The Beano and The Dandy

A chronicle of 75 years of the world's longest-running comic, The Art and History of The Dandy is a beautiful gift book and treasury of everything that has made The Dandy so anarchic and special. A must for every comic fan.

The Beano is Britain's longest-running and best-loved comic. Since 1938 it has brought thrills and laughter to generation after generation of children, seeing the young and young-at-heart through World War 2, the social changes of the 1950s and 60s and on into a new millennium. How has the comic evolved since its early days? How many of the classic characters and their stories do you remember? What are the important changes that have happened through the years, why have they happened and why has The Beano survived when all the other comics have folded? Every child in the UK since the 1950s has known Dennis the Menace, the Bash Street Kids, Minnie the Minx and Roger the Dodger, but how many know the writers and artists who created these iconic comic characters? How do they write the scripts week after week? Where did the inspiration come from? How did the artists come to work for this Great British institution? This is the story of the Beano Comic, told in the words of the people who made it, going back to the dark, harsh days of the 1930s and continuing through to the present day. A unique insight into the country's most beloved comic.

Sixty Years of The Beano and The Dandy

The Beano Annual 2005

The first issue of The Beano was published on July 30th 1938. This is the first-ever history of the best-known British comic of all time, reflecting on 70 memorable years. The book tracks the evolution of The Beano, decade by decade, from the period leading up to its launch The Beano at war, the fabulous fifties right through to the present day: an extensive in-depth look at the development, rise and enduring success of the most influential British comic of all time. The book includes a facsimile of the original 28-page issue, entitled The Beano Comic, featuring Eggo the Ostrich on the cover, and showing the full text and traditional narrative under picture style stories and the introduction of the speech balloons only format. The History Of The Beano, published during the 70th anniversary of the creation of the comic, has an insiders view, with previously unpublished material. It charts all the characters who have appeared over the years, as well as the editors, artists and writers past and present who have contributed to this great comic institution. Reg Carters Big Eggo was on the very first cover, and remained there for 10 years to be replaced by Biffo the Bear. Lord Snooty, created by Dudley Watkins, and Pansy Potter played their part in the war effort along with Musso the Wop and Winken & Blinken, created by artist Sam Fair. Dennis the Menace arrived in March 1951, closely followed by Ken Reids Roger the Dodger in 1953. This is a history which will bring back many memories. The Beano has touched every boy and girl growing up in the UK and many overseas readers, who will remember Tom Thumb, Jonah, Little Plum, The Bash Street Kids (which started out as When The Bell Rings), Minnie the Minx, Jimmy and His Magic Patch, Strang the Terrible, General Jumbo, Billy Whizz, Billy the Cat, Ivy the Terrible, Calamity James, and many, many more. Terrible, Calamity James, and many, many more.

'The Dandy Annual' has been a tradition since the 1930s and is now as much a part of Christmas as turkey. Old favourites you'll remember, like Desperate Dan and Beryl the Peril, appear alongside new names like Jak and Ollie Fliptrik.
