Are you curious about unleashing the hidden powers every single person has inside of them? Wicca can help you get closer to nature and bring positive experiences to your life Wicca is an ancient practice that draws roots from paganism and Nature worship. When you mention witchcraft to people nowadays, they mostly think of casting spells and charms just like witches do in the movies. But, in reality, Wicca is slightly different. It is a reincarnation of the earliest religions, which existed for millennia before the advent of Christianity. Wicca is often referred to as "the Old Religion." Witchcraft teaches how to establish a perfect relation with nature and unleash the great power of our ancestors. And, of course, there are spells and potions included! Spells are what set Wiccans apart from other mainstream religions. But, before you get to that part you must have a pretty good grip on the fundamentals and the rich history of Wicca. You also need to understand how to handle and benefit from your work with candles, crystals, and herbs. And, this book will guide you every step of the way! Here's what you'll discover inside this book: - The history of Wicca: learn how was Wicca created & who were the first worshippers - A guide to becoming Wiccan: what are the steps you have to take to become a Wiccan - Wiccan Beliefs: a beginner's guide to Wiccan belief & the five points of Wiccan belief - Wiccan gods & traditions: discover the secret Wicca traditions only few people know - Self-dedication to Wicca: daily devotions and practices of beginner Wiccans With the help of this book, you can learn about Wicca traditions, beliefs, and - more importantly - magic, spells, and potions. Discover how to become a part of this wondrous community today! This book is not only about the magick but also about achieving a wholesome relationship with the Universe. Become one with nature and live your life magically, spiritually, and wholly!

Whether you're well versed in magic but just discovering herbs, or are new to Wicca altogether, this handy guide by popular author Lisa Chamberlain covers all the basics, from creating a magical garden to gathering, harvesting, drying, and storing herbs. She centers the spells around 13 easy-to-find herbs: basil, bay laurel, chamomile, cinnamon, dandelion, elecampane, hibiscus, lavender, mugwort, nutmeg, rosemary, sage, and thyme. The spells include magical teas, baths, and oils to smudging, blessing, and healing rituals.

Wicca for Beginners, Finding Your Path, and Living a Magical Life

Wicca For Beginners is your comprehensive guide towards understanding the real basics of what the Wiccan path is about. Full of historical knowledge and important figures like Gerald Gardner, Doreen Valiente, and Aleister Crowley, Wicca For Beginners will take you onto an intellectual journey and educate you on the true basics, laws, and honor code that is barely touched on. Sure you can buy someone's book about magic, but Wicca For Beginners is a true guide that will stay with you throughout the tests of time. It stays away from typical mainstays like how to cast spells and telling you what tools you need to have and instead focuses on your need to know the real basics behind spellcasting in general, how you can use tools that are specifically important to you, and how to communicate with the deities you are connected to. While reading this book you'll be able to understand: The dark history behind paganism. Understand basic definitions like Wicca, Coven, Pagan, and Neopagan. Understand there are different styles to perform rituals and ceremonies. Understand that each coven has a different aspect of worship. Know that it's okay if you want to be a solitary witch. Read on rumors that researchers like Margaret Murray or occultists like Eliphas Levi concluded and what occurred after. Separate the Aleister Crowley the occultist from the Aleister Crowley the fictional character. Give yourself the ability to compare and contrast past ardanes from the founding Gardnerian era to the more modern ardanes today. And five basic spells to help you in your everyday life. Reveal the ancient and cultural significance behind the Pentagram. Understand who the Goddess and God really are, what they represent, and how they can help you as a beginner starting their Wiccan path.

Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device You're about to discover now "Wicca for Beginners" that takes readers on a journey from ignorance to knowledge, much like the journey that Wiccans themselves continually pursue. The book's chapters describe the pre-Christian, pagan origins of Wicca, what is and is not considered Wicca, and some of the most common Wiccan beliefs and characteristics. The book also goes in-depth with a look at some of the world's many Wiccan denominations, called "traditions." Nowhere else can a reader find such succinct and informative descriptions of these Wiccan traditions. The secrecy of Wicca means that, in the past, curious readers have had to do a lot of research to find out about some traditions of Wicca. Now, all this information is gathered in one place. From a history of Wicca to instructions on how to get started with your own Wiccan practice, "Wicca for Beginners" covers all the most important information about this interesting and meaningful system of beliefs. Other topics include the differences between traditional and eclectic Wiccan practices, a description of key Wiccan beliefs, and an introduction to several of the major Wiccan traditions. If you are new to this belief system, Wicca can seem obscure and very different from other, more common, religious traditions. Wicca is also frequently confused with other belief systems such as Satanism and Luciferianism, leading to misconceptions about uniquely Wiccan beliefs and practices. However, just like other religious traditions, Wicca has its own rich history, culture, and set of practices. While Wicca is not as mainstream as Judaism, Christianity, or Islam, it is a highly meaningful religious or spiritual belief system for hundreds of thousands of people. The religion combines magic, ritual, belief in deities, self-awareness, and spiritual growth. Wicca for Beginners will help you to learn more about this fascinating form of modern Paganism. What else? Wicca in all its forms is highly meaningful to hundreds of thousands of people. As you reach the end of this book, you, too, may find that Wicca is a practice that you would like to pursue. Chapter 6 is an excellent place to start. Study well, and pursue the Craft seriously. Whether you stay a solitary practitioner, join a circle or a coven, or become a High Priest or Priestess in a tradition of British Traditional Wicca, your journey is sure to be full of wonder and discovery. Personal and spiritual growth, experience of the Mystery, communion with the deities of old, and connections with others who experience the world as you do are all benefits of Wiccan practice. With Wicca,

discoveries are always around the corner. No ritual is the same twice, and every interaction with the deities is different. Creativity and individuality are celebrated, and inclusivity is a hallmark. "People just discovering Wicca, magick, Paganism. People who might have started on path but need another resource"--

Far from medieval superstition or fairy story, witchcraft is real, alive and growing. It is a religion of Nature-worship that exalts the feminine, encourages individuality and delights in celebration - and yes, it is also about magic, for magic itself is a natural force. If you are attracted to the magical and mystical, if you have ever been alone in the countryside yet felt you were not alone - or if you are simply curious about natural forces, this book is for you. Witchcraft has much to offer if you practise it sincerely. It is remarkably ancient, but its message is deeply meaningful today as we realise how far we have become estranged from our roots.

Everything You Need to Know About Wicca, from Best-Selling Wicca Author Lisa Chamberlain It is estimated that there are over 1 million practicing Wiccans around the world today. But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you on-board. Unfortunately, and despite this commitment, this is where many people get stumped. One of the biggest questions I hear would-be Wiccans ask: "how do I start practicing Wicca?" The truth is, there is no right answer. If you endeavour to learn as much as possible about this religion, follow the core principles (for example, the Threefold Law), and revere the natural world surrounding you, as far as I'm concerned, you're a Wiccan. If you're just starting out, I'm sure this vague answer is of little help to you! That's why I set out to write this mini-series of books, titled Practicing the Craft. In this particular book, you'll learn everything you need to know about Wicca Book of Shadows - what they are, their history, and what to include in your own Book of Shadows. Wicca Book of Shadows Practicing magic isn't compulsory for Wiccans, however many people are inevitably attracted to the religion by the potential to positively change their lives for the better. As such, spellwork is one of the most discussed parts of being Wiccan. For those wanting to start practicing magic, keeping a Book of Shadows is a good starting point. A Book of Shadows is the ideal place to document your Wiccan journey, write down detailed spell outlines, and write any other information that may help you going forward. Because it contains all of your spells, many Wiccans will take their Book of Shadows into the circle during spellwork, too. Having a beautiful, leather-bound book will make the spell crafting process far more authentic - though you can use any book you like for constructing your own book. Due to the contents, many Wiccans are very private about their Book of Shadows. As such, you will probably want to take proactive steps towards protecting your book. This guide includes several privacy tips, as well as a dedicated spell for protecting your book. In other words, Wicca Book of Shadows will teach you everything you need to know to construct your own Book of Shadows, today! Would You Like to Know More? Due to the sheer number of Wicca 101 books on the market, many newcomers to the Craft find themselves piecing together their Wiccan education by reading a chapter from one book, a few pages from another. Rather than depending on snippets of wisdom to build a new faith, Wicca for Beginners provides a solid foundation to Wicca without limiting the reader to one tradition or path. Embracing both the spiritual and the practical, Wicca for Beginners is a primer on the philosophies, culture, and beliefs behind the religion, without losing the mystery that draws many students to want to learn. Detailing practices such as grounding, raising energy, visualization, and meditation, this book offers exercises for core techniques before launching into more

complicated rituals and spellwork. Finalist for the Coalition of Visionary Resources Award for Best Wiccan/Pagan Book "In her first book-length work, Sabin presents a first-rate, fresh, and thorough addition to the burgeoning field of earth-based spiritual practice volumes...written in a light, informative style that magically mines depth, breadth and brevity."—Publishers Weekly (starred review)

Everything You Need to Know to Start Your Wiccan Journey Although it is estimated that there are over 1 million practicing Wiccans around the world today, Wicca is one of the world's few religions that is more likely to be studied entirely on one's own than through in-person guidance. Depending on where you live, you might be able to find a coven or circle where you can meet fellow Wiccans and ask questions, but most newcomers to Wicca find themselves traveling solo. Luckily, there is no shortage of information about the "Old Religion" in print and online. Yet with all of the diverse and often conflicting perspectives out there, it can be hard to know where to begin. That's why best-selling author Lisa Chamberlain created the Wicca Starter Kit, bringing together three of her most popular guides-Wicca for Beginners, Finding Your Path, and Living a Magical Life-to get your journey underway. Wicca for Beginners: a Guide to Wiccan Beliefs, Rituals, Magic, and Witchcraft Wicca for Beginners was created as an entry point for anyone seeking information about this fascinating religion. It is intended as a broad introduction, addressing the most commonly asked questions by people new to Wicca. Lisa covers the history of Wicca, including its modern foundations as well as its ancient inspirations; the Wiccan God and Goddess; the Sabbats and the Esbats comprising the Wheel of the Year; core elements and tools of Wiccan ritual; basic principles of magic from both ancient and modern sources; and even an example ritual and spell suitable for beginners. By the end of this guide, you will definitely have a solid understanding of the essence of Wicca! Finding Your Path: A Guide to Wiccan Traditions, Solitary Practitioners, Eclectic Witches, Covens and Circles One of Wicca's greatest strengths as a spiritual practice is the variety of paths one can choose from. Perhaps you want to join a coven within an established tradition, or maybe a more individualized practice is your calling. In Finding Your Path, you'll learn about the wide spectrum of contemporary Wiccan practice, from traditional "orthodox" covens to looser, more "eclectic" covens and circles, as well as the more recent phenomenon of solitary practice, which has appeal for both traditional and eclectic Wiccans alike. Lisa covers everything you need to know about covens and circles, including their history, their structures, and how to find your Wiccan community. You'll also be introduced to the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as other less common traditions. If you don't already have a sense of the amazing diversity of this innovative religion, you certainly will after reading this book! Living a Magical Life: A Guide to Initiation and Navigating Your Journey in the Craft New Wiccans will encounter two essential questions: 1) should you formalize your practice of the Craft with an initiation ritual? and 2) how do you integrate your new beliefs into your day-to-day life? In Living a Magical Life, Lisa addresses questions regarding coven initiation and solitary self-dedication, as well as less often-discussed topics like navigating common obstacles along your spiritual path, leaving behind old beliefs that no longer serve you, and developing and strengthening your inner psychic guidance system. There's also a step-by-step solitary initiation ritual you can perform when (and if) you feel the time is right, and spellwork for helping you stay in touch with your magical perspective every day-not just on Sabbats and Esbats! Get Started Today! Embarking on a new spiritual path is exciting, but it can also be overwhelming. The Wicca Starter Kit is a unique and comprehensive collection of books designed to welcome you to the Wiccan world and encourage you on your journey. Blessed Be!

If you've been considering living the magick life, but are not quite sure what all it entails, this is the guide for you. Wicca for Beginners: A Beginners Guide to Wicca and Witchcraft, has all the broad strokes of this beautiful religion in one succinct, easy to read volume. For new Neo Pagans entering into the religious worship of the Goddesses and Gods of nature, taking the first steps can seem daunting. The Wiccan religion is by no means mainstream, and it has no official guide book to follow. You could spend days scouring the corners of the internet, looking for spells and information only to find that your sources are poorly researched blog posts all copying and pasting the same Wikipedia entries. The hunt for true magick can be overwhelming, but don't despair. Wicca for Beginners: A Beginners Guide to Wicca and Witchcraft is by no means the first and last book you'll ever need, but it does contain everything you'll need to know to decide if Wicca is right for you and to complete the process of Self Dedication. Odds are good, if you're considering this book, that you've come across a couple of online spells in your time and that you know what a Pentagram is, but this book will present you with an overview of the Wiccan way of life and what being a witch truly means. Forget the Hollywood glamor, the movies about the shapeshifting teenagers and poltergeist exorcisms. Being Wiccan is more than dancing naked at a Summer Solstice party and going gluten free. Delve into the spiritual realm. Put aside your preconceived notions of a witch and discover what Wicca really means. Inside you will discover the answer to the questions ...? Who is this Great Goddess, and

why does she have so many names?? Do Wiccans celebrate other holidays, or only when the seasons change?? How does one become Wiccan, anyway?? Do witches really use wands and broomsticks?? Can anyone do magick?? Why does the author of this book spell "magick" with a "k"? As well as ...? Information on the Goddess, the Horned God, and what their relationship really means to the devout witch.? Descriptions of Wiccan rituals, their spiritual functions, and how to form meaningful relationships with the spirits and elements surrounding you.? A guide to Self Dedication, communing with the Goddess, and building personal relationships with different aspects of nature.? Instruction to building your own witchcraft kit, what you will need and how to prepare your tools for magick work.? Sample spells for protection, healing, blessings, and cleansing as well as an introduction to the different types of magick.? How to cast a Circle, write spells and perform your own rituals. Wicca is an expression of respect and homage to the Earth and the one creative force that flows through you, me, and all things. Come, learn the old traditions and discover a new way to be one with the Earth, Wind, Water, and Fire by connecting to that force: the fifth element of Spirit.

Newly revised and expanded to include 100 additional exercises, this instructional guide traces the history and lore of magick, covers several forms of magick, including shamanism, Voudun, and Qabala, and explains the basics, such as casting spells safely and ethically. Original.

Everything You Need to Know to Start Your Wiccan Journey Learn about the history and practice of the Wiccan tradition, discover the incredible power of spellcasting for health, wealth and happiness, and explore the magickal side of herbs & plants to connect with nature, as the earliest shamans did in the ancient world. The world we live in today seems wholly distant from the one our ancestors lived in--a world where humans and Nature were at one, their existence intertwined in the natural cycles of life. Wicca teaches us to appreciate the Earth, celebrating the intricate changes in the seasons and everything they bring. As you'll discover in this book, Wicca is a reincarnation of the very earliest religions, practiced for millennia before the advent of Christianity. Wiccans celebrate and share many of the same beliefs our ancestors held, with practices that honor the old ways while being compatible with contemporary life. For thousands of years, our ancestors believed that the Elements -- Earth, Air, Fire, and Water -- were the building blocks of the Universe, and their inherent properties and energies could be directed to manifest particular outcomes. Through ritual and magic, Wiccans interact with the primal forces of the Elements in a variety of ways, calling upon them for assistance in the transformation of their realities. Interest in Wicca, Witchcraft, and contemporary magic has increased exponentially over the past few decades. The dramatic rise of this Nature-based religion is due at least in part to the Internet--just twenty years ago, people curious about these subjects often had little access to credible information, especially those without a good New Age or Occult bookstore nearby. But the appeal of Wicca is also growing in tandem with the increasing complexities of our modern, high-pressured mainstream society. You will discover: - The origins and history of Wicca and Witchcraft - The Wiccan holidays of the Wheel of the Year: the Sabbats and the Esbats - Core elements of Wiccan ritual - Principles of magic--both ancient and modern - Choosing your Wiccan path - An overview of Wiccan covens, circles, and solitary practice - Magickal tools & how to use them - Tips & guidelines for successful spellcasting - The phases of the moon & their importance - Spells for abundance, wealth, health, love and happiness - And much more! Whether you're just looking to learn more about the Wiccan way of life, or you want to start practicing Wicca yourself, you will have a solid understanding of the essence of Wicca after reading this book. Interested In The Wiccan Spells and The History Of Wicca Magic? Then This is The Book For You! Get To Understand and Practice Wiccan magic faster than ever with the Help of this Guide which will take you from beginner to expert Wicca is a nature-based religion that has its roots in ancient Pagan beliefs. The central focus of Wicca is Nature with all its elements, particularly the Moon, honouring of whose phases helps us stay grounded and in touch with our own cycles of life. The concept of Mother Earth is particularly important for Wiccans and celebrating Sabbats, the 8 seasonal festivals, is a way of paying homage to the cycles of nature. At these times, Wiccans align themselves with the core life-giving energy of Nature. There are many ways to practice Wicca. You can do it as part of a coven, or as a solitary witch. You can join groups which focus on particular rituals or you can choose a tradition whose core beliefs resonate most with your own. However, regardless of the type of Wicca they practice, all Wiccans love and respect Nature and some form very personal relationships with animals (animal spirits), plants (spirit guides), or specific locations (the spirit of place) from which they draw energy, inspiration and guidance. Here Are Some of the Chapters and Things You Will Learn In this Book: - History of Wicca. The five sacred elements. Witches and Witchcraft. Deities. Wheel of the Year. Wiccan Holidays - Days of Power. Spiritual healing. Herbal, crystal, candle Magic. Proof of Reincarnation and much more.

Everything You Need to Know About Wicca, from Best-Selling Wicca Author Lisa Chamberlain It is estimated that there are over 1 million practicing Wiccans around the world today. But what is it that has made these people turn their back on the formal, structured religions that encompass the majority of the Western world? In our modern, high-pressured world, many of us fail to take notice the sheer beauty of the natural world surrounding us. In many ways, this is a travesty: the world we live in today seems so completely distant from the one our ancestors lived in, a world where humans and nature were at one, their existence intertwined in the natural cycles of life. Wicca is a new way of life, a religion that takes you back to a more simple time, before the invention of the high-tech gadgetry we see all around us. You will learn to live and appreciate the natural world that surrounds you, celebrating the intricate changes in the seasons and everything they bring - from the bounties of the Summer harvest, to the cold and darkness of the Winter months, as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings. Wicca is a re-incarnation of the very earliest religions, long pre-dating Christianity. Wiccans celebrate and share many of the same beliefs that these early people held, and try to embrace their way of life, all while remaining fully-functional in today's modern world. Getting Started as a Wiccan If you're sold on this new, exciting, peaceful way of life, that's great! Good to have you on-board. Unfortunately, and despite this commitment, this is where many people get stumped. One of the biggest questions I hear would-be Wiccans ask: "how do I start practicing Wicca?" The truth is, there is no right answer. If you endeavour to learn as much as possible about this religion, follow the core principles (for example, the Threefold Law), and revere the natural world surrounding you, as far as I'm concerned, you're a Wiccan. If you're just starting out, I'm sure this vague answer is of little help to you! That's why I set out to write this mini-series of books, titled Starting Your Journey. In this particular book, you'll learn everything you need to know about Wicca traditions - including solitary practitioners, eclectic witches, covens, and circles. The Main Wiccan Traditions Practicing magic isn't compulsory for Wiccans, however many people are inevitably attracted to the religion by the potential to positively change their lives for the better. As such, spellwork is one of the most discussed parts of being Wiccan. If you want to start practicing magic, it can help to join like-minded individuals. Both covens and circles can provide you with a sense of belonging by joining a small Wiccan community. As well as the social aspect, they are a great place to acquire knowledge, and many will mark the important Wiccan dates - the sabbats and esbats - with rituals and celebrations. In this book, we'll be looking at everything you need to know about covens and circles, including their history, their structures, and how to join one. Don't worry, though - not everyone wants to be part of a community, and that's perfectly fine, too. In this book, we'll be discussing all of your options, including a solitary path. We'll also look at the main Wiccan traditions: Gardnerian, Alexandrian, and Dianic, as well as a handful of less common traditions. You don't have to follow one of the traditions rigidly - and indeed, many Wiccan don't, choosing to become eclectic practitioners. If you need help finding your place within the Wiccan community, you're in the right place. Wicca: Finding Your Path will teach you everything you need to know about starting your own Wiccan journey, today!
