When the old zookeeper moved the monkeys to a cage next to the picnic area, she didn't know the trouble it would cause. The little monkeys are fascinated by the children's behavior, and before long they are imitating the children! They play quietly, pick up their banana peels and chew with their mouths closed. Mother Monkey can't stand it! "Try to behave like monkeys!" she shouts, but to no avail. The children who visit the zoo aren't happy either: watching well-behaved monkeys is no fun at all. What's a zookeeper to do? Children will go ape over the way the tables are turned in this playful picture book. Always topical, the theme of manners and behavior is an essential element of school readiness preparation for preschoolers. A laugh-out-loud tale that is sure to bring out the monkey in everyone!

The regrettable fact is that the subject of manners is not much discussed anymore, and good manners seem practiced even less. But good manners are a prerequisite for the growth of moral character; they are the habits of conduct and behavior by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Fortunately, Karen Santorum has produced for parents and teachers a wonderfully rich and instructive anthology to help instill good manners in our children—and stand against a decline of civility and a coarsening of our common life. Under such headings as "Honor Your Mother and Father," "Please and Thank You," "No Hurtful Words," "Good Behavior in Sport," and "Showing Respect for Country," *Everyday Graces* features stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Anderson, Beatrix Potter, Mark Twain, Frances Hodgson Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Mrs. Santorum writes that this anthology grew out of the frustration of not being able to find a book on manners that instructs through stories rather than by rules of dos and don'ts. She and her husband tried and tested many of these selections on their six children. Each of the selections is briefly introduced with a thoughtful commentary at the close, producing an informality and intimacy that is inviting and infectious. Find out why *Everyday Graces* has become a beloved feature in homes, schools, churches, and libraries across America.

"Do not do to others that which would anger you if others did it to you."—Socrates (the Greek philosopher), circa 470-399 B.C. Mr. Rabbit's new neighbors are Otters. OTTERS! But he doesn't know anything about otters. Will they get along? Will they be friends? Just treat otters the same way you'd like them to treat you, advises Mr. Owl. In her smart, playful style Laurie Keller highlights how to be a good friend and neighbor—simply follow the Golden Rule! This title has Common Core connections. *Do Unto Otters* is a 2008 Bank Street - Best Children's Book of the Year.
