**2019 Best Book Awards, Winner: Children's Religious 2018 Association of Catholic Publishers' "Excellence in Publishing Awards," Second Place: Children's Books 2018 Moonbeam Children's Book Awards, Silver: Religion/Spirituality** Written by popular Catholic children's author Amy Welborn, this beautifully illustrated collection of Bible stories for kids and their families is uniquely arranged according to where the stories fall in the liturgical year and when they are proclaimed at Mass. Divided into five sections—Advent, Christmas, Lent, Easter Season, and Ordinary Time—each section is subdivided into Old and New Testament stories. From “the Fall” to St. Paul, from the Exodus of the Israelites to the Ascension of Jesus, *Loyola Kids Book of Bible Stories* nurtures family and individual reading of the Bible at home, while familiarity with these stories will help children connect far more meaningfully with the liturgy.

**No Barber Left Behind (NBLB)** was created to fill the void for barbers who want to do more than just cut hair. Cutting hair is what got us started, but there is so much more to the barbering business than just giving a crispy shapeup, a fresh design, or a nice haircut. Either you already have the barbering part down packed or you are on your way, but are you business savvy? Most of us don't have much or any college experience, so NBLB will be a Barbering 101 course, like a *Barbering Business for Dummies* book, to help us make the most out of this billion-dollar beauty industry. Most things in the beauty industry are stylist or cosmetology influenced, not NBLB. Even though a lot of the business knowledge can be used by stylists, this book is intended to ensure that no barber gets left behind. NBLB was designed to answer the most common questions

**all new barbers have when it comes to getting started. Like how to advertise, how to build and maintain a healthy clientele, and how to make money from behind the chair. NBLB was also designed for the veteran barber who could use knowledge on business management and incorporating your business. This book can be used as the barbers' bible; it will cover all aspects of the barber business, so take notes, pay attention, and enjoy.**

**“A much-needed resource for those serious about biblical studies.” —Mark M. Yarbrough, president, Dallas Theological Seminary** The Bible has long been dismissed as a book of myths, legends, fairy tales, and propaganda. Yet when we examine the archaeological evidence, its accuracy comes to light. In *Unearthing the Bible*, Dr. Titus M. Kennedy presents 101 objects that provide compelling evidence for the historical reliability of Scripture from the dawn of civilization through the early church. Gathered from more than 50 museums, private collections, and archaeological sites, these pieces not only reinforce the reliability of the biblical narratives, but also provide rich cultural insights into the ancient world. Using this visual guide, you can find context for your faith as you make your way through the Bible. Dr. Kennedy's photographs and detailed descriptions enable you to examine each piece of fascinating evidence for yourself. From the earliest tablets of creation to artifacts connected with the life and resurrection of Jesus, *Unearthing the Bible* shows you can be confident there is an abundance of archaeological support for the history told in the Scriptures.

**Children learn best when they hear the rich stories from Scripture over and over again. Just sitting and listening, however, can become boring. This volume, a collection of 101 active games for Christian education programs suitable for children ages 3–12, will help dispel any boredom. Divided into four sections, *101 Great Games for Kids* brings Scripture to life through active**

**games that get kids up and moving rather than sitting in their chairs. Each of the 101 games are presented in ways that adults can use immediately.
