

## The Argyle Sweater 2018 Day To Day Calendar

More than forty frock designs for your (or your little one's) doll collection! Classic A-lines, sleeveless summer dresses, and party frocks—learn to sew eighteen-inch doll dresses for every occasion. This huge collection of over forty miniature dress designs includes twenty-eight complete dress patterns, plus thirteen bonus looks created from mix-and-match elements. Plenty of sewing tutorials are included, along with beautiful photography of the stylish dresses. With princess seams, pretty pockets, and a variety of necklines, dressing up your doll has never been so much fun!

The Argyle Sweater is a comic for grown-ups but it's inspired by a childlike imagination and charm. Follow bears, bees, chickens, wolves, dogs, cats, zebras, cops, game shows, phones, cavemen, and even nursery rhyme icons and an evil scientist, into the mischief and perfect-fitting dialogue of The Argyle Sweater world. Hilburn jokes he thought about naming the strip For Better or For Worse but noted "that that one was already taken."

When a considerably changed version of her asthmatic eight-year-old son, Charlie, returns home from school one day, Meg Landry and her family wonder if the bizarrely mature, aesthetically superior changeling is the same boy. A first novel. Reprint. 25,000 first printing.

The 24-year old author, who is fluent in Chinese, intimately examines the future of China through the lens of the Jiu Ling Hou—the generation born after 1990—exploring through personal encounters how his Chinese peers feel about everything from money and marriage to their government and the West

The Non Sequitur Survival Guide for the Nineties

Argyle Fox

*"You know how, since the dawn of humanity, great philosophers and poets have dedicated their entire lives to exploring concepts like love, life itself, logic, and sorrow? Well, those great philosophers and poets are dead now, so I win." – Shen*

*Emotions Explained With Buff Dudes* is your fully illustrated guide to the hyper-conflicted, tragicomic feelings of our age. Featuring the resilient, shaggy-haired Shen, this debut collection of Owlurd Comix is a tale of triumph and survival – of getting your ass kicked by sleep deprivation and student loans, but never losing hope. Most of all, it's an amusing, instructive journey through a vast array of emotions, including those best explained with dudes who are buff.

The color of passion is Blood Red. For Freddie Little, it is not only the color of the family heirloom ruby necklace, it is the color of his deep love for his wife, Kathy Briscow Little. When Kathy wears the gem to a gala party, relatives and friends start seeing red. But only one is angry enough to kill Freddie's father. Freddie remains oddly reluctant to search for his father's killer, and Kathy gets worried that perhaps the killer is far closer to them than they thought. Freddie's mother, Gloria, takes up the chase, aided and abetted by his sister Honoria. Freddie feels all too relieved when the police arrest a couple of former laborers at the family business. But then his Uncle Stephen is killed and the police have good reason to believe that the shooter was the same person who killed Freddie's father. Worse yet, Kathy's younger brother is kidnapped, and then there is the daring burglary of Freddie's apartment while everyone is asleep inside. Already feeling the weight of his new role as family patriarch, Freddie works to squeeze in investigation among all the other demands on his time. There's help from Honoria and her friend Ivy. Freddie's dear friend Lowell provides disturbing evidence about Freddie's father. But it's Freddie's demons that get the better of him and it takes almost losing Kathy to bring him to his senses and a renewed sense of purpose. With luck, it will be in time to save all that he holds dear.

Parenting can be a magical journey full of bliss and wonder . . . if you're on the right meds. For the rest of us, it's another thing altogether. Fowl Language Comics takes an unvarnished look at the tedium and aggravation of parenting, while never forgetting that the reason we put up with those little jerks is that we love them so damn much. By poking fun at the daily struggles parents face, these cartoons help all of us feel less alone in our continual struggle to stay sane. Brian Gordon, creator of Fowl Language Comics, has two small children of his own and knows well the trials and tribulations that go along with raising them. With more than eighteen years of experience in humorous illustration, writing, and cartooning, Brian's visual point of view is memorable, authentic, and instantly recognizable. From Brian: "They say 'write what you know.' Well,

*I don't know much, but I do know what it's like to be the father of two brilliant, beautiful, bat-shit-crazy kids."*

*A nuanced and deeply-reported account of the collapse of Venezuela, and what it could mean for the rest of the world. Today, Venezuela is a country of perpetual crisis—a country of rolling blackouts, nearly worthless currency, uncertain supply of water and food, and extreme poverty. In the same land where oil—the largest reserve in the world—sits so close to the surface that it bubbles from the ground, where gold and other mineral resources are abundant, and where the government spends billions of dollars on public works projects that go abandoned, the supermarket shelves are bare and the hospitals have no medicine. Twenty percent of the population has fled, creating the largest refugee exodus in the world, rivaling only war-torn Syria's crisis. Venezuela's collapse affects all of Latin America, as well as the United States and the international community. Republicans like to point to Venezuela as the perfect example of the emptiness of socialism, but it is a better model for something else: the destructive potential of charismatic populist leadership. The ascent of Hugo Chávez was a precursor to the emergence of strongmen that can now be seen all over the world, and the success of the corrupt economy he presided over only lasted while oil sold for more than \$100 a barrel. Chávez's regime and policies, which have been reinforced under Nicolás Maduro, squandered abundant resources and ultimately bankrupted the country. Things Are Never So Bad That They Can't Get Worse is a fluid combination of journalism, memoir, and history that chronicles Venezuela's tragic journey from petro-riches to poverty. Author William Neuman witnessed it all firsthand while living in Caracas and serving as the New York Times Andes Region Bureau Chief. His book paints a clear-eyed, riveting, and highly personal portrait of the crisis unfolding in real time, with all of its tropical surrealism, extremes of wealth and suffering, and gripping drama. It is also a heartfelt reflection of the country's great beauty and vibrancy—and the energy, passion, and humor of its people, even under the most challenging circumstances.*

***The last works of Randy Glasbergen were found in his office as the family were sorting through items on his desk after his unexpected passing in 2015. The contents of this book are a compilation of new cartoons in just about every topic Randy wrote and drew about. Randy's intention was to add these cartoons to his extensive online cartoon catalog. Rather than adding these cartoons to the catalog, the family decided to release them in book form as a tribute to his legacy in cartooning.***

***Book seven in the Phoebe and Her Unicorn series! NEW YORK TIMES BESTSELLING AUTHOR! Marigold Heavenly Nostrils is no ordinary unicorn. She has Wi-Fi-enabled appendages. She's the most enchanted babysitter of all time. She's published numerous scholarly articles on the "shimmering" versus "glimmering" debate. She is, in short, a unicorn of many hats. Phoebe and her exceptional hooved pal are back in this all-new collection of comics! Laugh alongside the lovable duo as they question the idea of "coolness," gain a deeper appreciation for the power of friendship, and put off summer reading assignments for as long as physically possible.***

***Argyle Fox, with his signature style, wants to play outside on a springtime day, but the wind is wreaking havoc with his fun and games. As soon as he builds a card tower, climbs into a giant spider web, or takes up his pirate sword, here comes the wind: Woosh! Mama Fox tells grumpy Argyle that if he thinks long enough, he will come up with something to do. Following his mother's suggestion and inspired by her knitting, he works all the pieces of his day together and creates the perfect solution. The story of Argyle teaches that failure is often a path to success and celebrates perseverance, creative thinking, and an old-fashioned springtime activity. Scenes from a Multiverse***

Short on life lessons, precious moments, and pearls of wisdom, Tony Carrillo's F Minus takes on life's serious issues by pinning them to the ground and stealing their lunch money. (Then it feels a little bit guilty and gives some of the money back.) Author's web site: [www.fminus.net](http://www.fminus.net)

In the newest Pearls Before Swine treasury, the Hollywood dreams of cartoonist Stephan Pastis meet with hilarious—and disastrous—results! Pearls Before Swine is one of the most popular comic strips of the past two decades, and this treasury packs in 18 months worth of daily comic strips including special commentary by author Stephan Pastis, winner of the 2018 Reuben Award for Cartoonist of the Year. The book also includes an essay about his foray into the world of screenwriting.

Harper Price, peerless Southern belle, was born ready for a Homecoming tiara. But after a strange run-in at the dance imbues her with incredible abilities, Harper's destiny takes a turn for the seriously weird. She becomes a Paladin, one of an ancient line of guardians with agility, super strength and lethal fighting instincts. Just when life can't get any more disastrously crazy, Harper finds out who she's charged to protect: David Stark, school reporter, subject of a mysterious prophecy and possibly Harper's least favorite person. But things get complicated when Harper starts falling for him--and discovers that David's own fate could very well be to destroy Earth. With snappy banter, cotillion dresses, non-stop action and a touch of magic, this new young adult series from bestseller Rachel Hawkins is going to make y'all beg for more. “ As surprising as it is delicious. ” —BCCB, starred review “ Fun with a twist of supernatural and Southern charm. ” —VOYA “ The romance, coming-of-age aspects, and a well-drawn heroine with a crackling wit will lure in readers. ” —Booklist

The cartoon WuMo celebrates life's absurdity and bittersweet ironies, holding up a funhouse mirror to our modern world and those who live in it. Thanks to its delightful artwork and irreverent humor, this hilarious comic by writer Mikael Wulff and illustrator Anders Morgenthaler has grown from an underground sensation to one of the biggest and most popular strips in Europe. WuMo's inventiveness is reminiscent of their countryman Hans Christian Andersen--if Andersen's fairy tales had been populated by sadistic pandas, disgruntled office workers, crazy beavers, Albert Einstein, Snoop Dogg, and Darth Vader. Named WuMo, after the Danish duo 's last names, it appears in

the largest papers in northern Europe, including Germany ' s Die Welt, Denmark ' s Politiken, and Norway ' s Dagbladet.

The Power of Uncompromised Living

Kelly Cannon is satisfied with his life. He has friends, a wonderful family, and a great job. But love life has reached a new level of pitiful. Why? Well, his heart decided to break all the rules. fall in love with a straight guy. And definitely don't fall in love with your best friend. NFL star Britton "Blue" Montgomery has pressure coming at him from all sides. From his father, who's interested in Blue's football career. From his coaches, who just want him to play without getting injured again. From the fans. From his agent. And from his mother, who has popped up on the scene after leaving his family years before. And now his relationship with Kelly is on shaky ground, a situation that frightens Blue more than anything. When Kelly admits he's in love with Blue, bonds are tested and Blue has to decide what's really important. He doesn't want to lose the number-one person in his life, but the cost to keep Kelly close might be more than he's willing to pay. It's a good thing his nickname is the Blueprint--it's time to draft a new set of plans.

Since launching as an online feature in 2006, The Argyle Sweater has cemented its reputation as a comic strip for fans of absurd, clever humor. Now, cartoonist Scott Hilburn has collected the best of his 2009 strips in 50% Wool, 50% Asinine. Coming from The Argyle Sweater's customary skeptical perspective, the comic strips collected in 50% Wool, 50% Asinine will delight readers with the strip's (both verbal and visual) and cerebral wit that are the hallmarks of this hilarious strip. A true fan favorite, The Argyle Sweater has gathered a loyal and enthusiastic following with origins that predate its hugely successful launch with Universal Press Syndicate. Funny, irreverent, smart, and entertaining, 50% Wool, 50% Asinine is perfect for devoted fans of the strip and a great introduction for those lucky enough to get to experience for the first time this intelligent comic strip infused with childlike imagination.

Cartoonist Ricardo Caté describes Indian humor as the result of "us living in a dominant culture where the funny part is that we so often fall short of fitting in." His cartoon column, Without Reservations, is a popular daily dose in the Santa Fe New Mexican. Actor Wes Studi says, "Caté's cartoons so often remind us there is always a different point of view, or laughing at every day scenes of home life. Indian kids act just like their brethren of different races. Without Reservations is always thought-provoking whether it makes you laugh, smirk, or just enjoy the diversity of thought to be found in Indian Country."

Provides twenty ideas for men's knits using classic shapes, a mostly neutral palette, and natural yarns.

***Some call it weird. Others, eclectic, creative, hilarious, laugh-out-loud funny, and good old-fashioned snort-milk-out-your-nose humor. Whatever adjective you apply to Close to Home, it***

**has become one of the most popular comic panels in the funny pages today. Close to Home has devout fans that range from elementary students to octogenarians. As one fan put it, "I feel like you have been looking in my window and are drawing my life!" Though by no means a Peeping Tom, John McPherson does have the unique skill of being able to take those idiosyncrasies of daily life that drive us all nuts and infuse them with razor-sharp wit. In When Bad Things Happen to Stupid People John features angry letters from readers, cartoons that were killed by the editor, a glimpse inside his creative process, and never-before-seen photos of his erasers, quill pens, and his lucky drawing slippers. Who could resist it? The Open Championship returns to St. Andrews, Scotland, the Home of Golf. But an official with the Links Trust turns up dead, stuffed into the Bottle Dungeon at St. Andrews Castle, and, as usual, Hacker has to help find the killer. There are Russians everywhere in the Auld Grey Toon, along with a famous U.S. resort developer, and an alcoholic caddie on the run. Luckily, Hacker has his significant other, Mary Jane, along for the ride, with an ending no one sees coming.**

**Your character, more than anything else, will impact how much you accomplish in this life. It is more important than your talent, your education, your background, or your network of friends. Andy Stanley helps you chart a course toward becoming a man or woman of character. You'll discover a definition of character that will inspire you for a lifetime, the external and internal benefits of strong character, the six false beliefs behind negative behaviors, and more. Using practical insights, biblical exposition, and engaging stories, Stanley guides you step-by-step in setting the personal goals that will build the foundation for true success. The Secret to a Life with No Regrets How important is your character? It determines everything about you! How much you will accomplish in life, and whether you are worth knowing. How you will respond to success, and how you will weather the inevitable storms of life. This is a book about uncompromised living. It is about choosing every day to be a man or woman of integrity, a person whose actions speak louder than words. Bestselling author Andy Stanley challenges you to become what you were meant to be: a person whose commitment to doing the right thing, whatever the cost, will inspire others and change your world. Story Behind the Book As a pastor, I spend a substantial amount of my time with people who are digging themselves**

**out from personal environmental catastrophes—circumstances that were often years in the making but “took them by surprise.” Another group of people have faced, or are facing, storms of life that are not of their own making, storms created by the character deficits of others—storms that are a natural part of a fallen world. There, in the midst of unjust treatment and seemingly undeserved pain, the true character of a man or woman is revealed. What you see in such moments is what was really there all along. This book is about change. It’s about the process of taking raw materials and molding them, shaping them, and refining them into a finished product. Whether you know it or not, that process is happening in you. Your character, not your accomplishments or acquisitions, determines your legacy.**

**In this 2018 New York Times Notable Book, Paige Williams “does for fossils what Susan Orlean did for orchids” (Book Riot) in her account of one Florida man’s reckless attempt to sell a dinosaur skeleton from Mongolia—a story “steeped in natural history, human nature, commerce, crime, science, and politics” (Rebecca Skloot). In 2012, a New York auction catalogue boasted an unusual offering: “a superb Tyrannosaurus skeleton.” In fact, Lot 49135 consisted of a nearly complete T. bataar, a close cousin to the most famous animal that ever lived. The fossils now on display in a Manhattan event space had been unearthed in Mongolia, more than 6,000 miles away. At eight-feet high and twenty-four feet long, the specimen was spectacular, and when the gavel sounded, the winning bid was over \$1 million. Eric Prokopi, a thirty-eight-year-old Floridian, was the man who had brought this extraordinary skeleton to market. A onetime collegiate-level swimmer who spent his teenage years diving for shark teeth, Prokopi’s singular obsession with fossils fueled a thriving business hunting, preparing, and selling specimens, to clients ranging from natural history museums to avid private collectors like actors Leonardo DiCaprio and Nicolas Cage. But there was a problem. This time, facing financial strain, had Prokopi gone too far? As the T. bataar went to auction, a network of paleontologists alerted the government of Mongolia to the eye-catching lot. An international custody battle ensued, and Prokopi watched his own world unravel. In the tradition of *The Orchid Thief*, *The Dinosaur Artist* is a stunning work of narrative journalism about humans’ relationship with natural history and a seemingly intractable conflict between science and commerce.**

***A story that stretches from Florida's Land O' Lakes to the Gobi Desert, The Dinosaur Artist illuminates the history of fossil collecting--a murky, sometimes risky business, populated by eccentrics and obsessives, where the lines between poacher and hunter, collector and smuggler, enthusiast and opportunist, can easily blur. In her first book, Paige Williams has given readers an irresistible story that spans continents, cultures, and millennia as she examines the question of who, ultimately, owns the past.***

Berkeley's philosophy has been much studied and discussed over the years, and a growing number of scholars have come to the realization that scientific and mathematical writings are an essential part of his philosophical enterprise. The aim of this volume is to present Berkeley's two most important scientific texts in a form which meets contemporary standards of scholarship while rendering them accessible to the modern reader. Although editions of both are contained in the fourth volume of the Works, these lack adequate introductions and do not provide complete and corrected texts. The present edition contains a complete and critically established text of both *De Motu* and *The Analyst*, in addition to a new translation of *De Motu*. The introductions and notes are designed to provide the background necessary for a full understanding of Berkeley's account of science and mathematics. Although these two texts are very different, they are united by a shared concern with the work of Newton and Leibniz. Berkeley's *De Motu* deals extensively with Newton's *Principia* and Leibniz's *Specimen Dynamicum*, while *The Analyst* critiques both Leibnizian and Newtonian mathematics. Berkeley is commonly thought of as a successor to Locke or Malebranche, but as these works show he is also a successor to Newton and Leibniz.

This zany strip enters the comic-collection scene with circus-like zeal. All that's missing is a parade of elephants and a clown-car escort. Gary and Glenn McCoy's delightfully absurd comic panel blends superheroes, office humor, huggable animals, and twisted relationships in a bizarre marriage of Gary Larson, the *New Yorker*, Conan O'Brien, and *Mad Magazine*. Put succinctly, the brothers McCoy present "comics for a bold new world." Creating a world where greeting cards heal hospital patients, police officers pull over children driving bumper cars, babies use the patch to quell the pacifier habit, and nudists find out what constitutes a stalker in their colony, the St. Louis area natives alternate writing and drawing duties for the daily panel. The brothers each have been nominated for multiple National Cartoonists Society awards, and Glenn has won in three categories. Gary McCoy's past as a comedian (he won HBO's Stand-Up Stand-Off contest for the St. Louis area in 1995) also shines through in the strip's offbeat humor. Their impressive freelance client list reads like a who's who in cartooning: Disney, DreamWorks, and Hyperion, to name just a few.

The Itty-Bitty Knitty Committee Andrews McMeel Publishing

A welcome breath of fresh air. Really funny stuff. A terrific comic now becomes a terrific book." Authors Guy Endore-Kaiser and Rodd Perry have crashed the party, and the world of cartooning will never be the same. In fact, they are arguably the freshest, most original and clever of all cartoonists out there. Their comic strip *Brevity* features a smorgasbord of nerds, animals, and sporks in unusual yet relatable situations. For example:  
\* The five-second food-dropping rule does not apply to sewer workers. \* The Hypnotato dares you to look

into his eyes. \* The combover eagle (you have to see it to believe it.) \* The angry pin-the-tail-on-the-donkeys paying a nighttime visit to the birthday boy to settle a score. Brevity has been described as "the soul of wit." Indeed, this wily wit fused with minimalist illustration has launched its popularity into the stratosphere. Brevity will be at the top of every cartoon lover's wish list.

The Flying McCoys

Without Reservations

Master Your Humans and Live Your Best Puppin' Life

Fearless Fosdick

Death from the Claret Jug

At Home in the Highlands

Survivors Speak Out

The author/designer presents patterns for knitting with wool from the Scottish Highlands. The yarn is called Buachaille -- a Scottish Gaelic word which means herdsman, and which is also associated with two famous Scottish mountains. Several recipes for traditional Scottish food are included, along with a mapped "walk in the Highlands." Why bother getting out of bed when you could stay bundled up with that special blanket and a book of cozy, cute comics. From the author of the bestselling Little Mommy Love comes #1 New York Times bestseller Snug, a collection of comics that perfectly captures the honest, playful, and relatable snapshots of romantic life. Chetwynd's new book has the same charming and inviting style as her first and includes 50 percent never-before-shared comics. Snug is a celebration of the quirks and peculiarities of one of us—and the magic that happens when we find our matching puzzle piece. With more than one million greeting cards sold, Scott Hilburn's The Argyle Sweater dresses-up the funny page with an argyle-wearing assortment of cavemen, bears, and pompadour-having humans, along with an occasional evil scientist. Boasting a readership ranging from The Washington Post and the Los Angeles Times to the New York Herald, Hilburn's colorful cartoon panel fuses his visceral talent and bold pen strokes. What results is a cerebrally astute cartoon panel that comments on popular culture, human nature, and sporks in a clever, spontaneously rich way.

Since its debut in 1992, Non Sequitur--a comic that jabs at the feats and foibles of modern-day life--has become one of the fastest-rising comic strips in the U.S. Non Sequitur because no one strip has anything to do with another, each cartoon features a central character or theme. Anyone who loves to laugh will want to curl up with this outrageously hilarious collection of tongue-in-cheek philosophical musings.

De Motu and the Analyst

A Novel

“ Amid the ugly realities of contemporary America, American Hate affirms our courage and inspiration, opening a roadmap to reconciliation by means of the victims' own words. ” —NPR Books “ The collection offers possible solutions for how people, on their own or working with others, can confront hate. ” —San Francisco Chronicle A San Francisco Chronicle Books Pick

One of Bitch Media's " 13 Books Feminists Should Read in August " One of Paste Magazine's " The 10 Best Books of August 2018 " A moving and timely collection of testimonials from people impacted by hate before and after the 2016 presidential election In *American Hate: Survivors Speak Out*, Arjun Singh Sethi, a community activist and civil rights lawyer, chronicles the stories of individuals affected by hate. In a series of powerful, unfiltered testimonials, survivors tell their stories in their own words and describe how the bigoted rhetoric and policies of the Trump administration have intensified bullying, discrimination, and even violence toward them and their communities. We hear from the family of Khalid Jabara, who was murdered in Tulsa, Oklahoma, in August 2016 by a man who had previously harassed and threatened them because they were Arab American. Sethi brings us the story of Jeanette Vizguerra, an undocumented mother of four who took sanctuary in a Denver church in February 2017 because she feared deportation under Trump ' s cruel immigration enforcement regime. Sethi interviews Taylor Dumpson, a young black woman who was elected student body president at American University only to find nooses hanging across campus on her first day in office. We hear from many more people impacted by the Trump administration, including Native, black, Arab, Latinx, South Asian, Southeast Asian, Muslim, Jewish, Sikh, undocumented, refugee, transgender, queer, and people with disabilities. A necessary book for these times, *American Hate* explores this tragic moment in U.S. history by empowering survivors whose voices white supremacists and right-wing populist movements have tried to silence. It also provides ideas and practices for resistance that all of us can take to combat hate both now and in the future.

This silver anniversary edition of Dave Coverly ' s Reuben award-winning *Speed Bump* collects 300 of his best cartoons into one full-color book. 25 years of ideas. 25 years of drawings. 25 years of coffee. Man, that ' s a lot of coffee. Coverly ' s work has appeared in over 400 newspapers, including the *Washington Post*, the *Los Angeles Times*, and the *Detroit Free Press*, as well as in *Parade* magazine, textbooks, greeting cards, and even on that internet thingy. Dry and gentle not only describes Dave ' s hands, but his sense of humor as well. And while there are no guarantees in life, this new collection of *Speed Bump* cartoons hopes to make you think, smile, snort awkwardly, rethink, pause for a bathroom break, maybe get a second cup of coffee, and return to read a few more before realizing you really should be doing something a little more productive.

*Getting Dressed* introduces students to sociological concepts via the everyday decision of what to wear. Everyone has to get dressed. And what we wear creates our identity – how people define us and how we define ourselves. But getting dressed is not based on our individual choices and tastes alone. Rather, the process of getting dressed is shaped and limited by a range of social influences that lead us to imitate what others wear and reduces the range of options that are available for us to wear. From designers ' studios to the stores in the mall to our bedrooms, social constraints limit creativity and shape what we wear and how we express our identities when getting dressed.
