

The Easy To Read Little Engine That Could The Little Engine That Could

Have you ever wondered what Santa Claus does for fun in his spare time? Now you can find out with Santa's Hobbies. This book also includes a mini game where the reader can find hidden stars on each page. This picture book is for children ages 2-5. This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in what ever way you wish to connect with it. Bursting with information and and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a book I will treasure & refer to when I am in need of uplifting"

An easy format retelling of the classic fairy tale, Little Red Riding Hood and the encounters she has on her way to visit grandmother's house. Newly re-illustrated with a fresh and modern look, these Beginning-to-Read books foster independent reading and comprehension. Using high frequency words and repetition, readers gain confidence while enjoying classic fairy tales and folklore stories. Educator resources include reading reinforcement activities and a word list in the back. Activities focus on foundational, language and reading skills. Sections include phonological awareness, phonics, fluency, vocabulary, and reading comprehension. Teachers' notes available on website.

This favorite classic is now available in a larger, easy-to-read format. Stuart Little is no ordinary mouse. Born to a family of humans, he lives in New York City with his parents, his older brother George, and Snowbell the cat. Though he's shy and thoughtful, he's also a true lover of adventure. Stuart's greatest adventure comes when his best friend, a beautiful little bird named Margalo, disappears from her nest. Determined to track her down, Stuart ventures away from home for the very first time in his life. He finds adventure aplenty. But will he find his friend? No Place Like Earth

The Complete Beginners Guide to Become an Authority Author in Weeks!

A child's dream takes us on a journey through space. The child looks for a place to land while exploring each planet, but some are too hot, some are too cold, and some are just made of liquid and gas. Only planet Earth is just right. Fun rhyming text introduces children to each planet and basic facts about it. The text is accompanied by stunning images of a rocket traveling through the solar system, interspersed by close up images of each planet in order. While each planet is amazing in its own way, there is only one we can call home. If parents choose, this can be the start to a conversation about how we can take better care of our planet. Visit lorifettner.wordpress.com/no-place-like-earth/ to see sample pages from the interior.

Enjoy 20 limited-detail illustrations, designed for those who would rather keep it simple. Each page was hand-drawn and edited by K J Kraemer, with you in mind. If you don't want to spend days on a project or just want room to get creative, this adult coloring book is for you!

An inspirational and handy book of consciousness and love. Bring it with you on your daily journey for happiness everywhere you go.

Bilingual children's book (age 2 and up) Tim can't fall asleep. His little wolf is missing! Perhaps he forgot him outside? It has been translated into more than 50 languages and is available as a bilingual edition in all conceivable combinations of languages. www.childrens-books-bilingual.com

Little Red Riding Hood

Teach Your Child to Read in 100 Easy Lessons

Little Popcorn

World of Wonders

The Little Engine That Could

Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.

Teach your child to memorize an age old poem. It will be with her/him for life. My Grandfather taught it to my father in 1887 when he was 5. My Father taught it to me in 1940 when I was 5. I taught it to my children. Make a video of your child reciting the poem and upload it to YouTube. Let your child start a family tradition.

Oh no! The big bad wolf is in London! But he is no match for these three little pigs! Staring a silly big bad Siberian Husky, the cleverest Guinea Pig this side of a hard hat, and famous London city landmarks, this version of the Three Little Pigs turns the classic children's story into a hilarious tale of London pride! Includes a write your own story activity especially for children ages 3-8 who are planning to visit, or who have recently visited, the great city of London! Looking for a different city? Search Dr. Silly Goose for more city-specific versions of The Three Little Pigs. Also available: Los Angeles, Chicago, Houston, Philadelphia, San Antonio, San Diego, Dallas, New York City, Jacksonville, San Francisco, Austin, Seattle, Denver, Washington DC, and Boston.

Getting money,paying bills,finding your prince charming, finding your happiness it looked so easy when you were young.You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journies while getting lost in the grownup world.

TPTDE: the Little Pink Book

Presents "The Little Mermaid", "The Tinder Box", "Great Claus and Little Claus", and "The Swineherd".

The Amazing Book of No was just announced as a Winner of the 2015 Readers Favorite Award for K-3rd grade readers. "The Amazing Book of No" is a deceptively simple story that will teach your 3-7 year old how to accept the word "no" when you say it, and why they shouldn't argue. The story is about two moms and their children. One mom says "no" all the time, and designed not to take up too much of a parents valuable time, with the idea being to try and imprint wholesome ideals while kids are young. Reading this just a few times to your boy or girl at bedtime will ensure you don't have any misunderstandings with your children about the word "NO" as they grow older. This really is: The Amazing Book of No!

Kids Travel Journal: My Travel Diary for World Travel Is your family planning a vacation adventure? Then give your kids a fun travel journal to engage their minds and collect their vacation memories for a lifetime. Have you ever found your kids bored on a family trip? Wouldn't it be great to offer them something other than a video game to keep them occupied? This travel journal is designed to really trigger their imagination. Imagine how much fun your kids will have filling out their travel diary with prompts that ask them to draw and write about the experieces of the places they have visited. And for those younger travelers, there's plenty of "Check the Box" type questions and simple fill in the blank questions that mom and dad can easily share in the car. Hangman, tic tac toe and more. It's perfect for early writers and kids on the verge on writing. Here's what your kids will love best:
• Log the places they have traveled
• Fill in the blank travel pages like: My Passport, Our Vacation Itinerary
• Free doodle pages to draw their favorite moments of the trip
• Log and rate their experiences with new foods
• Collect all the things you see
• Write a travel journal
• Draw pictures of the places you visit
• Write a travel journal
• Draw pictures of the places you visit
much more including my packing check list, my five senses and other travel activities for kids. So pick it up today and get started by clicking the button above. Most commonly suited for children ages 4 - 7.

Being Grown Up Was Easy

One Little Monkey

Little Blue Planet

Little Book of Light

Stuart Little Read-Aloud Edition

Things that happen to you in the past can mold you into someone you

When the other engines refuse, the Little Blue Engine tries to pull a stranded train full of dolls, toys, and good food over the mountain.

It is easy to be happy, but there is a prerequisite. We first must understand how happiness works. Like anything else in life, things become a lot easier once we understand them. Doing math, for example, is only difficult as long as we don't understand it. Happiness works on the same principle. Rather than teaching us how happiness works, society presents us with stepping-stones on the road to happiness, such as: if you study this, you will get that job, and then you will be happy. If you own this, you will impress your friends, and then you will be happy. If you eat healthy and exercise regularly, you will lose those pounds, and then you will be happy. Lucky Go Happy is not a stepping-stone and will ? demonstrate how we lose out on more than 70 percent of potential happy time by living for weekends; ? explain how contentment can yield the same amount of happiness as ecstasy; ? provide concrete proof that money can never make us happy; ? highlight why it is absolutely essential to be unhappy at times; ? illustrate how a midlife crisis happens; ? offer the simple formula to calculate the amount of happiness, or unhappiness, you experience; ? show that happiness is not around the next corner; it is here and now; and ? help you understand how happiness works. Written for teenagers and adults, this easy-to-read book will equip you with the knowledge to make you happier and happy more often. Rather than waiting for it, you can make happiness happen for yourself and for those around you. ?Money makes the world go round; however, happiness greases the axle. Without this lubricant, life will seize.?

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for.

Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

Important Resources: Make your author's page shine and learn about the new world of audiobooks! Explode Your Business: What millionaire authors are really doing behind the scenes! Where to Learn More: The only 2 affordable and honest places you should go to! This is the system you've been dreaming about for finally publishing your book and get your work into the World! Scroll Up and Get It Now!

Contains twenty-five books about a variety of subjects that encourage beginning readers.

Having a little sister isn't always a picnic. Older sisters may feel jealous of the time taken away from them, the toys they have to share, and the attention focused on the youngest member of their family. Getting along is often a day-to-day battle, but what can parents do to make this situation easier and to help children realize how special it is to have a sister? In Spice & Little Sugar, the delightful new children's book about sibling rivalry, authors Megan Waldrep and Melissa Nelson show big sisters the big benefits, responsibilities, and absolute joys of their role. Told in a whimsical rhyme that children will love to read aloud, Spice & Little Sugar first humorously relates all the ways Little Sugar gets on Spice's nerves, from grabbing her favorite toys to sticking to her like glue when Spice wants to be left alone. But gradually Spice comes to realize that Little Sugar does have her good points, including sticking up for her when she gets in trouble with their parents and saving the day with her cute face. Parents will love the warm, gentle lessons the book teaches about understanding how positives can outweigh negatives, and kids will laugh at the playful illustrations and funny story. The perfect book for siblings, Spice & Little Sugar can be read and enjoyed by the whole family, time and time again.

SIL brings to us a stylistic approach to the everyday matters of the heart by traveling through the most impactful relationships of her life. TPTDE: The Little Pink Book journeys through times of both brokenness and completion during feelings of being lost and being found. TPTDE includes rhythmic poetry, personalized messages and letters from SIL, and a Q&A section for reflection and journaling.

You've Got Time

25 Irresistible Books That Are Just the Right Level for Beginning Readers

Although the other trains refuse, the Little Blue Engine attempts to pull a stranded train full of toys and food up and over the mountains

It is an adaptation of the age-old Biblical tale of David and Goliath and opens the door for discussions on self-confidence and faith in the face of great obstacles. It is also an excellent book for schools, day cares and Sunday Schools. It is simple, inviting story, and is widely available in print and e-book for easy access.

Across the realms of multimedia production, information design, web development, and usability, certain truisms are apparent. Like an Art of War for design, this slim volume contains guidance, inspiration, and reassurance for all those who labor with the user in mind. If you work on the web, in print, or in film or video, this book can help. If you know someone working on the creative arena, this makes a great gift. Funny, too.

When told "Luca, you're growing like a weed!", 2 year old Luca responds "I'm not a weed, I'm Luca". Journey with Luca as she discovers herself among all of her silly family's comparisons.

Regarding Anna

In this classic fairy tale, Little Red Riding Hood goes to visit her poorly grandmother, only to find that her grandmother suddenly has very big teeth! Could the hungry wolf have something to do with this? Read it yourself with Ladybird is one of Ladybird's best-selling series. For over thirty-five years it has helped young children who are learning to read develop and improve their reading skills. Each Read it yourself book is very carefully written to include many key, high-frequency words that are vital for learning to read, as well as a limited number of story words that are introduced and practised throughout. Simple sentences and frequently repeated words help to build the confidence of beginner readers and the four different levels of books support children all the way from very first reading practice through to independent, fluent reading. Each book has been carefully checked by educational consultants and can be read independently at home or used in a guided reading session at school. Further content includes comprehension puzzles, helpful notes for parents, carers and teachers, and book band information for use in schools. Little Red Riding Hood is a Level 2 Read it yourself title, ideal for children who have received some initial reading instruction and can read short, simple sentences with help.
