Sonichu #0 is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic

was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin", the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in "Genesis of the Lovehogs", the two protagonists meet and immediately fall in love. Finally, in "Sonichu vs. Naitsirhc", our yellow hero does battle with his first real villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in Sonichu #0 includes various advertisements for imaginary Sonichu products, "classic" Sonichu comic strips drawn outside of the narrative of the main comic book, and the first "Sub-Episode".

"What would happen if you discovered that your family was one of the most powerful in human history? What if you were told that the source of the family's power was hidden around the world in the form of 39 clues? What if you were given a choice: take a million dollars and walk away or get the first clue? If you're Amy and Dan Cahill, you take the clue and begin a very dangerous race."--Back cover.
