convent is attacked by possessed soldiers, Artemisia defends it by awakening an ancient spirit bound to a saint's relic. It is a revenant, a malevolent being whose extraordinary power almost consumes her—but death has come, and only a vespertine, a priestess trained to wield a high relic, has any chance of stopping it. With all knowledge of vespertines lost to time, Artemisia turns to the last remaining expert for help: the revenant itself. As she unravels a sinister mystery of saints, secrets, and dark magic, Artemisia discovers that facing this hidden evil might require her to betray everything she believes—if the revenant doesn't betray her first.
