

The Essential Dave Allen

Increase your child's dental awareness by showing him/her that teeth have "emotions" too! Coloring introduces feelings, concepts and emotions quite well. It is an activity well-loved because of its many benefits, especially the formation of essential life skills like patience, determination control and self-confidence too. Control your child's fear of the dentist; grab a copy of this coloring book today!

Simcha Guterman's, *Leaves from Fire*, is a firsthand account written with the deep sense of comprehension he was documenting the fate of his people. Knowing full well that his life was in danger, Simcha chronicled the occurrences of the Holocaust on long scraps of paper, as they happened right before his eyes. The events described take place in Poland, during the first years of World War II. The author stuffed long paper scraps, written in Yiddish, into bottles and hid in them in different places. One of these bottles was discovered after the war. Simcha Guterman's work has been published and translated into eight different languages, receiving high praise from critics.

Access Free The Essential Dave Allen

The book's evocative illustrations were drawn by Yaakov Guterman, the author's son.

With his sly little moustache, broad gap-toothed grin, garish waistcoats and ostentatious cigarette holder, Terry-Thomas was known as an absolute bounder, both onscreen and off. Graham McCann's hugely entertaining biography celebrates the life and career of a very English rascal. Born in 1911 into an ordinary suburban family, Thomas Terry Hoar-Stevens set about transforming himself at a very early age into a dandy and a gadabout. But he did not put the finishing touches to his persona until the mid-1950s with his groundbreaking TV comedy series *How Do You View?*, a forerunner of *The Goon Show* and *Monty Python*. Terry-Thomas went on to carve out a long and lucrative career in America, appearing on TV alongside Judy Garland, Bing Crosby and Lucille Ball, and in Hollywood movies with Jack Lemmon, Rock Hudson and Doris Day. He became every American's idea of a mischievous English gent. After a long battle with Parkinson's disease, he died in 1990 in comparative obscurity, but his influence lives on. Basil Brush was a polyester tribute to Terry-Thomas, and comedians including Vic Reeves and Paul

Access Free The Essential Dave Allen

Whitehouse hail T-T as a role model. 'Dandyism is the product of a bored society,' D'Aurevilly observed. Terry-Thomas cocked a snook at the dull sobriety of post-war Britain with his sly humour. As he would say himself: 'Good show!'

A public square bombing in Yemen and shipment of rockets from North America only randomly connect university researcher Arthur Crawford and Washington anti-terrorism expert Myron Klass. But coincidence is quickly overshadowed by reality when a Spaniard known as the most thoughtful of arms dealers has ambitions to devastate the US. Strap yourself in as former Canadian Member of Parliament Dr. David C. Walker boldly weaves together their lives and stories in *Wild World*, the first in a series of political mysteries novels that is sure to make you question what you've been told and what you need to know.

When Dave Allen passed away in March 2005, we lost a true comedy great. Sitting cross-legged on a high stool, whiskey in one hand, cigarette in the other, Dave Allen's exasperated commentaries on the absurdities of modern life struck a chord with millions of fans in Britain, Ireland and Australia for over four decades. He was a compelling storyteller - able to spin

Access Free The Essential Dave Allen

shaggy dog stories out of the almost any subject, including the missing tip of his fourth finger of his left hand, for which he provided various unlikely explanations. But his gentle, laconic wit could also give way to ferocious attacks on the media, the state and, most famously, the Catholic Church. He was a unique talent - a comic who could make his audiences laugh, cry, and be shocked, all in one. This official celebration of Dave Allen's comedy has been drawn together by Graham McCann - Britain's best-loved entertainment writer. It is a treasure trove of stories, stand-up routines, sketches, interviews and photos, which takes us on a journey from the cradle to the grave. It will delight Dave Allen's million of fans, old and new alike. 'Dave Allen was our greatest storyteller and nobody ever came close to his ability to spin a yarn. He was unique, right up there with the greats.' Jack Dee

What relevance has comedy for the global crises of late-modernity and the theological critique thereof? Coming out of the experience of war, a generation of modern theologians such as Donald MacKinnon, Hans Urs von Balthasar, and, more recently, Rowan Williams, in their accommodation to literature, choose tragedy as the paradigm for theological understanding and ethics. By contrast, this book develops recent philosophical, anthropological, and psychoanalytical studies of humor to develop a theology of comedy. By deconstructing secular accounts of comedy it advances the argument that comedy is not only participatory of the divine, but that it should inform our thinking about liturgical, sacramental, and ecclesial life if we are to respond to the postmodern age in which having fun is an ideological imperative of market forces.

Remembering What I Forgot

Getting Things Done

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the

Access Free The Essential Dave Allen

words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions

What does every mile mean to you? When you hit the trails, the road, the track or the treadmill, what does each mile mean? A group of runners and walkers from around the world share their stories as they let us know what every mile matters means to them. Get ready to be inspired.

Discover friendships riddled by sex, lies, and love in this coming of age drama... We think that when one door closes another one opens. What if love had a revolving door? Casey and Catrina grow up running the streets of North Philadelphia, chasing their childhood dreams and their childhood men. Casey has loved Daemon since she was a teen and is dead set on making him hers. Daemon sees her as nothing more than his best friend's niece but Casey is determined to make him see more... Catrina has been in and out of love with David for as long as she's been dating, and can't get a handle on her heart or on him. Could be because while he's claiming one love, in her mind there's always the possibility that he's still searching for it somewhere else..... With the help of each other, their friend Briannah, and time they learn that Love is anything other than Ordinary

The Essentials

You may remember visiting a grandparent or elder friend who lived in a nursing home memory unit. When you were a child you may recall sights, sounds, and smells that caused you to feel

uneasy. Step into any one of today's 16,000 long-term care facilities across the US, and suddenly those memories reemerge. Nurse Supervisor K. Allen tells of the emotional investments found while working with seniors inside the Van Gogh, a large upscale urban assisted living complex. Located at its core is found a locked memory care unit, the Rembrandt, where he and his heroic support team struggle to comfort those suffering from Alzheimer's and other types of Dementia. Emotionally rich and deeply moving, Remembering What I Forgot tells of a day in the life of a memory unit nurse and the unimaginable obstacles faced by today's health care workers. A first of its kind, the story provides its reader with a rare glimpse into "life on a memory unit" including the emotional torment experienced by visitors who witness their loved one slip into ever increasing apathy and confusion. In its truest sense a love story of the need to cope and how to find hope when someone we love suddenly cannot remember well and is handed a diagnosis of Dementia. Insightful, humorous and heartfelt, Remembering What I Forgot conveys a message of inspiration and helps us connect with those in the final chapter of their life. Let us not forget them.

Using an innovative auto-ethnographic approach to investigate the otherness of the places that make up the childhood home and its neighbourhood in relation to memory-derived and memory-imbued cultural geographies, Remembering the Cultural Geographies of a Childhood Home is concerned with childhood spaces and children's perspectives of those spaces and, consequentially, with the personalised locations that make up the childhood family home and its immediate surroundings (such as the garden, the street, etc.). Whilst this book is primarily structured by the author's memories of living in his own Welsh childhood home during the 1970s - that is, the auto-ethnographic framework - it is as much about living anywhere amid the

remembered cultural remnants of the past as it is immersing oneself in cultural geographies of the here-and-now. As a result, Remembering the Cultural Geographies of a Childhood Home is part of the ongoing pursuit by cultural geographers to provide a personal exploration of the pluralities of shared landscapes, whereby such an engagement with space and place aid our construction of cognitive maps of meaning that, in turn, manifest themselves as both individual and collective cultural experiences. Furthermore, touching upon our co-habiting of ghost topologies, Remembering the Cultural Geographies of a Childhood Home also encourages a critical exploration of children's spirituality amid the haunted cultural and geographical spaces and places of a house and its neighbourhood: the cellar, hallway, parlour, stairs, bedroom, attic, shops, cemeteries, and so on.

Best known for Dad's Army, in which his Sergeant Wilson played the languid, rakish foil to Arthur Lowe's pompous, chippy Captain Mainwaring, John Le Mesurier was one of Britain's favourite and most recognisable character actors. The epitome of insouciance and languor on screen, in real life this charming, quietly-spoken bon viveur was plagued by private turmoil and heartbreak. Married three times, he saw his first wife succumb to alcoholism, his second – the comedy diva Hattie Jacques – move her lover into the family home, and his third enjoy a passionate dalliance with troubled comic Tony Hancock. As Graham McCann reveals in this fully authorised and moving biography, as an actor John Le Mesurier was a key ingredient in the success of Britain's greatest sitcom, but as a man he was far more courageous than Sergeant Wilson was ever meant to be.

An adaptation of the business classic Getting Things Done for teenage readers The most interconnected generation in history is navigating unimaginable amounts of social pressure,

both in personal and online interactions. Very little time, focus, or education is being spent teaching and coaching this generation how to navigate this unprecedented amount of "stuff" entering their lives each day. How do we help the overloaded and distracted next generation deal with increasing complexity and help them not only survive, but thrive? How do we help them experience stress-free productivity and gain momentum and confidence? How do we help them achieve autonomy, so that they can confidently take on whatever comes their way? Getting Things Done for Teens will train the next generation to overcome these obstacles and flourish by coaching them to use the internationally renowned Getting Things Done methodology. In its two editions, David Allen's classic has been translated into dozens of languages and sold over a million copies, establishing itself as one of the most influential business books of its era, and the ultimate book on personal organization. Getting Things Done for Teens will adapt its lessons by offering a fresh take on the GTD methodology, framing life as a game to play and GTD as the game pieces and strategies to play your most effective game. It presents GTD in a highly visual way and frames the methodology as not only as a system for being productive in school, but as a set of tools for everyday life. Getting Things Done for Teens is the how-to manual for the next generation--a strategic guidebook for creating the conditions for a fruitful and effective future.

"Mental toughness is the natural or developed psychological edge that results from a collection of skills, attributes, values, emotions, and behaviors that allow people to overcome any obstacle, adversity, or pressure as well as deal with the general day-to-day demands (lifestyle, training, competition) placed upon them and still remain consistent, focused, confident, and motivated to achieve their goals." Fortitude is a guide for high performing athletes and business professionals on understanding mental toughness, how to build and sustain it over time. Kate Allgood built her business helping individuals like you learn what it takes to perform under pressure. In this book you'll discover: - What you need to know to build real and long lasting confidence- How to improve the ability to focus and refocus - The power of mindfulness- How to build motivation in yourself and others - And much, much, more! "Kate is a force in the sports business and with her new book she brings the best insight directly to your field of play." Jeremy M. Evans, Founder of and Managing Attorney at California Sports Lawyer(R) "If you want to step up your game, your business or just kill it in life, Fortitude is an easy to read guide to do it."- Majo Orellana - Pro Athlete, Coach and Entrepreneur

How we become ill and the causes of illness are generally a mystery to most people. Researchers now tell us that 70% to 80% of all illnesses seen by medical doctors are either caused by or made worse by stress. The full story of those Stress-Related Disorders, illnesses produced by stress, are now examined and illuminated by Dr's Allen and Lisa Robyn Lawrence. You must read this

Access Free The Essential Dave Allen

book if you, or someone you know: Experience symptoms which you believe indicate that you are becoming ill and want to stop the illness process. Are already ill and are not getting the results you want from your doctor. Are well and want to either prevent becoming ill in the future or learn how you can prevent illness before it can set in. Are already ill and want to learn to work with your body's natural healing ability without expensive, painful or dangerous medical treatments. The Dr's Lawrence take you on step-by-step journey illustrating the role you mind, your body and your spirit play in creating and healing illness. When Your Body Talks, Listen! Will teach you how to protect yourself from Stress-Related Disorders, and the detrimental short and long-term effects from them.

The behind-the-scenes story of one of the most successful and admired sitcoms of the 1980s In 1977 the BBC commissioned a new satirical sitcom set in Whitehall. Production of its first series was stalled, however, by the death throes of Jim Callaghan's Labour government and the 'Winter of Discontent'; Auntie being unwilling to broadcast such an overtly political comedy until after the general election of 1979. That Yes Minister should have been delayed by the very events that helped bring Margaret Thatcher to power is, perhaps, fitting. Over three series from 1980 - and two more as Yes, Prime Minister until 1988 - the show mercilessly lampooned the vanity, self-interest and incompetence of our so-called public servants, making its hapless minister Jim Hacker and his scheming Permanent Secretary Sir Humphrey two of the most memorable characters British comedy has ever produced. The new prime minister professed it her favourite television programme - a 'textbook' on the State in inaction - and millions of British viewers agreed. In the years since Yes Minister has become a national treasure: Sir Humphrey's slippery circumlocutions have entered the lexicon, regularly quoted by political commentators, and the

series' cynical vision of government seems as credible now as it did thirty years ago. Much of this success can be credited to its writers, Antony Jay and Jonathan Lynn, who drew on their contacts in Westminster to rework genuine political folly as situation comedy. Storylines that seemed absurd to the public were often rooted in actual events - so much so that they occasionally attracted the scrutiny of Whitehall mandarins. In *A Very Courageous Decision* acclaimed entertainment historian Graham McCann goes in search of the real political fiascos that inspired *Yes Minister*. Drawing on fresh interviews with cast, crew, politicians and admirers, he reveals how a subversive satire captured the mood of its time to become one of the most cherished sitcoms of Thatcher's Britain.

Sibley's Birding Basics

The Essential Dave AllenHodder & Stoughton

Destiny Allen, a Web designer for software giant Scenaria Security Systems, finds herself involved in a deadly puzzle that blurs the boundaries between the virtual and the real. At stake: the infrastructure of modern America. Her resources: Dina Gustafson, a college friend, and Karl Lustig, an Israeli technology journalist with friends in dark places. The challenge:

sort the good guys from the bad before the lights go out. A fast-paced technology thriller, *Web Games* is about real risks and virtual worlds, about Internet threats as close as tomorrow's nightly news, and about the ever-escalating warfare between black-hat hackers and modern society.

From the renowned author of the New York Times best seller *The Sibley Guide to Birds*, a comprehensive, beautifully illustrated guide to identifying birds in the field. *Sibley's Birding Basics* is an essential companion for birders of all skill and experience levels. With Sibley as your guide, learn how to interpret what the feathers, the anatomical structure, the sounds of a bird tell you. When you know the clues that show you why there's no such thing as, for example, "just a duck" birding will be more fun, and more meaningful. An essential addition to the Sibley shelf! *The Sibley Guide to Birds* and *The Sibley Guide to Bird Life and Behavior* are both universally acclaimed as the new standard source of species information. And now David Sibley, America's premier birder and best-known bird artist, turns his attention to the general characteristics that influence the appearance of all birds, unlocking the clues to their identity. In 200 beautifully rendered illustrations and 16 essays, this scientifically precise volume distills the essence of Sibley's own experience and skills, providing a solid

introduction to “naming” the birds. **Birding Basics** reviews how one can get started as a birder—the equipment necessary, where and when to go birding, and perhaps most important, the essential things to look for when birds appear in the field—as well as the basic concepts of bird identification and the variations that can change the appearance of a bird over time or in different settings. Sibley also provides critical information on the aspects of avian life that differ from species to species: feathers (color, arrangement, shape, molt), behavior and habitat, and sounds.

Major Nghu, the fanatic North Vietnamese officer from book 1, is back. This time, he's got many more soldiers under his command, and uses different tactics, which he believes are guaranteed to defeat the Marines and Popular Forces of Combined Action Platoon Tango Niner. He starts by violating the Christmas truce - at a time when the Marines have American women visiting for Christmas dinner! Defeating the North Vietnamese is the toughest job Tango Niner has faced, especially once Major Nghu and his forces begin targeting the civilian population of the hamlets of Bun Hoa village. Step by step, Major Nghu believes he is achieving his ultimate goal of defeating the Marines and PFs of Tango Niner. Step by step, the Marines and PFs find ways to counter him and his forces, until they meet in the

Struggle Free means to me as trying to make it, Maby even try to be happy if you can. I never paid attention to learning the lessons I should. Insanity doing the same thing over and over and excepting a different result. It ain't that were dum just that we have to struggle to make it in the eyes ,ears and dollar bills witch we fall under. And if my pain can heal the next to be happy... Then indeed we can Struggle Free....

The spotlight picked him out: the cool, calm, darkly handsome man sitting up smart and straight in his black leather chair, with a glass of the good stuff by his side and mischief in his eyes. He welcomed you in, and then started sharing stories - some of them short, many of them tall and one or two of them strange - that made you laugh and made you think. He was Dave Allen, and THE ESSENTIAL DAVE ALLEN is a celebration of his very special craft. The range of comic material in the collection covers every stage of life, from the cradle to the grave and beyond, as well as religion and politics, love and sex, food and drink, work

and leisure and time and transience. All of Dave Allen's best-loved jokes, monologues and routines are reproduced just as the master storyteller told them. THE ESSENTIAL DAVE ALLEN is a wonderful souvenir for those who grew up loving the man and his humour. For those who are new to him, it is an engaging introduction to a comedian who won the admiration of millions of fans in Ireland, Britain, Australia and beyond.

As a writer for AskMen.com, Examiner.com, co-founder and Dating and Relationship Consultant for Suave Lover International and the Suave Lover Podcast, long term bartender and public health professional, I have direct client, personal and social experiences towards improving and solving pick up, dating and relationship situations. The young straight men I've seen and worked with, initially want two things, to meet more women and have more sex. What they don't know is that the success for those two things relies on more than specific pick up lines and rico suave moves, it involves becoming a better man. The current market for pickup and dating self-help material is overwhelming, objectifying, lacks universality and misses out on this concept. The Essentials provides quick answers for men who want to improve their success with women but with a focus on overall development. Packaged as a travel-friendly, one-stop summary of the very best advice, with sections ranging from self-improvement to creating and sustaining relationships, The Essentials is what you need to improve your current status as a Man. Problem: The current market for pickup and dating self-help material is overwhelming, objectifying, and lacks universality. Solution: The Essentials, packaged as a travel-friendly, one-stop summary of advice, avoids pick-up lines or rico suave moves, and provides expert and concise answers for men who want to improve their success with women but with a focus on overall internal development.

52 Productivity Principles for Getting Things Done

The book *Lifhack* calls "The Bible of business and personal productivity." "A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'"—Fast Company Since it was first published almost fifteen years ago, David Allen's *Getting Things Done* has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of *Getting Things Done* will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

"Me and E: A Baseball Odyssey is a reflection on parenting a highly skilled, nationally-ranked and difficult baseball prodigy, told through the author's eyes as he witnessed and participated in the successes and failures of his son playing baseball and growing up in Central Florida. It deals with the changing world of competitive youth sports, over-involved parents, fanatical coaches, the hypocrisies inherent in high school athletics, the college recruiting process and how we teach our kids to grow up and become decent human beings - despite ourselves. It involves well-known sports figures as well as local sports icons with traits and characteristics that everyone will recognize. It's a book about flawed parenting, about living vicariously through a gifted child and learning, finally, that being a good father is as much about letting go as it is about being there. Call it Moneyball meets Everything I Know I Learned in Kindergarten. Traditional beliefs about meeting goals are fundamentally flawed. Goal setting tactics assume goals are measurable, achieved, and final-all attributes that describe objectives, not goals. Unlike objectives, which are by their very nature self-contained, goals are immeasurable. A goal is realized, not achieved, and must be maintained to remain successful. What good is the goal of losing weight if you don't keep the weight off? Losing twenty pounds is an objective. Keeping that twenty pounds from returning is a goal, which must be maintained to

remain a success. In Three Your Life, entrepreneur and accidental expatriate David R. Sanders applies this important distinction between goals and objectives. Beginning with attitude, outlook, and perception, Sanders builds a solid foundation on which to effect major life changes. Learn to differentiate between needs, wants, and desires—and discover how focusing on desires causes everything else to fall into place. To realize desires, Sanders reevaluates conventional thinking on prioritizing tasks, using a three-part daily structure that ensures you're working toward a productive and fulfilling life. A fresh new approach to goal setting, Three Your Life offers the opportunity to realize your goals, achieve your objectives, and understand the difference between the two.

This is the story of how four people, grouped together inside a set of offices five floors above a greengrocer's shop on Shepherd's Bush Green in West London, launched a golden age of British comedy. On any weekday morning, if you dared to clamber over the crates of fruit and veg outside on the pavement, and climb the five flights of stairs to Associated London Scripts, you would find Milligan, Sykes, Galton & Simpson, shaping the latest shows, swapping the odd story and searching for a funnier line. Together, this eclectic bunch, and their bizarre office block, were responsible for a golden age in British comedy, which included The Goons, Hancock's Half Hour, Sykes, Steptoe

Leaves from Fire

Have you ever wondered: What it's like to daily bet hundreds of thousands of dollars working for some of the largest professional gamblers in Las Vegas? ... How to spend a summer house sitting one of the biggest stars in the world's 11,000 square-foot mansion - without an invitation from it's celebrity owner ... Whether the life of crime - specifically, running a shoplifting ring in a middle American mall - pays? ... What causes a son to finally say enough is enough ... and decide "Today is the day I am going to kill my dad." Comedian Brandt Tobler has the answers in this funny, touching and sometimes downright unbelievable memoir of a small town Wyoming-kid turned "mall-fia" don, turned nationally touring comic. Brand tells his life story with candor, detailing the many pit stops, wrong turns, crazy connections

Access Free The Essential Dave Allen

and lucky breaks he experienced along the way to his comedy career, all while trying to balance a toxic relationship with his unreliable jailbird dad. In these pages Brandt will make you laugh (he better - it's his job!) and believe as he does that, when it comes to defining family, blood isn't always thicker than water. -- back cover.

Maybe you're a recent college graduate, looking for a successful start to your career. Or an experienced professional, feeling the need to try something new. Either way, a whole host of opportunities await you- but if you really hope to ace that interview and get the job you want, you'll need the right skills to get ahead. So when you're navigating the complex twists and turns of today's changing job market, let I'll Get That Job! serve as your road map and guide. Featuring advice from real HR professionals, headhunters, and team managers, this essential job-hunting companion will let you know exactly what you need to do to increase your chances, from social media presence to writing a great CV. While shedding light on the many myths and outdated "rules" that may actually bog you down in today's job-seeking experience, I'll Get That Job! serves as a source of motivation and encouragement for modern job hunters. After all, with hard work and the right mind-set, it really is possible for you to get that job you've always wanted-and become the most successful version of yourself along the way!

The image of Dave Allen is seared into our minds. He sits on a tall

Access Free The Essential Dave Allen

chair with a glass of J&B, smoking his Gauloises, a fingertip missing as he tells the most hilarious, rambling stories. But what of the man behind the image? Having worked with him as his stage manager, Carolyn Soutar was able to see how he behaved both on and off screen. Here she discusses the Irish Catholic upbringing that brought him so much anger, which he was able to turn to humour, how he toured with the Beatles in the sixties, and became a huge TV star in the following decades. This biography is the most revealing account of the famously private comedian, whose career began in the sixties but who remained influential to a whole new generation of comics in the 21st century. Fawlty Towers was only on our screens for 12 half-hour episodes, but it has stayed in our lives ever since. The Major; 'Don't mention the war!'; 'He's from Barcelona'; Basil the Rat -- everyone has a favourite line, moment or character. In this, the first biography of the show, Graham McCann holds up to the light each of the unpredictable elements - the demented brilliance of John Cleese, his creative partnership with Connie Booth - that added up to an immortal sitcom, beloved all over the world, even in Barcelona.

Take Control of Your Life in a Distracting World

A small town is haunted by a crime from 15 years ago. Not one suspect was ever brought to justice. But now, 15 years later, when likely suspects seem to be disappearing from tragic events, the town's down-and-out fire chief may know more than he's letting on. David, the alcoholic fire chief, has had too many things go wrong in his life and has nothing left to live for. Brian Grace lost his daughter 15 years ago and has looked for her ever since. His bodyguard, Jason, is a tough character that likes to control his surroundings and protect his employer. Kelly, the detective, is an attractive woman and finds herself getting more involved with the case than anyone could have predicted. And, there is Chad and his three friends; a tough and nasty group of old school mates that cause trouble wherever they turn up. What could possibly be happening in this small town, and is it even connected to a girl's disappearance 15 long years ago?

This is a memoir presented in an anthological - like format; in other words, a collection of short stories, on the life of the

author. It starts when he was growing up in the Philippine countryside of Ilocos Sur province. Just like a normal kid, he played with his friends, did crazy things, went to school and moved to Manila, for his college education. He got married while in fifth year college, but still graduated on time. This book relates his struggles, failures, as well as successes, including his coming to America. Searching for the American Dream was no picnic either, but with perseverance, he achieved some of them in modest ways. Foreigners planning to immigrate to the great ol' USA could get glimpses, on what it takes, to come and live in America.

Buffalo Annie offers a glimpse into the life of Lisa "Buffalo Annie" Selner, a wildlife biologist, explorer, and outdoorswoman. This book provides an overview, chronicling Lisa's field encounters, travel adventures, and outdoor quests early in her career. The purpose is to inspire and motivate adventurers, outdoor enthusiasts, and anyone who is interested in or plans to engage in a wildlife profession. Photography captures many fascinating accounts of wildlife encounters, exploration of picturesque landscapes, and outdoor pursuits
