life he abandoned in the United States. Contained within the details of this day is a complex meditation on America's relationship with the rest of the world, an unflinching glimpse at the permanence of guilt and despair, and an exploration into our desire to cure violence with violence. A novel about how our relationships to others—and most importantly to ourselves—alters how we see the world, THE APARTMENT perfectly captures the peculiarity and excitement of being a stranger in a strange city. Written in an affecting and intimate tone that gradually expands in scope, intensity, poetry, and drama, Greg Baxter's clear-

eyed first novel tells the intriguing story of these two people on this single day. Both beguiling and raw in its observations and language, THE APARTMENT is a crisp novel with enormous range that offers profound and unexpected wisdom.

The Watcher

The Paris Apartment

A Paris Apartment

The Split

Apartment 16

The New York Times Best Seller! Now with an excerpt of Michelle's new book, I'll See You in Paris! Bienvenue à Paris! When April Vogt's boss tells her about an apartment in the ninth arrondissement that has been discovered after being shuttered for the past seventy years, the Sotheby's continental furniture specialist does not hear the words "dust" or "rats" or "decrepit." She hears Paris. She hears escape. Once in France, April quickly learns the apartment is not merely some rich hoarder's repository. Beneath the cobwebs and stale perfumed air is a goldmine, and not because of the actual gold (or painted ostrich eggs or mounted rhinoceros horns or bronze bathtub). First, there's a portrait by one of the masters of the Belle Epoque, Giovanni Boldini. And then there are letters and journals written by the very woman in the painting, Marthe de Florian. These documents reveal that she was more than a renowned courtesan with enviable décolletage. Suddenly April's quest is no longer about the bureaux plats and Louis-style armchairs that will fetch millions at auction. It's about discovering the story behind this charismatic woman. It's about discovering two women, actually. With the help of a salty (and annoyingly sexy) Parisian solicitor and the courtesan's private diaries, April tries to uncover the many secrets buried in the apartment. As she digs into Marthe's life, April can't help but take a deeper look into her own. Having left behind in the States a cheating husband, a family crisis about to erupt, and a career she's been using as the crutch to simply get by, she feels compelled to sort out her own life too. When the things she left bubbling back home begin to boil over, and Parisian delicacies beyond flaky pâtisseries tempt her better judgment, April knows that both she and Marthe deserve happy finales. Whether accompanied by croissants or champagne, this delectable debut novel depicts the Paris of the Belle Epoque and the present day with vibrant and stunning allure. Based on historical events, Michelle Gable's A Paris Apartment will entertain and inspire, as readers embrace the struggles and successes of two very unforgettable women.

Tense, gripping and with a twist you won't see coming, The Split is an explosive new stand-alone thriller from Sharon Bolton about a woman on the run. No matter how far you run, some secrets will always catch up with you... The remote Antarctic island of South Georgia is about to send off its last boat of the summer - which signifies safety to resident glaciologist Felicity Lloyd. Felicity lives in fear - fear that her ex-husband Freddie will find her, even out here. She took a job on this isolated island to hide from him, but now that he's out of prison, having served a term for murder, she knows he won't give up until he finds her. But a doctor delving into the background of Felicity and Freddie's relationship, back in Cambridge, learns that Felicity has been on the edge for a long time. Heading to South Georgia himself to try and get to her first is the only way he can think of to help her.

*** THE NUMBER ONE BESTSELLING AUTHOR *** Luxurious, expensive Apartment 3B is for sale. Many want it, only one can buy it. Its owner, Liz Lacey, successful artist and darling of the jetset, is about to make dramatic changes in her life. Many of Dublin's elite come to view her apartment: sophisticated, cosmopolitan Lainey Conroy, globe-trotting media personality; Hugh Cassidy; gentle, determined Claire Moran who has triumphed over adversity; ambitious but tender-hearted Dominic Kent. And Cecily, sister-in-law to Lainey, who will stop at nothing in her plan for revenge ... Warmth, wisdom and love on every page - if you treasured Maeve Binchy, read Patricia Scanlan. 'If you love Maeve Binchy, you will love Patricia Scanlan' Mirror 'If you love Maeve Binchy, you MUST try Patricia Scanlan' Woman & Home 'Utterly magical and wonderful... warmth and compassion shine through' MARIAN KEYES 'Like being enfolded in a hug from the great writer herself: warm, comforting and full of love' CATHY KELLY 'There can be little doubt that Patricia Scanlan is the prolific queen of contemporary Irish popular fiction' Sunday Times 'There is a heartbreaking authenticity in her observations' Irish Times 'The ultimate comfort read' Glamour 'A bright, sunny read in which these lives interweave with unexpected results' Sunday Express S magazine Number 1 bestselling author Patricia Scanlan is set to capture the hearts and enchant the minds of a whole new generation of readers who will fall in love with her sublime storytelling.

From the internationally bestselling author of Lying in Wait, a biting and masterful new "dark jewel of a novel" (A.J. Finn, #1 New York Times bestselling author) that explores the many ways families can wreak emotional havoc across generations, appealing to fans of HBO's acclaimed series Succession. All three of the Drumm brothers were at the funeral. But one of them was in the coffin. William, Brian, and Luke: three boys, born a year apart, trained from birth by their wily mother to compete for her attention. They play games, as brothers do...yet even after the Drumms escape into the world beyond their windows, those games—those little cruelties—grow more sinister, more merciless, and more dangerous. And with their lives entwined like the strands of

a noose, only two of the brothers will survive. Hailed by New York Times bestselling author Shari Lapena as "brilliant, engrossing," and perfect for fans of breathtaking suspense, *Little Cruelties* gazes unflinchingly into the darkness collecting in the corners of childhood homes, hiding beneath marriage beds, clasped in the palms of two brothers shaking hands. And it confirms that Liz Nugent is truly "a force to be reckoned with" (Lisa Jewell, New York Times bestselling author) in contemporary fiction.

The Apartment Plot

Apartment

The Politics and Practices of Apartment Living

This Old House

The Apartment Thomas & Mercer

Modern Apartment Design provides guidelines to the design of modern apartment buildings as well as a summation of current edge practice in engineered timber construction. The book covers a brief history of apartment buildings around the world, with a broad outline of different types of apartment blocks. It has a strong focus on the design and actual construction of apartments, especially those utilising mass timber, such as cross-laminated timber and laminated veneer lumber. It also features six Case Study chapters from industry-leading practitioners in the area, enabling best practice in architecture and engineering of these new building types to be more widely understood and propagated worldwide. The fully illustrated, full-colour case studies span the globe and include: Clearwater Quay in Christchurch, New Zealand (Pacific Environments NZ); Wynyard Central East 2 in Auckland, New Zealand (Architectus); Dalton Works in London, UK (Waugh Thistleton Architects); Mjøstårnet, Brumunddal, Norway (Voll Arkitektur); Brock Commons Tallwood House student housing in Vancouver, Canada (Acton Ostry Architects); and Regensbergstrasse apartments in Zurich, Switzerland (Dreicon). The book will be of great interest to architects and architectural students.

In this picture book, illustrator Leo Hartas removes the front wall of a five-story building and paints the frenetic lives he finds there. In his own imaginative style he introduces us to the 20 people, several cats and myriad other animals that live there. We enter the apartment block early in the morning, and with each turn of the page, move through the day. The visit finishes in the small hours of the following morning when most of the inhabitants (but not quite all) are asleep.

An emotional, slow burn contemporary romance that can be read as a standalone. Damaged. Drifter. Genius. After surviving severe trauma, Camden Walker has spent his life being trapped by labels. Now, at age twenty-seven, he's fine being the gifted artist for a world that's left him scarred. All he wants is to break free and find the beauty that's been stolen from him. Smart. Successful. Painfully ordinary. Olivia Price is used to being invisible and living in the shadow of her younger sibling. The fact that Olivia is in love with her sister's boyfriend is just another example of craving what Claire takes for granted. But when Claire dumps Camden without a thought, Olivia can't let go of the haunted green eyes she's loved for so long—especially when they finally see her too. Maybe it takes the one not wired for this world to appreciate the one who's been ignored by it. And maybe it takes the only person who's ever understood the wounded artist to show him he's as radiant as his art.

Little Cruelties

The Ghost in Apartment 2R

Chronicles of the Crossing

Urban Living in American Film and Popular Culture, 1945 to 1975

A.D.

Illustrates a day in the life of an apartment building by showing activities going on in different units at various times between 7:00 a.m. and 1:00 a.m.

A bestseller in 1945, this book has been out of print for over thirty years Like Wescott's extraordinary novella *The Pilgrim Hawk* (which Susan Sontag described in *The New Yorker* as belonging "among the treasures of 20th-century American literature"), *Apartment in Athens* concerns an unusual triangular relationship. In this story about a Greek couple in Nazi-occupied Athens who must share their living quarters with a German officer, Wescott stages an intense and unsettling drama of accommodation and rejection, resistance and compulsion—an account of political oppression and spiritual struggle that is also a parable about the costs of closeted identity.

One of the most popular writers working in Japan today, Mariko Koike is a recognized master of detective fiction and horror writing. Known in particular for her hybrid works that blend these styles with elements of romance, *The Graveyard Apartment* is arguably Koike's masterpiece. Originally published in Japan in 1986, Koike's novel is the suspenseful tale of a young family that believes it has found the perfect home to grow into, only to realize that the apartment's idyllic setting harbors the specter of evil and that longer they stay, the more trapped they become. This tale of a young married couple who harbor a dark secret is packed with dread and terror, as they and their daughter move into a brand new apartment building built next to a graveyard. As strange and terrifying occurrences begin to pile up, people in the building start to move out one by one, until the young family is left alone with someone... or something... lurking in the basement. The psychological horror builds moment after moment, scene after scene, culminating with a conclusion that will make you think twice before ever going into a basement again.

She's watching you, but who's watching her? Lily Gullick lives with her husband, Aiden, in a brand-new apartment opposite a building that has been marked for demolition. A keen bird-watcher, she can't help spying on her neighbors. Until one day Lily sees something suspicious through her binoculars, and soon her elderly neighbor Jean is found dead. Lily, intrigued by the social divide in her local area as it becomes increasingly gentrified, knows that she has to act. But her interference is not going unnoticed, and as she starts to get close to the truth, her own life comes under threat. But can Lily really trust everything she sees?

A Day in Five Storeys

The First Apartment Book

The Velvet Hours

The Eight-Step Home Cure

Camden Walker

Uses graphic novel format to depict the events of Hurricane Katrina through six true stories of New Orleanians who survived

the storm, including Denise, who experienced the chaos of the Superdome, and a doctor whose French Quarter home was unscathed.

This heart-wrenching novel about family and war unearths generations of secrets and sacrifices—perfect for fans of *The Paris Orphan* and *The Lost Girls of Paris*. 2017, London: When Aurelia Leclair inherits an opulent Paris apartment, she is shocked to discover her grandmother's hidden secrets—including a treasure trove of famous art and couture gowns. One obscure painting leads her to Gabriel Seymour, a highly respected art restorer with his own mysterious past. Together they attempt to uncover the truths concealed within the apartment's walls. Paris, 1942: The Germans may occupy the City of Lights, but glamorous Estelle Allard flourishes in a world separate from the hardships of war. Yet when the Nazis come for her friends, Estelle doesn't hesitate to help those she holds dear, no matter the cost. As she works against the forces intent on destroying her loved ones, she can't know that her actions will have ramifications for generations to come. Set seventy-five years apart, against a perilous and a prosperous Paris, both Estelle and Lia must unearth hidden courage as they navigate the dangers of a changing world, altering history—and their family's futures—forever.

"Apartment Stories works from the brilliant premise that urban culture and domestic architecture are indeed related in a number of unpredictable and mutually enlightening ways. Marcus's readings of Balzac and Zola novels in the context of the new urban architecture are absolutely superb, and she remains subtle and unexpected at every step."--Bruce Robbins, author of *Feeling Global*

NEW YORK TIMES BESTSELLER • This vibrant, tender, and moving tale pulses with the excitement of New York City, as Danielle Steel explores twists of fate, and the way that sometimes, in special places, friends can be the family we need most. They come together by chance in the heart of New York City, four young women at turning points in their lives. Claire Kelly finds the walk-up apartment—a spacious loft in Hell's Kitchen. But the aspiring shoe designer needs at least one roommate to manage it. She meets Abby Williams, a writer trying to make it on her own, far away from her successful family in L.A. Four years later, Morgan Shelby joins them. She's ambitious, with a serious finance job on Wall Street. Then Sasha Hartman, a medical student whose identical twin sister is a headline-grabbing supermodel. And so the sprawling space, with its exposed brick and rich natural light, becomes a home to friends about to embark on new, exhilarating adventures. Frustrated by her ultra-conservative boss, Claire soon faces a career crisis as a designer. Abby is under the spell of an older man, an off-off-Broadway producer who exploits her and detours her from her true talent as a novelist, while destroying her self-confidence. Morgan is happily in love with a successful restaurateur who supplies her roommates with fine food. At her office, she begins to suspect something is off about her boss, a legendary investment manager whom she's always admired. But does she even know him? And Sasha begins an all-work-no-play residency as an OB/GYN, as her glamorous jet-set sister makes increasingly risky decisions. Their shared life in the apartment grounds them as they bring one another comfort and become a family of beloved friends. Unexpected opportunities alter the course of each of their lives, and as they meet the challenges, they face the bittersweet reality that in time, they will inevitably move away from the place where their dreams began.

Apartment 4A

The Apartment

The Apartment Book

Interior decoration.

THE APARTMENT A classic story from #1 New York Times Bestselling Author Debbie Macomber about mothers, daughters and falling in love... Hilary Sullivan's new apartment is the first place she's ever had on her own. She left San Francisco to live and work in Portland—and to get away from her much-loved but overprotective mother. Hilary's twenty-four, after all! But she soon discovers that the apartment comes with an unexpected roommate—Sean Cochran, a good-looking pilot who's just left the army and shows up at the place he thinks he's rented! First published in 1993

It's an opportunity she can't refuse. The woman before her tried... Freya Miller needs a miracle. In the fallout of her husband's betrayal, she's about to lose her family home, and with it the security she craves for her five-year-old daughter, Skye. Adrift and alone, she's on the verge of despair until a chance meeting with the charismatic Dr Marsden changes everything. He's seeking a new tenant for a shockingly affordable flat in a fashionable area of London. Adder House sounds too good to be true... But Freya really can't afford to be cynical, and Dr Marsden is adamant she and Skye will be a perfect fit with the other residents. But Adder House has secrets. Even behind a locked front door, Freya feels as if she's being watched: objects moving, unfamiliar smells, the blinking light of a concealed camera... and it's not long before she begins to suspect that her dream home is hiding a nightmarish reality. Was it really chance that led her here--or something unthinkably dark? As the truth about Adder House starts to unravel, can Freya and Skye get out--or will they be locked in forever?

Apartments are a big business today. And these apartments can be modern buildings with technology to serve all your needs. And providing convenience for your fast lifestyle. There are many different types of apartments that are based on income and location. But for people starting out looking for their apartment this can be a daunting task. So, in this book I give a helpful guide to help you in this process. As I talk about looking for your apartment with helpful suggestions. Along with other topics related to apartment living. When starting out most people don't know what to expect. And they may feel that there is not much help for questions that you may have. And this guide book gives a good perspective when it comes to apartment living. Covering a lot of subjects helping to make your life a little easier. And avoiding a costly mistake. This book is for everyone who lives in apartments and it does not matter if your new or whether you lived in apartments for years. I think you will learn some new stuff and find this book interesting.
