

## The Essence Of Success Earl Nightingale Google Books

*Getting money, paying bills, finding your prince charming, finding your happiness it looked so easy when you were young. You thought you had it all figured out. Little did you know life throws you curve balls. And you thought grownups had it easy so did these ladies. Follow their journeys while getting lost in the grownup world.*

*If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey?*

*This is an engaging book ready to take you on an afternoon voyage through the cosmos. You help with experiments and learn some of the processes that go into making up scientific hypotheses on relativity, the speed of light and other light matters. Some humor is interjected to soften the dryness of the subject matter. Delightful illustrations will welcome you along for the fun. Come along for the ride and begin your adventure into light science. Find out why some ideas from days past are no longer considered correct and how that changes the way we will all look at the science of the stars in the future.*

*A guide for aspiring African American entrepreneurs offers advice on how to overcome business challenges, take advantage of available opportunities, and find success in corporate America*

Essential reading for any would-be entrepreneur *Blueprint to Business* is the ultimate guide to becoming a successful entrepreneur. Bestselling author and CEO Mike Alden puts aside the rainbows and sunshine, gets real about what it takes to 'make it,' and gives you the real-world guidance you need to hear. Through anecdotes and advice, he shares his experiences along with those of other top founders and entrepreneurs to give you a realistic picture of what it takes to build a business. It's a bit of tough love, a healthy dose of reality, and a tremendously motivating guide to striking out on your own; from motivation and commitment to business licenses and the IRS, this guide is your personal handbook for the biggest adventure of your career. So you want to start a business: how much are you willing to commit in terms of time, money, and energy? How do you plan to bring in customers? What will set you apart from the crowd? What will convince clients to come to you rather than your competitor with an established track record? These questions must be answered before you even begin planning—and then, you have to make that canyon-sized leap from planning to doing. This book guides you through the early stages with practical advice from a real-world perspective. Turn 'dreams' into goals, and goals into reality Discover just what it takes to build a successful business Dig into the paperwork and legal/regulatory requirements Adjust your expectations to reflect your abilities and willingness to commit Starting a business could be the best thing you've ever done—or it could be the worst. Mitigate the risk by setting yourself up for success from the very beginning with the invaluable advice in *Blueprint to Business*. Praise for *Blueprint to Business* "I've had the opportunity to work directly with Michael Alden on his children's book. His business know how and ability to get things done is unparalleled." —Naren Aryal, CEO Mascot Books. "As an entrepreneur and author myself, I would recommend *Blueprint to Business* to anyone who is in business or looking to start a company. Michael Alden's no nonsense approach is much needed for anyone who wants the real truth about the life of an entrepreneur." —Ken Kupchik, author of *The Sales Survival Handbook Cold Calls, Commissions, and Caffeine Addiction The Real Truth About Life in Sales* "Michael Alden's story is truly inspirational. He has seen some extremely difficult times and has overcome extraordinary odds along his journey. He harnessed what he learned even as a young child to achieve great business success. The lessons in *Blueprint to Business* not only help those in business but it is for anyone who wants more out of life." —June Archer, author of *YES! Every day can be a good day: The Keys to success that lead to an Amazing life* "As a young entrepreneur, I have found that truly successful people help and teach others. Michael Alden has taken the time to help me with my business and my book. His experience is undeniable and I would recommend *Blueprint to Business* to any entrepreneur who wants to learn from someone who has done great things and continues to." —Casey Adams, social media influencer and author of *Rise of The Young: How To Turn Your Negative Situation Into A Positive Outcome, and Build A Successful Personal Brand* "Being an entrepreneur has its challenges. Michael Alden shares his business experiences to help others succeed. His advice and enthusiasm is directed towards teaching and leading through example. If you are looking to succeed in business this book is a must read!

The one-and-only original, Earl Nightingale's *Strangest Secret* endorsed by Nightingale Conant. *The Strangest Secret* is much more than a wealth-building tool; it is a manifesto for self-actualization and purpose-driven work. In Nightingale's own words: "The only man who succeeds is the man who is progressively realizing a worthy ideal." In this book, Nightingale distills his lifetime of research on human motivation into a simple success formula—the very same one that propelled his own achievement. *The Strangest Secret* is a practical guide for accelerated prosperity so that you can quickly rise to the top, becoming one of the top 5 percent who succeed in your field. Challenge yourself with Nightingale's thirty-day test for putting this secret success formula into action in your life, and chart your own path to productivity, financial independence, and personal fulfillment. Having grown up during the Great Depression, Earl Nightingale was fascinated by the difference between those who attain high levels of personal, professional, and financial success and those who do not. He devoted his life to searching out a recipe for achievement—a means of predicting success in any area of life. While reading the line in Napoleon Hill's *Think and Grow Rich* that "we become what we think about," Nightingale experienced a watershed moment of self-discovery that resulted in his becoming financially independent by the young age of thirty-five. Make this book your catalyst to the transformation you seek.

A teenage boy uncovers a horrific family secret. A widower seeks vengeance on the creatures that killed his wife. A drug addled writer stalks the woman of his dreams, a woman much more sinister than she appears. A federal agent races to find the cursed relic powering this city full of spooks, spirits, and serial killers. The lives of these and others will collide in the dark and dangerous streets of Adderlass. A seed of evil was planted under Adderlass, a city where monsters hide behind masks of humanity and

ordinary people shuffle anesthetized and addicted by the sickly supernatural power wafting up from below. The city was built over the crystalline skull of a bloodthirsty beast. Now, the hunt is on for this lost treasure and whoever finds it first will control the fate not only of Adderlass but of the entire world. Sixteen-year-old Simon Cubbins, young and naive, may be the key to unlocking the mystery buried in this twisted labyrinth of hidden agendas. He also unknowingly harbors a secret that could destroy the Cubbins bloodline. As different characters fight for control over Simon, he will have to decide whether or not to carry on his family's legacy. The road to success can be a long, arduous journey. It is a journey that needs a step-by-step, clearly defined strategy to arrive at the final destination. To accomplish this goal, Gary A. McAbee has laid out a series of success principles, carefully placed in a logical order, which can lead to greater success. These principles have been used consistently by many of the highest achievers in our society. If they can use these concepts to reach success, then they can also be used by everyone to achieve victory. The book *Defining Success: One Word at a Time* starts with defining and visualizing the end result: victory. From there, concepts like faith, passion, knowledge, and patience are introduced to the reader as building blocks toward success. Finally, the book ends with an all-encompassing definition of success. This definition, like all of the success keywords before it, includes the previous concepts outlined in this book. Projects, known as Call-to-Action exercises, are located throughout the book as samples that can be used to supplement the success keywords. In essence, these exercises serve as written examples that allow the reader to work toward success. By completing projects such as *The Success Book*, *Goal Worksheet*, and *Define Your Success*, the success keywords and the concepts associated with them come to life. *Defining Success: One Word at a Time* serves as a road map to success. Make no mistake about it; the road to success can be daunting. Yet this book, along with the teachings and exercises it contains, is the ultimate guide to producing greater results. It is a guide book to reach the ultimate goal: success!

Defining Success

**Many commercial artists have had a fling at pin up art but only a handful have become stars. Earl MacPherson was one of them. His "Sketch Book" series earned him wide acclaim and his fans dubbed him as the "King of Pin Up Artists." His illustrative paintings and glamor art style adorned books and calendars throughout the 30s and 40s. *Memoirs* offers a look at the man the legend he became with photo studies of his models and the art that was inspired by them from that memorable era.**

**The Essence of Success** Editorial Benei Noaj

A devoted employee of the FIA (Federal Intelligence Agency), Eurian lives a comfortable and secure life, spanned with bureaucratic conflicts and desires for promotion. He will find himself thrust into an international conflict to track down and stop a subversive cyberterrorist movement. His desire for a foreign assignment will finally be met, but not in the way he expected. Assigned to Kerploueck, a sleepy village at the far edge of the world, he will be forced to let go of the comfort and stability of his previous lifestyle. With this temporary assignment, the complacent bureaucrat finds himself a spy-but with none of the excitement and adventure he had dreamed of. He now must find new objectives to survive this wholly uninteresting assignment. What happens to the FIA and to the success of the worldwide search for the subversive cyber-terrorists will slowly drift away from Eurian's mind. Interestingly enough, when this book was started, internet spying, hacking, and cyberterrorism were rhetorical discussions. Today, we live in a different reality. Truth and facts are not as important as swaying unmindful, gullible populations. George Orwell's "alternative facts" are common place and universally acceptable. With the ocean of information now accessible to anyone, individuals, organizations, and even governments are scrambling to control its sources and promulgate their agendas. This is the essence of "The Happy Fools." Following Eurian and his unanticipated quest for truth, many topics of modern society will be discussed. This book also serves as a compendium of the latest technologies, sciences, ideas and movements. Focusing primarily on the most pertinent latest developments, each providing hope and insights that could change our lives. The underlying prerequisite of being happy is to avoid stress and the unknown. Therein lies a potential philosophical issue. Shutting the doors to outside turmoil, to world problems and issues, is a good safeguard for happiness. Close-mindedness brings confidence, as the world's problems appear simple and the solutions two-sided. Inversely, knowledge creates a spirit of inquiry, a burning desire for more knowledge, spurring new questions that beg for answers, ultimately resulting in a loss of conviction and an understanding that we will never truly understand the world in its endless complexities. Do we choose closed-minded confidence, or a life dedicated to the pursuit of knowledge with the uncertainties, frustrations, and complexities that it yields?

In essence, this story is about how a certain person was searching his bookshelf for something to read and in the end found a book, which turned out to be the source, from which it is possible to obtain absolutely any kind of information about absolutely any person. Meaning, information to the smallest particulars and details about what his or her qualities of personality are, how he or she lives, what he or she really wants to achieve, what he or she hides, and much more. And, it does not matter, if the subject is some person, who lived in the distant past or lives in the present or someone, who will live in the future. Since, as it turned out later on, this literary monument is nothing other than the Catalog of human population. In other words, the encyclopedia of Homo sapiens; in essence, the same as encyclopedias, reference books for specialists, which contain complete information about

representatives of a particular subspecies of animals, plants, etc. Although at some point, the course of this story turned banal: "bad guys" from security services, intelligence services, politics decided to not only use this source of knowledge for their dirty deeds, but also to appropriate it solely for their personal use. And, the way they tried to do this is also banal: by physically destroying the author of discovery of the Catalog of human population and all of his colleagues. However, the ending of this story makes it stand out from the category of ordinary spy stories. At least because the main characters of this story managed to survive not due to favorable concatenation of circumstances or someone's help, but thanks to that knowledge, which they discovered in the ancient text, which turned out to be the Catalog of human population. Of course, such an outcome upset and continues to upset not only the Russian special services, but also all those people in whose way developers of the Catalog of human population got. And, in this civilization, there are countless numbers of such people: from psychologists (who become no longer needed by anyone) to organizers of this civilization themselves. Since from the standpoint of the Catalog of human population—technogenic civilization without a human, which they lovingly built for many centuries, is simply trash, to put it mildly, and beneath all criticism. And, they themselves are also trash. However, regular people, who (thanks to the scientific discovery made by Andrey Davydov) got the source with answers to all of their questions and individual recipes, now no longer need to pay "experts on the human soul" for being shamelessly fooled. Therefore, whoever tries to kill developers of the Catalog of human population in the future must know that it is no longer possible, as they already became part of history of humanity. After all, at the current stage of development, a Homo sapiens has only one possibility to continue to live after death, to live through the ages: in the product that he/she created. And, those, who tried and continue to try to kill them, were nobodies and will remain nobodies, who one day will cease to exist without leaving a trace. As for organizers of this "civilization"—maybe instead of trying to find new recipes to destroy "excess billions" and trying to examine human potential using Neanderthal methods, it would be more reasonable not only to find out the recipe of how to make Homo sapiens a 100% controllable producer and consumer from the source (which, by the way, seems to have been left to humanity by creators of nature and a human on this planet), but also how to build a civilization without quotes? After all, it only seems to them that they are the main deceivers, while in reality they were fooled, and fooled majorly.

If You Knew What Can Happen In The Next 52 Mondays It Would Take Your Breath Away" Stop and think about it. If you had started something new and worked on it every week since one year ago, what might you have been able to accomplish? Twelve months, after all, is plenty of time to start accruing success.

This is a collection of Earl Nightingale's writings, broadcasts, and conversations on various aspects of personal development.

Fernando Soto dreamed of owning a business. For years he worked and struggled, never imagining that he could have a better life and then one day he woke up and believed that he could. In What's Next for You?, Mr. Soto shares the secrets to the fulfillment of his dream. But guess what? It's no secret at all. Living your dream is possible through hard work, dedication and an unrelenting will to succeed.

Today, Mr. Soto owns a contract janitorial services company that services a broad range of clients in a variety of industries, from small office clients to automobile dealerships, manufacturing facilities, office buildings, medical practices and universities. One of his largest clients has annual revenues exceeding \$550 million with over ten thousand employees! He built his business from the ground up, taking notes and sketching his ideas on the manufacturing floor where he worked for years as an employee. The company where he last worked is now one of his valued clients. "Anything is possible," Mr. Soto says. Just keep your dream front and center and with Mr. Soto's help, you could be living your dream life, too.

This Unabridged Edition of Lead the Field is taken from the original audio version and contains each of the 12 messages with all exercises, to include: The Magic Word - Acres of Diamonds - A Worthy Destination - Miracle of Your Mind - Destiny in the Balance - Seed for Achievement - It's Easier to Win - How Much Are You Worth? - Let's Talk About Money - One Thing You Can't Hide - Today's Greatest Adventure - The Person on the White Horse.

This award winning book tells a mother's story of raising her son Michael, who was born missing a submicroscopic piece of chromosome 22. That tiny missing fragment of DNA affected every aspect of his life physically, mentally, and spiritually. Michael's mother describes her adventures and misadventures with the medical system, educational system, and legal system during his growing up years. While Michael and his mother were both yearning for normal through their struggles, they were also learning acceptance of life as it is with all its glory and imperfections.

This is the story of a successful father describing his approach to parenting, making us think and consider what will make our children happy and successful individuals. Ravi Mahendra is a father of three young girls and he is passionate about parenting. He has personally gone on a journey of learning and developing the relationship between him and his daughters. Ravi delights in seeing his children become bigger and better individuals. Ravi believes passionately that parenting is about dedication and focus. The book is based on the principle that you are the

best teacher for your children; you can pass on your knowledge and experience to help to support the best development of your child. The parent is the figure of authority, with immense responsibility for decisions regarding the children. This book draws out the benefits of really pro-actively grasping the responsibility and making the decisions rather than running with the flow. The real strength of this book lies with the thought process on determining priorities, characteristics and values that will produce successful children. It will inspire you to look at your parenting approach with a fresh set of eyes and help you to succeed on your chosen path. The book uses well-chosen examples from the world of business, politics and historical figures to really illustrate what success means and what needs to be done to achieve it. Ravi uses connection of business ideas and stories with parenting to bring a fresh perspective on children's upbringing. . The book is drawing interesting connection from management and business theories to really focus on children leading successful lives. At a practical level, the book offers a vast array of examples on managing the prosaic day-to-day issues. Unless the practical challenges are resolved, it becomes very difficult to manage the more advanced parenting questions. Ravi does a great job in visualising the impact of our actions now on the children in the future. Ravi Mahendra lives with his three daughters in London. His career spans many areas: he has built a renowned business school in his native Sri Lanka, written business columns for newspapers and is a prize-winning Qualified Accountant with an MBA. Ravi is currently working as Global Finance leader in a large insurance organisation and he is also a regular blogger on LinkedIn. His aim is to live life to the fullest and to raise his children as successful and content individuals.

Are you " leadership material? " More importantly, do others perceive you to be? Sylvia Ann Hewlett, a noted expert on workplace power and influence, shows you how to identify and embody the Executive Presence (EP) that you need to succeed. You can have the experience and qualifications of a leader, but without executive presence, you won't advance. EP is an amalgam of qualities that true leaders exude, a presence that telegraphs you're in charge or deserve to be. Articulating those qualities isn't easy, however. Based on a nationwide survey of college graduates working across a range of sectors and occupations, Sylvia Hewlett and the Center for Talent Innovation discovered that EP is a dynamic, cohesive mix of appearance, communication, and gravitas. While these elements are not equal, to have true EP, you must know how to use all of them to your advantage. Filled with eye-opening insights, analysis, and practical advice for both men and women, mixed with illustrative examples from executives learning to use the EP, Executive Presence will help you make the leap from working like an executive to feeling like an executive.

Waltzing Australia was born out of a dream-and a journey. After walking away from her corporate career, Cynthia Clampitt headed to Australia, to start over, to write, and to test the limits of what she could do. Waltzing Australia recounts that joyous adventure. It is a story about change and about making dreams come true. But more than that, it is about Australia: the history, legends and art, both European and Aboriginal; the beauty, the challenge, the people, the land. From Sydney to Perth, Tasmania to Darwin, tropics to desert, city to wilderness, Clampitt carries the reader along on an exhilarating grand tour of a fascinating country. With a writing style reminiscent of Annie Dillard, she captures the essence of the land Down Under and invites others to fall in love with Australia.

The road to love has never been a smooth one. From Adam and Eve's problem with produce, to Samson and Delilah's unplanned makeover couples have struggled to find and keep a healthy relationship. Most will agree that the secret to a happy healthy relationship is honest communication and common interest, mixed with a sense of humor and a liberal dash of understanding. But what do you do when things are already on a rocky path? How to you preserve your relationship? Or even rekindle the dying flames of love? This book will teach you the tools you need to have a happy healthy committed relationship that will let you get the most out of life. Rekindle your love will not only teach you the secrets to reclaiming lost love but it will help you to keep the relationship you have healthy and moving in a positive direction. This book will help you to achieve the kind of romance you have been dreaming of!

The life force, also known as "spirit," is the essence of being and the conscious and most important form of energy. Living energy is personal and within our conscious control, and by learning about it, we can use it to transform our life into vibrant and meaningful expressions of who

we really are. Consciousness is purely energetic and therefore difficult to quantify in mechanistic terms. It is the characteristic of living energy and is the foundation of awareness. Consciousness is the thread running through all life. Living Energy is an introduction to the process of mystic spirituality. The reader is encouraged to attain a deep and meaningful connection to the divine with expanded awareness. The principles given in this book are equally relevant to the novice and the advanced practitioner. Robert explains how we may reveal our hidden potential by shifting our perception away from what is customary and comfortable to open the doors to greater spiritual awareness. Do you struggle to hold eye contact? Does it make you feel unconfident, uncomfortable, and self-conscious? Or do you just want to appear more charismatic and confident? Then Superhuman Eye Contact has the insightful tips and innovative exercises you need to become an eye contact expert - overnight. If you are bad at eye contact, people will assume that you are creepy or untrustworthy. If you are merely average at eye contact, you won't be negative, yet you won't be memorable either. But if you are SUPERHUMAN at eye contact, you will instantly make an impression and have people clamoring for your attention. All this because of eye contact? Absolutely. If the amount of eye-related phrases in our vocabulary is any indication, (the eyes are the window to the soul...) yes! Eyes are what people use as a guide to your overall character. Mastering eye contact is essential to becoming the person you've always wanted to be. What tips and exercises from years of coaching eye contact will you learn? \* The #1 obstacle to strong eye contact and the two best ways to crush it. \* Exactly how and when to break eye contact gracefully. \* How to alter your eye contact for meaningful flirting. \* What your eyes should never be doing, though you probably do it daily. \* How the direction someone looks in can determine their truthfulness. \* How to adjust your eye contact according to emotional and physical space. Real, actionable advice that can actually affect your life. How will your daily life improve? \* You will project an image of confidence and poise. \* You will force others to respect you and your presence. \* You will become more captivating without having to say a word. \* Your charisma quotient will skyrocket. \* Interactions with the opposite sex will improve tenfold, guaranteed. \* Most importantly you will feel comfortable making eye contact with anyone, stranger or friend... and use it to make them comfortable with you. Essence of Life - Ain Al-Hayat

Learning Acceptance

Get What You Want

Waltzing Australia

**Mansourou comes out of the gate firing and does not relent in this criticism of religious notions and influence. Rather than refer to religion in general terms or acts in the name of religion, Mansourou attacks religious undertones and what is not often looked at in religious subtext along with modern religious theology for their shallow and vacant themes in today's complex society.**

**A translation of Ain al-Hayat by Allama Majlasi. Sayed Tahir Bilgrami. Ansariyan Publications. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization ([www.shia.es](http://www.shia.es)) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shia School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought! In addition, For a complete list of our published books please refer to our website ([www.shia.es](http://www.shia.es)) or send us an email to [info@shia.es](mailto:info@shia.es)**

**If building a successful business has been a struggle for you then this book is the key to unlocking success mysteries. Sandra Baptist covers the key tenets of Marketing, Business, Sales, Numbers and Mindset and offers her FABULOUS3 Plan for achieving results. This book is exactly what you need to start taking your business to the next level with specific steps and strategies you can implement right away for generating more revenue, creating more profits and growing your business faster.**

**From the author of The Strangest Secret, based on the motivational speech heard by millions We become what we think about. Earl Nightingale was in a lookout tower on the Battleship Arizona at Pearl Harbor and was one of only a few hundred who survived. He felt that he had been spared for some reason and became obsessed with learning why some people were successful and others were not. He knew that millions of people around the world are frightened, confused, and surprised in life—they don't understand the basic law for success, which is this: we become what we think about. Filled with equal parts inspiration and practical advice, this book is for anyone seeking their "true north" and reveals how you should go about discovering what that is in order to achieve meaningful success in life. Not the kind based on wealth, fame, and popularity, but the kind that you feel inside your soul, that intrinsically drives you to be the best version of yourself, each and every day. In The Six-Word Secret to Success, you will find decades of motivation packed into a short volume that you'll want to read over and over again.**

Personal success advice from a motivational speaker.

"Do you realize that in the year that we've known each other, we've never argued?" It was that initial insight that led Phil and Maude to explore their relationship and write this book. Written in a combination of their individual voices and a blended voice, this concentrated and powerful little work captures the essence of how they are together, going right to the heart of what makes a successful relationship. Their clear, crystalline writing and stark honesty will challenge you to examine your own life and how you relate to others. The approach is radically different from the usual relationship book. Phil and Maude offer no rules and no exercises. Rather, through their sincere examination of what makes their relationship so different, you will find yourself gaining insight into your own behavior and at the same time glimpse other possibilities. For anyone in a relationship, or seeking to be in one, this special gem is a must read.

Success is measured not by the size of your brain, but rather by the size of your thinking. This intrigues a lot of people, and if you observe how people behave, you will have a clear understanding of what success really means. Time and time again, history and experience have proved that the degree of our general satisfaction and happiness is dependent on how we think. There is magic in thinking big! Positive thinking helps accomplish so much in our life, but unfortunately not everyone thinks that way. We are all products of our thinking that goes within and around us. There is an environment around us that exerts all sorts of forces on your thinking; some will push you up the ladder while others will pull you down. We have been told many times that opportunities to lead are no longer there; hence we should be content with who we are without having positive aspirations on leadership. The petty environment surrounding us also has its own narrative concerning our lives. It constantly tells us that whatever is destined will eventually happen and we have no control over it. Leaving your fate in the hands of chance can potentially ruin your life and make you miserable. Therefore, before you start giving up your dreams of a finer home or giving a better life for your children, stand firm and resist resigning to fate. Do not lie down and wait to die. Success is worth every effort you expend, and every step you make pays a dividend. Even in an environment where competition is intense, you still can succeed as long as your thinking is in the positive quadrant of your mind frame. The basic concepts and principles that underlie the power of thinking big are drawn from the highest-pedigree sources and the finest thinking minds such as Emerson who said "Great men are those who see that thoughts rule the world." Milton who wrote in his book Paradise Lost, "The mind is its own place and in itself can make a heaven of hell or a hell of heaven." Shakespeare made an interesting observation about thinking which he summarized and said "There is nothing either good or bad except that thinking makes it so." Proof is everywhere that thinking big indeed works. When you look at the lives of people who you consider as big thinkers, you will be amazed at their winning success, happiness and achievements. This book will show you proven strategies from different life situations that will turn your life around.
