instead of transforming the text to meet our needs, allowed it to transform us? That's exactly the idea behind Life with God, Richard J. Foster's much-anticipated book on the Bible. Foster, bestselling author of Celebration of Discipline and general editor of The RenovarÉ Spiritual Formation Bible, claims that God has superintended the writing of Scripture so that it serves as the most reliable guide for Christian spiritual formation. According to Foster, the Bible is all about human life "with God." As we read

With a wealth of examples and simple yet crucial insights, Life with God is an indispensable guide to approaching the

Though not incorporated into the final, canonical version of the Hebrew scriptures, it was included in important Bible translations such as the Latin Vulgate and the original King James Version of 1611. For centuries the books of the Apocrypha have had a significant influence on Christian art, literature, and theology.
