*The Country Under My Skin A Memoir Of Love
And War Gioconda Belli*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The first volume of the autobiography of Doris Lessing, author of 'The Grass is Singing' and 'The Golden Notebook', and Winner of the Nobel Prize for Literature 2007. Winner of the James Tait Black Prize 1994.

Fourteen unforgettable short stories provoke, illuminate, and startle as they explore our perception of nature and the conflict between wildness and civilization within each of us. As we are recognizing the consequences of the destruction of forests and wetlands, the pillaging of the seas, and the toxicity of industry, we are experiencing profound uncertainty about our relationship with the earth. These stellar short stories by writers such as Barry Lopez, Rick Bass, Margaret Atwood, E. L. Doctorow, Chris Offutt, and others plumb the mystery--as only fiction can--of nature within us and the world of nature that surrounds us. We are nature, in spite of our machines, our plastics, and our artificial ingredients. Yet what do we make of our own nature? Our own wildness? And how do we explain the paradox of our urge to both exploit and protect wilderness? From E. L. Doctorow's shattering tale, "Willi," in which a young boy witnesses adults transformed into animals by the frenzy of sexual lust, to Rick Bass's "Swamp Boy," whose young hero is hounded by a pack of boys incensed by his solitary communion with the wild, to Margaret Atwood's wickedly funny story, "My Life as a Bat," or Kent Meyers's soulful ballad of love regained, "The Heart of the Sky," these memorable

The New York Times best-selling book exploring the counterproductive reactions white people have when their assumptions about race are challenged, and how these reactions maintain racial inequality. In this "vital, necessary, and beautiful book" (Michael Eric Dyson), antiracist educator Robin DiAngelo deftly illuminates the phenomenon of white fragility and "allows us to understand racism as a learned behavior, not restricted to 'bad people' (Claudia Rankine). Referring to the defensive moves that white people make when challenged racially, white fragility is characterized by emotions such as anger, fear, and guilt, and by behaviors including argumentation and silence. These behaviors, in turn, function to reinstate white racial equilibrium and prevent any meaningful cross-racial dialogue. In this in-depth exploration, DiAngelo examines how white fragility develops, how it protects racial inequality, and what we can do to engage more constructively.

A Fine Balance, Rohinton Mistry's stunning internationally acclaimed bestseller, is set in mid-19

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

India. It tells the story of four unlikely people whose lives come together during a time of political turmoil soon after the government declares a "State of Internal Emergency." Through days of despair and hope, their circumstances – and their fates – become inextricably linked in ways no one could have foreseen. Mistry's prose is alive with enduring images and a cast of unforgettable characters. With compassion, humour, and insight, *A Fine Balance* is a vivid, richly textured, and powerful novel written by one of the most gifted writers of our time.

Critically acclaimed novelist Jim Grimsley looks back at the federally mandated racial integration program in a school in 1966, remembering his own first real encounters with black children and their culture. The result is a true and moving personal narrative of race relations.

In the early 1990s, at the watershed age of thirty, Marilyn Abildskov decided she needed to start over. She accepted an offer to move from Utah to Matsumoto, Japan, to teach English to junior high school students. "All I knew is that I had to get away and when I stared at my name on the Japanese name cards—the squiggles of katakana, my name typed in English sturdily beneath, I liked how it looked. As I lived—were translated, transformed, emerging now as someone new." *The Men in My Country* is the story of an American woman living and loving in Japan. Satisfied at first to observe her exotic surroundings, the woman falls in love with the place, with the light, with the curve of a river, with the smell of incense during obon, with blue and white porcelain dishes, with pencil boxes, and with small origami birds. Later, struggling for a deeper connection—"I wanted the country under my skin"—Abildskov meets three men who will be part of her transformation and the one man with whom she will fall deeply in love. A travel memoir offering an artful depiction of a very real place, *The Men in My Country* covers the terrain of a complex emotional journey, tracing a geography of the heart, showing how to move to be moved, how in losing ourselves in a foreign place we can become dangerously—

When I Was Puerto Rican

Jackie Under My Skin

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

The Skin We're In

Inheritance

I've Got You Under My Skin

This memoir is an account of the Nicaraguan revolution, of meetings with Fidel Castro and exile in Costa Rica, and it is a tale of political and romantic awakening as Gioconda Belli learnt to fight against the shackles of society.

Lavinia is *The Inhabited Woman*: accomplished, independent, and fiercely modern. She is sheltered and self-involved, until the spirit of an Indian woman warrior enters her being, then she dares to join a revolutionary movement against a violent dictator and—through the power of love—finds the courage to act. The Wisconsin edition is for sale only in North America.

Tras casarse muy joven y ser madre, Gioconda Belli se unió al clandestino y emergente movimiento Sandinista, sustituyendo su deseo de ser una buena esposa por la necesidad de vivir una vida plena y comprometida con los cambios sociales en su país. Irónicamente, su pertenencia a la burguesía y su carrera como poeta renombrada, le brindaron la fachada que le permitió funcionar, secretamente, como rebelde. Desde su infancia en Managua y sus encuentros iniciales con poetas y revolucionarios, a persecuciones urbanas, reuniones con Fidel Castro, relaciones amorosas truncadas por la muerte o el exilio en México y Costa Rica, hasta su inesperado matrimonio con un periodista norteamericano, la historia de Gioconda Belli es tanto la de una mujer que se descubre a sí misma, como la de una nación

Lives don't get much more passionately driven than that of the Nicaraguan revolutionary Gioconda Belli. She was educated by nuns and lived a life of privilege as a child and well-heeled society girl until she made the choice to join the Sandinistas in her twenties to serve and then lead in their underground resistance. If part of her wanted to fulfil society's classic code of femininity and produce four children (which she did), there was also part that wanted the privileges of men - the freedom to carry out clandestine

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

operations, to forge the Sandinista resistance effort even with toddler and infant in tow. 'Conspiracy came easy to me,' confesses Belli. She hid political pamphlets from her first husband as she hid her love affairs with remarkable men. From Nicaragua to Cuba where she locked horns with Castro, to exile in Costa Rica where she organized an underground network, back to a triumphant if shortlived Sandinista government where she was in charge of State television, Gioconda Belli's life crackles on the page. THE COUNTRY UNDER MY SKIN is a unique blend of real-life intrigue - political and romantic - and hard-won wisdom.

Jackie Under My Skin is a nuanced description of how Jacqueline Kennedy Onassis transformed our definitions of personal identity and style. As Wayne Koestenbaum follows her into America's dreamwork, far from pious "family values," he dares to see her as a pleasure principle, a figure of Circean extravagance, and liberates her from the propagandistic uses to which her image is often harnessed.

Mexico's Revolution Then and Now

In Our Nature

Gioconda Belli's poetry, widely published and revered in Latin America and Europe, celebrates the longing for a society in which humanity constructs its future, animated by an inextinguishable erotic, maternal, and transcendentally loving desire. As Salman Rushdie wrote in his book, The Jaguar Smile: A Nicaraguan Journey, her poetry is a "kind of public love poetry that comes clower, to expressing the passion of Nicaragua than anything I [have] yet heard."

For the past six months, something has been happening to young people in Santa Feliz. Week after week, there's news of another teen changing shape, transforming from human to wild animal and back again. The federal government has stepped in, asking affected youth to turn themselves in for "orientation and training." Josh Saunders has seen the news reports, but he's still unprepared when it happens to him. One minute he's arguing with his mother's boyfriend and the next he's looming over the man, blood dripping from his claws--he has transformed into a mountain lion. Trusting only his best friends Des and Marina with his secret, Josh tries to return to normal life. But when an accidental betrayal reveals Josh's secret, his carefully constructed cover is ripped apart, forcing his friends to intervene. They must grudgingly put their trust in outsiders, including other Wildlings--and, most challenging, in each other--if they ever hope to save him.

“A must-read for anyone interested in Nicaragua—or in the overall issue of social change.”—Margaret Randall, author of SANDINO'S DAUGHTERS and SANDINO'S DAUGHTERS REVISITED Sandinista is the first English-language biography of Carlos Fonseca Amador, the legendary leader of the Sandinista National Liberation Front of Nicaragua (the FSLN) and the most important and influential figure of the post-1959 revolutionary generation in Latin America. Fonseca, killed in battle in 1976, was the undisputed intellectual and strategic leader of the FSLN. In a groundbreaking and fast-paced narrative that draws on a rich archive of previously unpublished Fonseca writings, Matilde Zimmermann sheds new light on central themes in his ideology as well as on internal disputes, ideological shifts, and personalities of the FSLN. The first researcher ever to be allowed access to Fonseca's unpublished writings (collected by the Institute for the Study of Sandinism in the early 1980s and now in the hands of the Nicaraguan Army), Zimmermann also obtained personal interviews with Fonseca's friends, family members, fellow combatants, and political enemies. Unlike previous scholars, Zimmermann sees the Cuban revolution as the crucial turning point in Fonseca's political evolution. Furthermore, while others have argued that he rejected Marxism in favor of a more pragmatic nationalism, Zimmermann shows how Fonseca's political writings remained committed to both socialist revolution and national liberation from U.S. imperialism and followed the ideas of both Che Guevara and the

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

earlier Nicaraguan leader Augusto César Sandino. She further argues that his philosophy embracing the experiences of the nation's workers and peasants was central to the FSLN's initial platform and charismatic appeal.

*From an award-winning writer at the New York Times Magazine and a contributor to the 1619 Project comes a landmark book that tells the full story of racial health disparities in America, revealing the toll racism takes on individuals and the health of our nation. In 2018, Linda Villarosa's New York Times Magazine article on maternal and infant mortality among black mothers and babies in America caused an awakening. Hundreds of studies had previously established a link between racial discrimination and the health of Black Americans, with little progress toward solutions. But Villarosa's article exposing that a Black woman with a college education is as likely to die or nearly die in childbirth as a white woman with an eighth grade education made racial disparities in health care impossible to ignore. Now, in *Under the Skin*, Linda Villarosa lays bare the forces in the American health-care system and in American society that cause Black people to "live sicker and die quicker" compared to their white counterparts. Today's medical texts and instruments still carry fallacious slavery-era assumptions that Black bodies are fundamentally different from white bodies. Study after study of medical settings show worse treatment and outcomes for Black patients. Black people live in dirtier, more polluted communities due to environmental racism and neglect from all levels*

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

of government. And, most powerfully, Villarosa describes the new understanding that coping with the daily scourge of racism ages Black people prematurely. Anchored by unforgettable human stories and offering incontrovertible proof, Under the Skin is dramatic, tragic, and necessary reading.

Reinaldo Arenas was born to a poverty-stricken family in rural Cuba. By the time of his death in New York four decades later, he had become one of Cuba's most important poets, an outspoken critic of Castro's regime and one of the leading gay voices of the twentieth century. In *Before Night Falls*, Arenas tells of his odyssey from young rebel fighting for the Revolution, through his suppression as a writer, his disillusionment with Castro, his imprisonment and torture, to his eventual exile from Cuba to New York, where in 1987 he was diagnosed with AIDS. He committed suicide in 1990, ending a life of constant struggle against repression. In a farewell note, Arenas wrote: Due to my delicate state of health

and to the terrible depression that causes me not to be able to continue writing and struggling for the freedom of Cuba, I am ending my life ... I do not want to convey to you a message of defeat, but of continued struggle and hope. Cuba will be free. I already am. (signed) Reinaldo Arenas

Written to commemorate the one hundredth anniversary of the first predominantly anti-capitalist revolution in the world, Mexico's Revolution Then and Now is the perfect introductory text and one that will also sharpen the understanding of seasoned observers. Cockcroft provides readers with the historical context within which the revolution occurred; explains how the revolutionary process has played out over the past ten decades; tells us how the ideals of the revolution live on in the minds of Mexico's peasants and workers; and critically examines the contours of modern Mexican society, including its ethnic and gender dimensions. Well-deserved attention is paid to the tensions between the rulers and the ruled inside the country and the connected tensions between the Mexican nation and the neighboring giant to the north. Mexico's Revolution Then and Now also explores the possibility of Mexico's revolutionary history finally bearing the fruit long hoped for by the country's disenfranchised—a prospect kept alive by the unyielding struggle of the last one hundred years. This is the definitive introduction to one of the most important events of the twentieth century.

In this gripping #1 New York Times bestseller from Queen of Suspense Mary Higgins Clark, a Manhattan ER doctor is brazenly murdered in front of his young son in a city playground. Five years later, his killer is still at large. When Laurie Moran's husband was brutally murdered, only three-year-old Timmy saw the face of his father's killer. Five years later his piercing blue eyes still haunt Timmy's dreams. Laurie is haunted by more—the killer's threat to her son as he fled the scene: "Tell your mother she's next, then it's your turn..." Now Laurie is dealing with murder again, this time as the producer of a true-crime, cold-case television show. The series will launch with the twenty-year-old unsolved murder of Betsy Powell. Betsy, a socialite, was found suffocated in her bed after a gala celebrating the graduation of her daughter and three friends. The sensational murder was news nationwide. Reopening the case in its lavish setting and with the cooperation of the surviving guests that night, Laurie is sure to have a hit on her hands. But when the estranged friends begin filming, it becomes clear each is hiding secrets...small and large. And a pair of blue eyes is watching events unfold, too...

Why It's So Hard for White People to Talk About Racism

In the year 2368, humanity struggles to recuperate from a technocaust that has left a generation of orphans in its wake. Strict government regulations convince people that technology is dangerous; confusion and fear rule the earth. Blay Raytee is a government work-camp orphan. Her future seems as bleak as that of the world around her. But when she is chosen for a special mission by a guardian of the environment named Marrella, Blay begins to discover that all may not be as it seems. The secrets she uncovers could hold the key both to the healing of the world and to her own past. What she learns may just empower her to join those who struggle to restore democracy -- and to discover at last who she really is. Master storyteller Janet McNaughton vividly imagines an all-too-believable future where one child's brave search for the truth could restore a broken world.

work with Sinatra, Cole and Garland.

In the spring of 1995, Nate Cartwright has lost everything: his parents are dead, his older brother wants nothing to do with him, and he's been fired from his job as a journalist in Washington DC. With nothing left to lose, he returns to his family's summer cabin outside the small mountain town of Roseland, Oregon to try and find some sense of direction. The cabin should be empty. It's not. Inside is a man named Alex. And with him is an extraordinary little girl who calls herself Artemis Darth Vader. Artemis, who isn't exactly as she appears. Soon it becomes clear that Nate must make a choice: let himself drown in the memories of his past, or fight for a future he never thought possible. Because the girl is special. And forces are descending upon them who want nothing more than to control her.

Min Lee is a workaholic who can't say no. She substitutes sleep with Red Bull and, through a combination of repression and bad habits, has managed to score herself a luxury apartment, a fabulous boyfriend and the approval of her billionaire CEO. Things are looking pretty awesome... well, apart from those body

defined by country music, NASCAR, and the confederacy. He'd fled the South long ago, transforming himself into a politically left-leaning writer and educator. Then he was accused of discriminating against a Black student at a local university. How could I be racist? he wondered. Whiteness was a problem, but it wasn't really his problem. He taught at a majority Black school and wrote essays about education and Civil Rights. But it was his problem. Working as a reporter, it became clear that white supremacy was tearing the country apart. When a white kid from his hometown massacred nine Black people in Charleston, Woods began to delve into his family's history—and the ways that history has affected his own life. When he discovered that his family—both the Baynards and the Woodses—collectively claimed ownership of more than 700 people in 1860, Woods realized his own name was a confederate monument. Along with his name, he had inherited privilege, wealth, and all the lies that his ancestors passed down through the generations. In this gripping and perceptive memoir, Woods takes us along on his journey to understand how race has impacted his life. Unflinching and uninhibited, *Inheritance* explores what it means to reckon with whiteness in America today and what it might mean to begin to repair the past.

Esmeralda Santiago's story begins in rural Puerto Rico, where her childhood

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Can it ever get better? This is the question Benjamin Watson is asking. In a country aflame with the fallout from the racial divide—in which Ferguson, Charleston, and the Confederate flag dominate the national news, daily seeming to rip the wounds open ever wider—is there hope for honest and healing conversation? For finally coming to understand each other on issues that are ultimately about so much more than black and white? An NFL tight end for the New Orleans Saints and a widely read and followed commentator

Bookmark File PDF The Country Under My Skin A Memoir Of Love And War Gioconda Belli

on social media, Watson has taken the Internet by storm with his remarkable insights about some of the most sensitive and charged topics of our day. Now, in *Under Our Skin*, Watson draws from his own life, his family legacy, and his role as a husband and father to sensitively and honestly examine both sides of the race debate and appeal to the power and possibility of faith as a step toward healing.

A powerful memoir by the acclaimed Nicaraguan writer describes her privileged youth, her growing awareness of Nicaragua's social inequities, her involvement with the Sandinistas, her current life with an American husband and children, and her continuing devotion to her country and its people.

Wildlings Book 1: Under My Skin

Sandinista

The Daily Show (The Book)

A Year of Black Resistance and Power

An involuntary misfit, due to her supposedly unique physical appearance, resolute character and unusual speaking style, life challenged her in many ways. Wherever she went, questions were asked, assumptions were made...

only for other people's comfort, to be placed in a box that was never her choice. She left alienated and alone. Along with such ordeals her life unraveled, losing people whom she loved and cherished in rapid succession, including coming close to losing the father of her children as well. Born during the twilight decade of Apartheid, her family was deported twice due to the Immorality Act, with everything being taken from them, with. But who became this person? Who was her family? Why did she emigrate to a foreign country at a young age? And would she find a sanctuary there for herself?... and so the story unfolds."

Rueben Jackson, an ex-pimp and con artist, once known as the most dangerous man in the city, would stop at nothing to get what he wanted, and what he wanted most was money and power. After years of leading a notorious life, Rueben decided to give up the game for a more luxurious lifestyle. But when he met the elegantly beautiful Madeline Douglas, his life would never be the same again. Not only was Madeline beautiful and very rich, but she was also the wife of the city's highest and most powerful elected official, Mayor David K. Douglas. Although Madeline was aware of the power that she possessed being the city's first lady, she was satisfied at being a housewife and hostess and living in the shadows of her famous husband. But after meeting the handsome businessman Rueben Jackson on

one of her frequent outings, she became infatuated and lost touch with everything-including her own life. But Madeline's problems did not stop there. She also became pregnant with the son that David had always wanted. But the question that kept haunting her: Was the baby David's? In May 2015, the cover story of Toronto Life magazine shook Canada's largest city to its core. Desmond Cole's "The Skin I'm In" exposed the racist practices of the Toronto police force, detailing the dozens of times Cole had been stopped and interrogated under the controversial practice of carding. The story quickly came to national prominence, went on to win a number of National Magazine Awards and catapulted its author into the public sphere. Cole used his newfound profile to draw insistent, unyielding attention to the injustices faced by Black Canadians on a daily basis- the devastating effects of racist policing; the hopelessness produced by an education system that expects little of its black students and withholds from them the resources they need to succeed more fully; the heartbreak of those vulnerable before the child welfare system and those separated from their families by discriminatory immigration laws. Both Cole's activism and journalism find vibrant expression in his first book, The Skin We're In. Puncturing once and for all the bubble of Canadian smugness and naive assumptions of a post-racial nation, Cole chronicles just one year-2017-in

the struggle against racism in this country. It was a year that saw calls for tighter borders when African refugees braved frigid temperatures to cross into Manitoba from the States, racial epithets used by a school board trustee, a six-year-old girl handcuffed at school. It was also a year of solidarity between Indigenous people and people of colour in Canada, a commitment forged in response to sesquicentennial celebrations that ignored the impact of violent conquest and genocide. The year also witnessed the profound personal and professional ramifications of Desmond Cole's unwavering determination to combat injustice. In April, Cole disrupted a Toronto police board meeting by calling for the destruction of all data collected through carding. Following the protest, Cole, a columnist with the Toronto Star, was summoned to a meeting with the paper's opinions editor and was informed that his activism violated company policy. Rather than limit his efforts defending Black lives, Cole chose to sever his relationship with the publication. Then in July, at another TPS meeting, Cole challenged the board publicly, addressing rumours of a police cover-up of the beating of Dafonte Miller by an off-duty police officer and his brother. A beating so brutal that Miller lost one of his eyes, and that went uninvestigated for four months. When Cole refused to leave the meeting until the question was publicly addressed, he was arrested. The

image of Cole walking, handcuffed and flanked by officers, out of the meeting fortified the distrust between the city's Black community and its police force. (A trespassing charge against Cole will be challenged in the new year as a violation of his right to freedom of expression.) In a month-by-month chronicle, Cole locates the deep cultural, historical and political roots of each event so that what emerges is a personal, painful and comprehensive picture of entrenched, systemic inequality. Urgent, controversial and unsparingly honest, The Skin We're In is destined to become a vital text for anti-racist and social justice movements in Canada, as well as a potent antidote to the all-too-present complacency of many white Canadians.

I made money I'd never imagined and I wore velvet dresses and shone in lamplight. I walked tall in crowds, knowing myself to be desired. I told people I was a prostitute, and smiled as I said it, and dared them to turn their gaze...The smile that I give when I talk about it now is, I can feel, nostalgic, provocative. A brightness comes into my eyes. And, I'm told, a hard look too. In My Skin describes an extraordinary journey through an often hidden world of heroin and prostitution. Kate's story is one of survival and resourcefulness, and an unflinching look at the consequences of addiction. More than just a fearless and compelling narrative, In My Skin

is the triumphant announcement of a new talent in Australian writing.

In the Skin of a Lion

Walking in My Skin

Under My Skin

Interpreting an Icon

Infinity in the Palm of Her Hand

An Autobiography of Whiteness

First published in 1981 in the wake of the Sandinista National Liberation Front (FSLN) revolution in Nicaragua, Sandino's Daughters can now be seen not as a triumph of revolutionary ideals, but as a triumph of the spirit. Through a series of interviews with participants at all levels in the resistance, Margaret Randall recounts the lives of ordinary women who became pillars of strength and perseverance during their decades-long involvement in the Sandinista struggle against the Somoza dictatorship. Believing firmly that women's liberation was inextricably linked with national liberation, many of these women were in the vanguard of the movement inspired by Augusto Sandino. At the peak of revolutionary activity, women from all classes and backgrounds comprised 30 percent of the Sandinista army. For many of these women, politics became one with the personal. Hindsight perhaps offers the greatest irony of the women's alliance with the FSLN in the fact that it was a woman, Violeta Chamorro, who challenged and defeated the Sandinistas in the free elections of 1990. Though lured by the revolutionary quixotism of a promise that lasted slightly more than a decade, the women of Sandino's Daughters will stand as a monument to all those who

yearn to be free.

Bristling with intelligence and shimmering with romance, this novel tests the boundary between history and myth. Patrick Lewis arrives in Toronto in the 1920s and earns his living searching for a vanished millionaire and tunneling beneath Lake Ontario. In the course of his adventures, Patrick's life intersects with those of characters who reappear in Ondaatje's Booker Prize-winning *The English Patient*. 256 pp.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.
