An excellent student... In the art of flirtation Caroline Yaxley has always been in love with her best friend, James Dunstable, Duke of Heydon. After years of waiting for him, she's finally admitted defeat and decided to find a husband. James suggests she practice her nonexistent flirtation skills on him, which seems like a good idea—until she must pull away to avoid a shattered heart. Their pretend attraction has begun to feel alarmingly real! “What a book, I’m in love... My goodness, I am feeling all hot and bothered... Ms. Martin has

General Biography

Exploring the ways in which women have formed and defined expressions of culture in a range of geographical, political, and historical settings, this collection of essays examines women's figurative and literal roles as "sites" of culture from the 16th century to the present day. The diversity of chronological, geographical and cultural subjects investigated by

Anglo- and Eurocentric focus often found in other works in the field. The volume presents an in-depth, investigative study of a tightly-constructed set of crucial themes, including that of the female body as a governing trope in political and cultural discourses; the roles played by women and notions of womanhood in redefining traditions of ceremony, theatricality and spectacle; women's iconographies and personal spaces as resources that have shaped cultural transactions and

evolutions; and finally, women's voices-speaking and writing, both-as authors of cultural record and destiny. Throughout the volume the themes are refracted chronologically, geographically, and disciplinarily as a means to deeper understanding of their content and contexts. Women as Sites of Culture represents a productive collaboration of historians from various disciplines in coherently addressing issues revolving around the roles of gender, text, and image in a range of cultures and

**All societies are constructed, based on specific rules, norms, and laws. Hence, all ethics and morality are predicated on perceived right or wrong behavior, and much of human culture proves to be the result of a larger discourse on vices and virtues, transgression and ideals, right and wrong. The topics covered in this volume, addressing fundamental concerns of the premodern world, deal with allegedly criminal, or simply wrong behavior which demanded punishment. Sometimes this affected whole groups of people, such as the innocently persecuted Jews, sometimes individuals, such as violent and evil princes. The issue at stake here embraces all of society since it can only survive if a general framework is observed that is based in some way on justice and peace. But literature and the**
