

The Boss The Life And Times Of Horseracing Legend Gordon W Richards Mainstream Sport

Reminiscent of *Wiseguy*, *Mob Boss* is a compelling biography from two prominent mob experts recounting the life and times of the first acting boss of an American Mafia family to turn government witness Alfonso "Little Al" D'Arco, the former acting boss of the Luchese organized crime family, was the highest-ranking mobster to ever turn government witness when he flipped in 1991. His decision to flip prompted many others to make the same choice, including John Gotti's top aide, Salvatore "Sammy the Bull" Gravano, and his testimony sent more than fifty mobsters to prison. In *Mob Boss*, award-winning news reporters Jerry Capeci and Tom Robbins team up for this unparalleled account of D'Arco's life and the New York mob scene that he embraced for four decades. Until the day he switched sides, D'Arco lived and breathed the old-school gangster lessons he learned growing up in Brooklyn and fine-tuned on the mean streets of Little Italy. But when he learned he was marked to be whacked, D'Arco quit the mob. His defection decimated his crime family and opened a window on mob secrets going back a hundred years. After speaking with D'Arco, the authors reveal unprecedented insights, exposing shocking secrets and troublesome truths about a city where a famous pizza parlor doubled as a Mafia center for multi-million-dollar heroin deals, where hit men carried out murders dressed as women, and where kidnapping a celebrity newsman's son was deemed appropriate revenge for the father's satirical novel. Capeci and Robbins spent hundreds of hours in conversation with D'Arco, and exhausted many hours more fleshing out his stories in this riveting narrative that takes readers behind the famous witness testimony for a comprehensive look at the Mafia in New York City.

One of Glamour's Best Books of 2020 Popular podcast host and personal finance expert Lindsay Goldwert explores what professional dominatrixes can teach us about confidence, power, and happiness. Imagine, for a moment, a world where the usual power dynamic is turned on its head. Where women not only stop apologizing, but seize—and enjoy—control. This is the quickly mainstreaming world of BDSM (bondage, discipline, sadism, masochism)—and it has a lot to teach women about empowerment, negotiation, open-mindedness, and more. Journalist Lindsay Goldwert, intrigued by this seismic cultural shift, traveled across the United States to meet the stars of the subculture, who spoke frankly with her about their lives and work. In this “lively, funny, thoughtful channeling of wisdom” (Sara Benincasa, author of *Real Artists Have Day Jobs*), these Alpha women show you how you can reset the power dynamic in any situation to get what you want—whether it’s from a husband, a boss, or partner. They share strategies for revolutionizing not only your sex life, but your career, your relationships, and most importantly, your inner foundations. With bondage gear popping up on the big screen, the runway, the red carpet, and in celebrity lingerie lines, BDSM is officially moving out of the dungeon and into the sun. Let *Bow Down* help you learn how to use it. “Whether your fantasies lie in the bedroom or the boardroom, Lindsay will give you the courage to go forth and dominate.” (Sarah Cooper, author of *How to Be Successful without Hurting Men’s Feelings*).

Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create

and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In *Boundary Boss*, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers" including emotional manipulators, narcissists, and other toxic personalities Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the expense of yourself, give yourself the gift of *Boundary Boss*.

New York Times bestselling author Nicole Lapin is back with a sassy and actionable guide empowering women to be the boss of their own lives and careers. You don't need dozens or hundreds of employees to be a boss, says financial expert and serial entrepreneur Nicole Lapin. Hell, you don't even need one. You just need to be confident, savvy, and ready to get out there and make your success happen. You need to find your inner Boss Bitch — your most confident, savvy, ambitious self—and own it. A Boss Bitch is the she-ro of her own story. She is someone who takes charge of herself and her future and embraces being a "boss" in all senses of the word: whether as the boss of her own life, a boss at work, or the literal boss of her own company (or all three). Whichever she chooses, being a Boss Bitch isn't something to apologize for—it's something

Read Book The Boss The Life And Times Of Horseracing Legend Gordon W Richards Mainstream Sport

to be proud of! We all have what it takes to be a boss bitch, says Lapin. The problem is: we don't learn how to do it in school. Even if we study business, we're not getting enough real-deal business education. Until now. Here, Lapin draws on raw and often hilariously real stories from her own career and experiences starting businesses—the good, the bad, and the ugly—to show what it means to be a "boss" in twelve easy steps. In her refreshingly honest and relatable style, she first shows how to embrace the boss-of-you mentality by seizing the power that comes from believing in yourself and expanding your personal skillset. Then she offers candid no-nonsense advice on how to kill it as the boss at work whether you have a high-up role or not. And finally, for those who want to take the plunge as an entrepreneur, she lays out the nuts and bolts of how to be the boss of your own business—from raising money and getting it off the ground to hiring a kickass staff and dealing office drama to turning a profit. Being a rock star in your career is something that should be worn as a badge of honor. Here Lapin shows how to crush it in our careers like like a Boss Bitch!

Business Book Award in Entrepreneurship**

When columnist Paul Downs was approached by The New York Times to write for their "You're the Boss" blog, he had been running his custom furniture business for twenty-four years strong. or mostly strong. Now, in his first book, Downs paints an honest portrait of a real business, with a real boss, a real set of employees, and the real challenges they face. Fresh out of college in 1986, Downs opened his first business, a small company that builds custom furniture. In 1987, he hired his first employee. That's when things got complicated. As his enterprise began to grow, he had to learn about management, cash flow, taxes, and so much more. But despite any obstacles, Downs always remained keenly aware that every small business, no matter the product it makes or the service it provides, starts with people. He writes with tremendous insight about hiring employees, providing motivation to get the best out of them, and the difficult decisions he's made to let some of them go. Downs also looks outward, to his dealings with vendors and to providing each client with exemplary customer service from first sales pitch to final delivery. With honesty and conviction, he tells the true story behind building and sustaining a successful company in an ever-evolving economy, often airing his own failures and shortcomings to reveal the difficulties that arise from being a boss and a businessperson. Countless

employees have told the story of their experience with managers—Boss Life tells the other side of that story.

Fire Your Boss is the disruptive alternative blueprint for charting a new life-giving career path that gives you control, allowing you to set your own rules for your work life. Provocative, liberating, and universally appealing, Fire Your Boss seeks to help readers resolve the deepest root of workplace unrest—namely, fear and self-preservation. This book upgrades readers' core belief systems, demonstrates how to liberate their careers forever, and ultimately, join a heretical uprising without becoming an entrepreneur, changing jobs, or simply white-knuckling their way to retirement. Aaron McHugh maps out how to make philosophical, emotional, tactical, and heart-centered shifts at every intersection on the career journey. Firing your boss does not require you to leave to your job. Firing your boss does not require you to start a new business. Firing your boss becomes the life-altering daily mantra that transforms the disengaged into hopeful leaders. Discover how to plot a new course of career freedom and independence, empowerment, and self-reliance. Find your smile again, rekindle your mojo, recapture the art of your work, and start enjoying your work every single day.

ordered the murders of mobsters who violated the Mafia code—including John Gotti. At the height of Gigante's reign, the Genovese Family was the most powerful in the United States. And yet he was, to all outside appearances, certifiably crazy. He wandered the streets of Greenwich Village in a ratty bathrobe and slippers. He urinated in public, played pinochle in storefronts, and hid a second family from his wife. On twenty-two occasions, Gigante admitted himself to a mental hospital—evading criminal prosecution while maintaining his nefarious operations. It took nearly thirty years of endless psychiatric evaluations by a parade of puzzled doctors for federal authorities to finally bring him down.

tap into their ambition and achieve success in their own business endeavors. Are you ready to Boss Up? Rebuild your life after leaving an abusive relationship. You finally did it. You finally made the hard decision to leave your abusive relationship that is no longer serving you. You worked so hard and sacrificed so much time and energy to create a life for yourself and your family that you whole heartedly intended to preserve. You spent years trying to figure it out as a unit, and now that you are independent and single, you know you have a lot of responsibilities you cannot leave to chance - especially since you have your children. Now what? Now you begin! Author and life coach, Narine Tadevosyan, will take you on a journey of self-discovery by helping you address the emotional traumas that you took with you from your past traumas and relationships. She understands that it takes a significant amount of courage to take a step into the "abyss" and come out the other side scathed, but alive. After reading *The Boss of Me*, you will learn how to:

- Prioritize your time so you stop spreading yourself thin-
- Eliminate the toxicity that you allowed to penetrate into your life-
- Parent without the guilt of "breaking up the family"
- Identify triggers that can create chaos and disarm them-
- Gain back the self-confidence you lost track of throughout your relationship

If home is where the heart is, then allow yourself to experience your self through *The Boss of Me*.

This is the true story of Totò Riina, the Cosa Nostra boss who rose from nothing to become the most powerful man in Sicily.

The picture emerges of a bloodthirsty, power-hungry monster who, despite his lowly beginnings, is able to outmanoeuvre the other Mafia chiefs and take control of the organisation. However, the story is not just that of Riina, but also of Sicily itself.

D'Avanzo and Bolzoni have transformed a complex series of events spanning several decades into a gripping narrative. In prison for 18 years now, Totò Riina still remains the dictator of the Cosa Nostra. This book tells the haunting and disturbing tale, with

thorough investigation and testimony of the Sicilian Corleone.

You Are the Boss! will reveal the truth about yourself. Daniel Ally releases precepts that will align with what you naturally know and were afraid to think or discuss with others. This wonderful book slices right through your cranium and will send shockwaves through your body. You Are The Boss! will captivate you with its illuminating stories and breakthrough concepts. It is purely a book on fundamentals and offers a philosophy which will sooth your soul as it gives you a deep appetite to wake up and finally start living. You have much to gain. Prepare your heart and mind to refine your authority with an ultra-perspective and all-inspiring book. You Are The Boss!

Women are doing it all: running companies, nurturing marriages, raising kids, volunteering on boards, and still making Pinterest-perfect cupcakes for the class party, thank you very much. But we're exhausted. We're running on hamster wheels and popping Xanax, and in our most private moments, we're wondering the scariest question of all: "Is this it?" I've been that woman. The harried workaholic. The unhappy wife. The frustrated mom. I was even in a passionate relationship with a

woman for two years before marrying my husband. Life is complicated, friends. The point is, I found my way off the treadmill. This book is me extending my hand to help you off yours. You are not alone. You are worthy. You are powerful. And you can own your life in such a way that you'll stop asking "Is this it?" and instead start saying "This is it!" Heart Boss is the story of how I learned to let my heart be boss. And, hopefully, it's a story about how you can get there too.

A fan-favorite office romance by New York Times bestselling author Jill Shalvis! Having inherited nothing but a stack of bills, Caitlin Taylor is a poor little rich girl. Thank goodness she's got a new job. Right away, though, it's obvious she and her gorgeous boss, Joe Brownley, have very different ideas about her role! One thing they do agree on is that the attraction between them is best explored after hours...

“ ‘Chet’ Arthur President of the United States. Good God!” was perhaps the most pithy contemporary reaction to the accession of the twenty-first Chief Executive. It has certainly been the most enduring, even though Arthur himself has remained an enigma—in large part because this shrewd, secretive New Yorker saw to it that many of his private papers were destroyed shortly before he died. Drawing on a wealth of newly discovered documents, Thomas Reeves has now written the definitive, full-scale biography of Arthur, revising our inconsistent assumptions about both him and his era. He gives us, for the first time, the unknown facts about Arthur’s early life: how, before he entered the boss-dominated Republican Party under the tutelage of men like the notorious Roscoe Conkling, this son of an itinerant minister was a model of nineteenth-century youthful idealism, first as a beloved schoolteacher, then as a young lawyer directly involved in the abolitionist struggle, and finally, as a conscientious and honest Quartermaster General for New York during the Civil War. Reeves assiduously plots Arthur’s consistently successful career as a master dealer in patronage and electioneering as a survivor among connivers—a career that culminated in his nomination as James Garfield’s Vice-President and, when Garfield was assassinated, his own White House inauguration, in spite of the great scandal attending his removal from the directorship of the New York Customhouse and the revelation that

Garfield's assassin claimed to be an Arthur supporter. As Reeves makes abundantly clear, this spoilsman supreme, who personified the worst gaudy excesses of the Gilded Age, administered the laws of the land honorably and even disinterestedly—to the chagrin of his fellow bosses and henchmen. Attacked by both Republican friends (the Stalwarts) and Republican foes (the Half-Breeds) and weakened by the fatal Bright's disease (a fact that was only made public by Reeves himself in 1972), Arthur worked to eliminate extravagant government expenditures, enacted and enforced civil service reform (thus undermining the basis of his own public life), assisted in the birth of a modern navy, and initiated an aggressive, expansionist foreign policy that set precedents for later administrations. Above all, Reeves concludes, Arthur provided calm and reassurance to a nation shocked by Garfield's murder and beset by recurrent economic depression. Beyond its illuminating portrait of the life and fortunes of Chester Alan Arthur, Gentleman Boss gives a telling account of the politics and politicians that shaped Arthur's world—the corruption of the Grant, Hayes, and Garfield administrations, as well as Arthur's own; the civil service reform movement; the internal wars fought within the GOP and the government between the factions led by the vain, caustic, and arrogant Roscoe Conkling and his unrelenting competitor for "office and plunder," James G. Blaine, the Plumed Knight from Maine—a world where "men

manipulated, plotted, and stole for power and prestige and the riches that bought both.

“Let’s get one thing straight right up front: If you’re going to call me a bitch, I’m going to take it as a compliment.” Christine Quinn, the breakout star of Netflix’s hit *Selling Sunset*, shows women how to unapologetically own their power in business and relationships to live the life they want. Part prescriptive how-to, part manifesto, part tell-all, *Christine Quinn’s How to Be a Boss Bitch* candidly covers sex and money, fashion and fame, gossip and gratitude, confidence and consciousness. Quinn has been called everything from “the most-talked-about woman on TV” to “the villain 2020 needed,” and she isn’t shy about any of the qualities that got her the success she has today: tenacity, confidence, and fearlessness, all while dressed in full glam and designer. By sharing details of her journey from high school dropout to self made millionaire, reality TV star, and fashion and beauty entrepreneur, Quinn gives her readers the tools to define their own Boss Bitch style and manifest their own success—without being held back by society’s terms. From branding yourself with a signature style that reflects your unique strengths, to using your opponent’s poison as your power, to learning the basics of a successful negotiation, to getting fired—and being ecstatic about it, *How to Be a Boss Bitch* is a modern guide to living a bold, authentic life.

You never dreamed being the boss would be so hard. You’re caught in a web of conflicting

expectations from subordinates, your supervisor, peers, and customers. You're not alone. As Linda Hill and Kent Lineback reveal in *Being the Boss*, becoming an effective manager is a painful, difficult journey. It's trial and error, endless effort, and slowly acquired personal insight. Many managers never complete the journey. At best, they just learn to get by. At worst, they become terrible bosses. This new book explains how to avoid that fate, by mastering three imperatives:

- Manage yourself: Learn that management isn't about getting things done yourself. It's about accomplishing things through others.**
- Manage a network: Understand how power and influence work in your organization and build a network of mutually beneficial relationships to navigate your company's complex political environment.**
- Manage a team: Forge a high-performing "we" out of all the "I"s who report to you.**

Packed with compelling stories and practical guidance, *Being the Boss* is an indispensable guide for not only first-time managers but all managers seeking to master the most daunting challenges of leadership.

Most people spend over half their adult lives at work. This can mean spending all that time with a boss who is ignorant, incoherent, embarrassing, harassing, indecisive, dirty, smelly, sexist, vindictive, unappreciative and crude. *Dealing with the Boss from Hell* is a survival guide, with real-life strategies for dealing with the difficult person who is in charge. There are lots of tips on how to read the

mind of the boss, how to deal with their tricks, keep a low profile, and even how to 'retrain' them. There is also great advice on how to stand up to them, talk honestly and directly, and if nothing works, how to get out quickly and cleanly. There are case studies of the different types of difficult boss, such as The Boor, Grumpy, The Slave Driver, and The Exploder , and how best to handle them. Dealing with the Boss from Hell is the book that will help everyone to cope with the most difficult of situations.

flourished in the cultural nexus of Harlem and American railroads. In a feat of remarkable research and timely reclamation, Eric K. Washington uncovers the nearly forgotten life of James H. Williams (1878–1948), the chief porter of Grand Central Terminal's Red Caps—a multitude of Harlem-based black men whom he organized into the essential labor force of America's most august railroad station. Washington reveals that despite the highly racialized and often exploitative nature of the work, the Red Cap was a highly coveted job for college-bound black men determined to join New York's burgeoning middle class. Examining the deeply intertwined subjects of class, labor, and African American history, Washington chronicles Williams's life, showing how the enterprising son of freed slaves successfully navigated the segregated world of the northern metropolis, and in so doing ultimately achieved financial and social influence. With this biography, Williams must now be considered, along with Cornelius Vanderbilt and Jacqueline Onassis, one

Boss Life

Charting the rise of Andrew Carnegie, this book follows his life
from his humble birthplace in Dunfermline to the squalor of
Pittsburgh in the 1840s, and his dramatic ascent to fame and
fortune. It explores the conflicts of a ruthless captain of industry,
who gave away millions to charity.

"Little Al D'Arco was the quintessential wiseguy-and the mob's worst nightmare...A compelling book about the rise and decline of the American Mafia."-Nicholas Pileggi, author of Wiseguy and Casino Alfonso "Little Al" D'Arco, the former acting boss of the Luchese crime family, was the highest-ranking mobster to ever turn government witness when he flipped in 1991. His testimony sent more than fifty Mafiosos to prison-and prompted many others to do the same, including John Gotti's top aide, Salvatore "Sammy the Bull" Gravano-and altered the course of New York's mob scene forever. "Fascinating." -The Village Voice In Mob Boss, two award-winning news reporters offer an unparalleled account of D'Arco's life and the New York mob scene that he embraced for four decades. Until the day he switched sides, D'Arco lived and breathed the old-school gangster lessons he learned growing up in Brooklyn and fine-tuned on the mean streets of Little Italy. But when he learned he was marked to be whacked, D'Arco quit the mob. His defection decimated his crime family and opened a window on a century's worth of mob secrets-many of which are published in this riveting account for the very first time.
