Can a woman who has been deeply hurt by life's circumstances be healed, heart and soul? If she has been wounded by a man she loved and trusted, can she love and trust again? As a woman who endured years of abuse, abandonment, and betrayal by those closest to her, Joyce Meyer can answer with a resounding "yes!" Meyer's positivity comes from living her own journey, and from seeing so many women who don't believe they can fully overcome their pain-or even know where to begin-find the guidance they need in the life-changing wisdom of the Bible. Meyer's bestseller *Beauty for Ashes* told of her personal story of healing. Now, with the passage of more time, **HEALING THE SOUL OF A WOMAN** delves deeper into Joyce's story and the journey of healing for all women. Each chapter

the Bible lived timeless stories—by examining them, we can understand what it means to be a woman of faith. People unfamiliar with Scripture often assume that women play a small, secondary role in the Bible. But in fact, they were central figures in numerous Biblical tales. It was Queen Esther's bravery at a vital point in history which saved her entire people. The Bible contains warriors like Jael, judges like Deborah, and prophets like Miriam. The first person to witness Jesus' resurrection was Mary Magdalene, who promptly became the first Christian evangelist, eager to share the news which would change the world forever. In The

Women of the Bible Speak, Fox News Channel's Shannon Bream opens up the lives of sixteen of these Biblical women, arranging them into pairs and contrasting their journeys. In pairing their stories, Shannon helps us reflect not only on the meaning of each individual's life, but on how they relate to each other and to us. From the shepherdesses of ancient Israel who helped raise the future leaders of the people of God, to the courageous early Christians, the narrative of the Bible offers us many vivid and fascinating female characters. In their lives we can see common struggles to resist bitterness, despair, and pride, and to instead

find their true selves in faith, hope, and love. In studying these heroes of the faith, we can find wisdom and warnings for how to better navigate our own faith journeys. The Women of the Bible Speak outlines the lessons we can take from the valor of Esther, the hope of Hannah, the audacity of Rahab, and the faith of Mary. In broadening each woman's individual story, Shannon offers us a deeper understanding of each, and wisdom and insights that can transform our own lives today. Where do you turn when you need God's thoughts on the issues and emotions of life? The Bible Promise Book, now in a beautiful gift edition. Barbour's Bible

Promise Books are perennial bestsellers, with millions of copies in print, and this brand-new edition features the most readable scripture text of all, the New Life Version™. It contains the same topics found in Barbour's original Bible Promise Book—Anger, Contentment, Forgiveness, Hope, Obedience, Salvation, Worry, Worship, and dozens more, over 60 in all with more than 1,000 total verses. The Bible Promise Book—NLV™ offers scriptural encouragement in language that even the youngest reader can clearly understand. It makes an ideal gift for either men or women—maybe even yourself!

The traffic is backed up, the kids are screaming, and the car is making a funny noise again. Any one of these challenges can test our temperament and rob us of joy. Our impulse is to write today off and hope for a better tomorrow. However, this creates a hard pattern to break. One terrible day easily turns into many-and soon we're living a life far from what God has in mind for us. A new, transforming sense of excitement, happiness, and contentment in our lives is possible when we pursue God's goodness each day. In 20 WAYS TO MAKE EVERY DAY BETTER, Joyce Meyer shares biblical illustrations, actionable advice, uplifting stories, and the

encouragement we need to start enjoying the life God created for us.

In the tradition of *Silent Spring* and *The Sixth Extinction*, an urgent, meticulously researched, and groundbreaking book about the ways in which chemicals in the modern environment are changing—and endangering—human sexuality and fertility on the grandest scale, from renowned epidemiologist Shanna Swan. In 2017, author Shanna Swan and her team of researchers completed a major study. They found that over the past four decades, sperm levels among men in Western countries have dropped by more than 50 percent. They came to this conclusion after examining 185 studies involving close to 45,000 healthy men. The result sent shockwaves around the globe—but the story didn't end there. It turns out our sexual development is changing in broader

What is hijacking our fertility and our health? *Count Down* unpacks these questions, revealing what Swan and other researchers have learned about how both lifestyle and chemical exposures are affecting our fertility, sexual development—potentially including the increase in gender fluidity—and general health as a species. Engagingly explaining the science and repercussions of these worldwide threats and providing simple and practical guidelines for effectively avoiding chemical goods (from water bottles to shaving cream) both as individuals and societies, *Count Down* is at once an urgent wake-up call, an illuminating read, and a vital tool for the protection of our future.
