

## *The Earls Entanglement Border Series Book 5*

Life as a lady-in-waiting for Mary Queen of Scots isn't at all what Isabel Tait expected. But she must either tolerate the mindless partying and ceaseless backstabbing of Mary's other ladies, or risk being sent home to a forced marriage. She'd almost rather return to her family—if not for a certain handsome gentleman who arouses a new desire in her, something she's never before experienced. Of course, he'll never notice her... Gavin Cade is on a mission. Tasked with spying on the Queen, he's found the perfect woman to help. Sweet, shy Isabel is an easy target for his charms. Before he knows what's happened, he is the one beguiled. With the fate of England in the balance, he must keep his plan to expose the treasonous queen a secret, or he will never seduce his sweet English rose. Because there's one thing he's learned about Isabel Tait...she's got a backbone of steel and may never forgive him. Each book in the Spies in Love series is STANDALONE: \* Mistress Spy \* Game of Spies

the Author's Introductions and Notes

**First published in 1996, this comprehensive guide to the history of Britain and its peoples will be indispensable reading for the general enthusiast, as well as students. It is packed full of fascinating detail on everything from Hadrian's Wall to the Black Death to Tony Blair. The book was assembled over more than thirty years and has seen updates in three editions. "He has done for historical encyclopaedias what Samuel Johnson did for dictionaries." Andrew Roberts, The Daily Telegraph "An astonishing synthesis of information." Roger Scruton, The Times "An astonishing achievement, a compelling book for dipping into, a splendid work." Simon Hoggart, The Guardian "This marvellous book, which contains tens of thousands of historical facts will enlighten, amuse, and inform. Every home should have one." Simon Heffer, The Daily Mail "If you were marooned on that mythical desert island with only one history book, this would be the one to take.**

...

A determined sister . . . Madeleine Vernon ' s dreams should be filled with elegant gowns and marriageable men. Instead, she dreams of avenging her brother ' s death. But when she ' s captured by the queen ' s men, she ' s forced to become a spy by her mysterious yet undeniably attractive captor. A rakish spy . . . After years of working for his father in Queen Elizabeth ' s service, Nicholas Ryder is close to going his own way. But now he ' s got a feisty beauty he must protect or risk her execution as a traitor to the crown. She ' s a distraction he can ' t afford, but he also can ' t stop thinking about her. A dangerous lie . . . It is Nicholas ' s job to foil plots against Elizabeth, and he sends Maddy into a household of suspected traitors to garner what information she can. As the line between captor and prisoner blurs, deceit, betrayal, and desire become a perilous mix. Ultimately, Nicholas must decide whether duty to the queen is more important than winning Maddy ' s heart.

The Borderer's Table Book

A History of the Scottish People from the Earliest Times

A Great and Terrible Beauty

The Clares, 1217-1314

Complete in Ten Vols

A Tale of Noble Misfortune

This dictionary brings together as many facts as possible about blue and white printed pottery at the height of its popularity and production. The authors have produced a comprehensive guide, covering every possible aspect of the subject, with Appendices which include makers' initial marks and a list of source books used by makers. The discovery that prints could be transferred to porcelain and pottery helped transform the ceramics industry. Inevitably, the market demand at the end of the nineteenth century for brightly coloured wares put an end to this extraordinary potting endeavour but the interest of collectors has never declined. This book was awarded the Library Association's 1982 McColvin Medal for an outstanding reference book. It is the first of a two volume set, having been supplemented in 1989 by a separate and entirely new companion volume containing additional entries and further information.--Amazon.com.

**Moderate Radical explores an exciting  
period of English, and British, history:  
Elizabethan and Early Stuart religious  
politics. Tobie Matthew (c. 1544-1628)  
started Elizabeth's reign as a religious  
radical, yet ended up running the English  
Church during the tumultuous years leading  
up to the British Civil Wars. Moderate  
Radical provides a new perspective on this  
period, and an insight into the power of  
conforming puritanism as a political and  
cultural force. Matthew's vision of  
conformity and godly magistracy brought**

many puritans into the Church, but also furnished them with a justification for rebellion when the puritanism was seriously threatened. Through exciting new sources - Matthew's annotations of his extensive library and newly discovered sermons - Rosamund Oates explores the guiding principles of puritanism in the period and explains why the godly promoted the national church, even when it seemed corrupt. She demonstrates how Matthew protected puritans, but his protection meant that there was a rich seam of dissent at the heart of the Church that emerged when the godly found themselves under attack in the 1620s and 1630s. This is a story about accommodations, conformity and government, as well as a biography of a leading figure in the Church, who struggled to come to terms with his own son's Catholicism and the disappointments of his family. Moderate Radical makes an important contribution to the emerging field of sermon studies, exploring the rich cultures derived from sermons as well as re-creating some of the drama of Matthew's preaching. It offers a new insight into tensions of the pre-Civil War Church.

It's 1895, and after the death of her mother, 16-year-old Gemma Doyle is shipped off from the life she knows in India to Spence, a proper boarding school in England. Lonely, guilt-ridden, and prone to visions of the future that have an uncomfortable habit of coming true, Gemma's reception there is a chilly one. To make things worse, she's being followed by a mysterious young Indian man, a man sent to watch her. But why? What is her destiny? And

The History of Scotland; from the Earliest

Period to the Present Time ... Illustrated with Portraits, Etc

***Profusely illustrated with rare and unpublished images An extraordinary insight into the Capell family A tale of plots, intrigue, battles, court cases and family quarrels A thoroughly researched and very readable account of this astounding family This is the dramatic, often erratic, and at times unbelievable story of the fortunes and misfortunes over 900 years to the present day of one of England's premier aristocratic families, who in 1661 were given the Earldom of Essex by Charles II. This previously untold story begins just after the Norman Conquest and ends at the present day. Over a period of 400 years, the Capell family built a fortune, and over the next 500 years, lost it due to an incredible number of mistakes, bad judgement calls, and misfortunes. The Earls of Essex examines the rise and fall of this family, providing in-depth analysis and judgement on the reasons behind their decline.***
