

The Confusing World Of Brothers Sisters And Adoption The Adoption Club Therapeutic Workbook On Siblings

This examination of the distinctive cinema of Joel and Ethan Coen explores the theme of violence in their wide-ranging body of work. * of the Coen brothers' 13 major films * Photos of major characters from each of the Coen brothers' films under examination. Amanda Podany here takes readers on a vivid tour through a thousand years of ancient Near Eastern history, from 2300 to 1300 BCE, attention to the lively interactions that took place between the great kings of the day. Allowing them to speak in their own words, Podany shows how leaders and their ambassadors devised a remarkably sophisticated system of diplomacy and trade. What the kings forged, as they saw it, was a world of friends-brothers-across hundreds of miles. Over centuries they worked out ways for their ambassadors to travel safely to one another. They created formal rules of interaction and ways to work out disagreements, they agreed to treaties and abided by them, and their efforts resulted in the exchange of luxury goods that each country wanted from the other. Tied to one another through peace treaties and powerful obligations, they were often bound together as in-laws, as a result of marrying one another's daughters. These rulers had almost never met one another in person, but a strong connection--a real brotherhood--which gradually made wars between them less common. Indeed, any one of the great powers of the region often tried to take over the others through warfare, but diplomacy usually prevailed and provided a respite from bloodshed. Instead of fighting one another, they often cooperated in peace. A remarkable account of a pivotal moment in world history--the establishment of international relations thousands of years before the United Nations--Brotherhood of Kings offers a vibrantly written history of the region often known as the cradle of civilization."

A book specifically designed to answer various questions that brothers and sisters of young people with autism may have, including "Why is there a cure?," and "Why does my brother or sister not look at me?"

The Silent Cry follows two brothers who return to their ancestral home, a village in densely forested Western Japan. After decades of separation, the reunited men are each preoccupied by their own personal crises. One brother grapples with the recent suicide of his dearest friend, the death of his son, and his wife's increasing alcoholism. The other brother sets out to incite an uprising among the local youth against the disintegration of the community's culture and economy due to the imposing franchise of a Korean businessman nicknamed the "Emperor of the Supermarket." The brothers live in the shadow of the mysteries surrounding the untimely deaths of their older brother and younger sister, as well as their great-grandfather's heroism. When long-kept family secrets are revealed, the brothers' strained bond is pushed to its breaking-point and their lives are irrevocably changed. Considered Oe's most essential work by the Nobel Prize committee, The Silent Cry is as powerfully relevant today as it was when first published.

Talks about the stages of emotional grief that children face after a loved one has died.

We each have our own unique life story which make us special. When you are adopted you have an extra layer of identity – your birth family. This therapeutic workbook is designed to be used with adopted children aged 5-11, and offers a gentle way to explore this difficult subject. In the first comprehensive history of the fraternity known to outsiders primarily for its secrecy and rituals, Steven Bullock traces Freemasonry through its first century in America. He follows the order from its origins in Britain and its introduction into North America in the 1730s to its near-destruction by a massive anti-Masonic movement almost a century later and its subsequent reconfiguration into the brotherhood we know today. With a membership that included Benjamin Franklin, George Washington, Paul Revere, and Andrew Jackson, Freemasonry is fascinating in its own right, but Bullock also places the movement at the center of the transformation of American society and culture from the colonial era to the rise of Jacksonian democracy. Using lodge records, members' reminiscences and correspondence, and local and Masonic histories, Bullock links Freemasonry with the changing ideals of early American society. Although the fraternity began among colonial elites, its spread during the Revolution and afterward allowed it to play an important role in shaping the new nation's ideas of liberty and equality. Ironically, however, the more inclusive and universalist Masonic ideas became, the more threatening its members' economic and emotional bonds seemed to outsiders, sparking an explosive attack on the fraternity after 1826. American History

A journalist's penetrating and controversial look at the untold story of Christian fundamentalism's most elite organisation- a self-described 'invisible' global network dedicated to a religion of power for the powerful. They are 'the Family' - fundamentalism's avant-garde, waging spiritual war in the halls of American power and around the globe. They consider themselves the 'new chosen'- congressmen, generals and foreign dictators who meet in confidential 'cells', to pray and plan for a 'leadership led by God', to be won not by force but through 'quiet diplomacy'. Jeff Sharlet is the only journalist to have reported from inside its walls. The Family is about the other half of American fundamentalist power - not its angry masses, but its sophisticated elites. In public, they host Prayer Breakfasts; in private they preach a gospel of 'biblical capitalism', military might and American empire. Citing Hitler, Lenin and Mao as leadership models, the Family's current leader, Doug Coe, declares, 'We work with power where we can, build new power where we can't'. Part history, part investigative journalism, The Family is a compelling account of how fundamentalism came to be interwoven with American power and the no-holds-barred economics of globalisation. No other book about the Right has exposed the Family or revealed its far-reaching impact on democracy, and no future reckoning of fundamentalism will be able to ignore it.

Law and the Liberal State

The Story of Daniel and Philip Berrigan

This book creates beauty out of your everyday moments. This disquieting yet emotionally satisfying novel is written for young adults but a pleasure for any reader. The surprise is not in how two soulful spirits are connected but in the way they weave together to the books finely spun ending. The book is

Read Online The Confusing World Of Brothers Sisters And Adoption The Adoption Club Therapeutic Workbook On Siblings

about a young girl who has lost her mother at an early age during 1900s. Shes the only girl in a family of seven children. Her mother dies very tragically on a lake when she was only four years old. This is about how a family handles a death of a loved one and still goes on to become a complete family. The sacrifices that families make in order for their children to be successful. Almost like todays world? Annies mom was a brilliant concert piano player and renowned in many music halls of New York City and Philadelphia, Pennsylvania. Annie gets all the right scholarships and awards to be able to go to St. Claires Academy for girls in Philadelphia, Pennsylvania. Of course, loneliness and fears set in for the fourteen-year-old teenager. In time, she connects with friends and meets a wonderful girl named Rebecca that becomes her lifelong friend. Coincidentally enough, Rebecca also has the same family scenario as Annie. No mother, a large family, and a talented mother who also has died. Both moms were piano concert players, beautiful women, and highly respected in their towns. As wealthy as Rebeccas dad was, Richard, Annies father, was not. Time passes and Annie and Rebecca hear music being played during the night from the forbidden room at the attic as they sleep, but they are awakened. This room has been forbidden from day one, and all were told to never ever go near this room. During many nights, the music plays, and Rebecca and Annies curiosity leads them to the forbidden room. It was a visit the girls would never forget.

Paris has come for piano lessons, not chopped-liver sandwiches or French lessons or free advice. But when old Mrs. Rosen gives her a little bit more than she can handle, it might be just what Paris needs to understand the bully in her brother's life...and the bullies of the world. This companion novel to the award-winning Sahara Special is an affecting look at what it means to be your brother's keeper, and how we hold onto hope when the world seems dark. (Rose-colored glasses optional.)

This is a contemporary, practical and relevant book about how to understand and apply the Bible in your everyday life. It is a superb book filled with biblically-based ways to achieve a significantly improved and healthier life. It is intentionally written using ordinary, everyday language, avoiding dogmatic, confusing and religious jargon. The book is not just for Christians, but anyone who desires to live a better life. This is not a book about religion, it is about how to effectively use the Bible to live a successful life. Evan Wride is an ordinary guy, who has read the Bible and uses it to manage his life. He is passionate, relentlessly practical and writes as if he is talking with a friend. His words, thoughts and perspectives are modern-day, heartfelt and action oriented. "Your Life User Manual" is a real-world look at the main issues we face as humans and specific ways the Bible answers them. The topics are a litany of our everyday concerns: setting priorities & plans, finances, time management, mental and physical health, addiction, love, marriage, children, dating, relationships, sex, career, co-workers, making good choices, our reason for being here and our individual uniqueness. This is not a counseling book, it is a book of God's time proven direction for how to live productive lives. Too many

Read Online The Confusing World Of Brothers Sisters And Adoption The Adoption Club Therapeutic Workbook On Siblings

of us rely on ourselves, others and society for wisdom and the results are less than satisfactory. Going to the source for answers provides you with knowledge, wisdom and purpose for your, one and only, life. We have all contemplated that there must be more to life in order to achieve the meaning and significance we are all searching for. This book will specifically direct you in how to learn to "do life" according to the Bible, which will transform your life so you can become all you were intended to be. You will discover how to live your best life.

Two Persian wars in 1991 and 2003 have inspired the author to write about two more incoming wars according to Bible prophecy, the latter being the war to end all wars- Armageddon. It concerns the Messiah's return during a time of trouble and turmoil known as the Tribulation. It also comments about our current situation in the world: economics, technology, unbelief, wars, weather patterns, etc. It's primary villain is the antichrist, who comes to deceive the nations of the world and attacks God's people. This antichrist is under the control of Satan himself. But the finality of it all is the issuance of a peaceful one-thousand year millennium by the Messiah Himself. The author wants the reading audience to examine themselves to see if they are ready to receive Him (the Son of God), and live eternally with Him.

Confident Faith in a Confusing World

This special issue of Studies in Law, Politics and Society focuses on law and the liberal state; presenting an interdisciplinary and multifaceted approach to analysis of law and liberty. The first chapters focus on law's relationship with the American liberal state while the remaining papers consider specific applications of the law within society

This book is the result of years of contemplating the story of the Black Church and their progress over more than 300 years, written in a simple style and easy to read format. It is intended to tell the story of the slaves and the progression of their church and their strong unwavering faith in their God. The book and its contents are not meant to be disturbing to any group. The book is intended to be read by the average Christian who may want to be more informed about the history of Black Church in the colonies and later in the fledging states. This is not pretty story it presents the slavery story in details as a remembrance about the history of slavery for all. The author identified the original denominations, groups and churches which constitutes the original Black Church. He provided a sampling of the heroes and heroines of the Church. This is a good well written book which can be used

Read Online The Confusing World Of Brothers Sisters And Adoption The Adoption Club Therapeutic Workbook On Siblings

many ways It contains some firsthand knowledge about the civil rights issues of the 1960s and earlier. The relevance of the Church today is discussed. The author commented on the relevancy of churches today and the tasks which lay ahead for the the future. The author's conclusion and recommendations have been developed throughout his reading and through his own experience as a church planter.

The children of The Adoption Club have lots of different feelings about adoption. Michael was scared when he first met this adopted family, and was worried his adoptive family might not keep him. Other children talk about feeling happy, sad and angry and how feeling can make them behave strangely. This workbook gives children a way to sort out feelings, discuss them and better. Written for counsellors and therapists working with children aged 5-11, as well as adoptive parents, this workbook is designed to help children to explore their feelings and behavior. It is one of a set of five interactive therapeutic workbooks for The Adoption Club written to address the key emotional and psychological challenges adopted children often experience. Together, they provide an approachable, interactive and playful way to help children to learn about themselves and have fun same time.

Walk in my shoes as a Sister in a religious order in the United States from 1955-78. Do what I did. Feel what I felt. Live the lived in utmost secrecy. Pats incredible story takes readers on a terrifying journey through 22 years of convent life in 20th America. Promised to God when she was dying at age 3, she eventually enters a Catholic order of women where she is controlled by rigid rules and must wear a cumbersome 17th century habit looking like a flying nun. During 3 years of formation she is stripped of her own identity and forced into a mold. She must give up the family she loves, while her Superiors squash her passion for music, and nature. She must live under vows that require blind obedience, no pay for her work, and untainted celibacy. All of sacrifices are demanded in Gods all-justifying Name. Leaving the convent would be turning her back on God and risking eternal damnation, Superiors say. After reading Pats true story, readers are faced with a question: Was Pat, and thousands of other women like her, abused by the very religion they loved? Emmy-award winning screenwriter and one of Pats mentors, Vickie P says, THE TEARS I COULDNT CRY is a triumph of the human spirit and an inspiration to anyone who is working up the courage to question cherished beliefs and seek closure through honest reflection and self-healing. Barnaby Conrad, co-founder of the Santa Barbara Writers Conference and its co-director for 33 years says that Pat has written her story that is terrifying and VERY moving.

The Tears I Couldn't Cry

More Than a Cookbook—A One-of-a-Kind Toolkit to Help You Make Smart Calorie Decisions Every Time You Eat You know that balancing the calories you take in and burn off is the foundation of weight control. But actually achieving that balance between eating and exercise is a daily challenge for most of us. Now, The Calories In, Calories Out Cookbook provides a fresh, sane approach for everyone seeking good health—and great food. Here is an essential repertoire of 200 smart recipes—nutrient-rich, delicious, foolproof, and ideal for busy individuals and families. Every recipe tells you its calorie count—and also tells you how many minutes of walking or jogging it takes for a woman or man to burn those calories off, so you'll be able to visualize what calories mean as never before. All the recipes are below 400 calories per serving—and most are below 200! The Calories In, Calories Out Cookbook also delivers: An introduction to the world of calories—what they are, how our bodies use them, and why we don't have to exercise off every last calorie we eat—by distinguished Cornell nutrition professor and author Malden Nesheim, PhD A guide to determining your daily calorie and exercise needs Helpful nutrition stats (including diabetic exchanges) for every recipe "Calorie combo" and "calorie cut" suggestions that help you formulate daily and weekly menus that fit your calorie needs Plenty of vegetarian and gluten-free options Dozens of tips on ingredients, equipment, prep, and cooking An extensive appendix of nearly 1,000 popular foods and drinks with their calorie values and nutritional info—and much, much more!

" . . . not a seminary text book . . . (but) an excellent book which is appropriate for lay preacher preparation, (church) officer training, group study and individual reading . . . a point of view which is highly relevant in today's cafeteria worship." Rev. John B. Rogers, Jr. - Montreat, NC " . . . some really good stuff here. Written to the level of the person who sits in the pew each Sunday, this book speaks to a generation that may rightfully fear for their worship tradition." Rev. Spencer Murray - Shreveport, LA "From Pentecostal to Episcopalian" raises issues which should be of interest to all Christians regardless of worship tradition . . . a useful study guide appropriate for all lay persons." Rev. John Albright - Winnsboro, LA It is a long road which separates Pentecostals from Episcopalians. Yet both denominations - and all the churches in between - claim allegiance to Jesus Christ as Lord and Savior. The worship styles cover the gamut from the free wheeling, spontaneous worship of the "low churches" to the set order of worship of the "high churches" dating back for centuries. All these churches, in some fashion or the other, claim kinship to American Protestantism. Why do Baptist in every worship service extend an invitation to come "and be saved"? Why do Presbyterians and Lutherans seem so staid and rigid? Why do Methodist appeal to "what's in your heart" and why do Episcopalians seem so much like the Catholics? Why do Pentecostals and non-denominational churches reject the worship traditions of the ancient church? In From Pentecostal to Episcopalian, the author traces the development of worship

and attempts to provide answers as to why Christianity seems more divided than ever before. John Guice is a teacher in a long line of educators. Having taught Sunday School classes for over forty years, John is also an accomplished lay preacher having filled the pulpit of many of the Presbyterian churches in North Louisiana and South Arkansas. He is in demand as a leader of officer training events in many local churches and has served his denomination at every level of church government. His particular interests are in the fields of theology and church history. In addition, John has served on the mission field in Haiti having most recently gone to Haiti some six weeks after the earthquake. Here on the mission field, he works with Living Waters for the World to install water purification systems for people who desperately need clean water.

Awaken your connection to Mother Earth as you journey through these peaceful encounters with the birds, the wind, and the trees. This collection of stories, poems, and meditations touches your soul and refreshes your spirit with its gentle wisdom and simple beauty. Evocative meditations will help you deepen your own connection to the Earth and will open your heart to the glorious world we are blessed to live in. Written by a shamanic healer and teacher who is deeply in touch with nature, Walk Gently Upon the Earth will awaken you to the living, vibrant beauty of this precious planet.

In an interview with Christianity Today in 2012, Ed Stetzer shared that according to LifeWay research among young adults who had attended church regularly for at least a year in high school, 70% stop attending regularly for at least a year between ages 18-22. However, 35% of these had returned to attending twice a month or more by the time they were surveyed for the study. This means that about 4 out of 10 kids leave the church and NEVER RETURN. Here is how leading experts describe our church kids today: They are unarmed and incapable of defending their faith. They possess a faith that cannot withstand the scrutiny of trials or intellectual questions. They have a shallow belief system. They lack a robust faith. They haven't learned how to think. They are embarrassingly ignorant of our faith. Truth Matters is written directly to this audience, arming them with well-reasoned responses to the accusations that are most likely to appear in their lives, either as upcoming lecture notes and test questions or as inner qualms and questions. Things like: What gives the Bible any authority or credibility? Where is God in a world full of suffering? Why should Christianity be any more believable than any other religious system? And many, many more. Easy to read yet loaded with meat and substance, this book is a level-headed reaction to those who equate Christian faith with "blind faith," even those whose subtle or stated goal is to separate students from their religious traditions. Readers will discover the kind of historical information and thinking skills that build a sturdy backbone of confidence in high schoolers and young adults, making them able to defend by "reasoned faith" what the Bible claims as truth. Loosely organized around the theological skepticism of New York Times bestselling author (and southern college educator) Bart Ehrman, this jam-packed counterclaim is a book that parents

Read Online The Confusing World Of Brothers Sisters And Adoption The Adoption Club Therapeutic Workbook On Siblings

will want to buy for their kids, a book that youth and student leaders will want to work through one-on-one and in discipleship groups—a book that could prove a lifesaver for young minds and hearts everywhere.

Friendship is so complicated! The children of The Adoption Club think they are friends - they go to the same school and belong to The Adoption Club. But what does it mean? What is the difference between a casual and a close friend? How should you respond to teasing? It's time for The Adoption Club to explore friendship. Written for counsellors and therapists working with children aged 5-11, as well as adoptive parents, this workbook is designed to help explore friendship, staying safe and social skills. It is one of a set of five interactive therapeutic workbooks featuring The Adoption Club written to address the key emotional and psychological challenges adopted children often experience. Together, they provide an approachable, interactive and playful way to help children to learn about themselves and have fun at the same time.

This is an interdisciplinary study of Chinese modernity in the context of globalisation from the late 19th century onwards. The text draws on Chinese literature, film, art, photography, and video to map the emergence of modern China in relation to the capitalist world-system in the economic, social, and political realms.

He was my poison, my drug of choice, and like a junky, I came back for more. Alanna The world was a dark, and lonely place. It was even darker when the one person you needed was the last one you should ever want. Reyes was a lot of things, but most importantly he was my best friend's brother as well as the local motorcycle club's president. Reyes was tall, brooding, six foot four inches of tattooed perfection. Basically, he was every women's walking fantasy. Reyes was also the one person who could keep me safe and destroy me while doing it. Then, I let Reyes take me, and he showed me all of the things woman wanted to know. Although I was left picking up the pieces when he left me in his wake. But, I found myself running to him and begging him for the safe haven I knew only he could provide. Reyes I was the president of the Grimm Brothers MC, and I've wanted my sister's best friend for years. When I finally get her under me, I let her slip through my fingers. Run little rabbit run. There is no place you can go that I won't find you.

*There was a s**t storm brewing in another club's chapter. Things get messy, and they take Alanna as insurance. Wrong move. Now, I needed to kill a few brothers to collect my old lady and unborn child. The two biggest questions are how many do I need to kill and how slowly could I make them suffer before they die. Can her love for Reyes keep her going during difficult times? How far will he go to get her back?*

There are many kinds of adoption -- and in this workbook the children of The Adoption Club find out about all of them! The children of The Adoption Club are all different. There's Mary who was adopted from China by her single mum, Alice, who is still in touch with her birth parents in an 'open adoption'; siblings Angela and Michael who lived in different homes for many years but are now back together; Robert who loves to do stunts in his wheelchair; and Alexander who grew up with lots of children in a care home. Written for counsellors and therapists working with children aged 5-11, as well as adoptive parents, this workbook is one of a set of five interactive therapeutic workbooks written to address the key emotional and psychological challenges they are likely to experience. They provide an approachable, interactive and playful way to help children to learn about themselves and have fun at the same time.

The Confusing World of Brothers, Sisters and Adoption The Adoption Club Therapeutic Workbook on Siblings Jessica Kingsley Publishers

This work addresses Lasallian pedagogical spirituality, defined as the dynamic integration of foundational convictions, basic operative commitments, and consistent practices permeating the teaching dimensions of schools that claim the heritage of St. John Baptist de La Salle and the Brothers of the Christian Schools. The dissertation examines the content of Lasallian pedagogical spirituality and proposes measures for realizing its vitality within Lasallian school life. Particular pedagogical characteristics, components of an overall pedagogical spirituality, are present in the original charism

of St. John Baptist de La Salle. The basic operative commitments that underlie those characteristics ought to be integrally realized in a pedagogy that claims to be Lasallian and wholly incorporated in the formation of Lasallian educators. There are three sequential parts to the dissertation: 1) an overview of the St. John Baptist de La Salle's context and personal history, 2) an overview of his literature followed by an analysis of aspects of Lasallian pedagogical spirituality evidenced in that literature according to five pedagogical elements: the teacher, the student, the teacher/student relationship, the activity of teaching, and the school in general, and 3) a contemporary articulation of the Lasallian basic operative commitments that characterize his spirituality today, along with their implications for the formation of Lasallian educators Extrapolating from the life and writings of De La Salle, ten Lasallian operative commitments are proposed. The commitments are presented in the form of attributes that may be applied to Lasallian institutions and their pedagogical components: 1) centered in and nurtured by the life of faith, 2) trusting providence in discerning God's will, 3) with creativity and fortitude, 4) through the agency the Holy Spirit, 5) incarnating Christian paradigms & dynamics, 6) with practical orientation, 7) devoted to education, accessible and comprehensive, 8) committed to the poor, 9) working in association, 10) expressing a lay vocation. The dissertation concludes by presenting teacher formation structures and strategies for introducing Lasallian operative commitments and by providing a Lasallian Mission and Vision Statement.

Starting high school is never easy. Seniors take your lunch money. Girls you've known forever are suddenly beautiful and unattainable. The guys you grew up with are drifting away. And you can never get enough sleep. Could there be a worse time for Scott's mother to announce she's pregnant? Scott decides high school would be a lot less overwhelming if it came with a survival manual, so he begins to write down tips for his new sibling. Scott's chronicle of his first year of bullies, romance, honors classes, and brotherhood is both laugh-out-loud funny and touchingly wise.

Practical Insights for Living a Meaningful Life

Guys, let's face it. Chicks are confusing. Not only that, they really don't want you to know what's up with them and they certainly don't want you to figure them out. This can lead to a lot of frustration. But, if you're looking for answers, look no farther. Dag Albright has the answers in Chicks: A User's Guide to Dating, Love and Sex. This book will not only tell you how to avoid doing something wrong when meeting and dating women, but will also tell you how to do it right. Rejection isn't fun for anyone and knowing how to avoid it from the get-go is the key to dating well. If you are looking to become a pro at dating, this book can definitely help. Packed with insight and information about women, it will teach even the novice what works with women and how to apply it to everyday life. It will get you out of the "friend zone" and into the dating zone. Guys don't have to be millionaires or drive fancy sports cars in order to attract women. But they do need the knowledge of what really works and what doesn't. This book does just

that. Dating is fun and should be seen as such. This book teaches you how to take it all less seriously and enjoy the process of looking for "The One." If you want to learn more, *Chicks: A User's Guide to Dating, Love and Sex* can put you on the path to a better dating life.

The bestselling World War II adventure story based on Sloan Wilson's experiences as a Coast Guard officer on the Greenland patrol After the attack on Pearl Harbor, Paul Schuman, a college senior and summer sailor, enlists in the Coast Guard. His beautiful, mercurial wife, Sylvia, wants him to stay at home in Massachusetts, but Paul is ready for adventure and eager to serve his country. His active duty begins when, without a day of training, he is assigned to be the executive officer aboard the *Arluk*, a converted fishing trawler patrolling the coast of Greenland for secret German weather bases. At the helm of the *Arluk* is Lt. Cdr. "Mad" Mowry, the finest ice pilot and meanest drunk in the Coast Guard. Paul has a lot to learn from his captain, but not as much as communications officer Nathan Greenberg does. A Brooklyn engineer, Nathan does not know the difference between a ship's bow and its stern. No matter how nasty Mowry might be, Schuman and Greenberg have to pay close attention, because deadly icebergs, dangerous blizzards, and menacing Nazi gunboats lurk along the frigid Arctic coastline. Surviving the war, Schuman soon realizes, will require every ounce of courage and intelligence he possesses—and that is before Mowry breaks down and the young officer is forced to take command of the *Arluk* and its crew at the worst possible moment. A masterful blend of high drama and convincing realism, *Ice Brothers* is a true classic of World War II and one of Sloan Wilson's finest novels.

James was a vegetarian, wore only linen clothing, bathed daily at dawn in cold water, and was a life-long Nazirite. In this profound and provocative work of scholarly detection, eminent biblical scholar Robert Eisenman introduces a startling theory about the identity of James—the brother of Jesus, who was almost entirely marginalized in the New Testament. Drawing on long-overlooked early Church texts and the Dead Sea Scrolls, Eisenman reveals in this groundbreaking exploration that James, not Peter, was the real successor to the movement we now call "Christianity." In an argument with enormous implications, Eisenman

identifies Paul as deeply compromised by Roman contacts. James is presented as not simply the leader of Christianity of his day, but the popular Jewish leader of his time, whose death triggered the Uprising against Rome—a fact that creative rewriting of early Church documents has obscured. Eisenman reveals that characters such as "Judas Iscariot" and "the Apostle James" did not exist as such. In delineating the deliberate falsifications in New Testament documents, Eisenman shows how—as James was written out—anti-Semitism was written in. By rescuing James from the oblivion into which he was cast, the final conclusion of James the Brother of Jesus is, in the words of The Jerusalem Post, "apocalyptic" —who and whatever James was, so was Jesus.
