

## The Copycat Fish

Although his friends want to ignore the new striped fish in their midst, Rainbow Fish decides to help him when a shark attacks.

Marcus Pfister’s award-winning Rainbow Fish is back--"in a brand-new adventure! This time, Rainbow Fish gets lost in an undersea storm and has to find his way back home. Luckily, with the help of some new friends, it isn't long before Rainbow Fish is reunited with his friends."

When a big blue whale comes to live near their reef, there is a misunderstanding between him and Rainbow Fish and his friends that leaves everyone very unhappy and hungry.

What happens when the creatures of the sea take Peter Alan up on his offer? Something fishy, of course! At first, their visit is all fun and games, but then, things really start to get out of hand? Watch out for a bucking bull shark at the rodeo, the invasion of a playful pictorial puns hidden in these striking, surrealistc illustrations. An endpaper identifying over 30 species of fish appearing in the book is an educational bonus. Here is a fantastic flight of fancy that every child will savor, with a subtle message: Be careful what you wish for!

**The Great Barrier Reef and its fragile ecology provides the background for this counting book.**

**The Rainbow Fish series has sold millions of copies world wide, and now this beloved character returns with the last book in the hardcover series.**

**Get the recipes everyone is talking about in the debut cookbook from the wildly popular blog, Skinnytaste. Gina Homolka is America’s most trusted home cook when it comes to easy, flavorful recipes that are miraculously low-calorie and made from all-natural, easy-to-find ingredients. Her blog, Skinnytaste is the number one go-to site for slimmed down recipes that you’d swear are anything but. It only takes one look to see why people go crazy for Gina’s food: cheesy, creamy Fettuccini Alfredo with Chicken and Broccoli with only 420 calories per serving, breakfast dishes like Make-Ahead Western Omelet "Muffins" that truly fill you up until lunchtime, and sweets such as Double Chocolate Chip Walnut Cookies that are low in sugar and butter-free but still totally indulgent. The Skinnytaste Cookbook features 150 amazing recipes: 125 all-new dishes and 25 must-have favorites. As a busy mother of two, Gina started Skinnytaste when she wanted to lose a few pounds herself. She turned to Weight Watchers for help and liked the program but struggled to find enough tempting recipes to help her stay on track. Instead, she started “skinny-fying” her favorite meals so that she could eat happily while losing weight. With 100 stunning photographs and detailed nutritional information for every recipe, The Skinnytaste Cookbook is an incredible resource of fulfilling, joy-inducing meals that every home cook will love.**

“Spectacular cake creations [that] are positively bursting with beauty, color, flavor, and fun . . . this book will ignite the baking passion within you!” —Pioneer Woman Ree Drummond, #1 New York Times–bestselling author Grandbaby Cakes is the debut cookbook from sensational food writer, Jocelyn Delk Adams. Since founding her popular recipe blog, Grandbaby Cakes, in 2012, Adams has been putting fresh twists on old favorites. She has earned praise from critics and the adoration of bakers both young and old for her easygoing advice, rich photography, and the heartwarming memories she shares of her grandmother, affectionately nicknamed Big Mama, who baked and developed delicious, melt-in-your-mouth desserts. Grandbaby Cakes pairs charming stories of Big Mama’s kitchen with recipes ranging from classic standbys to exciting adventures—helpfully marked by degree of difficulty—that will inspire your own family for years to come. Adams creates sophisticated flavor combinations based on Big Mama’s gorgeous centerpiece cakes, giving each recipe something familiar mixed with something new. Not only will home bakers be able to make staples like yellow cake and icebox cake exactly how their grandmothers did, but they’ll also be preparing impressive innovations, like the Pineapple Upside-Down Hummingbird Pound Cake and the Fig-Brown Sugar Cake. From pound cakes and layer cakes to sheet cakes and “baby” cakes (cupcakes and cakelettes), Grandbaby Cakes delivers fun, hip recipes perfect for any celebration. “[Adams] offers up her greatest hits alongside sweet stories of her family’s generations-old baking traditions.” —People.com “There is a heritage of love and tradition steeped in her recipes . . . A trip down memory lane that ends with delicious treats on your table.” —Carla Hall, TV chef and author of Carla Hall’s Soul Food

Following the spectacular launch of this new series, Rainbow Fish, Spike, Rosie, and all the other students in Miss Cuttle’s undersea classroom return in two new adventures.

IKEA’s future living lab SPACE10 has made their first ever cookbook with a collection of recipes based on future food trends. What we eat today shapes tomorrow. Considering the world’s food production is challenging the planet, we need to eat in alternative ways - now and in the future. Future Food Today is a collection of recipes based on future food trends, straight from the SPACE10 food lab and test kitchen. The book expresses SPACE10’s beliefs around food and food production. From “dogless hotdogs” and “algae chips”, to “bug burgers” and “microgreen popsicles”, it’s packed with dishes we could one day be eating on a regular basis. It also includes simple guides to producing food locally and sustainably, and explains how to use alternative ingredients, gastronomic innovation and technology—such as hydroponic farming—to offer an alternative to the planet’s growing demand for food and excessive consumption of meat. Features • Future Food Today is both a coffee table book and a kitchen tool, challenging the category of cookbooks both visually and conceptually. • It frames the zeitgeist around food and future food in a visually appealing and easily understandable way. • Futuristic and aspirational, this cookbook with a lab mindset offers a down-to-earth and hands-on approach to food.

If Ivar’s isn’t a landmark, it ought to be. Serving local seafood—salmon, oysters, clams, halibut—for 75 years, it is one of the most successful restaurants in the Pacific Northwest. With their first cookbook, they serve up home-cooking recipes from the restaurant’s extensive repertoire of seafood dishes. But what else would you expect from the folks whose motto is “keep clam”? Ivar’s has a lively history of creative self-promotion, from their wild, giant dancing clams ads to their announced plan to introduce the iSpoon in 2015. The cookbook contains 60 of Ivar’s best recipes, tantalizing photography, and a gathering of anecdotes and ephemera from three-quarters of a century of restaurant adventures, marketing feats and pranks, and dedication to serving its customers. *5% OFF FOR BOOKSTORES What if you could make your favorite dishes easily and with a step-by-step process? That's it! Then this is the right cookbook for you to become a wizard in the kitchen! This may seem like a challenge, but it could be a lot easier than you imagine. In this cookbook you will find some of the most popular poultry and fish dishes. Chefs usually take a meal at a restaurant to figure out what ingredients make the dish so perfect: the ingredients used, the exact size, and how long it takes to cook. These have been translated into a new variety and collected in this fantastic cookbook! These "top-secret" recipes are revolutionizing home cooking everywhere. The recent influx of recipes has really made cooking more fun. Copied recipes allow you to prepare dishes that cost only a fraction of the price at a restaurant. When you are trying to cut costs, you save a lot by cooking your own dishes at a restaurant. It is very easy to prepare your own dishes at a restaurant and save some money. These dishes can be made healthier, and you can prepare many of them to share with friends and family. Be sure to watch your health measures with some of the healthy substitutes I also suggested in the book. Cooking also shows that there are no shortcuts to performance. You can substitute less healthy ingredients for healthier ones when you make those famous restaurant recipes at home. With these "top secret" recipes, you can get a taste of the best restaurant dishes in the comfort of your own home. This compilation consists of recipes that are homages to the originals, but distinctly your own. In this cookbook you will find the TOP recipes of the last decade, some are listed here: WHITE FISH WITH SESAME NOODLES SPICY FISH STEW FISH PIE WITH PEA & DILL MASH CINNAMON AND CAYENNE CHICKEN GRILLED CHICKEN TENDERLOINS ...and much more Now you can bring the cuisine of your favorite restaurant into your home with the help of these "top secret" recipes and be the chef to prepare hundreds of your favorite gourmet recipes. You have full control over them. Like the original dishes, how do you learn the taste of these recipes? Conquering the challenges of cooking at home often starts by changing the way you view meal preparation or the time invested in the kitchen. Ready to get started?
