The untold story of an eccentric Wall Street tycoon and the circle of scientific geniuses he assembled before World War I to develop the science for radar and the atomic bomb. Together they changed the course of history. Legendary financier, philanthropist, and society figure Alfred Lee Loomis gathered the most visionary scientific minds of the twentieth century—Albert Einstein, Werner Heisenberg, Niels Bohr, Enrico Fermi, and others—at his state-of-the-art laboratory in Tuxedo Park, New York, in the late 1930s. He established a top-secret defense laboratory systems that helped defeat the German Air Force and U-boats. With Ernest Lawrence, the Nobel Prize-winning physicist, he pushed Franklin Delano Roosevelt to fund research in nuclear fission, which led to the development of the atomic bomb. Jernet Conant, the granddaughter of James Bryant Conant, one of the leading scientific advisers of World War II, enjoyed unprecedented access to Loomis' papers, as well as to people intimately involved in his life and work. She pierces through Loomis' obsessive secrecy and illuminates his role in assuring the Allied victory in World War II.

Problem: People are tired of feeling powerless and uninformed when dealing with insurance. Solution: At last, here you ’ll find the inside tips that will enable you to save money, time, and avoid frustration when buying or renewing your insurance. Dear Friend: If you ’re like most people, you ’re paying too much on your insurance premiums and should know that there are “untold ” ways to save money and prevent aggravation. But unless you were privy to the “inside tips ” that most insurance professionals know about, you would have a clue as to how you could save as much as possible. Well, here ’s your chance to get the secrets that some don ’t volunteer to share. Listed below are just some of the things you ’ll learn in “Insurance Secrets Revealed,” to start putting cash back into YOUR pocket, take better control, and protect yourself & family...right away:
• Learn the one simple “secret ” that could save hundreds or thousands of dollars off of a homeowners or auto insurance premium immediately!
• Discover the one thing that’s overlooked by most people and causes them to overpay month after month
• Learn the “special questions ” to ask an insurance company or agent that can save you money off of your quote or premium
• Discover how and when an insurance company can fix your car, even if you only have liability coverage
• Learn “Secrets ” to saving money when insuring younger drivers
• How to prevent paying “out of pocket ” (despite having insurance) to your finance or leasing company after a major accident
• Discover 12 important insurance products you must know about NOW!
• How to inexpensively cover yourself against major lawsuits
• How to really buy auto insurance and what you should be asking for
• How to quote a good insurance company before it’s too late
• Learn what to include in your policy, to get more money for your home or auto claim
• How to get life insurance death benefits WHILE YOU ’RE STILL LIVING (most people are absolutely shocked by this, and no, it ’s not the accumulated cash value of the policy.)
• Find out these important tips to keep from being “penalized ” or cancelled by your insurance company
• Learn the difference between buying insurance through agents, brokers, and buying direct (there is a difference)
• Find out things you should know about the claims process, that perhaps no one ever told you!
• Discover what every homeowner should know about mold, where to go for help, and much more!
DON ’T RELY SOLELY ON AGENTS OR SALES REPS TO TELL YOU HOW TO SAVE ON, OR BUY INSURANCE! Insurance is a serious topic and the truth of the matter is that most people don ’t have a clue as to what they ’re getting or what they should be asking for when talking to an insurance agent. Not knowing what to buy or what type of policy is best for your situation can cost you and your family BIG TIME by leaving you at the mercy of an insurance salesperson ’s lack of experience, knowledge and/or concern. To be honest, you have a right to know all you can without being an insurance agent yourself. This is why this information is now being revealed, so consumers like yourself can be put on a level playing field, compared to people that just blindly buy insurance everyday, pay more than they have to, and walk away with inadequate protection. Friend, don ’t let a lack of knowledge keep you from empowering yourself! This is the type of straight-up information that you need, “real world ” info that will tell you like it really is, (something rarely found elsewhere). Now is the time to stop being vulnerable and seize control by becoming an informed buyer! Get your copy today!
“Insurance Secrets Revealed by award-winning insurance agent and expert, Rodger Nelson, is a highly practical guide filled from cover to cover with money-saving advice that the insurance companies themselves will never voluntarily reveal to prospective policyholders. Individual chapters cogently address pertinent issues ranging from untold “secrets” of life insurance; solid tips for protecting a business through insurance; insuring against threats to personal finances; and much, much more. Insurance Secrets Revealed is strongly recommended supplemental reading for insurance buyers everywhere.”

Secrets on Sycamore Street is a suspense story about four housewives caught up in sex, lies, drugs, and blackmail. Abandoned on a ranch in Wyoming by her drug-dealing parents, Catherine has no memory of her childhood before being adopted at age twelve by her grandmother. Educated in an all-girls Catholic school, she was not prepared for the changes in her life when she moved from Fort Collins, Colorado, a college town, to Irvine, California, an affluent bedroom community south of Los Angeles. Entering marriage as a naive young woman, she feels unfulfilled in her role as a wife of a controlling, self-centered husband and mother of a two-year-old. With no money to finish her college education, she stumbles into a job as a sex phone operator. Fearing his disapproval, she keeps the nature of her job a secret from her husband. Surprisingly, she discovers she has a knack for dealing with the men who call, a skill she learns to use wisely. Confiding in her friends about her job, she discovers they too have secrets. All too quickly, Catherine realizes secrets dont always stay hidden when a blackmail letter arrives, demanding money to keep silent.

THE MAGIC

Omar Khayyam's Secret: Hermeneutics of the Robaiyat in Quantum Sociological Imagination is a twelve-book series of which this book, subtitled New Khayyami Studies: Quantumizing the Newtonian Structures of C. Wright Mills's Sociological Imagination for A New Hermeneutic Method, is the first volume. Each book is independently readable, although it will be best understood as a part of the whole series. In the overall series, the transdisciplinary sociologist Mohammad H. Tamdgidi shares the results of his decades-long ventures Persian Muslim sage, philosopher, astronomer, mathematician, physician, writer, and poet from Neyshabour, Iran, whose life and works still remain behind a veil of deep mystery. Tamdgidi's purpose has been to find definitive answers to the many puzzles still surrounding Khayyam, especially regarding the existence, nature, and purpose of the Robaiyat in his life and works. To explore the questions posed, he advances a new hermeneutic method of textual analysis, informed by what he calls the quantum social philosophical, religious, scientific, and literary writings of Khayyam. In this first book of the series, following a common preface and introduction to the series, Tamdgidi develops the quantum sociological imagination method framing his hermeneutic study in the series as a whole. In the prefatory note he shares the origins of this series and how the study is itself a moment in the trajectory of a broader research project. In his introduction, he describes how centuries of Khayyami studies, especially during the last two works, especially his attributed Robaiyat. The four chapters of the book are then dedicated to developing the quantum sociological imagination as a new hermeneutic method framing the Khayyami studies in the series. The method builds, in an applied way, on the results of Tamdgidi's recent work in the sociology of scientific knowledge, Liberating Sociology: From Newtonian Toward Quantum Imagination: Volume 1: Unriddling the Quantum Enigma (2020), where he explored extensively, in greater depth, and in the context Newtonian and quantum ways of imagining reality. In this first book, he shares the findings of that research in summary amid new applied insights developed in relation to Khayyami studies. In the first chapter, Tamdgidi raises a set of eight questions about the structure of C. Wright Mills's sociological imagination as a potential framework for Khayyami studies. In the second chapter, he shows how the questions are symptomatic of Newtonian structures that still continue to frame Mills's sociological imagination. In can be reinvented to be more in tune with the findings of quantum science. In the last chapter, the implications of the quantum sociological imagnation for devising a hermeneutic method for new Khayyam and Robaiyat studies are outlined. In conclusion, the findings of this first book of the Omar Khayyam's Secret series are summarized. Secret Tibetan Mind Power System Manifest Anything You Desire - Within Days!
Mysterious Book of Masters Talisman Book Includes Free Lifetime mentorship from the author!
Book serves a powerful Talisman to empower you 24/7! This is much more than a book, it is an Occult Power Tool you will use for the rest of your life. This book includes a New and Powerful, Full Color Sigil System, with ancient secrets of manifestation revealed for the first time in simple powerful terms. It is unsurpassed by any other occult mind power system. Its methods have been used in Ancient Orders around the world for thousands of years, and are known to be used in Secret Tibetan Orders. As with all effective systems, the lessons are short, and detail exact methods without additional babble of little use to the student. There are no long boring history lessons, or endless silly success stories; just hard-core training methods. Everyone is looking for effective, simple, and easy-to-perform methods that achieve amazing results. This is the course that offers exactly that. A rare diamond in a sea of worthless junk. New edition includes the secret inner teachings, never offered to the public before, with a unique Sigil System that activates the Inner Magical Being and Occult Power Centers, to push you to the highest level of empowerment in the fastest period of time. This new system is not only powerful, it is super-easy to use and only takes a few minutes of daily practice. The Book Initiates you into higher states of being and serves as a powerful Talisman to assist in manifesting your desires. Only IGOS Mysterious Books of Masters have these empowerments built into them; along with encoding to ensure that the registered user will be empowered, which in turn further ensures that every user succeeds to the levels they desire. Included with each book is LIFETIME mentorship from the author! All this for only the cost of the Book! The little understood secret to manifesting is Energizing or Empowering whatever Thought Form or Visualization you have produced. If you do not do this, manifesting will be difficult, take long periods of time, and will most likely fail. None of the popular methods taught today teach you the secret Energizing methods offered here, which have long been used by the Ancient Lodges of the East. Some people report being successful with traditional visualization practices, so just imagine what you can manifest when these visualizations are empowered! The sky is the limit for you and your desires when you are manifesting at the fastest rate possible. This method does not require machines, or anything - Only your time and dedication. The easy simple training can be completed within a few minutes of daily practice. In the past the Guild understated the power that this course holds, offering a special version just for Inner Order members. This version is now being offered to the public! The complete mind power course, with all the Inner Order Secrets, is now offered here for the public to access for the first time. This includes the Secret Bio-Energizing Sigil and other Specific Empowerment Sigils. This course was reduced down to as few pages as possible, for the easiest learning possible. It is intended to be learned and used effectively by any occult student, at any level. The course opens with methods to access brain functions with only eye movements, and goes on to detail how to attain consciousness without thought; complete mental mastery over every area of your life; manifest all kinds of success; turn your mind into a 24 hour manifesting machine; concentrate like a yogi; connect to the universe of power; become a master influencer in the world; access vital cosmic energy; have others think you are beautiful; influence the minds of others; build absolute confidence; access the entire active mind, and more. It also includes, secret breathing techniques, the secret battery method to charge every cell of your body and lots more!

"This book is based on interviews with the children of those imprisoned or executed for their involvement in the 1956 revolution. The reader learns about the patterns of communication within the families, changes in social status, and what sorts of problems these children encountered in pursuing their studies, in trying to assimilate into society as adults, and in relating to those fathers who did return."--Jacket.

What is gig-ing? Will your job be gig-ed out? How do you succeed in the gig world? You think that gig-ing is the future of work? Wrong! The gig era is already here. The gig economy is, arguably, the biggest disrupter of organisational models. Driven by digitisation, remote working, and platform economies, it is transforming the traditional system of employment. More jobs are now being assigned to individual independent contractors. Covid-19 has exponentially accelerated this momentum. Gig is no longer the future; it is now. Whether by choice or perforce, you either are a gig-er or will turn into one very soon. While companies are scrambling to adapt, the impact is most severe at the individual level. Rules of a full-time job do not apply any longer. You will have to reinvent yourself. Thriving in the gig world is not merely about getting your skill set right. It requires mastering four complementary dimensions—Gig Attitude, Gig Lifestyle, Gig Personality, and Gig Functional Skills. Secrets for Thriving in the Gig Zone offers practical hacks to win in this booming world. Based on the author's first-hand experiences, this book lays out actionable secrets. Peppered with real-life examples, quotes from other gig-ers, and ready-to-use templates for self-evaluation, this book will steer you to success.
