The Book Is Comprehensive, Self-Contained And User-Friendly, As The Emphasis Throughout Is On Ensuring That Readers, Particularly Students, Receive Worthwhile, Authentic Information Instead Of Irrelevant And Outdated Details. It Will Definitely Prove An Invaluable Reference Book To Students Of Different Educational Levels And Candidates Preparing For Civil Services Examinations Or Other Competitive Exams And Interviews For Various Jobs. Besides Students, The Researchers, Executives In Government And Private Sector And Also The Common Man Will Find It Highly Informative.

This book provides a comprehensive understanding of youth development and protection in the Indian context. It reviews the demographic and socio-economic background and future prospects of Indian youth. The book discusses the role of family and culture in the upbringing and development of youth, changing political and socio-economic situations, and the influence of parents and teachers in shaping the future of the youth. The book highlights the nature of adversities faced by children and youth and the subsequent impact on their mental health and well-being. It also examines the efficacy of various skill development programmes and national and international policies designed for the youth. The book will be of interest to students, teachers, and researchers of population sciences, population studies, psychology, childhood studies, development studies, sociology, and youth studies. It will also be of interest to policymakers and NGOs working with children and youth.

'Civilizing Missions in Colonial and Postcolonial South Asia' offers a series of analyses that highlights the complexities of British and Indian civilizing missions in original ways and through various historiographical approaches. The book applies the concept of the civilizing mission to a number of issues in the colonial and postcolonial eras in South Asia: economic development, state-building, pacification, nationalism, cultural improvement, gender and generational relations, caste and untouchability, religion and missionaries, class relations, urbanization, NGOs, and civil society.

Scouting for Boys: A Handbook for Instruction in Good Citizenship

Introduction This book is dedicated to honourable TIRTHA RAJ NEUPANE for his 50 years of Scouting. * Former District Chief Commissioner of Nepal Scouts Chitwan * Vice-Chairman of International Scouts and Guide

Fellowship (ISGF) Nepal

Reports for 1956-1991 include catalogs of newspapers published in each State and Union Territory.

In 1899 while serving in the 2nd Boer War, Robert Baden-Powell penned his sixth military book, Aids To Scouting. It was a non-typical training manual filled with personal stories of intrigue and even games. Its goal was to encourage the development of light reconnaissance scouting skills within the British Army. The book was well received by various armies of its time, including the French Army. His successful defense of Mafeking (1899-1900) in South Africa made Baden-Powell a well-known national hero in Britain. But what completely surprised Baden-Powell was that his book was eagerly taken up by teachers and youth groups to help organize outdoor activities and sport. He eventually embraced the idea of adapting his work into a new youth-oriented book, Scouting for Boys (1908) which went on to sell approx. 150 million copies to date. It was that follow-on book that firmly launched the international Boy Scouts movement. Aids to Scouting contains sections on the characters of a scout, as well as practical advice on observation, stealth/camouflage, map reading, sketching, tracking, reporting and care of horses. It presents these topics in a simple conversational style that makes it easy to read, and is illustrated with personal anecdotes of military adventures by the author. It gives scholars clear insights into his mindset and beliefs that served him well in the siege of Mafeking and shows a clear lineage to the formation of the tenets of his formation of the Boy Scouts. Anyone interested in the history of Boy Scouting will definitely want to read this interesting and formative book. (NOTE - Appendix C contents is missing in this Kindle version - but we hope to update the ebook with it once a suitable facsimile can be referenced).

Scouting for Boys in India

A Bibliographical Catalogue of Robert Baden-Powell

Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals, Scouting magazine offers editorial content that is a mixture of information, instruction, and inspiration, designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families.

Illustrated by the Author. Contents: Preface; How to Be Happy Through Rich or Poor; Rocks You are Likely to Bump on; Rovering. 'To sum up in a few words, success does not consist so much in gaining money and power as in gaining

happiness. Many young men drift along with the rest of the crowd according to chance, and thus never reach happiness. From being passive be active. Don't drift. Take your own line. Paddle your own canoe. Only mind the rocks. Avoid them by cultivating other qualities. Powell explains the 'rocks you are likely to bump on (Through herd temptation) Horses, betting and looking on at false sports. Wine, and other forms of self indulgence. Women, dangers of a wrong attitude and blessing of the right one. Extremists in politics, irreligion, etc. Powell elaborates on the antidotes to the 'rocks (through individual effort) active hobbies, earning money, self-control, character, chivalry, health of mind and body, service for your fellow-men and for God. 'If you aim for it by practicing these safeguards, instead of being stranded among the rocks, you will win success and happiness. These and dozens of other inspiring maxims make this extraordinary book a useful companion for Scouts and Scout Leaders.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. Social Disorganization and Reconstruction

TIRTHA RAJ NEUPANE : A Living Legend of Nepal Scouts

Original 1911 Edition

Across the British Empire and the world, the 1920s and 1930s were a time of unprecedented social and cultural change. Girls and young women were at the heart of many of these shifts. Out of this milieu, the Girl Guide movement emerged as a response to modern concerns about gender, race, class, and social instability. In this book, Kristine Alexander analyzes the ways in which Guiding sought to mould young people in England, Canada, and India. It is a fascinating account that connects the histories of girlhood, internationalism, and empire, while asking how girls and young women understood and responded to Guiding ' s attempts to lead them toward a “ useful ” feminine future.

This volume is a part of the comprehensive study about social problems that India is facing at present. The whole study is divided into five volumes. This Volume Two deals with various fields of social work in India and is the Fifth revised edition of the earlier volume published in 1967. The fields covered have been discussed under five heads. Part One deals with concept and scope of social work as well as history of social work in U.K., U.S.A. and India. Part Two examines the social welfare services being provided for children, women, youth, labour and backward classes; urban and rural welfare; family welfare and housing. Part Three deals with social security measures and services for the handicapped. Part Four is concerned with social administration and legislation. Part Five deals with international welfare agencies and examines critically the state of welfare services being provided in India. Part Six deals with developments which have taken place in this field since 1973 when the second edition was brought out.

The most comprehensive catalog of books written by Baden-Powell. with additional research into minor material printed by the author.

This book, Landmarks in the History of Modern Indian Education, has now entered its silver jubilee year. Over the years and through the six editions it has undergone thus far, it has become a student's favourite. The book retraces the development of education in India since 1813 to the present day. Arranged chronologically, it also provides a progressive record of the thinking of policy makers who have been responsible for laying down the guidelines for future educational programmes and plans of action. The documents included in the book are rich in content and significant in the objectives that form the core of educational thought in India. They cater to the needs of trainee teachers, supervisors, educators and policy makers in education.

India, due to its geographical position, climate and geological setting is one of the

most disaster prone countries of the world and has been experiencing natural disasters every year. Though whole of the country is more or less affected by common disasters, the impact of these disasters on rural population due to its physical, poor socio-economic and specific socio-cultural condition is comparatively more and long lasting. If we analyse the Indian rural society in the context of vulnerability, it is found to be much more vulnerable to natural disasters in comparison to its urban counterpart. The book, as indicated by its name aims to apprise the readers about the impact of natural disasters on rural society and its management. It contains seven chapters with an introduction giving details about disasters, types disaster management cycle and recent trend in dealing disasters. After discussing the disaster trend at world level and India, the book attempts to critically analyse the vulnerability of the country to various forms of disasters. The book gives detail of different factors influencing the vulnerability of different factors influencing the vulnerability of rural society to the natural calamities and problems and shortcomings of prevailing disaster management system. After critically analysing the rural disaster management situation, the book concludes that it is the sustainable rural development approach that can mitigate the disasters in rural India with a long-term perspective. The book suggests the role of PRIs, as implementing agency in managing disaster, in an effective manner in rural areas. The disaster management planning at village level and utility of management tools in disaster management planning is discussed in detail in the last chapter of the book.
