This super fun art journal features 100 awesome and creative drawing ideas for children: SOME EXAMPLES: Draw an alien from another planet. Recreate a famous work of art. Make a treasure map. Design an awesome fort. Create a maze. Turn this shape into a picture. Fill this page with circles. Design a set of postage stamps. Draw the place where lost socks end up. Draw a creepy looking insect. Turn these blobs into animals. And many more! DRAW allows children to express themselves creatively through drawing and art. The prompts are there as guidelines, not lengthy instructions. Because of this, they can be completed in a variety of ways. Please note - this is NOT a how-to or lesson book. Filled with many hours of artistic fun, DRAW is sure to become your child's favorite art book. Inspire your inner artist - Get your copy of DRAW today! Click ADD TO CART now!

This fun and stylish book is full of exciting things to doodle. Add beaks and hats to penguins, dials and lights to robots, patterns and tongues to snakes, and lot's lot's more.

Help children draw and think more creatively by inspiring them with interesting and challenging art prompts and questions. Invitation to Draw offers 99 open-ended drawing prompts, each one proposing a question to investigate that encourages children to free associate and problem solve. The perforated pages make it easy to tear out prompts for on-the-go activities or allowing multiple kids to draw at the same time. A blank cake provides the chance to decorate a dream confection, an empty house inspires stories about who lives there, and a grid of triangles supplies the chance to explore abstract art. What might be hiding in that tree? What sort of robot can you design? The possibilities are endless! Drawing prompts inspire and encourage kids to think and draw differently, and sometimes more creatively, than they might when faced with a blank page. By offering constraints such as a pair of eyes or an empty car and asking a question, children begin thinking about the possibilities and answering the question in their heads even before they put pen (or marker or crayon!) to paper. And through the act of drawing and observing the drawing unfold, the brain continues to think and problem solve, opening up all kinds of creative possibilities around that specific idea.

Gives step-by-step instructions for drawing monsters such as a werewolf, a vampire, and Godzilla.

Children do not become artists overnight. There are a number of different things which help them improve their drawing skills. Without practice, they will not improve. Without dedication, their technique will not develop. And without a simple, step-by-step guide like this one, which is designed to make drawing fun, they will not be passionate. One important thing to remember is that no child will create perfect sketches. When we are younger, it is in our nature to be messy and to experiment as we learn. This means that as a parent or guardian, teaching your children to draw requires a lot of patience. It is likely that your children will want to produce quality drawings straight away and may become frustrated when they cannot do this as well as you can. This is why having a guide such as this one is so important. It teaches kids that learning to draw does not happen at once -

much like drawing itself, it is a gradual build up to a final result. Therefore, the instructions in this book will not only teach children important skills and techniques - it will allow them to have fun whilst they learn, so much so that they will improve without really noticing that they are practicing!

Fun 5-minute drawing lessons for kids—great for young artists, birthday gifts, homeschool art lessons, and elementary art classes! Perfect for budding artists and kids who have never drawn before, this beginner drawing book will teach your kid how to draw cool things in no time! Author and professional artist Alli Koch's kid friendly, mini drawing lessons will help your child practice their basic art skills and teach them how to draw with confidence. If you have been looking for a book that will help you learn how to draw color then you have found the right book. This book is amazing for kids and adults. It is the best way to have fun together and at the same time to learn about the easier ways to draw. Is it hard for you to get your child's attention to draw and color? Have you tried everything? Have you bought even expensive sets and still nothing? It is not about the type of colors and pencils he will use. It is about the simplicity of the lesson. It needs to be fun and at the same time easy to follow. That is why the drawings in this book are accepted and loved by many children in the world. Actually, adults love them too. Every single step is shown for each drawing, even for the smallest one. But also many drawing use just simple shapes that when put together make wonderful art. Art skills are important for every child. It helps in shaping his imagination, helps with motor skills and coordination. It is fun too.

A bright and friendly first colouring book for little ones, with simple objects to colour on every page. The backgrounds are already coloured in, so little children can focus on the exciting parts.

Shows how to create artwork by starting with a fingerprint, and provides step-by-step examples.
