Reproduction of the original: A Harmony of the Gospels For Students of the Life of Christ by A.T Robertson

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

Ancient-Future Bible Study incorporates contemporary study of the Bible with an experience of the church's most ancient way of reading Scripture, lectio divina. This time-honored practice consists of five basic movements: biblical study (lectio), reflection (meditatio), prayer (oratio), discernment (contemplatio), and contemplative action (operatio). In six clearly written volumes, bestselling author Stephen Binz helps readers study the Bible in a way that leads to spiritual transformation and brings them closer to God. Binz leads readers in a vivid study of key biblical characters, including Abraham, Paul, Peter, David, the women of the Torah, and the women of the Gospels. This collection of freshly translated texts leads to a new appreciation of the richness and variety of the religious world within which Christianity emerged as a powerful new force. Bringing together for the first time under a single cover documents from Jewish, Greek, Roman, Egyptian, Syrian, and little-known early Christian sources, the material is arranged to bring out as clearly as possible the ways in which early Christian worship of Jesus Christ as Savior and God both echoed contemporary worship of other savior gods and at the same time stood in sharp contrast to such worship. This revised and enlarged edition contains a new introduction on texts and traditions in late antiquity, a reworked translation of The Gospel of Peter, selections from Ovid's Metamorphoses, plus such documents as Papyrus Egerton 2, Oxyrhynchus Papyrus 840, and The Apocryphon of James. In addition, the table of contents has been expanded to allow easier access to the documents contained herein.

The Gospel according to John is the fourth of the four canonical gospels. It contains a highly schematic account of the ministry of Jesus, with seven "signs" culminating in the raising of Lazarus and seven "I am" discourses culminating in Thomas' proclamation of the risen Jesus as "my Lord and my God". This is an expository commentary on the Gospel of John by a bible teacher. It is written in an easy-to-follow, devotional style.

A synopsis is a tool which displays different passages of a text side by side for comparison. This is most commonly done with the four Gospels of the New Testament because of their similar material, but it could reasonably be done with any text that has similar passages, such as the Old Testament historical narratives. The synopsis you presently hold contains the four Gospels of the New Testament. It is different from comparing parallel versions, such as one English translation to another, because all of the passages displayed in this synopsis are from the same version, the NET Bible. It is different from a harmony because the passages are not reorganized into one story; each Gospel in a synopsis is separate from the others and can be read by itself or in comparison with the others. This parallel arrangement enables fruitful comparison of the Gospels to each other so each may be understood well on its own in light of the others.

This concise commentary on the Gospels and Acts, excerpted from the Fortress Commentary on the Bible: The New Testament, engages readers in the work of biblical interpretation. Contributors from a rich diversity of perspectives connect historical-critical analysis with sensitivity to current theological, cultural, and interpretive issues. These are followed by the survey " Jesus and the Christian Gospels. " Each chapter (Matthew through Acts) includes an introduction and commentary on the text through the lenses of three critical questions: The Text in Its Ancient Context. What did the text probably mean in its original historical and cultural context? The Text in the Interpretive Tradition. What are the unique challenges and interpretive questions that arise for readers and hearers of the text today? The Gospels and Acts introduces fresh perspectives and draws students, as well as preachers and interested readers, into the challenging work of interpretation.

The Hearts on Fire Youth Ministry is committed to rooting our young people in Word of God and find our mission established in Proverbs 22:6 "TRAIN A CHILD IN THE WAY HE SHOULD GO, AND WHEN HE IS OLD HE WILL NOT TURN FROM IT." We desire to help today's teenager not only come to Jesus by way of the cross but to cultivate a relationship with our God through bible study and mentorship. We understand that being a young person in today's society is extraordinarily hard on a spiritual level and the challenges that youth face today threaten to overcome them regularly. We seek to plant the seeds of God's grace, love and wisdom in young hearts that they might appropriately arm themselves for their journey through the gauntlet of life. More importantly we hope to feed and water the young after the fields have been planted through discipleship and mentoring - we believe that through teaching the Word of God and establishing a prayer based support system our youths can grow strong in their faith and lead fulfilling Christ centered lives. To this end we have put together a series of Bible studies which rely solely on the Word of God as its premise. In this book there are two separate Bible Studies for teenagers. The first, Anchored in Faith, is the first Bible Study on Proverbs. The second, Have You Met Jesus, is an introduction to the identity of Jesus as well as to the Synoptic Gospels of Matthew, Mark and Luke. Each Bible Study includes teacher notes, complete lesson plans for six weeks and student handouts. We hope that you find these two studies as stimulating as our Youth Ministry has!

An essential resource for the analytical study of the gospels, The Complete Gospel Parallels goes beyond the standard parallels. This book gives those who study the gospels in English a one-volume compendium of synopses not only for the Gospels of Matthew, Mark, Luke, and John, but also for the Gospels of Thomas and Peter, as well as for a few gospel fragments (the Egerton Gospel, Gospel Oxyrhynchus 1224, as well as the Jewish-Christian Gospels of the Hebrews and the Nazoreans). The Complete Gospel Parallels also includes a synopsis for the reconstructed Q Gospel, which enables the reader both to discern how the text of Q can be derived and how Q was adopted and adapted by Matthew and Luke. The Complete Gospel Parallels features the fresh and vibrant Scholars Version translation, which has been thoroughly revised and fine-tuned to facilitate the precise comparison of parallel passages, using consistent English for the same Greek and different English where the originals vary. The Complete Gospel Parallels lucid translation, its easy-to-use format, and its broad range of gospel materials will enhance and deepen the serious reader's appreciation of early Christian tradition and literature.

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this study of John's Gospel, pastor and author Justin Buzzard helps readers understand the most theologically and philosophically profound account of Jesus's life, death, and resurrection in the New Testament. From revealing his cosmic identity as being with the Father "in the beginning," to recounting the many miraculous signs attesting to his divinity, Buzzard illuminates John's unmatched portrait of Jesus Christ, the unique Son of God, sent from heaven to save all who would turn to him. This insightful guide encourages Christians to worship Christ as Lord and follow him on mission to the world.

This book provides a clear scholarly introduction to study of the life of Jesus and of the four New Testament gospels. In the second edition, special attention is given to ways of assessing the relevant literary and archaeological evidence. Current scholarly debates are considered, but the main emphasis is on thorough study of key passages in the gospels.
