

*Curvy Girl Romance Series - USA Today Bestselling contemporary romance author I had no intention of staying, but she was impossible to leave. Rowan Hiding in plain sight was never easy. Sure, no one in town knew my history, but I still didn't like feeling so exposed. Knowing that it wouldn't take much for them to figure out that I was there for a reason, and not staying forever. But after a few months, the small town was winning me over. The night life could use a little more excitement, and the dating options were minimal at best, but she caught my eye the first time I saw her. The angry look on her face hid the pain in her eyes. Maybe I was crazy for wanting to know why she was hurt, or maybe I just recognized someone I could relate to. Someone who might not judge me the way I'd been judging myself. I just needed a way to get her to talk to me. Willow The last thing I needed was a cop on a power trip trying to make a name for himself. I knew I was an easy target. No one in town liked me. But did he have to give me a ticket? And worse, did he have to buy me a drink? Yeah, because that was going to make it all better. I shouldn't have had the drink. I shouldn't have talked to him. Or let him kiss me. Or let him walk me home. I knew I was playing with fire because he was gorgeous and snarky and the first person in far too long who acted like I mattered. It was a mistake to let him in, to open myself up to him. But by the time I learned just how big of a mistake, it was far too late to keep myself from wanting something I'd never get from him. From wanting more. *Paralegal Rebecca Halsey is determined to make a life for herself in the busy Chicago suburb, away from her fat-shaming family back in California. On her quest to get healthier, she takes a walk past a yard with a precious chained-up dog, and her heart instantly goes out to him. As she goes to implore the owner to treat the sweet pup better, she runs into Logan Caloway—a man who's been faithfully visiting the dog, aptly named Charlie, for months, begging for his release from his chain-link fenced prison. Sparks fly between Logan and Rebecca as they work together to try to get Charlie unleashed from his conditions, despite the dog's stubborn owner and his obstinate resolve to keep the dog for himself for sentimental reasons. Not giving up, Logan, a physical therapist, and animal rescuer, and Navy vet, continues to visit Charlie daily, in hopes he'll run into Rebecca again. Once Charlie is freed, Logan finds Rebecca again, and she suggests they give Charlie a bunch of "firsts"... first beach run, first time sleeping indoors, first dog park visit. But when Charlie receives a diagnosis nobody is expecting, both Rebecca and Logan are crushed, but undeterred from giving Charlie all the love he needs and deserves. The question is, though, when the sparks fly and love begins to blossom between the two humans, will they act on it, or put it aside for the love and care of the dog whom they've both grown irrevocably in love with? Each BBW romance in the series is a standalone love story with an HEA, and can be read in any order. Each book has its own flame rating, depending on the level of heat you'd like. One flame=sweet/closed door love scenes. Four flames=explicit love scenes. Racing Hearts (4 flames) Walking Dick (1 flame) Love Handles (2 flames) Big Escapes (4 flames) Sweet Treats (3 flames) Shutter Release (2 flames) Unleashed (1 flame) Hungry Diva (coming soon) (4 flames)*

*The Sheikh was used to having everything his way. His associates were rich, and his women were thin and easy. He was the gorgeously built heir of royalty. He didn't see why he shouldn't get what he wanted. Jenny, on the other hand, lived in the real world. She was curvy, quick-witted and struggling to pay for college. She thought it would be a fun escape to go with her roommate to a Sheikh's party... but she had never met the Sheikh. When they met, the sparks flew immediately. The Sheikh had mistaken Jenny for one of his airheads and Jenny had to give him a quick introduction to what a real woman is like. He didn't like that so much. Their time together would have been brief if it wasn't for one thing: the Sheikh was a wolf shifter, and as a wolf, he had scratched Jenny. That presented a problem for the Sheikh. In order to keep his secret, his royal family made his victims "disappear". The Sheikh didn't like Jenny, but he didn't want that. So coming up with a compromise, he decides to watch Jenny to see if his scratch would turn her into a wolf. And offering her a high paying job that she can't refuse, he keeps her close enough to figure out if the viginal Jenny would have to die. Will Jenny turn into a wolf on the next full moon? Will the Sheikh let her die if she does? And will the two stop fighting with each other long enough to realize that they might be each other's perfect match? The clock is ticking for them to find out. "THE ALPHA'S CURVY MATCH 1-3" is a limited time edition of the international bestselling series from author Alex Anders and is for those who love steamy shifter romances where a strong BBW bickers with their hot alpha male werewolf before potentially falling in love.*
