Have you ever prayed for something harder than you've ever prayed for anything, and then it happens, and you don't know if you're really ready for it? Well, so has Goody. Praying for a good man then actually getting one were two totally different things. In her mind, her world would be complete if that happened, so naturally, when it did, she was happy but then came fear. Fear of what the future would hold, or whether or not she was even good enough for her answered prayers. Lucky for her, Jerrico Blake is well equipped and intently focused on Goody and every need she has. A man with many honorable traits, Jerrico is a Godsend, but he's not to be taken lightly. Though he can withstand the toughest times with the hardest people, that doesn't mean he wants to. Desiring love and happiness as much as the next person, Goody's rejection may have worn thin. Not sure whether she's worth the fight, Jerrico second guesses his initial intentions. Will Goody's past destroy her future, or will she be woman enough to pick up her pieces and put her own future back together?

From New York Times Bestselling author Penelope Douglas comes a new forbidden love story... JORDAN He took me in when I had nowhere else to go. He doesn't use me, hurt me, or forget about me. He doesn't treat me like I'm nothing, take me for granted, or make me feel unsafe. He remembers me, laughs with me, and looks at me. He listens to me, protects me, and sees me. I can feel his eyes on me over the breakfast table, and my heart pumps so hard when I hear him pull in the driveway after work. I have to stop this. It can't happen. My sister once told me there are no good men, and if you find one, he's probably unavailable. Only Pike Lawson isn't the unavailable one. I am. PIKE I took her in, because I thought I was helping. She'd cook a few meals and clean up a little. It was an easy arrangement. As the days go by, though, it's becoming anything but easy. I have to stop my mind from drifting to her and stop holding my breath every time I bump into her in the house. I can't touch her, and I shouldn't want to. The more I find my path crossing hers, though, the more she's becoming a part of me. But we're not free to give into this. She's nineteen, and I'm thirty-eight. And her boyfriend's father. Unfortunately, they both just moved into my house. *BIRTHDAY GIRL is a stand-alone, contemporary romance suitable for ages 18+.

It's an inconvenient time for Sinter Blackwell to realize he's bisexual. He's a 25-year-old American actor working in London, living far away from his disapproving parents in the Pacific Northwest, and enjoying a flirtation with his director Fiona. But he can't deny that his favorite parts of each day are the messages from his gay best friend Andy in Seattle whom Sinter once kissed when they were 15. Finally he decides to return to America to visit Andy and discover what's between them, if anything. He isn't seeking love, and definitely doesn't want drama. But both love and drama seem determined to find him. Family complications soon force him into the most consequential decisions of his life, threatening all his most important relationships: with Andy, Fiona, his parents, and everyone else who's counting on him. Choosing the right role to play has never been harder.

Features an audio read-along! A creative spirit learns that thinking "ish-ly" is far more wonderful than "getting it right" in this gentle new fable from the creator of the award-winning picture book The

Dot. Ramon loved to draw. Anytime. Anything. Anywhere. Drawing is what Ramon does. It's what makes him happy. But in one split second, all that changes. A single reckless remark by Ramon's older brother, Leon, turns Ramon's carefree sketches into joyless struggles. Luckily for Ramon, though, his little sister, Marisol, sees the world differently. She opens his eyes to something a lot more valuable than getting things just "right." Combining the spareness of fable with the potency of parable, Peter Reynolds shines a bright beam of light on the need to kindle and tend our creative flames with care. Author of over a dozen bestsellers, Academy Award-winning screenwriter, and creator of some of television's greatest hits, Sheldon has seen and done it all, and now in this candid memoir, he shares his story for the first time.

It's funny how love has a way of changing things. Just when you think you've got it all figured out, life throws you a curveball. Marcellus Blake knew that better than anyone. He'd been living his life on a private high until being inadvertently forced to expose himself. Not at all accustomed to explaining himself or considering any needs outside of his own, he's become immersed in one of the most difficult situations of his life. Not realizing it until it was too late, Marcellus finds his heart torn between two women with no way out. Everything that seemed right and natural has now become the biggest fight of his life. How does he walk away from everything he's known to embark on an unknown road with uncertain feelings? More than willing and inadvertently eager to trust his newest feelings, Marcellus pursues what feels right, only to be met with one barrier after the next. What's a man to do when he's broken the heart that was made for him? How does he retract the feelings that were never supposed to form? Where does he start picking up the regretful pieces that he's lost? Above all, when does the woman he wants, begin to want him back? ...It's all fun and games until the person you love no longer loves you back...

The lives of four generations of one Louisiana family, woven together by a master storyteller Tracing a family's roots is like taking a journey through the years. In the case of one Louisiana family, that journey can be charted by the books they read and loved. The journey begins in 1939 with Rose, who moves with her mother and siblings from rural Texas to live with their estranged grandfather in the Louisiana bayou. Rose connects with this flavorful community through her love of books and by driving a bookmobile. Two decades later, Merle Henry, Rose's son, is more passionate about trapping a mink than about reading, although there is a place in his heart for Old Yeller. In 1973, Merle Henry's daughter, Annabeth, feels torn between reading fairy tales and a crush on a real-life knight in shining armor. And in the present day, Annabeth's son, Kyle, finds himself in a bind: he hates reading, but the only summer job he can get is at the library. In her people-smart way, Kimberly Willis Holt introduces us to a Louisiana family: touching, lyrical, and always intriguing, their stories reveal the powerful connections between four generations. Christina's mother, Greta, walked out on her when she was just six years old. Now in her thirties, she has reached a desperate crossroads and goes on the run with her youngest child in a bid to find her mother and sanctuary from her husband and family.

A song book that highlights that inside everyone there is a perfect and loving heart, and that if we uncover our perfection and recognise it in others we can change the world for the better. The song takes you through the personal journey of a little monster who discovers his self worth is not defined by his physical characteristics or by the definitions placed on him by others, but by how he allows his light and love to shine. Once he understands his own value he is able to see the perfection in others even when they are hurtful. He then goes on to show that if we all recognised the perfection in each other and acted from a place of love we can change the world to a better place. "Let us live the perfection that we are and uncover ourselves to shine like a star. Our potential never stops to spread love on this earth, it is why we are here, it is the reason for our birth."

In this “brave and heartbreaking novel that digs its claws into you and doesn’t let go, long after you’ve finished it” (Anna Todd, New York Times bestselling author) from the #1 New York Times bestselling author of *All Your Perfects*, a workaholic with a too-good-to-be-true romance can’t stop thinking about her first love. Lily hasn’t always had it easy, but that’s never stopped her from working hard for the life she wants. She’s come a long way from the

small town where she grew up—she graduated from college, moved to Boston, and started her own business. And when she feels a spark with a gorgeous neurosurgeon named Ryle Kincaid, everything in Lily ’ s life seems too good to be true. Ryle is assertive, stubborn, maybe even a little arrogant. He ’ s also sensitive, brilliant, and has a total soft spot for Lily. And the way he looks in scrubs certainly doesn ’ t hurt. Lily can ’ t get him out of her head. But Ryle ’ s complete aversion to relationships is disturbing. Even as Lily finds herself becoming the exception to his “ no dating ” rule, she can ’ t help but wonder what made him that way in the first place. As questions about her new relationship overwhelm her, so do thoughts of Atlas Corrigan—her first love and a link to the past she left behind. He was her kindred spirit, her protector. When Atlas suddenly reappears, everything Lily has built with Ryle is threatened. An honest, evocative, and tender novel, *It Ends with Us* is “ a glorious and touching read, a forever keeper. The kind of book that gets handed down ” (USA TODAY).

“The book casts a curiously sweet spell.” – Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that “love is a terrible thing that will make you suffer.” A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria’s despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

2021 15th Annual Indie Excellence Juror's Choice Award Winner “The Best Part of Us by Sally Cole-Misch is a lush debut novel which explores nature, family, and land with nuance and patience.” —Affinity Magazine Beth cherished her childhood summers on a pristine northern Canadian lake, where she reveled in the sweet smell of dew on early morning hikes, the loons’ evening trills across the lake’s many bays, every brush stroke of her brother’s paintings celebrating their cherished place, and their grandfather’s laughter as he welcomed neighbors to their annual Welsh harvest celebration. Theirs was an unshakeable bond with nature, family, and friends, renewed every summer on their island of granite and pines. But that bond was threatened and then torn apart, first as rights to their island were questioned and then by nature itself, and the family was forced to leave. Fourteen years later, Beth has created a new life in urban Chicago. There, she’s erected a solid barrier between the past and present, no matter how much it costs—until her grandfather asks her to return to the island to determine its fate. Will she choose to preserve who she has become, or risk everything to discover if what was lost still remains? *The Best Part of Us* will immerse readers in a breathtaking natural world, a fresh perspective on loyalty, and an exquisite ode to the essential roles that family, nature, and place hold in all of our lives.

NEW YORK TIMES BESTSELLER • Tarana Burke and Dr. Brené Brown bring together a dynamic group of Black writers, organizers, artists, academics, and cultural figures to discuss the topics the two have dedicated their lives to understanding and teaching and shame resilience. Contributions by Kiese Laymon, Imani Perry, Laverne Cox, Jason Reynolds, Austin Channing Brown, and more. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE AND BOOKRIOT It started as a text between two friends.

Tarana Burke, founder of the 'me too.' Movement, texted researcher and writer Brené Brown to see if she was free to jump on a call. Brené assumed that Tarana wanted to talk about wallpaper. They had been trading home decorating inspiration boards in the conversation so Brené started scrolling to find her latest Pinterest pictures when the phone rang. But it was immediately clear the conversation wasn't going to be about wallpaper. Tarana's hello was serious and she hesitated for a bit before saying, "But I know your work affected me so deeply, but as a Black woman, I've sometimes had to feel like I have to contort myself to fit your words. The core of it rings so true for me, but the application has been harder." Brené replied, "I'm so glad we're talking about this. It makes sense to me. Especially in terms of vulnerability. How do you take the armor off in a country where you're not physically or emotionally safe?" Long pause. "That's why I'm calling," said Tarana. "What do you think about working together on a book about Black experience with vulnerability and shame resilience?" There was no hesitation. Burke and Brown are the perfect pair to offer a stark, potent collection of essays on Black shame and healing. Along with the anthology contributors, they create a space to process the trauma of white supremacy, a space to be vulnerable and affirm the fullness of Black love and Black life.

This is the first book published by Mr. Mault's 2018-2019 third grade class. The poems in this book explain why we should be proud of who we are. We are unique. We are special. We are AMAZING. We ALL need to be proud of who we are, both on the inside and out. INSTANT NEW YORK TIMES BESTSELLER The #1 New York Times bestselling author of *It Ends with Us*—whose writing is "emotionally wrenching and utterly original" (Sara Shepard, New York Times bestselling author of the *Pretty Little Liars* series)—returns with a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Grant's love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of no return. *Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a fast-paced page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

Starring Michelle Monaghan, James Marsden, Luke Bracey, and Liana Liberato "Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen." In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were from opposite sides of the tracks, their love for one another seemed to defy the realities of life in the small town of Oriental, North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back to Oriental for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew -- about Tuck, about themselves, and about the dreams they held dear -- was not as it seemed. Forced to confront painful memories, the two former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?

Love is always a beautiful thing when it's shared, respected, and cherished. The moment it becomes any less than those three, your relationship and sanity are damned to hell. Don't believe it? Just ask Paradise "Goody" Maverick. Once upon a time, she'd been the hopeless romantic type who thought she'd fall in love and stay that way forever, only to be painfully reminded that forever doesn't always last. High school sweethearts and the only loves they've ever known, Goody and Kayson Miller have lived happily, chased dreams, and established a life together. The house, the cars, the success, and anything else Goody could name, they'd grinded and gotten it together. She had just gotten to the peak of her happiness when life decided to come around and knock her down. What happens when love is no longer enough? What do you do when you're betrayed and left by your best friend? Who's to blame when you have nothing left to give, not even to yourself? The idea of second chances seems utterly detestable, so when Jerrico shows up looking, smelling, and acting like a knight in shining armor, what's a girl to do? Do you suck it up and move on, or do you harbor rage and bitterness? Ask Goody, she knows. The heart of the heartless, hollowed and emptied by that thing called love. Fed up and against anything that involves a man and her emotions, she's prepared to kiss Jerrico goodbye, or so she thinks... welcome to the life of a SAVAGE. Men, remember, anything you can do... women can do better. Heads up, Queens, this one is for us!

This collection of essays is about people. My people. In the midst of a pandemic, I am even more aware of the importance of my people- and time. There are friends I consider family who live in Europe and I have no idea when I will be allowed to see them again. There is family in the south and I long for their company. There is a biological relation who I will never see again. There are mentors who literally changed my life, and students whose impact never left. There are New Yorkers and Floridians, and there is immeasurable loss. What you get to take with you when you leave this earth is the following: what you did, how you lived, who you loved, who loved you. All the people that made you - for better or worse - who you are. People matter. To me. People matter, and time: the finite time you have with your people, and the finite time they have with you.

From Colleen Hoover, the #1 New York Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight. They wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set-up. He doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless, as long as Tate can stick to the only two rules Miles has for her. Never ask about the past. Don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated. Promises get broken. Rules get shattered. Love gets ugly.

#1 NEW YORK TIMES BESTSELLER • OVER TWO MILLION COPIES SOLD! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave. As Glennon insists: The braver we are, the luckier we get.

This book is intended to give a voice to Josie and others like her who have something to say, but are unable to express it. Young children all over the world are at an impressionable age and with answers to their questions about others who are different they could learn to become kindhearted, understanding, and accepting children. This book is about a real child named Josie with anxiety and real experiences she's gone through. If this book is understood by a school aged student, then we will be creating a world full of compassionate children. This is the second of five books to help demystify special needs to lower elementary aged students.

"In Hopeless, Sky left no secret unearthed, no feeling unshared and no memory forgotten, but Holder's past remains a mystery. He is haunted by the little girl he let walk away from him and he has spent his entire life searching for her. He had hoped that he would finally gain closure and be able to rid himself of his guilt the moment they were reconnected. But he could not have anticipated that the exact opposite would occur and even more guilt and regret would be thrust upon him. Sometimes in life, if we wish to move forward we must first dig deep into our past and make amends with it. In Losing Hope, readers will learn what was going on inside Holder's head during all those moments that left him feeling hopeless and see whether he can perhaps gain the peace he desperately needs"--

What if there was an underlying universal language that encompassed everything in your reality but you simply were not aware? What if you had been led away from this truth as a child? Would you want to know? What if you could find a way to rediscover your connection to it and in doing so could change your whole perspective on life and your powerful place within it? Through significant philosophical conversations with spiritual leaders, scientists, researchers, and philosophers from around the globe coupled with his own life experiences, Author, Scott Leuthold gained new perspectives on his reality. In his new book *Rediscovering Your Divine Music*, he shares a timely message that we must reconnect with our natural world and learn to love and respect ourselves, everyone, and everything under the premise that all is one.

Now a movie starring Lucy Hale and Austin Stowell, USA Today bestselling author Sally Thorne's hilarious and sexy workplace comedy all about that thin, fine line between hate and love. *Nemesis* (n.) 1) An opponent or rival whom a person cannot best or overcome. 2) A person's undoing 3) Joshua Templeman Lucy Hutton and Joshua Templeman hate each other. Not dislike. Not begrudgingly tolerate. Hate. And they have no problem displaying their feelings through a series of ritualistic passive aggressive maneuvers as they sit across from each other, executive assistants to co-CEOs of a publishing company. Lucy can't understand Joshua's joyless, uptight, meticulous approach to his job. Joshua is clearly baffled by Lucy's overly bright clothes, quirkiness, and Pollyanna attitude. Now up for the same promotion, their battle of wills has come to a head and Lucy refuses to back down when their latest game could cost her her dream job. But the tension between Lucy and Joshua has also reached its boiling point, and Lucy is discovering that maybe she doesn't hate Joshua. And maybe, he doesn't hate her either. Or maybe this is just another game.

When a rebel serving in the Army meets the girl of his dreams, he must face an impossible choice as a national tragedy forces them apart in this powerful New York Times bestseller. An angry rebel, John dropped out of school and enlisted in the Army, not knowing what else to do with his life--until he meets the girl of his dreams, Savannah. Their mutual attraction quickly grows into the kind of love that leaves Savannah waiting for John to finish his tour of duty, and John wanting to settle down with the woman who captured his heart. But 9/11 changes everything. John feels it is his duty to re-enlist. And sadly, the long separation finds Savannah falling in love with someone else. "Dear John," the letter read...and with those two words, a heart was broken and two lives were changed forever. Returning home, John must come to grips with the fact that Savannah, now married, is still his true love--and face the hardest decision of his life.

Fifteen children from a school in North Carolina offer short passages in prose and verse that explain why they prefer their eyes, feet, hands, and other body parts, with accompanying photographs of that particular area.

Like Adam Silvera's *They Both Die at the End* and Colleen Hoover's *It Ends with Us*, *Before I Fall* raises thought-provoking questions about love, death, and how one person's life can affect so many others. With this stunning debut novel, New York Times bestselling author Lauren

Oliver emerged as one of today's foremost authors of young adult fiction. For popular high school senior Samantha Kingston, February 12—"Cupid Day"—should be one big party, a day of valentines and roses and the privileges that come with being at the top of the social pyramid. And it is...until she dies in a terrible accident that night. However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined. Before I Fall is now a major motion picture Zoey Deutch, Halston Sage, and Kian Lawley. Named to numerous state reading lists, the novel was also recognized as a Best Book of the Year by Amazon, Barnes & Noble, The Daily Beast, NPR, and Publishers Weekly.

Actress and comic Lisa Ann Walter offers a hilarious, star-studded collection of essays encouraging women to laugh at what they can't change, enjoy a guilty pleasure or two, and finally accept the lives and the bodies they're in now. The Dance Your Ass Off judge and star of movies like The Parent Trap, Shall We Dance, and Bruce Almighty delivers a warm, wry, honest, and effective exhortation to find happiness where you are, in a serenity prayer for today's woman that's perfect for fans of Gretchen Rubin's The Happiness Project, Valerie Bertinelli's Losing It, and Chelsea Handler's My Horizontal Life.
