Do ghosts get to

they haunt? Do
they get to
choose what they

they're dead?
When Beth Hayes
arrives at
Lakeforth Hotel,

Acces PDF The Folcroft Ghosts

she's expecting a quiet, sedate and maybe even boring night.

What she finds, however, is a crumbling old ruin that has clearly been left abandoned for many years. She wants to turn

Acces PDF The Folcroft Ghosts

around and leave immediately, but her boyfriend has other ideas.

Lakeforth Hotel has a dark history. Almost a century earlier, two young girls were orphaned in a horrific fire, and they were quickly

Acces PDF The Folcroft Ghosts

taken in by the hotel's owner Jobard Nash. They soon discovered that Nash was a cruel and sadistic man, and now it's said that the ghosts of those two girls haunt the hotel. But what do they

want, and how far will they go in their hunt for revenge? The Ghosts of Lakeforth Hotel is a horror novel about a girl who wants revenge for her murder, and about a woman who

Together with A.'s companion, Niamh, a mute teenage punk girl from Ireland, they arrive in Virginia and quickly come to feel as if they
