But it is difficult for Riley to enjoy his new life, for he has always believed in his heart of hearts that Garrick will someday, somehow, return to seek vengeance. The early 21st century is a time of unprecedented opportunity for those coming of age. It is a time when many young adults set out to achieve their dreams, be it starting their own business, starting a political movement, or propelling themselves to superstardom. freedom, dreams, love and fairness for all. However, she soon finds that whilst change appears to be in the air, the resistance is often even greater. While the early 21st century is a time of opportunity for some, many people remain left behind, and tension and dissatisfaction is the order of the day in many areas of life. The increasing pitch of the culture wars, and the influence of global movements from the Tea Party to the Occupy Protests, also combine to make Pacificland a daily ideological warzone. Meanwhile, Pacificland gets caught up in a meaningless political stalemate, with reforms like marriage equality stalled seemingly forever. With her own dreams on the line, will Angelle stay true to her values? And if she does, will

it be enough to make a positive difference? Life isn't meant to be easy, but are there rewards for the brave at the end? While Angelle's story is fictional, the perspective taken on the social and political movements of the 2000s and 2010s are inspired by real life accounts, and represent the very real perceptions of real people living today.
