Gameknight999 reenters Minecraft to find it completely changed. There are new monsters that he's never seen before: giants and skeleton druids and pinch beetles and king spiders and mistwolves. Villages are larger than ever, and more heavily fortified; Minecraft had become much more dangerous. Even the very trees had changed, with some of them reaching up taller than the User-that-is-not-a-user ever thought was imaginable. There's a diamond block portal outside of Crafter's village, and rumors are spreading that a strange user was seen coming out of the portal with a young boy, before they disappeared into another portal, leaving behind a square hole one block deep with a ring of flowers around it. Gameknight recognizes it as the portal to reach the Twilight Forest mod. But how can there be mods here in the vanilla Minecraft? The User-that-is-not-a-user follows the trail, and finds odd mentions of “303” and “White Castle.” But what do the clues mean? Just how dangerous is this new user to Minecraft, and where is he taking the young NPC? Only Gameknight999 will be able to find out. When word gets out that Redstone Junior High is a hot spot for hostile mobs, enrollment goes up and chaos is the new normal. To get away from all the stress, Pixel, Sky, Uma, and Violet find themselves sneaking off through a secret mine tunnel to a beach-filled paradise they discovered. Little do they know that they are trespassing on the territory of two very angry witches: Grindel and Agatha. The witches watch them from the shadows and vow to reclaim their beach by any means necessary. What starts out as mischievous tricks and upside-down spells escalates to a vengeful plan to take over the entire school. Survival skills have become the new academic focus at the school. As the kids learn to farm, build invisible shelters, and battle horrible beasts, bizarre things begin happening all around them and they must use their newfound skills to survive. Armed only with an unreliable book of enchantment and what they've learned so far at Redstone Junior High, they must work together to escape killer cave spiders, a skeleton ambush, and a fierce army of golems. Will they figure out why the beach feels haunted, uncover the secret of the sand witches, and discover why the principal is acting so crazy, or will Grindel and Agatha take over the school and enslave the students forever?
