A New York Times bestseller, this definitive history of Ukraine is “ an exemplary account of Europe ’ s least-known large country ” (Wall Street Journal). As Ukraine is embroiled in an ongoing struggle with Russia to preserve its territorial integrity and political independence, celebrated historian Serhii Plokhy explains that today ’ s crisis is a case of history repeating itself: the Ukrainian conflict is only the latest in a long history of turmoil over Ukraine ’ s sovereignty. Situated between Central Europe, Russia, and the Middle East, Ukraine has been shaped by empires that exploited the nation as a strategic gateway between East and West—from the Romans and Ottomans to the Third Reich and the Soviet Union. In The Gates of Europe, Plokhy examines Ukraine ’ s search for its identity through the lives of major Ukrainian historical figures, from its heroes to its conquerors. This revised edition includes new material that brings this definitive history up to the present. As Ukraine once again finds itself at the center of global attention, Plokhy brings its history to vivid life as he connects the nation ’ s past with its present and future.

Young Fred Fairly, a junior fellow at St. Angelicus College in 1912 Cambridge, falls in love with the dangerously mysterious Daisy, whom he awakens next to one morning after a freak accident

It's really cold outside and we're all hoping it's going to snow. Yeah! Derek and I could make a snow Rooster and have a snowball fight (look out, Delia!). Granny Mavis has started to knit me a new winter jumper, but by the looks of things I'm not sure it's going to fit. . .

Essie Lang ’ s series debut is perfect for fans of Lorna Barrett, Vicki Delany, and book lovers everywhere. Rookie bookstore owner Shelby Cox must hit the books to learn the ropes before she loses a killer in the stacks. Shelby Cox never intended to become a bookseller, so when the former editor returns to her hometown of Alexandria Bay, nestled in upstate New York ’ s breathtaking Thousand Islands region, to take over her aunt ’ s bookstore, she has no idea what to expect. To her amazement, she discovers that she now owns a fifty-percent share in Bayside Books, and will also run the store ’ s second location in the majestic castle on nearby Blye Island. But just as Shelby is gearing up for the start of the tourist season, the Castle volunteer coordinator is found murdered in the nearby Grotto. Castle caretaker Matthew Kessler is suspect number one, but Shelby thinks the killing may be connected to an earlier era, when violence among Prohibition-era smugglers was rampant in the region. As Shelby launches her own investigation, handsome and unnerving Special Agent Zack Griffin of the Coast Guard Investigative Services tries to quell her smuggling theory and keep her safe. But Shelby is determined to summon all her savvy as a book editor to plot the murder—and find the killer before he strikes again—in Trouble on the Books, Essie Lang ’ s clever and captivating series debut.

Stony the Road

Latinos at the Golden Gate

A Castle Bookshop Mystery

A troubled detective with a violent past tracks down the only living witness to a crime that has captivated the nation.

The Golden Gate Bridge is one of the most beautiful and most photographed structures in the world. It's also the most deadly. Since it opened in 1937, more than 1,500 people have died jumping off the bridge, making it the top suicide site on earth. It's also the only international landmark without a suicide barrier. Weaving drama, tragedy, and politics against the backdrop of a world-famous city, The Final Leap is the first book ever written about Golden Gate Bridge suicides. John Bateson leads us on a fascinating journey that uncovers the reasons for the design decision that led to so many deaths, provides insight into the phenomenon of suicide, and examines arguments for and against a suicide barrier. He tells the stories of those who have died, the few who have survived, and those who have been affected—from loving families to the Coast Guard, from the coroner to suicide prevention advocates.

“Stony the Road presents a bracing alternative to Trump-era white nationalism. . . . In our current politics we recognize African-American history—the spot under our country’s rug where the terrorism and injustices of white supremacy are habitually swept. Stony the Road lifts the rug.” —Nell Irvin Painter, New York Times Book Review
A profound new rendering of the struggle by African-Americans for equality after the Civil War and the violent counter-revolution that resubjugated them, by the bestselling author of The Black Church. The abolition of slavery in the aftermath of the Civil War is a familiar story, as is the civil rights revolution that transformed the nation after World War II. But the century in between remains a mystery: if emancipation sparked “a new birth of freedom” in Lincoln’s America, why was it necessary to march in Martin Luther King, Jr.’s America? In this new book, Henry Louis Gates, Jr., one of our leading chroniclers of the African-American experience, seeks to answer that question in a history that moves from the Reconstruction Era to the “nadir” of the African-American experience under Jim Crow, through to World War I and the Harlem Renaissance. Through his close reading of the visual culture of this tragic era, Gates reveals the many faces of Jim Crow and how, together, they reinforced a stark color line between white and black Americans. Bringing a lifetime of wisdom to bear as a scholar, filmmaker, and public intellectual, Gates uncovers the roots of structural racism in our own time, while showing how African Americans after slavery combatted it by articulating a vision of a “New Negro” to force the nation to recognize their humanity and unique contributions to America as it hurtled toward the modern age. The story Gates tells begins with great hope, with the Emancipation Proclamation, Union victory, and the liberation of nearly 4 million enslaved African-Americans. Until 1877, the federal government, goaded by the activism of Frederick Douglass and many others, tried at various turns to sustain their new rights. But the terror unleashed by white paramilitary groups in the former Confederacy, combined with deteriorating economic conditions and a loss of Northern will, restored “home rule” to the South. The retreat from Reconstruction was followed by one of the most violent periods in our history, with thousands of black people murdered or lynched and many more afflicted by the degrading impositions of Jim Crow segregation. An essential tour through one of America’s fundamental historical tragedies, Stony the Road is also a story of heroic resistance, as figures such as W. E. B. Du Bois and Ida B. Wells fought to create a counter-narrative, and culture, inside the lion’s mouth. As sobering as this tale is, it also has within it the inspiration that comes with encountering the hopes our ancestors advanced against the longest odds.

R. J. Palacio, #1 New York Times bestselling author of WONDER, hails this adventure series as “Mind-blowingly beautiful. . . . A must-read.” Think Star Wars meets Avatar: The Last Airbender! 5 Worlds. 3 Unlikely Heroes. 1 Epic Battle for the Galaxy! A Time 100 Must-Read Book of 2020 • A New York Times Book Review Editors' Choice • California Book Award Silver Medal in Nonfiction • Finalist for The New York Public Library Helen Bernstein Book Award for Excellence in Journalism • Named a top 30 must-read Book of 2020 by the New York Post • Named one of the 10 Best Business Books of 2020 by Fortune • Named A Must-Read Book of 2020 by Apartment Therapy • Runner-Up General Nonfiction: San Francisco Book Festival • A Planetizen Top Urban Planning Book of 2020 • Shortlisted for the Goddard Riverside Stephan Russo Book Prize for Social Justice “Tells the story of housing in all its complexity.” —NPR Spacious and affordable homes used to be the hallmark of American prosperity. Today, however, punishing rents and the increasingly prohibitive cost of ownership have turned housing into the foremost symbol of inequality and an economy gone wrong. Nowhere is this more visible than in the San Francisco Bay Area, where fleets of private buses ferry software engineers past the tarp-and-plywood shanties of the homeless. The adage that California is a glimpse of the nation’s future has become a cautionary tale. With propulsive storytelling and ground-level reporting, New York Times journalist Conor Dougherty chronicles America’s housing crisis from its West Coast epicenter, peeling back the decades of history and economic forces that brought us here and taking readers inside the activist movements that have risen in tandem with housing costs.

Shin, the most powerful player in the online game THE NEW GATE, is thrown into a world just like it. Now he is forcibly sent to the Holy Land, transformed into a den of monsters. Alongside Rionne, the second princess of Bayrelicht, he hurries to hatch an escape, but an ice-winged beast stands in their way!

Gemma Doyle is back on the case in bestselling author Vicki Delany’s seventh Sherlock Holmes Bookshop mystery when a poisoned dart ends in demise. It’s a crisp, early October weekend, and business is slowing down as fall descends at the Sherlock Holmes Bookshop and Emporium and adjacent Mrs. Hudson’s Tea Room. Wealthy philanthropist and prominent Sherlockian David Masterson has rented Suffolk Gardens House, where he plans to entertain his friends in a traditional English country house weekend. As the chosen caterers, Jayne Wilson and Gemma Doyle get to work preparing lavish meals and setting up Sherlockian books and props for entertainment. Meanwhile, police detective Ryan Ashburton has taken time away from his duties to assist in the kitchen. It quickly becomes apparent that David’s guests don’t like each other--or their host. Plus, some of them aren’t even acquainted with the adventures of the Great Detective. Before Gemma can ponder their relationships a poisoned dart sails through the window of the library, presenting Gemma Doyle with a three-book problem.

This special boxed set includes the New York Times bestselling author N. K. Jemisin's complete, two-time Hugo award-winning Broken Earth Trilogy. This is the way the world ends. For the last time. A season of endings has begun. It starts with the great red rift across the heart of the world's sole continent, spewing ash that blots out the sun. It starts with death, with a murdered son and a missing daughter. It starts with betrayal, and long dormant wounds rising up to fester. This is the Stillness, a land long familiar with catastrophe, where the power of the earth is wielded as a weapon. And where there is no mercy. Arrivals in New York

“The novel showcases the humanity, tragedy, and complexity of life in the West Bank. . . . The characters’ interwoven lives will stay with you long after the book’s denouement.” —Entertainment Weekly “Sacks is an extraordinarily gifted writer whose intelligence, compassion and skill on both the sentence and tension level rise to meet her ambition. She keeps us con Thousand Gates makes a convincing case for a literature of multiplicity, polyphonic and clamorous, abuzz with challenges and contradictions, with no clear answers but a promise to stay alert to the world, in all its peril and vitality.” —Washington Post Brave and bold, this gorgeously written novel introduces a large cast of characters from various backgrounds in a and where survival is defined by boundaries, walls, and checkpoints that force people to live and love within and across them. Hamid, a college student, has entered Israeli territory illegally for work. Rushing past soldiers, he bumps into Vera, a German journalist headed to Jerusalem to cover the story of Salem, a Palestinian boy beaten into a coma by a group of rebels. On her way to the hospital, Vera runs in front of a car that barely avoids hitting her. The driver is Ido, a new father traveling with his American wife and their baby. Ido is distracted by thoughts of a young Jewish girl murdered by a terrorist who infiltrated her settlement. Ori, a nineteen-year-old soldier from a nearby settlement, is guarding the checkpoint between which Samar—Hamid’s professor—must pass. These multiple strands open this magnificent and haunting novel of present-day Israel and Palestine, following each of these diverse characters as they try to protect what they love. Their interwoven stories reveal complicated, painful truths about life in this conflicted land steeped in hope, love, hatred, terror, and blood. Gates brilliantly evokes the universal drives that motivate these individuals to think and act as they do—desires for security, for freedom, for dignity, for the future of one’s children, for land that each of us, no matter who or where we are, recognize and share.

A woman desperate to turn a new page heads to the Scottish coast and finds herself locked in a battle of wills with an infuriatingly aloof bookseller in this utterly heartwarming debut, perfect for readers of Evvie Drake Starts Over. “Humor and charm abound. . . . [This] love story hits the spot.”—Publishers Weekly Thea Mottram is having a bad month. She’s been le notice—and to make matters even worse, her husband of nearly twenty years has decided to leave her for one of her friends. Bewildered and completely lost, Thea doesn’t know what to do. But when she learns that a distant great uncle in Scotland has passed away, leaving her his home and a hefty antique book collection, she decides to leave Sussex for a few w town where no one knows her seems to be exactly what she needs. Almost instantly, Thea becomes enamored with the quaint cottage, comforted by its cozy rooms and lovely but neglected garden. The locals in nearby Baldochie are just as warm, quirky, and inviting. The only person she can’t seem to win over is bookshop owner Edward Maltravers, to whom she collection. His gruff attitude—fueled by an infamous, long-standing feud with his brother, a local lord—tests Thea’s patience. But bickering with Edward proves oddly refreshing and exciting, leading Thea to develop feelings she hasn’t experienced in a long time. As she follows a thrilling yet terrifying impulse to stay in Scotland indefinitely, Thea realizes that her new l complicated as the one she was running from.

In a coming-of-age story as enchantingly vivid and ribald as anything Mark Twain or Zora Neale Hurston, Henry Louis Gates, Jr., recounts his childhood in the mill town of Piedmont, West Virginia, in the 1950s and 1960s and ushers readers into a gossip, of lye-and-mashed-potato “processes,” and of slyly stubborn resistance to the indignities of segregation. A winner Heartland Award and the Lillian Smith Prize, Colored People is a pungent and poignant masterpiece of recollection, a work that extends and deepens our sense of African American history even as it entrances us with its bravura storytelling

When French troops occupy the Italian port city of Ancona, freeing the city’s Jews from their repressive ghetto, it unleashes a whirlwind of progressivism and brutal backlash as two very different cultures collide. Mirelle, a young Jewish maiden, must choose between her duty—an arranged marriage to a wealthy Jewish merchant—and her love for a dashing French Francesca, a devout Catholic, must decide if she will honor her marriage vows to an abusive and murderous husband when he enmeshes their family in the theft of a miracle portrait of the Madonna. Set during the turbulent days of Napoleon Bonaparte’s Italian campaign (1796–97), Beyond the Ghetto Gates is both a cautionary tale for our present moment, with its story of hope—a reminder of a time in history when men and women of conflicting faiths were able to reconcile their prejudices in the face of a rapidly changing world.

Entering the Mind of Poetry

In The Yellow-Lighted Bookshop, Buzbee, a former bookseller and sales representative, celebrates the unique experience of the bookstore - the smell and touch of books, the joy of getting lost in the deep canyons of shelves, and the silent community of readers. He shares his passion for books, which began with ordering through the Weekly Reader in grade school. Woven throughout is a fascinating historical account of the bookseller trade - from the great Alexandria library with an estimated one million papyrus scrolls to Sylvia Beach’s famous Paris bookstore, Shakespeare & Co., that led to the extraordinary effort to publish and sell James Joyce’s Ulysses. Rich with anecdotes, The Yellow-Lighted Bookshop is the perfect choice for those who relish the enduring pleasures of spending an afternoon finding just the right book.

When you find the courage to change at midlife, Angeles Arrien teaches, "a miracle happens." Your character is opened, deepened, strengthened, softened. You return to your souls highest values. You are now prepared to create your legacy: an imprint of your dream for our world - a dream that can fully come true in The Second Half of Life. Working with images, poetry, metaphors, and other forms of symbolic language from diverse world cultures, Dr. Arrien introduces us to the Eight Gates of Initiation. By mastering their lessons and gifts, you harvest the meaning and purpose of your life and come into spiritual maturity. With The Second Half of Life, she takes you step-by-step through each gate to deepen your most valuable relationships, reclaim your unintended creative talents, and shift your focus from ambition to meaning to grow into the exceptional elder youve always imagined you would one day become.

Think Star Wars meets Avatar: The Last Airbender! Kazu Kibuishi (AMULET) says this graphic novel adventure is "a magical journey, as fun as it is beautiful!" In book 4, Oona Lee arrives on Salassandra determined to light the yellow beacon and continue her quest to save the Five Worlds from the evil Mimic's influence. But the beacon is encased in amber! An ancient clue says that Oona and her friends must seek out the Amber Anthem to succeed. Meanwhile, Stan Moon sends an evil Jax robot to assassinate Oona and hunts down An Tzu himself. Turns out, as An Tzu fades away from his Vanishing Illness, he's becoming someone else--someone who could tip the scales in the battle for the Five Worlds!

This eBook edition has been formatted to the highest digital standards and adjusted for readability on all devices. "Parnassus on Wheels" tells the tale of a traveling book-selling business owned by Roger Mifflin. Helen McGill is a 39 year-old woman, working at a farm, who is tired of taking care of her older brother, Andrew. Andrew is a former businessman turned farmer, turned author. As an author, he begins using the farm as his Muse rather than a livelihood. When Mifflin shows up with his traveling bookstore, Helen buys it—partly to prevent Andrew from buying it—and partly to treat herself to a long-overdue adventure of her own. "The Haunted Bookshop" is a suspenseful novel set in Brooklyn around the time of the end of World War I. It continues the story of Roger Mifflin, the book seller in Parnassus on Wheels. A young advertising man, Aubrey Gilbert, stops by a bookstore named "The Haunted Bookshop" in the hopes of finding a new client and meets the proprietor, Roger Mifflin. Gilbert is intrigued by the fact that his firm's biggest client, Mr. Chapman, has asked Mifflin

to undertake the education of his daughter, Titania Chapman. Gilbert meets Titania and falls in love with her. Meanwhile, mysterious things start to happen: Gilbert is attacked as he travels home and a pharmacist neighbor of Mifflin is observed skulking in the alley behind the bookstore at night speaking to someone in German. Gilbert suspects that the gregarious Mifflin is involved in a plot to kidnap Titania, and he assigns himself the job of protecting her.

***Penelope Fitzgerald, who died in 2000, emerged late in life as one of the most remarkable English writers of the last century. She began her writing career in 1975 at the age of fifty-nine, and over the next two decades she published three biographies, nine novels, and a collection of short stories. Now three of her acclaimed novels are gathered here in one volume. The Bookshop is a postwar tragicomedy of manners, set in an isolated seaside town where an enterprising woman opens a bookstore only to find it beset by poltergeists, weather, and hostile townsfolk. The Gate of Angels is an Edwardian romance within a novel of ideas: a young doctor devoted to science and to his all-male Cambridge college finds his life and views disrupted by a nurse named Daisy. The Blue Flower, which won the National Book Critics Circle Award, revitalizes historical drama through the story of Novalis, an eighteenth-century German romantic poet and visionary genius, and his unlikely love affair with a simple child-woman. These three novels all display Fitzgerald’s characteristic wit, intellectual breadth, and narrative brilliance, applied to an array of traditional forms into which she breathed new life.***

***The Gate of Light describes an ancient healing method used by the Essenes, or The Sons of Light, 2500 years ago, it brings this long forgotten practice to the modern age, complete with practical tools, meditations and visualisations. A companion book to The Law of Light but can be read on its own. Until the discovery of the Dead Sea Scrolls in 1946, there was little known about The Essenes; a brotherhood of holy men and women living together within a community over two thousand years ago. The Essenes considered themselves to be a separate people--not because of external signs like skin colour, hair colour, but because of the illumination of their inner life and their knowledge of the hidden mysteries of nature unknown to other men. The Gate of Light is based on Lars Muhl's lifelong search for God, it doesn't claim any absolute truths but sets out to provide a practice based on Essene teachings that allows us to look at how we judge ourselves and how we live in the world. He asks: What motivates us? How do we create a balance between thoughts, words and actions? How do we align ourselves in relation to our higher self and become the universal light beings we are meant to be? The Essenes understood that everything is interactively connected and that everything is energy. For them, God was the name for the highest form of awareness, something omnipresent and, if a human wished to learn how then they could communicate with this ever present energy and through this communication humans could realize their full potential. Drawing on this ancient knowledge Lars presents a complete practice to help us recognize and answer the above questions. He particularly looks at: Grief and Happiness, Balance and Awareness, Selflessness, Boredom and Renunciation, Loneliness, Gratitude, Silence and Thoughtfulness.***

***#1 NEW YORK TIMES BEST SELLER • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.***

DigiCat Publishing presents to you this special edition of "The Haunted Bookshop" by Christopher Morley. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Set in nineteenth-century British India, Thalassa Ali’s dazzling debut, A Singular Hostage, introduced us to Mariana Givens, the Englishwoman who risked everything to save a young Indian orphan from certain death. Now Ali returns to that exotic kingdom beyond the northwestern frontier, where Mariana will come face-to-face with a different destiny. Two years have passed since Mariana left the walled city of Lahore. But she’s unable to forget its haunting scent of roses or her ill-fated marriage to a native-born husband that has scandalized Calcutta society and made her an outcast among the English. Worse still, she bears the knowledge that she will be forced to give up Saboor—the boy believed to be endowed with magical gifts whose life she risked her own to save. Now Mariana must revisit Lahore to return Saboor to his family and request a divorce from Hassan Ali Khan. But how can she say good-bye to the enigmatic man whose love defied two cultures—or the child she’s loved as her own? As political and civil strife threaten to erupt in violence, she seeks answers in a world no Englishwoman has ever seen. And she’s driven ever closer to a secret so powerful that it will change her life—and the lives of those she loves—forever.

The Seventh Gate is the thrilling conclusion to the New York Times bestselling Death Gate Cycle by Margaret Weis and Tracy Hickman. In this tale of treachery, power, and heroism, Alfred, Haplo, and Marit embark on a journey of death and discovery as they seek to enter the dreaded Seventh Gate. Encountering enemies both old and new, they unleash a magic no power can control, damning themselves to an apocalypse of unimagined proportion in a final struggle between good and evil.

Named one of Grown & Flown’s “Best Book on College Admissions and Paying for College” “The most honest, most helpful book I’ve ever read on applying to college” —New York Times bestselling author Adam Grant
A former Ivy League Admissions Officer offers an inspiring battle cry for sanity in the college application process that looks beyond the rankings to successfully determine what’s truly the best school for you or your child. After spending years as a college admissions director at Dartmouth, Becky Munsterer Sabky had seen it all. The perfect grades, the perfect scores, and the perfect extracurriculars. Valedictorians were knocking at the gate, but Becky realized that in their quest for admission many of these students were missing something. Their transcripts were golden, their interviews polished, but they weren’t applying for college, they were competing for it—and in the end they didn’t know what prize they were really striving for. In Valedictorians at the Gate, Sabky looks beyond the smoke and mirrors of the intimidating admissions gauntlet and places the power firmly where it should be: in the hands of the students themselves. Offering prescriptive, actionable advice for students and their (hopefully not helicoptering) parents, Sabky illuminates the pathway to finding the school that is the ideal match. Witty and warm, informative and inspiring, Valedictorians at the Gate is the needed tonic for overstressed, overworked, and overwhelmed students on their way to the perfect college for them.

Colored People

The Solutions We Have and the Breakthroughs We Need

The New Gate Volume 7

The Broken Earth Trilogy

Introduction by Frank Kermode

Summer, 1942 - The idyllic days on the Outer Banks of North Carolina are abruptly shattered when Hitler’s U-Boats steal into the waters offshore torpedoing commercial and military vessels. A tall, handsome Coast Guardsman, Finn Ingram, flies spotter planes searching for Hitler’s Wolfpack. On his days off, he meets a pretty brunette waitress, Louise Gates, and falls in love. Will Hitler’s Operation Drumbeat break hearts as well as destroy ships carrying important war materiel for Great Britain? Summer, 1994 - Louise’s great niece Della Gates comes home to nurse her broken heart after finding out her fiancé has been untrue. She is hired to restore and reopen her great aunt’s Beach Road bookshop, L. Gates, Bookseller. In the process she meets and falls in love with local fireman Luke Howard. Can this be the second chance in life she needs? Inspired by the history of actual U-Boat attacks on the North Carolina coast during the Second World War, this book will transport you in time to a beach that you remember or that you wish you remembered.

Everyone has a story, but twenty-three-year-old Kate Clare thinks they’re only found in the books she reads. She is quiet, curious, and a little lost due to her protective upbringing. She moves to a small town hidden in the Adirondacks, a place she was told would be safe. She stumbles upon an old bookshop, which attracts odd and eccentric people. The owner, Harry, employs her as his assistant, and they become good friends, until he starts keeping secrets. Bodies start to surface in the nearby forest, and it puts the town in fear. When Kate is rescued from falling off a ledge by a mysterious stranger, she thinks he could be the killer, but she is drawn in by how he looks at her. His strength surpasses all others, and he knows her by name. They form an unusual bond that turns into obsession. He finally reveals he knew her mother. That was more than twenty years ago, and she questions why he isn’t older. When she stabs him in a surprising confrontation, her past is uncovered, and she begins to unravel the connections of the people around her. Kate is set on a path that will change her life forever. It becomes a turning point when she cuts herself on her hand and washes off the blood. She notices the gash has disappeared. All she can do is accept her fate and wait for Adrien’s return.

The Bookshop, The Gate of Angels, The Blue FlowerIntroduction by Frank KermodeEveryman’s Library

From The New York Times best-selling author of Paris to the Moon and beloved New Yorker writer, a memoir that captures the romance of New York City in the 1980s. When Adam Gopnik and his soon-to-be-wife, Martha, first arrived in 1980, New York City was a pilgrimage site for the young, the arty, and the ambitious. But it was also becoming a place where both life ’s consolations and its necessities were increasingly going to the highest bidder. At the Strangers ’ Gate is a vivid portrait of this time, told through the story of one couple ’ s journey—from their excited arrival as aspiring artists to their eventual growth into a New York family. Through a series of comic mini-anthropologies that capture the fashion, publishing, and art worlds of the era, Adam Gopnik transports us from his tiny basement room on the Upper East Side to a SoHo loft, from his time as a graduate student-cum-library-clerk to the galleries of MoMA. Filled with tender and humorous reminiscences—including affectionate reflections on Richard Avedon, Robert Hughes, and Jeff Koons, among many others—At the Strangers ’ Gate is an ode to New York striving.

***Thelonius Monk, Billy Taylor, and Maceo Parker--famous jazz artists who have shared the unique sounds of North Carolina with the world--are but a few of the dynamic African American artists from eastern North Carolina featured in The African American Music Trails of Eastern North Carolina. This first-of-its-kind travel guide will take you on a fascinating journey to music venues, events, and museums that illuminate the lives of the musicians and reveal the deep ties between music and community. Interviews with more than 90 artists open doors to a world of music, especially jazz, rhythm and blues, funk, gospel and church music, blues, rap, marching band music, and beach music.***

***From the author of the #1 New York Times best seller How to Avoid a Climate Disaster: The COVID-19 pandemic isn't over, but even as governments around the world strive to put it behind us, they're also starting to talk about what happens next. How can we prevent a new pandemic from killing millions of people and devastating the global economy? Can we even hope to accomplish this? Bill Gates believes the answer is yes, and in this book he lays out clearly and convincingly what the world should have learned from COVID-19 and what all of us can do to ward off another disaster like it. Relying on the shared knowledge of the world's foremost experts and on his own experience of combating fatal diseases through the Gates Foundation, he first helps us understand the science of infectious diseases. Then he shows us how the nations of the world, working in conjunction with one another and with the private sector, can not only ward off another COVID-like catastrophe but also eliminate all respiratory diseases, including the flu. Here is a clarion call—strong, comprehensive, and of the gravest importance—from one of our greatest and most effective thinkers and activists.***

***Presents a fictionalized account of the relationship between the eighteenth-century German poet known as Novalis and his true love, Sophie***

***The children of an assassinated emperor try to stay alive and avenge their father's death while continuing down their individual life-paths, one in a monastery, another training with elite soldiers, and one appointed a minister determined to prove herself to her people.***

***Opening the Eight Gates of Wisdom***

***How to Prevent the Next Pandemic***

***Nine Gates***

From Kwame Mbalia and Prince Joel David Makonnen comes an Afrofuturist adventure about a mythical Ethiopian empire. Sci-fi and fantasy combine in this epic journey to the stars. Yared Heywat lives an isolated life in Addis Prime -- a hardscrabble city with rundown tech, lots of rules, and not much to do. His worrywart Uncle Moti and bionic lioness Besa are his only family... and his only friends. Often in trouble for his thrill-seeking antics and wisecracking sense of humor, those same qualities make Yared a star player of the underground augmented reality game, The Hunt for Kaleb's Obelisk. But when a change in the game rules prompts Yared to log in with his real name, it triggers an attack that rocks the city. In the chaos, Uncle Moti disappears. Suddenly, all the stories Yared's uncle told him as a young boy are coming to life, of kingdoms in the sky and city-razing monsters. And somehow Yared is at the center of them. Together with Besa and the Ibis -- a game rival turned reluctant ally -- Yared must search for his uncle... and answers to his place in a forgotten, galaxy-spanning war.

A Gate Enables passage between what is inside and what is outside, and the connection poetry forges between inner and outer lives is the fundamental theme of these nine essays. Nine Gates begins with a close examination of the roots of poetic craft in "the mind of concentration" and concludes by exploring the writer's role in creating a sense of community that is open, inclusive and able to bind the individual and the whole in a way that allows each full self-expression. In between, Nine Gates illumines the nature of originality, translation, the various strategies by which meaning unfolds itself in language, poetry's roots in oral memory and the importance of the shadow to good art. A person who enters completely into the experience of a poem is initiated into a deeper intimacy with life. Delving into the nature of poetry, Jane Hirshfield also writes on the nature of the human mind, perception and experience. Nine Gates is about the underpinnings of poetic craft, but it is also about a way of being alive in the world -- alertly, musically, intelligently, passionately, permeably. In part a primer for the general reader, Nine Gates is also a manual for the working writer, with each "gate" exploring particular strategies of language and thought that allow a poem to convey meaning and emotion with clarity and force. Above all, Nine Gates is an insightful guide to the way the mind of poetry awakens our fundamental consciousness of what can be known when a person is most fully alive.

Nuctemeron Gates discusses the Nuctemeron of Apollonius of Tyana as a full path-working ritual for the adept and as a complete gate opening ritual to bring the "light of the world" manifest into the magus. Please note that this book is meant as a supplement to Infernal Colopatiron, a manual of Daemonic Theophany. However, Infernal Colopatiron is not necessary for the practicing magician to find this chapbook useful. It can be used alone and it can be used by Daemonolaters and non-Daemonolaters alike.

This is the book you've been waiting for! Picking up where bestselling 90 Minutes in Heaven left off, Don Piper reveals for the first time the sacred, intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth. In this incredible follow-up to his eight-million-copy bestseller, 90 Minutes in

Heaven, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more than eight million readers. Something happened as he shared his story in the years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. "I have never left a speaking engagement without people wanting to know more," he said in THE PEOPLE I MET IN HEAVEN, Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven-those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to "go and make disciples of all nations."
