Passionate, perceptive and eloquent, the short stories of Truman Capote are among the greatest works of twentieth century American fiction. This new collection gathers them all together for the first time: from early, eerie Southern Gothic tales such as 'Miriam' and 'The Headless Hawk', to the brilliantly evocative 'Children On Their Birthdays' and the tenderly autobiographical 'A Christmas Memory' - an affectionate portrayal of Capote's own Alabama upbringing. Whether describing the Deep South of his childhood, or considering city life with the penetrating gaze of an

Most readers know Truman Capote as the author of *Breakfast at Tiffany's* and *In Cold Blood*; or they remember his notorious social life and wild and witty public appearances. But he was also the author of superb short tales that were as elegant as they were heartfelt, as grotesque as they were compassionate. Now, on the occasion of what would have been his eightieth birthday, the Modern Library presents the first collection that includes all of Capote's short fiction—a volume that confirms his status as one of the masters of this form. Among the selections are “A Tree of Night,” in

Perhaps no twentieth century writer was so observant and elegant a chronicler of his times as Truman Capote. Whether he was profiling the rich and famous or creating indelible word-pictures of events and places near and far, Capote's eye for detail and dazzling style made his reportage and commentary undeniable triumphs of the form. Bestselling biographer Laurence Leamer delves into the years following the acclaimed publication of *Breakfast at Tiffany's* in 1958 and *In Cold Blood* in 1966, when Capote struggled with a crippling case of writer's block. While enjoying all the fruits of his

But when he eventually published a few chapters in *Esquire*, the thinly fictionalized lives (and scandals) of his closest female confidantes were laid bare for all to see, and he was banished from their high-society world forever.
