

The Fantasy Art Of Frank Frazetta 2017 Wall Calendar

Discover the world’s greatest heroic fantasy artist, Frank Frazetta in the landmark collection, Fantastic Paintings of Frazetta. The New York Times said, "Frazetta helped define fantasy heroes like Conan, Tarzan and John Carter of Mars with signature images of strikingly fierce, hard-bodied heroes and bosomy, callipygian damsels." Frazetta took the sex and violence of the pulp fiction of his youth and added even more action, fantasy and potency, but rendered with a panache seldom seen outside of major works of Fine Art. Despite his fantastic subject matter, the quality of Frazetta's work has not only drawn comparisons to the most brilliant of illustrators, Maxfield Parrish, Frederic Remington, Norman Rockwell, N.C. Wyeth but, even to the most brilliant of fine artists including Rembrandt and Michelangelo and, major Frazetta works sell for millions of dollars. This innovator's work has inspired generations of artists, movies including the Conan films, John Carter of Mars, the Lord of the Rings trilogy, Robert Rodriguez' films including From Dusk Till Dawn, Ralph Bakshi films, the epic, Game of Thrones series, Tim Burton's Sleepy Hollow, Disney's animated Tarzan films, Francis Ford Coppola's Apocalypse Now and George Lucas' Star Wars. Forbes magazine said, "Which artist helped make Arnold governor? Frank Frazetta, the Rembrandt of barbarians." J. David Spurlock started crafting this book by reviving the original million-selling 1970s mass market art book, Fantastic Art of Frank Frazetta. But, he expanded and revised to include twice as many images and, presents them at a much larger coffee-table book size. The collection is brimming with classic and rare works including barbarians, beasts, and beauties. Game of Thrones creator George R. R. Martin said, "Frazetta's covers of the Conan paperback collections became the definitive picture of the character... still is." Schwarzenegger said, "When I looked at Frazetta's paintings, I tell you, it was intimidating." Game of Thrones, Conan and Aquaman film star Jason Momoa said, "I am a huge Frank Frazetta fan. That's what I wanted to bring to life." See the revolutionary art that helped inspire Schwarzenegger, Momoa, the Lord of the Rings and Game of Thrones: FRAZETTA!

The further adventures of David Innes and Abner Perry at the Earth's core. We learn of new developments ocuring in Pellucidar, including the capture of Tanar the Fleet One by the piratical Korsars, together with picturesque details about the lovely Stellara of the Island of Amiocap, Bohar the Bloody, and others, as well as reptilian monsters.

Presents over forty color reproductions that span the artist's entire career, and includes biographical material.

Masters and Legends of Fantasy Art, 2nd Expanded Edition

A NEW YORK TIMES BEST SELLER "This book is a must for everyone interested in illuminating the idea of unexplainable genius."—QUESTLOVE Equal parts biography, musicology, and cultural history, Dilla Time chronicles the life and legacy of J Dilla, a musical genius who transformed the sound of popular music for the twenty-first century. He wasn’t known to mainstream audiences, even though he worked with renowned acts like D’Angelo and Erykah Badu and influenced the music of superstars like Michael Jackson and Janet Jackson. He died at the age of thirty-two, and in his lifetime he never had a pop hit. Yet since his death, J Dilla has become a demigod: revered by jazz musicians and rap icons from Robert Glasper to Kendrick Lamar; memorialized in symphonies and taught at universities. And at the core of this adulation is innovation: a new kind of musical time-feel that he created on a drum machine, but one that changed the way “traditional” musicians play. In Dilla Time, Dan Charnas chronicles the life of James DeWitt Yancey, from his gifted childhood in Detroit, to his rise as a Grammy-nominated hip-hop producer, to the rare blood disease that caused his premature death; and follows the people who kept him and his ideas alive. He also rewinds the histories of American rhythms: from the birth of soul in Dilla’s own “Motown,” to funk, techno, and disco. Here, music is a story of Black culture in America and of what happens when human and machine times are synthesized into something new. Dilla Time is a different kind of book about music, a visual experience with graphics that build those concepts step by step for fans and novices alike, teaching us to “see” and feel rhythm in a unique and enjoyable way. Dilla’s beats, startling some people with their seeming “stoppiness,” were actually the work of a perfectionist almost spiritually devoted to his music. This is the story of the man and his machines, his family, friends, partners, and celebrity collaborators. Culled from more than 150 interviews about one of the most important and influential musical figures of the past hundred years, Dilla Time is a book as delightfully detail-oriented and unique as J Dilla’s music itself. Frank Frazetta! He’s been rightfully called "The Grand Master of Fantasy Art"! But, it’s little known that Frazetta also conquered other worlds in the Golden Age of Comics, as shown in his Donald Duck-ish funny animal and hilarious hillbilly comic book stories. Even those aware of this wonderful Frazetta art don’t know the extent - this book is a whopping 256, large-format pages! Did we mention ferocious, terrifying wolves and swampland creatures in the plethora of animal stories illustrations as only Frazetta could draw them? There’s also lions and tigers and bears - oh my! - before Frazetta’s famous paintings captured the same subjects. But wait, there’s more! You’ll see the roots of the Frazetta Girl in the sexy Kathy teenage girl adventures and the hot Daisy Mae-look-alike, Clarabelle, in the hillbilly hi-jinks stories of her beau, Looye Lazybones (Holy Li’l Abner!). The introduction is by famed cartoon director Ralph Bakshi, who closely worked with Frazetta when they co-produced the animated feature film, Fire and Ice. Bakshi shares rare insights, anecdotes, photos, and Frazetta drawings, and created a special painting of Frazetta and himself as funny animals for this beautiful hardcover, full-color coffee table book! Frazetta - Funny Stuff is edited and designed by Eisner award-winner Craig Yoe. As with the entire line of Yoe Books, the reproduction techniques employed strive to preserve the look and feel of expensive vintage comics. Painstakingly remastered, enjoy the closest possible recreation of reading these comics when first released.

Profiles the career of the influential artist and offers reproductions of many of his famous works, as well as uncollected and previously unpublished paintings and drawings.

Sensuous Frazetta

My psychedelic woman fantasy art is inspired by my long time muse and friend Doe Gentry. I dedicate this book to her. The collaboration started Jan. 1, 1984 and continues to this day. Our photo-shoots are a true artist collaboration, combining costumes, wigs, lighting, backgrounds, body & facial expressions and lots of laughter and fun. I’ve taken thousands of photos of Doe that I use as starting points for oil paintings, watercolors, oil pastels, computer graphics and art installations. This book is a series of art I’ve been working on for years that combines my photographic and computer graphics styles with my psychedelic and pop art roots from the 1960’s.

The Fantasy Drawings of Frank Brunner

Only Robin Lakehair's innocent touch can free Gath of Baal from the murderous power of the Death Dealer. When an evil queen summons demons to kill Robin, Gath must don the Horned Helmet again and confront primordial evil to ensure his own freedom. Based on Frazetta's most famous painting. Heroic drawings and spirited animations have earned Frank Brunner a reputation as an illustration powerhouse. Influenced as much by the celebrated fantasy painter Frank Frazetta as by "Weird Science" legends Wally Wood and Al Williamson, Brunner carved his own niche, earning a reputation as an illustrator who could combine heroics, eroticism and whimsy in a single brush stroke. This is a showcase of classic and new art produced by this master of fantasy illustration.

Frazetta is without question the master of Fantasy Art. He exploded all the old preconceptions of Fantasy as a pastoral realm of cute elves, sprites and wise wizards, and re-envisioned it as a brutal wilderness inhabited by virile, ruthless warriors hewn from pure muscle, and armour-clad amazons with astonishingly voluptuous bodies, locked in perpetual combat with horrific primeval monsters and demons. Once Frazetta had wielded his paints Fantasy could never be the same again. Born in Brooklyn in 1928, he absorbed the colourful pulp adventures of Tarzan and Flash Gordon, and in the fifties he excited the next generation of Fantasy-lovers with his comics and illustrations for the seductive lady blood-sucker, Vampirella, and most fatuously Robert E. Howard's hero, Conan The Barbarian. His work, with its high levels of testosterone, wicked humour and compositional skill, has been a profound influence on film-makers such as John Milius, Clint Eastwood and George Lucas. In the sixties Frazetta's images became the poster art for psychedelic counterculture. Frazetta was no political radical, but his art ripped apart the clean, ordered world of suburban America and replaced it with a gorgeously rendered wasteland of violence and sensuality.

The Fantastic Worlds of Frazetta

Rough Work

Mythos

Fantasy Art from the Frank Collection

Frank Frazetta has excelled in a wide variety of artistic formats, from fine art to paperback covers, comic books to record albums. His atmospheric worlds of sinewy superheroes, seductive sirens, and vivid monsters are wonderfully detailed, fully realized, and unmistakably his. This book gives fans an intimate glimpse of Frazetta's creative process by showcasing not only black-and-white and full-color drawings from his sketchbooks, but concept art as well, showing the artist's raw imagination and problem-solving skills. Printed on deluxe art paper and featuring personal and previously unpublished material, these "rough works" offer a fascinating look at how a modern master creates.

Mythos: Fantasy Art Realms of Frank Brunner, is a dazzling showcase of classic and brand-new art from this master of fantasy illustration. Top properties Conan, Man-Thing, Dr. Strange, Red Sonja, Howard the Duck, Elic, and many others are featured in this exciting collection, along with insightful commentary. Fans of animation, graphic novels, and fantasy art will be thrilled by the vintage and classic illustration Brunner designed for Marvel Comics, Heavy Metal magazine, Disney, Dreamworks, and other top movie studios--and dozens of never-before-seen works, including commissioned art produced for collectors around the world. Mythos is a fantasy come true for Brunner fans!

Tanar of Pellucidar

Vampirella, Weird Science, Dejah Thoris... No one renders exotic women better than Frazetta, the World's greatest Fantasy artist. Until now, only the most ardent collectors possessed the elusive grail items from the short period of Frazetta's early-1960s Men's magazine and risqué paperback illustrations. Often selling for hundreds of dollars each, these rare publications bridged Frazetta's exodus from traditional comics work, to his now-legendary Conan, John Carter of Mars and Death Dealer oil paintings. Now, in an affordable volume, Vanguard expands their authorized line of Frazetta books with this, the most complete collection ever, of rare, vintage, Sensuous Frazetta. This book includes a Foreword by popular Cry For Dawn creator, Joseph Michael Linsner. Contents: FOREWORD Joseph Michael Linsner; Chapter One Between the Sheets (Paperback Interiors); Chapter Two Romance & Cigarettes (Sequential Art); Chapter Three Pretty Funny Women (Sex in a Humorous Vein); Chapter Four Saucy Stories (Men's Magazine Art); Chapter Five From Casting Couch to... (Hollywood Vignettes); Chapter Six Stars in her Eyes (The Zodiac Calendar).

A hardcover reprint volume of a set of one-shot comic books published in 2008. Stories based on Frank Frazetta paintings. Includes galleries of art work, finished and preliminary, for each story at the end of the volume, along with scripts for some pages of each story.

Every child knows about Santa Claus, the jolly man who brings gifts to all on Christmas. There are many stories that tell of his life, but the delightful version relayed in The Life and Adventures of Santa Claus is by far the most charming and original of all. Only L. Frank Baum, the man who created the wonderful land of Oz, could have told Santa's tale in such rich and imaginative detail.

Frazetta

Vanguard follows last year's hit Fantastic Paintings of Frazetta book by J. David Spurlock with definitive reference on Frazetta Book Cover Art. Frazetta is the revolutionary fantasy artist of Conan, King Kong, Death Dealer, Edgar Rice Burroughs, Lord of The Rings and more, whose original art sells for millions. This new 2022 Frazetta book follows last year's hit, Fantastic Paintings of Frazetta and is similar to Vanguard's earlier Frazetta Definitive Reference book. But, it is superior in at least one regard. Instead of cataloging Frazetta items with mostly smaller illustrations, this new book is devoted solely to the artist's single, most beloved venue, Book Cover Art. By focusing on this specific area, the book boasts room enough to feature every single one of Frazetta's famous and highly collectable illustrated book covers, beautifully and authentically reproduced at a larger size on a page to itself. All are presented in chronological order which, gives readers a unique ability to follow Frazetta's evolution as an artist. Accompanying text includes commentary, original publication titles, publishers, dates, and rare quotes from the artist himself. For this Definitive Reference to feature the Complete Collection of Frazetta's decades of book cover illustrations, in a single beautifully produced volume, is a dream come true for Frazetta fans, art and book collectors and historians alike.

Frank Frazetta's paintings and illustrations have set the standard for fantasy artists for the past 50 years. This collection focuses on his influence in a variety of media and genres and on his place in 20th century art history. Coedited by Hugo Award-winning editor Arnie Fenner, it includes many of Frazetta's most memorable paintings as well as revised works. The art is accompanied by the artist's own observations and commentary by a number of his contemporaries.

*Masters and Legends of Fantasy Art, 2nd Edition is the ultimate guide to fantasy, sci-fi, and comic art techniques, advice, and theory. Packed with 22 in-depth interviews and amazing workshops from the biggest names in the genre, you'll learn everything you need to know to paint like these fantasy art masters. A Showcase of the World's Finest Fantastic Art

The Fantasy Art Realms of Frank Brunner

The Art of Ken Kelly

The Frank Collection is renowned worldwide as the largest and best collection of fantasy and science-fiction art. A first volume of treasures from the gallery was published in 1999 to considerable acclaim. Here is the eagerly awaited second volume, showcasing such giants of the fantasy-art field as Hannes Bok, Chesley Bonestell, Jim Burns, Thomas Canty, Bob Eggleton, Boris Vallejo, and many, many more.

This final entry in Arnie and Cathy Fenner's Frazetta trilogy features 150 full-color paintings by the renowned artist and illustrator, ranging in subject matter from barbarian battles to erotica to religious art, as well as photos from his personal archives, including shots of George Lucas visiting the Frazetta estate and Bo Derek posing for one of his alluring femme fatales. Comments and anecdotes by the artist and the editors, along with testimonials from graphic-art luminaries Dave Stevens, Bruce Timm, and Bernie Wrightson, flesh out this portrait of the artist.
