The Art And Soul Of Blade Runner 2049 Hardcover October

The Art and Soul of DuneSimon and Schuster

Art & Soul is a large-format glossy coffee-table book, featuring intimate portraits of celebrities from the entertainment industry including TV, music, film and stage. The stunning images, shot by Pulitzer prize-winning photographer Brian Smith, are accompanied by personal testimonials from each artist expressing the importance of the arts in our culture and the positive impact it has on our lives. The notes - in each artist's own handwriting - ra whimsical to weighty, but all offer insight into the individual's background and how their lives were shaped by art. The book also contains a foreword by a celebrated public figure involved in this cause. Celebrities photographed for the book include such luminaries as: Adrien Brody, Zooey Deschanel, Adrian Grenier, Anne Hathaway, Samuel L. Jackson, Joe Mantegna, Amanda Peet, John Turturro, Kerry Washington and many more. The bo partnership with the Creative Coalition, the premier public advocacy charity, founded by prominent figures in the entertainment industry. It is an important part of a campaign to focus national attention on the need to ensure that arts in America thrive and flourish. A terrific gift, Art & Soul also helps to support the arts, inspiring future generations of creative artists and improving our lives.

Immerse yourself in the world of Denis Villeneuve's Dune and discover the incredible creative journey that brought Frank Herbert's iconic novel to the big screen. Frank Herbert's science fiction classic Dune has been brought to life like never before in the breathtaking film adaptation from acclaimed director Denis Villeneuve (Blade Runner 2049, Arrival). Now fans can be part of this creative journey with The Art and Soul of Dune, the official the hugely anticipated movie event. Written by Dune executive producer Tanya Lapointe, this visually dazzling exploration of the filmmaking process gives unparalleled insight into the project's genesis—from its striking environmental and creature designs to its intricate costume concepts and landmark digital effects. The Art and Soul of Dune also features exclusive interviews with key members of the cast and crew, including Denis Villeneuv Chalamet, Rebecca Ferguson, Oscar Isaac, and many more, delivering a uniquely candid account of the hugely ambitious international shoot. Showcasing Villeneuve's visionary approach to realizing Herbert's science fiction classic, The Art and Soul of Dune is an essential companion to the director's latest masterpiece.

Published on the occasion of an exhibition of the same name held at Tate Modern, London, July 12-October 22, 2017; Crystal Bridges Museum of American Art, Bentonville, Arkansas, February 3-April 23, 2018; and Brooklyn Museum, New York, September 7, 2018-February 3, 2019.

The Art and Soul of Blade Runner 2049

The official behind-the-scenes companion book to Matt Reeves' The Batman The Art of The Batman is the official behind-the-scenes illustrated tie-in book to the highly-anticipated Matt Reeves (Cloverfield, Dawn of the Planet of the Apes, War for the Planet of the Apes) film, coming to theaters March 4, 2022. Set during Batman's second year as a crime fighter, this unique, noir-inspired take on the Dark Knight serves as a return to the character's roots and stars Robert Pattinson as Bruce Wayne, Zo ë Kravitz as Selina Kyle/Catwoman, Paul Dano as The Riddler, Jeffrey Wright as Commissioner Gordon, and Colin Farrell as The Penguin. Readers will get an insider's look at the film's production process through character designs, vehicle and gadget designs, and background paintings, alongside original commentary and interviews from the filmmakers, cast, production designer, and conceptual artists.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

Images from the Danish artist Lorenz Frolich of our Germanic Gods and myths, ready for your little pagan to color. What are the Germanic Gods? Often you will hear of the Norse or Nordic Gods and Goddesses, but these Gods were not limited to the Scandinavian countries. They are the Gods of the majority of Western Europe. Indulge in the beautiful artwork within these pages. Learn the stories behind each picture. instill in your children a love for the Gods of Europe. *Updated Version* Now includes a comprehensive appendix and restored images.

At last, a book that explores the origins and renaissance of lampwork glass beads and offers a one-on-one journey with fourteen exceptional glass bead artists as they create more than 20 projects. &break;&break;Step-by-step instruction and beautiful photography shows crafters how to create stunning necklaces, earrings, bracelets, and much more. This new reference gives an inside look at the artists' creative processes, including how they choose color and materials and how they add the finishing touches. Most importantly, they reveal how serendipity plays a role in their creative processes. Readers will be inspired to embark on an artistic journey to create magnificent works of art for future generations to behold.

The Art and Soul of Baking

One of our foremost female artists conducts us on a visionary journey into the heart of the creative process At a time when the art world is dominated by trendy egotists and art itself is marketed like toothpaste, Audrey Flack is both an anachronism and a revolutionary: a photorealist painter and sculptor who eschews glamour and who clings to a vision of art as a form of shamanism—a means of self-transcendence whose ultimate aim is the healing of the planet. In this provocative book, Flack shows how the transcendence occurs, in the art of looking as well as in the moment of creation. With its wonderfully acute critiques of artists from Tintoretto to Jackson Pollock and its insistence on reforging the links between the artist and larger world, Art and Soul is a brave, nourishing book that will inspire not only visual artists but anyone who has chosen the creative path.

The official art book for Blade Runner 2049 and a companion volume to The Art and Soul of Blade Runner 2049. Film audiences experienced a bold, breathtaking vision of the future in 1982's ground-breaking Blade Runner. With the critically acclaimed Blade Runner 2049, director Denis Villeneuve returned to that world, as a young blade runner's discovery of a long-buried secret leads him to track down former blade runner Rick Deckard, who's been missing for thirty years. A companion to The Art and Soul of Blade Runner 2049, Interlinked offers an unprecedented look into the creative process that went into making Blade Runner 2049, illustrating how director Villeneuve and his team took Scott's 1982 movie as a starting point and expanded the world by creating a new visual language infused with the original Blade Runner DNA.

I had always been the invisible art student in high school. Passed by. Glossed over. Unnoticed. Now I was Aria Watson...that girl. After one bad decision, and being labeled a slut, I was no longer unseen. I was the whore. The ignoramus. The tramp. I would never be invisible again. Particularly to Levi Myers. He was the odd boy with the beautiful soul who accepted and understood the broken girl inside me. Falling in love wasn't the plan. But how could I resist his promises of hope? Of forgiveness? Of a future I had stopped dreaming of? We were shattered. We were scarred. We were something strange and beautiful. We were two lost souls holding on to the only thing that could keep us together. Each other.

The sights and sounds of the Yoruba cosmos are made manifest through the pervasive use of beads. This spectacular book represents a collaboration between art historian Henry John Drewal and Yoruba priest John Mason. From the forests of Africa a thousand years ago to the bustling cities of New York, Havana, and Salvador, today, Yoruba religion has used beads to convey the artistic spirit and deep connection to the other world that its practitioners feel. This illustrated volume traces the history of the beads, their use, and Yoruba aesthetics and artistry. .

Art & Soul, Reloaded

Hermann Gross (1904-88) would probably be one of the most recognised German Expressionist painters today if it were not for one detail: in 1963, to the bewilderment of his friends, he left the artistic hubs of Paris and Berlin and became an artist-in-residence at a Camphill community in Aberdeen, in the north of Scotland.This book should bring long-overdue recognition to this most talented of artists. It traces Gross's early life and career as he learned the technical skills of a sculptor, painter, silversmith and stained glass maker under some of the most eminent masters in Europe, including Haustein, Raemisch and Wlérick and, in Paris, Picasso. His work for the Nazi propaganda machine during the war is examined, along with his time in America.It was during his many years at Camphill, however, that Gross's art matured, and this book includes fifteen colour plates of his most important work. Throughout, he remained true to the German Expressionist roots of communicating a compelling message relevant to contemporary society.

A profound and in-depth dialog of Spirit-guided insights describing the nature of the soul essence and presenting imaginative, practical tools to transform human dramas.Addressing commonly asked questions, Opening a Window to the Soul presents a unique way to understand how the world operates, heal painful emotions, get along with difficult people, and clear unhealthy patterns. With potent examples from the authorâs personal journey as well as client sessions, the messages are compassionate, enlightening and universally applicable.Topics include: the nature of the soul essence; whatâs between lives; soul memories, emotions, ego, and creative thought as aspects of the âEarth Suit;â how past life experiences impact present time; the soul family as relating to childhood and karmic agreements; love relationships and soul mates; working with the Spirit team (soul family guides) and soul purpose.

Art is a tool for living, a spiritual calling that all of us must eventually answer. Just as athletes aren't the only ones who need exercise, artists aren't the only ones who need creativity. All of us must exercise creativity on a regular basis to keep our spirit and joy from being diminished. In this age of remote controls, convenience food, and prepackaged everything, our souls are crying out for the spiritual replenishment only offered through a creative practice. Art and Soul takes readers on a year-long journey into their creative souls, offering a map for finding and expressing the art that dwells there. It encourages readers to recapture their authentic self that many abandoned long ago with their Crayola crayons. Even those who swear they can't paint, write, compose, or build can express creativity in everyday activities that revitalize and nourish their spiritual well-being. Art and Soul is divided into 52 weekly chapters, each containing an inspirational message; a creative assignment, and three or four suggestions for fun projects that encourage us to stretch our creative wings. Here are just a few: Go to a thrift store and buy the most outrageous outfit you can.Learn three little-known facts about Martin Luther King Jr..Make sugar cookies shaped like body parts. Come up with the title of your own autobiography.The ideas range from the practical to the ridiculous, but all are easy and fun to complete. This book will show readers that they don't need fancy art supplies or lessons to be creative, and that getting in touch with our creative selves is just as easy as do-re-me. Finally, the perfect book for women who have had it with feeling like the dynamic pulse of life hasfaded and who are looking to recharge their existence. The draining stress and hubbub of the modern world can sometimes make a woman feel like she's just a shell of the fun-loving, vivacious person she once was. To solve this common problem, author Amy Hall presents Getting Your Groove Back, a sassy and hip collection of tips and exercises for women who are eager to reinvigorate life by recapturing their lost but innate Grooviness-the spunk and special aura that used to set them apart from the crowd. This book covers everything a woman needs to know in order to get her career, relationships, and sense of self back on track by standing up to the evil forces of numbness and mediocrity that have taken root! Hall dishes out tough love, provoking insights and advice with a biting humor that just doesn't stop. At the office . . . A tried-but-true confidence builder moves from the bedroom to the office place. Wear really sexy underwear not only on third dates, but also to any dreaded presentation you must give.In relationships . . . Save the money you set aside for the obligatory birthday gift for the friend with whom you are no longer close. Spend it on yourself instead. Go buy a decadent box of chocolate-dipped strawberries from those fine Godiva folks and scarf them under a tree, celebrating your ability to sever the old and seek out the new. That relationship had a place in your past, and guess what, we call it the past for a reason-move on. Besides, the hussy never returned that favorite belt of yours she borrowed; hence, it's time to trot toward evolution.Within the inner self . . . Stop beating yourself up because you're not what you said you'd become when you were a little girl. Okay,so you didn't get an Olympic gold medal or become an ambassador to the UN. It's true our lives don't always deal us the cards we need to get the grandiose life, but get real, you're a born couch potato and you detest politics. Why should you feel guilty any longer for not doing something that doesn't fit your personality anyway? There's nothing wrong with not being a famous athlete or political figure. There's lots of us out here, and we're okay people. Join us. Love us. Become one with us.Getting Your Groove Back is the ultimate book for those who are tired of fluff and want fun self-help with an attitude!

In the search for truth, learning becomes the key that opens up the door of contemporary knowledge. I had no interest in healthcare politics until one day a very influential person challenged me to be part of the solution rather than just complaining. This started my learning journey into the complex world of power games, political brinkmanship and who controls the money. From the government to who provides the tools to carry out care of those who 'suffer'? When there is not enough money to pay for the care, who makes the decision of who lives and who dies. The problems now being seen are only the beginning of finding solutions to care that provides hope for all those who 'suffer' from both physical and psychological pain. The more we understand, the more learning needs to take place. Not just about solving the past problems, but to get in front and be ready to solve the questions that are going to be asked in the future. Dreaming about what is possible and finding the pathway of making it happen should be the number one priority not trying to fit a healthcare damaged foot into an ill-fitting healthcare boot. Just throwing money at the problem solves nothing, how the money is used holds the answer to reducing suffering and provides hope and care to those who 'suffer' every day.

A Guide to Living Beyond the Human Drama

Espresso

Throughout his lengthy medical and research career, author Om P. Sharma, MD, has discovered that human beings are communal creatures who often tie their own contentment to the well-being of their neighbor. From this perspective, it's easy to understand why our connections through technology have become so vital to the way we feel about who we are and what we offer the world. Linking us to people all over the globe, technology has become the tool we use to determine how others perceive us and how we should judge ourselves-with most of our value being attached to the temporal world rather than the spiritual. The Art and Science of Happiness in Body, Mind, and Soul examines the pursuit of happiness, including our history with it, philosophies regarding it, the biology that compels us to chase it, the religious and spiritual guidance that teaches us how to nurture it, and scientific interpretations of it. In a society that often measures worth by material possessions, Dr. Sharma notes that many of us have lost sight of what truly brings fulfillment and joy: developing a sense of integrity and morality, spiritual connection, and compassion for ourselves and those around us.

A comprehensive compendium of artists and writers confronting questions of Black identity, activism and social responsibility in the age of Malcolm X and the Black Panthers, based on the landmark traveling exhibition What is "Black art"? This question was posed and answered time and time again between 1960 and 1980 by artists, curators and critics deeply affected by this turbulent period of radical social and political upheaval in America. Rather than answering in one way, they argued for radically different ideas of what "Black art" meant. Across newspapers and magazines, catalogs, pamphlets, interviews, public talks and panel discussions, a lively debate emerged between artists and others to address profound questions of how Black artists should or should not deal with politics, about what audiences they should address and inspire, where they should try to exhibit, how their work should be curated, and whether there was or was not such a category as "Black art" in the first place. Conceived as a reader connected to the landmark exhibition Soul of a Nation: Art in the Age of Black Power, which shone a light on the vital contributions made by Black artists over two decades, this anthology collects over 150 texts from the artists, critics, curators and others who sought to shape and define the art of their time. Exhaustively researched and edited by exhibition curator Mark Godfrey, who provides the substantial introduction, and Allie Biswas, included are rare and out-of-print texts from artists and writers, as well as texts published for the first time ever. Contributors include: Lawrence Alloway, Emma Amos, Benny Andrews, Tomei Arai, Ralph Arnold, Dore Ashton, Malcolm Bailey, Amiri Baraka, Romare Beardon, Fred Beauford, Cleveland Bellow, LeGrace G. Benson, Dawoud Bey, Camille Billops, Lula Mae Blocton, Gloria Bohanon, Claude Booker, Frank Bowling, David Bradford, Peter Bradley, Gwendolyn Brooks, Kay Brown, Milton Brown, Vivian Browne, Linda G. Williams, Gerald Williams, Randy Williams, William Wilson, Hale Woodruff and Cherilyn C. Wright.

More Christians than ever before are studying and working professionally in the arts - but how to do it with integrity, Christian grit and in the language of our time? This practical introductory textbook is seasoned with quotes from artists, critics and philosophers, and animated with 51 b/w illustrations representing visual art, architecture, music, poetry, drama, media and film. The authors make a quick tour through the history of western art and culture. They identify the roots that led to our current post-modern condition, as well as the sometimes strained relations between the church and artists. They examine the implications of the biblical themes of a good Creation, a perverting Fall and the reality of Redemption for the aesthetic dimension of life. They also look at the way we interpret and interact with art - why does art matter? And how can different approaches to art make art work for us in different ways? Finally they have bold advice and encouragement for Christians involved in the arts or considering an artistic career.

With her trademark humor, enthusiasm, and no-nonsense guidance, #1 New York Times bestselling author of E-Squared Pam Grout invites you on a yearlong "apprenticeship" to recognize and unleash your innate creativity. Making art does not necessarily mean painting a gallery-worthy still life or belting out a Grammy-winning song. It simply means finding a way to give your inner muse a voice in this world. Sure, there’s drawing, dancing, singing, and writing. But there’s also art to be made from creating your own pair of angel wings or inventing a new toy or curating your own at-home film festival. Each week features a project of self-examination, an inspirational message, a real-world example of a celebrity who has addressed similar obstacles, and three zany activities to awaken your infinite creativity. It’s time to declare the beat of your own drum.

Remember Who You Truly Are

Reflections on an Artistic Psychology

People love films. Whether it is going out for an evening to the cinema or curling up at home with a DVD, movies are one of our favourite forms of entertainment. It is important for our Christian growth that we learn to watch films thoughtfully rather than just seeing them as entertainment. It's important that we understand the messages which films communicate and how they relate to the good news of Jesus Christ. There are also important sections on 'questions to consider when watching a film' and 'the problem of content - sex and violence'.

"Art is a spiritual discipline - by exercising our creativity in art we can become more spiritual. Artist and lecturer Regina Coupar shows how learning to see is a shared aspiration of artists and religious seekers. The ""art of soul"" is about applying the principles of discerning vision to the development of one's soul. Coupar's insights are surprisingly revealing and accessible to readers with no artistic background. Lavishly illustrated with examples and instructions, plus a full-colour gallery of Coupar's work."

Past meets present in this stylish guide to decorating modern homes with heirlooms and antiques. Designer and antiques dealer Tara Shaw is a respected supplier of French and European antiques for a host of AD100 and Elle Decor A-listers, including Bobby McAlpine, Mary McDonald, and Bunny Williams. In her first book, she helps readers understand how to select the best antiques and how to use them in a variety of decor schemes. The book presents never-before-published spaces from Shaw’s portfolio and reveals her favorite antique-hunting spots throughout Europe. Anecdotes from years of treasure hunting are accompanied by images of rare and precious finds, with text that decodes just how to choose the right pieces and display them in a contemporary interior. Readers will be able to look at each space and take away ideas they can apply to their own homes, to create personalized rooms full of provenance and beauty.

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER "This book will shine new light on your journey, ignite your practice with new power, inspire new possibilities for growth, and infuse your life with the grace and confidence you seek." —Baron Baptiste A little over a decade ago, Baron Baptiste published his seminal book, Journey into Power. The first of its kind, it introduced the world to Baptiste Yoga, his signature method that marries a lifetime of studying with some of the world’s most renowned yoga masters with his uniquely powerful approach to inner and outer transformation. Since then, yoga has steadily moved into the mainstream in our culture, and Baron’s unique contribution has played a key role. As millions of participants incorporate yoga into their daily lives, Baron’s teachings have evolved to bring them even deeper into their own transformative possibilities. Perfectly Imperfect: The Art and Soul of Yoga Practice takes readers beyond the foundations of the practice by speaking to everything that happens in their bodies and minds after they get into a yoga pose. That is where the true transformation occurs, and where much rich spiritual and emotional growth is available. Readers will learn how to move through their lives with grace and flow, begin again when a situation becomes difficult, "be a yes" for their innermost desires, give up what they must, follow their intuition, and find their truth north. With his signature blend of boldness, insightfulness, humor, and warmth, Baron offers what is destined to be an instant classic in the yoga and meditation world. With Perfectly Imperfect, he proves once again to be a true yoga master for the modern world.

Art and Soul: Rudolf Steiner, Interdisciplinary Art and Education

The Art of Soul

"the Art and Soul of Survival ; [is a Story that Never Ends]"

Soul of the Home

Opening A Window To The Soul

Originally published in hardcover in 2005.

"The clamor of the cups hitting the saucers, the sounds of the coffee grinder, the machine and the steamer, the smells of coffee and fresh pastries, the counter filling with customers making a million different requests the "barista" had no trouble remembering, the ordered chaos of people finishing their items and then moving along as the next group arrived, chatting, laughing, enjoying their short time together at the bar. Every espresso bar had its own characteristics, and some I sought purposely looking for a certain atmosphere or because I especially liked their "crema di caffè." Others I happened into because they caught my eye while I was heading somewhere else. When out and about with family and friends, there was never question of if we would "prendere un caffè" but there was usually some discussion about where. ESPRESSO explores the art and soul of Italy through the production, popular imagery, and ritual of coffee"--

This book brings together Steiner's philosophical, biodynamic and cultural contributions to education, where 'spirit' and 'soul' are the creative elements in human evolution. His thought is applied to selected examples of innovative artistic practice and pedagogy of the present. This volume is intended for researchers in the arts and education with an interest in Rudolf Steiner's huge influence on educational thought and policy.This is an urgent point in time to reflect on the role of arts in education and what it might mean for our souls. An accessible yet scholarly study of interdisciplinarity, imagination and creativity is of critical widespread interest now, when arts education in many countries is threatened with near-extinction.

The New York Times bestselling author of the classic The Care of the Soul addresses the needs of those providing soul care to others—therapists, psychiatrists, ministers, spiritual directors, teachers, and even friends—sharing his insights for incorporating a spiritual or soulful dimension into their work and practices. Soul Therapy is the culmination of Thomas Moore's work. In his previous acclaimed books, he explored the soul in important areas of our lives—work, sex, marriage, family, religion, and aging. In this wise guide, he now returns to his core vocation: teaching practitioners—therapists, psychiatrists, ministers, spiritual directors, and others—how to offer soul care to those they assist. A training manual infused with a lifetime's worth of wisdom, Soul Therapy is divided into five sections: What therapy or “soul care” is and how it works; What soul work is required of the helper to be able to address the needs of others; How to access and move forward the spiritual dimension; How to apply this work to specific areas, such as work, marriage, parenting, or teaching; How to deal with other issues that arise, such as developing a therapeutic style, dealing with one's shadow, and the need for self-care. Profound yet practical, enlightened yet grounded in real-world experience, Soul Therapy will become a definitive resource for caregivers and practitioners for years to come.

An Artist's Guide to Spirituality

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

The author examines artistic experience with the eye of an analyst, and analytic experience with the eye of an artist. His writing is involved, understood and practised as an operation, a process which, particularly through the use of image, seeks to merge the individual and the general, subjective and objective, the psychological and the spiritual. Beauty, for him, is the aim of all art; a beauty that mobilises Eros through the active myth-defining elements in a work of art, including the most contemporary creation, and thus supports the exchange of aesthetic emotion.' - Christian Gaillard, PhD, Jungian psychoanalyst, former president of the International Association for Analytical Psychology

Howard McConeghey, an art educator, artist, and practicing art therapist, pioneered archetypal psychology in American art education. This book taps into the ancient notion that "perceiving is breathing." The soul is always "seeing" and making images, and images are a natural function of the psyche's eye. Images are thus the very breath of life and necessary for a vital soul.Five definite principles set forth how the natural eye and hand can be trusted to break through the constrictions of usual art "training," freeing the uniqueness of one's own vision and the soul's joy in expression. Illustrations of paintings from therapy and art history make visible the principles as one moves through the book. The foreword by Thomas Moore, author of "Care of the Soul" and "Soul Mates," derives from his friendship with McConeghey and from Moore's recognition of the importance of this book for both a soulful art and an artful soul.

This manuscript is the culmination of the authors life experience, acquired philosophy, teaching and creative experience. She shares with us in an easy to ready style how to use art as a means towards healing grief and building self esteem. She includes beautiful photographs of her work and the stories of how she came to each medium. There are suggestions for family art projects, as well as instructions on how to create many of her unique ideas.

Art & Soul

Resilience is largely an exercise of mindset and mindfulness, of perspective and persistence, of ways of thinking and of will. Inside, you will find personal stories and their lessons that are intended to help anyone who is struggling with a personal test or dealing with loss.

The beauty of nature. The connection of shared experiences. The encouragement of an artist's perspective on the joys and the challenges of life Whether you read Art and Soul from cover to cover, as a daily reflection, or walk through your year seasonally with Leigh, you will revel in the beauty of her artwork while you meditate on her words and Scripture. Unwind, breathe in deeply, and refresh your soul from the inside out! Leigh's breathtaking artwork and narrative journal entries richly describe her personal soul thoughts, which always seem to result in a feeling of "I've been there, or at least nearby." Join her as she journeys through the summers of peace, autumns of uncertainty, winters of loss, and springs of hope. You will feel heartened, saddened, and full of joy— sometimes all at once—leaving you coming back to reflect and replenish your soul again, and again, and again. "I hope readers will relate as I share about the light that has illuminated my paint strokes, even when darkness falls heavy on my heart, the people who have spoken compassion and wisdom into my spirit, and the God who I believe accompanied me every step of the way." Leigh Fitz, Author and Artist
