The Canterville Ghost In Hindi

Rattigan's well-loved play about an unpopular schoolmaster who snatches a last shred of dignity from the collapse of his career and his marriage. Twice filmed (with Michael Redgrave and Albert Finney) and frequently revived. Andrew Crocker-Harris' wife Millie has become embittered and fatigued by her husband's lack of passion and ambition. On the verge of retirement, and divorce, Andrew is forced to come to terms with the platitude his life has become. Then John Taplow, a previously unnoticed pupil, gives Andrew an unexpected parting gift: a second-hand copy of Robert Browning's translation of Agamemnon - a gift which offers not only a opportunity for redemption, but the chance to gain back some dignity. This volume also contains Harlequinade, a farce about a touring theatre troupe, written to accompany The Browning Version in a double-bill under the joint title, Playbill. 'Few dramatists of this century have written with more understanding of the human heart than Terence Rattigan' Michael Billington This edition includes an authoritative introduction, biographical sketch and chronology.

First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden – Universal classics, 1950s monster movies, Hammer – as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts.

In "The inexperienced ghost," Clayton, a wealthy Englishman, describes his encounter with a decidedly lower-class ghost attempting to haunt his exclusive club, and how he helped the fellow remember the special signals for reaching the other side, and in "The temptation of Harringay," a mediocre artist paints a demon who offers him the chance of producing a masterpiece in exchange for his soul.

This is Oscar Wilde's tale of the American family moved into a British mansion, Canterville Chase, much to the annoyance of its tired ghost. The family -- which refuses to believe in him -- is in Wilde's way a commentary on the British nobility of the day -- and on the Americans, too. The tale, like many of Wilde's, is rich with allusion, but ends as sentimental romance...

The book provides excellent overview of Mother Teresa's beliefs, her noted humanistic works, and her vision to live and work among the poorest in the world. In this biography, readers will follow Agnes Gonxha Bojaxhiu from her humble Mecidonian birth to worldwide celebrity as Mother Teresa. The nun who attended to the dying and diseased in Calcutta (now Kolkata), India, and established her Missionaries of Charity around the world, is revealed to have a singular determination from a young age. Readers will be challenged to consider for themselves whether Mother Teresa deserves to be sainted. Mother Teresa is characterized as being ordinary and her life as mundane. The biography suggests that she transcended her ordinariness with a singular belief that she was called to life's work. When this work brought fame, which she never sought, she used it to further her causes. In a global age, celebrity worship allowed her to work the system. She became an icon of service and selflessness, but her human flaws remained behind the saintliness.

THE ANEXAS STORY

A selfish miller proves to be the downfall of his devoted friend and gardener, Hans, even as he benefits from the fruits of Hans's labour. Victorian author Oscar Wilde is known both as a playwright and prose author. Among his most famous works are The Picture of Dorian Gray, his only novel, the plays An Ideal Husband and The Importance of Being Earnest, and the short story collections Lord Arthur Savile's Crime and Other Stories and The Happy Prince and Other Stories. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Sir and Lady Chiltern are the picture of responsibility: he a member of the House of Commons, she a member of the Women's Liberal Association. When Mrs. Cheveley arrives in London, she brings with her a letter that threatens to ruin Sir Chiltern forever—his whole life threatens to come crumbling down. The following twenty-four hours are filled with theft, blackmail, farce, and biting social commentary. An Ideal Husband was first performed in 1893 at the Haymarket Theatre, and it was immediately successful. On April 6th, the same day it transferred to the Criterion Theatre, Oscar Wilde was arrested for gross indecency, and his name was removed from the play. Wilde revised the play for publication in 1899, taking steps to add written stage directions and character descriptions in order to make the work more accessible to the public. Today it's Wilde's second most popular play, after The Importance of Being Earnest. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

The Happy Prince and Other Tales was written by Victorian author Oscar Wilde and illustrated by Walter Crane and Jacomb Hood.?

A collection of stories, including two of Wilde's most famous: 'The Canterville Ghost', in which a young American girl helps to free the tormented spirit that haunts an old English castle and 'The Happy Prince', who was not as happy as he seemed. Often whimsical and sometimes sad, they all shine with poetry and magic.

"Romance is the privilege of the rich, not the profession of the unemployed." Hughie, a charming young man with no money, wants to marry a girl named Laura. But Laura ' s father is concerned with Hughie ' s lack of wealth and tells him he can only have his daughter if he comes up with 10,000 pounds. Defeated, Hughie visits his artist friend, who in painting a portrait of a beggar. Meeting the beggar outside, Hughie gives him some money. What he doesn ' t know is that the man isn ' t a beggar at all but a wealthy baron, and Hughie ' s generosity might just be the thing to change his life. The Model Millionaire is a charming and funny little story, similar in setting to The Picture of Dorian Gray, but far more optimistic. A delightful read. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for ' The Picture of Dorian Gray ' and ' The Importance of Being Earnest ' to name a couple. He was believed to be a homosexual and met a lot of resistance in his life on that account. He died in Paris at the age of 46.

My Poetic Journey

An innovative new edition of nine classic short stories from one of the greatest writers of the Victorian era. "I cannot think other than in stories," Oscar Wilde once confessed to his friend André Gide. In this new selection of his short fiction, Wilde's gifts as a storyteller are on full display, accompanied by informative facing-page annotations from Wilde biographer and scholar Nicholas Frankel. A wide-ranging introduction brings readers into the world from which the author drew inspiration. Each story in the collection brims with Wilde's trademark wit, style, and sharp social criticism. Many are reputed to have been written for children, although Wilde insisted this was not true and that his stories would appeal to all "those who have kept the childlike faculties of wonder and joy." "Lord Arthur Savile's Crime" stands alongside Wilde's comic masterpiece The Importance of Being Earnest, while other stories—including "The Happy Prince," the tale of a young ruler who had never known sorrow, and "The Nightingale and the Rose," the story of a nightingale who sacrifices herself for true love—embrace the theme of tragic, forbidden love and are driven by an undercurrent of seriousness, even despair, at the repressive social and sexual values of Wilde's day. Like his later writings, Wilde's stories are a sweeping indictment of the society that would imprison him for his homosexuality in 1895, five years before his death at the age of forty-six. Published here in the form in which Victorian readers first encountered them, Wilde's short stories contain much that appeals to modern readers of vastly different ages and temperaments. They are the perfect distillation of one of the Victorian era's most remarkable writers.

Mr. Hammond is on his way to America when he hears two passengers discussing a suspicious plan that was going to be executed at 10 o'clock in the evening. The two unknown passengers got aboard in the very last minute. Their baggage was not searched. And their plan consisted of some mysterious box. What do you think happened in the evening? Did Mr. Hammond try to warn the rest of the crew or he escaped with a life boat? Can all be a big misunderstanding or the American steamer will be blown up? Sir Arthur Conan Doyle (1859-1930) was born in Scotland and studied medicine at the University of Edinburgh. After his studies, he worked as a ship's surgeon on various boats. During the Second Boer War, he was an army doctor in South Africa. When he came back to the United Kingdom, he opened his own practice and started writing crime books. He is best known for his thrilling stories about the adventures of Sherlock Holmes. He published four novels and more than 50 short-stories starring the detective and Dr Watson, and they play an important role in the history of crime fiction. Other than the Sherlock Holmes series, Doyle wrote around thirty more books, in genres such as science-fiction, fantasy, historical novels, but also poetry, plays, and non-fiction.

AMONG the many debts which we owe to the supreme aesthetic faculty of Goethe is that he was the first to teach us to define beauty in terms the most concrete possible, to realise it, I mean, always in its special manifestations. So, in the lecture which I have the honour to deliver before you, I will not try to give you any abstract definition of beauty - any such universal formula for it as was sought for by the philosophy of the eighteenth century - still less to communicate to you that which in its essence is incommunicable, the virtue by which a particular picture or poemaffects us with a unique and special joy; but rather to point out to you the general ideas which characterise the great English Renaissance of Art in this century, to discover their source, as far as that is possible, and to estimate their future as far as that is possible.

Boys delight in men who have had adventures, and when they are privileged to read of such exploits in thrilling story form, that is the "seventh heaven" for them. Such a "boys' man" was Jack London, whose whole life was one of stirring action on land and sea. Gifted as a story teller, he wrote books almost without end. Some of them, "The Call of the Wild," "The Sea Wolf" and "White Fang," have already been recognized as fine books for boys. Others, volumes of short stories, contain many of like interest, possessing the same qualities that have made the other and longer stories so acceptable as juveniles.

Fourteen-year-old Zoon Razdan is witty, intelligent and deeply perceptive. She also has a deep connection with magic. She was born into it. The house that she lives in is fantastical—life thrums through its wooden walls—and she can talk to everything in it, from the armchair and the fireplace to the books, pipes and portraits! But Zoon doesn't know that her beloved house once contained a terrible force of darkness that was accidentally let out by one of its previous owners. And when the darkness returns, more powerful and malevolent than ever, it is up to her to take her rightful place as the Guardian of the house, and subsequently, Kashmir.

The Big Sleep and (1939 and) is a hardboiled crime novel by Raymond Chandler, the first to feature the detective Philip Marlowe. It has been adapted for film twice, in 1946 and again in 1978. The story is set in Los Angeles. The story is noted for its complexity, with characters double-crossing one another and secrets being exposed throughout the narrative. The title is a euphemism for death; the final pages of the book refer to a rumination about "sleeping the big sleep". In 1999, the book was voted 96th of Le Monde and 's "100 Books of the Century". In 2005, it was included in Time magazine and 's "List of the 100 Best Novels".

Ghosts Henrik Ibsen - "Ghosts" is a drama in three acts by Henrik Ibsen, published in 1881 in Norwegian asGengangereand performed the following year. The play is an attack on conventional morality and on the results of hypocrisy. "Ghosts" tells the story of Helen Alving, a widow who is haunted by the many mistresses of her deceased husband and by her son who has inherited syphilis from his philandering father. "Ghosts" is a scathing indictment of Victorian society in which Ibsen refutes the notion that if one simply fulfills one's duty rather than following one's desires then a good and noble life will be achieved. Scandalous in its day for its frank discussion of venereal disease and marriage infidelity, "Ghosts" remains to this day an intense psychological drama and sharp social criticism

"Please, speak softly, we might be overheard," Two college friends run into each other in Paris and one tells the other of a mysterious woman he's been seeing. She sets appointments to meet him and doesn't show up, and she asks him not to write her at her home address but gives him an alias name and address instead. As the tension builds, the friends start to suspect that maybe the real mystery is that there isn't a mystery at all. The Sphinx Without a Secret suggests that the thrill of the chase will always end in disappointment when it comes to love, because sooner or later the chase must end. With charm and a great understanding of the human condition, Oscar Wilde more than succeeds with this suspenseful Sherlock Holmes-like mystery. Oscar Wilde (1854-1900) was an Irish playwright, novelist, essayist, and poet, famous for 'The Picture of Dorian Gray' and 'The Importance of Being Earnest' to name a couple.
