

The Four Horsemen Bound The Four Horsemen Series Book 2

Apollo and Amaya Shelly are twins, living deep in the forest of Stockwood Washington and away from civilization. Raised by their father and under the protection of their leader, Maximiliano, Apollo and Amaya live what they consider a normal life with the Sanguis clan. Three days before their 18th birthday, the twins discover that their -normal- existence is anything but normal: their father and the Sanguis clan are vampires. Worse yet, they learn that an agreement was made that would predestine them to become vampires on their special day. In a chilling race against time, the twins uncover a secret that could destroy their lineage and alter their existence. Whether past or present, family or clan, the line between good and evil can easily blur. Especially when they are bound to darkness

The Four Horsemen narrates the history of revolution in Spain, Naples, Greece, and Russia in the 1820s, connecting the social movements and activities on the ground, in the inimitable voice of a renowned historian.

Nicole Martin was only eight years old when she narrowly survived a massacre: her family's vampire slaves rebelled and killed everyone in her household. Twenty years later, Nicole now dedicates herself to finding a vaccine against vampirism . . . and eradicating the gruesome memories that give her nightmares. Riker, a member of the wild vampire Moon Clan, is haunted by his own demons - his wife Lorraine had been captured and enslaved by the Martin family. It was during a botched escape attempt that she was killed, along with their unborn child. Still wracked with grief and anger, Riker is now fuelled solely by the desire to rescue vampire slaves . . . and slaughter their owners. When Riker stumbles upon Nicole in a chance meeting, he immediately recognizes her as a member of the Martin family that once enslaved his wife -and she recognizes him as the wild vampire she saw kissing a pregnant slave in the moments before her violent death - an image that has haunted her dreams for years. When Riker kidnaps Nicole and they spend a night together in a cave on the way back to his clan, suddenly they begin to realize that they aren't as different from one another as they may have thought - and they're finding themselves drawn to one another . . .

Jackson Mathias More had a dream—a grand, vivid dream. Codenamed the Apocalypse, Mathias, along with four of his friends, dubbed the Four Horseman, gathered an army, went to war with a government he despised and brought about the Restoration in his country. These five spent years contriving the ingenuity, the strategy, the will . . . the guts to go through with the plan, and when all the pieces were in place, they began their incredible journey. Defying odds, facing sorrow-filled trials and tribulations, warring with a mighty enemy, and basking in the glory of victories, Mathias finds a strength of body and soul that can only be provided by God. Through his prayers and sufferings, Mathias brings the restoration of his faith to the people of his nation, separating the righteous from the wicked as he initiates a war to purge the enemy from the country. The war Jackson Mathias More foresaw in a dream came—he waged it.

The Four Horsemen: Guardians

The Countdown Has Begun

The abomination vault

The Beginning

Crucial Questions about Speaking in Tongues

The Sequel to the Sequel to Pride and Perpetration

In 2007, Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett filmed a landmark discussion about modern atheism. The video went viral. Now in print for the first time, the transcript of their conversation is illuminated by new essays from three of the original participants and an introduction by Stephen Fry. At the dawn of the new atheist movement, the thinkers who became known as “the four horsemen,” the heralds of religion's unraveling—Christopher Hitchens, Richard Dawkins, Sam Harris, and Daniel Dennett—sat down together over cocktails. What followed was a rigorous, pathbreaking, and enthralling exchange, which has been viewed millions of times since it was first posted on YouTube. This is intellectual inquiry at its best: exhilarating, funny, and unpredictable, sincere and probing, reminding us just how varied and colorful the threads of modern atheism are. Here is the transcript of that conversation, in print for the first time, augmented by material from the living participants: Dawkins, Harris, and Dennett. These new essays, introduced by Stephen Fry, mark the evolution of their thinking and highlight particularly resonant aspects of this epic exchange. Each man contends with the most fundamental questions of human existence while challenging the others to articulate their own stance on God and religion, cultural criticism, spirituality, debate with people of faith, and the components of a truly ethical life. Praise for The Four Horsemen “This bracing exchange of ideas crackles with energy. It’s fascinating to watch four first-class minds explore a rugged intellectual terrain. . . . The text affords a different, more reflective way of processing the truly vital exchange of ideas. . . . I commend the book to those seeking an honest reckoning with their religion—and those curious about how the world looks from a rigorously naturalistic and atheistic point of view.”—Pittsburgh Post-Gazette “The full, electrifying transcript of the one and only conversation between the quartet of luminaries dubbed the ‘four horsemen’ of the New Atheism, which took place in Washington, D.C., in 2007. Among the vast range of ideas and questions they discuss: Is it ever possible to win a war of ideas? Is spirituality the preserve of the religious? And, are there any truths you would rather not know?”—The Bookseller (UK) (starred review)

If you knew sudden destruction would fall upon the earth in the next twenty-four hours, how would you spend your last moments? Join New York Times bestselling author John Hagee as he uses Scripture as a guide to count down the prophetic minutes through the events which must occur before every individual faces God on Judgment Day. Charting international news events, including recent peace agreements in the Middle East, Hagee synchronizes these headlines with the biblical timeline for the last days, producing a compelling argument that life on Earth is about to expire. What else must take place before the arrival of Judgment Day? This very timely message discusses: The reality of virtual terrorism The financial crisis and economic crash Opposing views of the Rapture Recent peace agreements in the Middle East that impact Israel and a potential Russian invasion Nuclear wars The purpose of the Tribulation and the Millennium Significantly updated and revised from its previous publication under the title From Daniel to Doomsday, this is quintessential Hagee on Bible prophecy and End-Times teaching. This insightful book is an ideal resource for Christians who are looking for a guide to what the Bible says about

the end times--and how to recognize that they are approaching. Mark it down: The End of the Age is approaching, but it won't be ushered in by space aliens or catastrophic asteroids. Hagee guides us through the timeline before that fateful moment when every unredeemed individual must face God on Judgment Day.

Death and War, two of the feared Horsemen, are sent to stop a group of renegades from locating a hoard of weapons possessing ultimate power and malice and unleashing total destruction.

There is a distinct hint of Armageddon in the air. According to The Nice and Accurate Prophecies of Agnes Nutter, Witch (recorded, thankfully, in 1655, before she blew up her entire village and all its inhabitants, who had gathered to watch her burn), the world will end on a Saturday. Next Saturday, in fact. So the armies of Good and Evil are amassing, the Four Bikers of the Apocalypse are revving up their mighty hogs and hitting the road, and the world's last two remaining witch-finders are getting ready to fight the good fight, armed with awkwardly antiquated instructions and stick pins. Atlantis is rising, frogs are falling, tempers are flaring. . . . Right. Everything appears to be going according to Divine Plan. Except that a somewhat fussy angel and a fast-living demon -- each of whom has lived among Earth's mortals for many millennia and has grown rather fond of the lifestyle -- are not particularly looking forward to the coming Rapture. If Crowley and Aziraphale are going to stop it from happening, they've got to find and kill the Antichrist (which is a shame, as he's a really nice kid). There's just one glitch: someone seems to have misplaced him. . . . First published in 1990, Neil Gaiman and Terry Pratchett's brilliantly dark and screamingly funny take on humankind's final judgment is back -- and just in time -- in a new hardcover edition (which includes an introduction by the authors, comments by each about the other, and answers to some still-burning questions about their wildly popular collaborative effort) that the devout and the damned alike will surely cherish until the end of all things.

The Four Horsemen of the Apocolypse

As the second horsemen brings war and destruction, he meets a young woman who he believes is destined to be his wife, but unfortunately for him she does everything she can to sabotage his plans.

She knows her husband will come for her...but will he be in time? After years of living in a troubled marriage, Alexis Marron reveals her deepest desires to her husband, Pierce. As they explore the world of domination and submission, a fire explodes between them, and their decaying marriage is reborn--until an old lover returns to claim what he feels has always been his. Alexis has to keep her family safe, even if that means submitting to the monster in the shadows. She must learn to bend without breaking and trust that her husband will move heaven and earth to bring her back to the safety of his arms. Pierce must keep his family together until they can safely rescue his wife--but at what cost? Bound in Love is a full-length standalone novel with cartel members and dark as well as adult content. Please read at your own discretion as some may find the material offensive.

For Pestilence, the White Horseman, love becomes the most powerful cure. Having lost his wife and child during the Black Death, Pestilence accepts the fate destiny has given him as one of the Four Horsemen of the Apocalypse. For centuries, Pestilence did his job, spreading plagues and disease around the world. He does it to keep the balance between good and evil, yet he hates every minute of it. He longs to be left alone, but suddenly fate seems to have a different plan for him. When Bart Winston stumbles into an Amazon clearing, he's terribly ill and sure he's going to die. A tall white-haired man with unusual black eyes catches him in his arms and Bart's life takes a turn into the unbelievable. Blaming the whole situation on his illness might have worked, but as he gets better and learns about the strange man who heals him, Bart must accept there are more things in the world than he ever guessed. Pestilence and Bart heal each other, and begin to wonder if there can be a future for the White Horseman and the mortal he's fallen in love with.

Genetically engineered Daniel Henstock - codenamed Tiberius - dares to think that his life will return to normal. As far as he is concerned his enemy is dead, the shadowy organisation behind The Emperor Initiative is no longer searching for him and his relationship with Eleanor is blossoming. But on the evening of the High School Ball Daniel discovers that the peace and quiet he so desperately craves has been shattered. Gregory Dryden is killing off his enemies one by one and Daniel is next on the list. Once again Daniel must make life-changing decisions to not only save himself but also to protect those he cares for. However, Daniel discovers - too late - that real danger often lies much closer to home. TIBERIUS BOUND is the second instalment a thrilling new series - The Emperor Initiative - that has been described as "Alex Rider meets Jason Bourne."

How John Wrote the Book of Revelation: From Concept to Publication

Tiberius Bound

Riding to Liberty in Post-Napoleonic Europe

Pestilence (The Four Horsemen Book #1)

Bound By Night

The sentiment as the book closes packed with information breathed into heart and mind is to desire you have found our Lord to be honest and full of love toward his creation. He honestly informs us of the end coming as the church prepared for her resurrection trumpet to sound. The scriptures pertaining to the first three and a half years of seven-week years of Daniel is so full

of imagery and the conclusion must have had many words taken from imagery through visions that are hard to understand. Consequently, the same vision of John's revelation are written plainly and simple, rolling up all of Daniel's entities into two basic ones. One is the appearance of the beast out of the sea having seven heads and ten horns are both the Antichrist and beast. Secondly, the beast out of the land is the false prophet sent for the destruction of Israel. The scarlet woman is Jerusalem or Babylon. That is pretty much it made simple so any one reading should comprehend the book. Those who read and study the book of Revelation are offered salvation through Christ as one finishes the book. As well, those who miss the catching away of the bride of Christ will need the information written in God's word. Not much mention of this by modern ministers. You will need information written in my book in order to find your way through the maze and obey the only promise through the terrible times coming on the world for the safety of your soul! Not only do you have to refrain from the 666 mark and the worship of the beast you must also obey the "everlasting gospel" Jesus teaches in Mathew 25:31""46. Evidently with so many failures of souls saved during the first half, God sends an angel close to the first half ending of tribulation to announce the everlasting gospel. Many people have hoarded food and other supplies but are only concerned with themselves. It must have been that many people were unaware of this sheep and goat judgment in force. Those who will not share with folks in need are goats and will be cast out of the kingdom. You survived the 666 mark and the beast worship but failed to share! God help you!

An epic adventure that marks legendary artist Simon Bisley's triumphant return to interior comics work! The End of Days is here, and four lost souls must climb from the depths of Hell itself to stand against the monstrous Four Horsemen of the Apocalypse - for the sake of humanity!

Riders. A new fantasy adventure from New York Times and USA Today bestselling author Veronica Rossi. For eighteen-year-old Gideon Blake, nothing but death can keep him from achieving his goal of becoming a U.S. Army Ranger. As it turns out, it does. Recovering from the accident that most definitely killed him, Gideon finds himself with strange new powers and a bizarre cuff he can't remove. His death has brought to life his real destiny. He has become War, one of the legendary four horsemen of the apocalypse. Over the coming weeks, he and the other horsemen--Conquest, Famine, and Death--are brought together by a beautiful but frustratingly secretive girl to help save humanity from an ancient evil on the emergence. They fail. Now--bound, bloodied, and drugged--Gideon is interrogated by the authorities about his role in a battle that has become an international incident. If he stands any chance of saving his friends and the girl he's fallen for--not to mention all of humankind--he needs to convince the skeptical government officials the world is in imminent danger. But will anyone believe him? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This 1891 volume offers analysis on a selection of significant Tennyson poems.

Notes from an Apocalypse

Bound

Revelation (Brazos Theological Commentary on the Bible)

The Conversation That Sparked an Atheist Revolution

The Four Horsemen

In this ninth book of the Hammer Spade series Hammer and his friends are assigned to infiltrate a shadowy group who call themselves The Four Horsemen of the Apocalypse. Their mission is nothing less than the destruction of Western Civilization. In volume one, Michael Clover infiltrates the Four Horsemen leadership council, Jack Kane and Clare Davis are assigned to the Black Horse of Famine group whose mission is to reduce the world's food supply. Dave Quigley and Jim Travis are sent to Algeria on a mission by Red Horse of War group, whose aim is to foment armed conflict. In volume two, Tim Whealton and Jerrel Neuhaus are dispatched to Papua, New Guinea where Willie Wanderer leads them to a plant that produces the world's most deadly natural poison. Hammer Spade and Shidee Callaway are sent to Tibet to learn from Tibetan wise man, Annyl Slohcin, how to destroy the souls of men. Then they all meet in Casablanca, Morocco where Michial Clover, aka Lord Phillip Norwich, has a surprise waiting for everybody.

Drawing on groundbreaking research into the dynamics of healthy relationships, a study of the basic principles that make up a happy, long-lasting marriage shares easy-to-understand, helpful advice on how to cope with such issues as work, children, money, sex, and stress. 35,000 first printing. Tour.

Argues that social ills are bringing the world to the brink of destruction and that only repentance and religious faith can save humanity

"By the author of the award-winning To Be a Machine, a deeply considered look at the people and places in confrontation with the end of our days. We're alive in a time of worst-case scenarios: The weather has gone uncanny, volatile. Our old post-war alliances are crumbling. Everywhere you look there's an omen, a joke whose punchline is the end of the world. How are we to live in the shadow of such a grim future? What does the world hold for our children? What might it be like to live through the worst? And what is anybody doing about it? Dublin-based writer Mark O'Connell ("wryly humorous, cogently insightful"--NPR) is possessed by these questions. In Notes from an Apocalypse, he crosses the globe in pursuit of answers. He tours survival bunkers in South Dakota. He ventures to New Zealand, a favored retreat of billionaires banking on civilization's collapse. And he bears witness to those places where the future has already arrived--real-life portraits of the end of the world as we know it. In doing so, he offers us a unique window into our apocalyptic imagination. Part tour, part pilgrimage, Notes from an Apocalypse is an affecting and hopeful meditation on our alarming present tense. With insight, humanity, and wit, O'Connell leaves you to wonder: What if the end of the world isn't the end of the world?"--

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Welcome to the Nightworld Academy, attended by vampires, shifters, and witches. A place filled with harmony and mutual respect between the supernatural races. Sometimes. I'm told my curse is a gift. A valuable one that could cost me my life. My visions of the future are weird, but my new school is weirder. All lessons take place in the evening and the majority of students are on an advanced program where they take extra classes late into the night. I enrolled at the academy because my last school expelled me for punching another student. Nobody believed that I knocked Tyler unconscious to stop somebody else dying. But why would they believe the crazy girl? I expected to meet other troubled teens here, but the pupils are predictable for an English boarding school. There's Ash, the rugby team captain and the academy's most popular guy. Then there's Andrei, the moody guy with a bad attitude who takes pleasure in annoying me. And Jamie who's studious and friendly but intense. I thought I had the academy figured out: the mean girl, the quirky friend, the nerd, the emo, and the jock. But on the evening I swear allegiance to my new school house, everything spins out of control and I realise I'm dealing with more. Much more. One of us will die, and I know who. Term One is the first in this new upper YA/NA series of magic academy books. The main characters are eighteen and older and this is a slow burn RH. As the series is set at a school in England, the books are written in British English. Scroll up and preorder now to be one of the first to read this gripping new series filled with magic, mystery and romance from USA Today bestselling author LJ Swallow.

How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

The Hebrew-Christian religion remains the most potent verifiably truthful religion on the planet. It suffers horrendously from murderous oppression in the Middle East, its homeland; and was crushed-flat by the largest political State the world has ever known (Soviet Russia); and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe. Despite these massive attacks from mistaken religion, hard-line atheists, and dont know-cant be bothered groups yet it remains. And more than this: It remains, philosophically, socially, prophetically, and scientifically the largest, most credible and consistent belief-system on the planet. Its not by accident that non-violent Christianity (believing in the non-violent Ten Commandments and the beautiful spirit of them in the Beatitudes), can survive such intense mentalphysical violent persecution and still remain so vibrant. True Christians know: The only reason it is so, is because the holy Messiah God of Israel is the only true God. He rules over all the kingdoms of men, but its only the kingdom of Christianity which knows this. He loves all humans (but not their thoughtsactions). However only Christians recognise this and sincerely give thanks that He is their God, their prophet, priest and king. He prophesied that enormous ungodliness would come against His church, and followers but these gates of hell would not overcome it, and so it is now, as we head towards Armageddon and the end of the human age. This book explains His prophecies, and associated key milestone calculations. This is one of many ways, witnessing that He is the genuine-unique-article, just as the Hebrew-Christian Bible says. The purpose of our existence is to have a loving relationship with Him. When humans choose to reject Him it causes us to create corrupt and false gods. Without realising it, many religious people worship corrupt gods, and atheism worships its false no-God god. These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living-death. This grieves the Messiah God of Israel because He loves fruitful life. To encourage us and to verify who He is He leaves indicators throughout history, evidencing even now, in these days of the deeply sceptical cheating spirit that humans are without excuse, come the judgement. Lawrence D. Shawbrooks is now retired but continues to work as an Elder in the Church oversight.

The Seven Principles for Making Marriage Work

Approaching Hoofbeats

The Four Horsemen Of The Apocalypse

The Mysterious Numerical Bible Code and Other Revelations

The Cornhill Magazine

The Battle for Anastasia Aaronson

She's got a magical hand cannon and is carrying God's sword. That makes her tough to beat, but when the devil himself sends the four horsemen of the actual impending apocalypse after her let's just say all bets are off. With a demon at her side, who she's not crazy enough to trust, Anastasia is going after the missing armour of God. It would be an easier task if anyone on Earth knew where the angels hid it. She'll recruit help, but can she get to the armour before the horsemen get to her? Be ready for a wild-assed ride!

More romance. More adventure. More dinosaurs. More dad jokes. The third and (thankfully) final part of the Pride and Perpetration trilogy brings back Elizabeth and Fitzwilliam Darcy in a whole new adventure in a whole new land. Dragged into a centuries old conflict in the Mediterranean, our heroes must use their wits, their skills and a fair amount of dumb luck to get back to England,

probably rowing the whole way there. Will magic rise once again to plunge the world into a new dark age? Will Admiral Georgiana Darcy and the young Captain Emma Woodhouse be able to come to their rescue? Will a herd of very large dinosaurs ruin everyone's plans?

The Four Horsemen and Vee's story continues in book four of this reverse harem urban fantasy series. The previous books must be read first. Assassins, ancient magic, and the mysterious Collector bring new challenges to the Horsemen. Can the five find the answers they need before it's too late? Three humans are dead, and the search is on for the surviving member from Vee's online group. If he's alive, Seth could hold the key to who's behind the attacks -- and why the group are targets. Thanks to their broken alliance with the fae, the Four Horseman and Vee must turn to others for help and are pulled deeper into the supernatural underworld. The danger the world faces is greater than they imagined and someone is determined the Horsemen will fail. The Four Horsemen will each do whatever it takes to protect Vee, but as Vee's relationship with the guys intensifies, so does her power. How powerful can she become and at what cost to the Four Horsemen's future?

When I went to my neighbor's apartment to investigate strange sounds, I never expected to fall through a portal into another world. Yet here I am, a stranger in an even stranger land...and I'm stranded. In this world, might makes right, men carry swords, and gods walk the earth. Within minutes of arriving, I'm enslaved. Fun place. How do I get home? GREAT question. Wish I had an answer. The one person that might be able to help me is also the one person I want to throttle most. Aron, Lord of Storms, Butcher God of Battle, is my new companion. Or rather, I'm his. As Aron's anchor to the mortal realm, I'm the one that's supposed to be guiding him through his exile in the mortal world. Ha. Joke's on him. I know nothing about this place. But Aron and I have a common goal - get home. And we're bonded - anchor and god - with a bond unlike any other. So we travel together. We bicker. We bathe together. We fight our many, many enemies together. And sure, he's a god, but he's also an arrogant jerk. Brawny, smoking hot, irresistible jerk. I should want nothing to do with him. I certainly shouldn't want to do things to him. Mortals and gods don't mix. We stick to the plan and ignore our attraction. Focused, with one goal in mind. One task. One goal. Focused. I-oh heck, I'm going to end up kissing him again, aren't I?

What does the gift giver say about the gift He gave? This book will help you overcome the arguments, fears, and anxieties related to this gift. FEATURES AND BENEFITS Shares the author's personal testimony and spiritual journey with speaking in tongues Examines the history of this gift in the church for the past two thousand years Interacts with those who have denied that this gift is valid for today's church Speaks to the relationship between Spirit baptism, Spirit filling, and the gift of tongues Few other issues have separated the church more than the issue of tongues. Sam Storms focuses on this controversial subject with his signature insights to theology and the gifts of the spirit. What does the gift giver say about the gift He gave? Storms seeks to bring balance to this subject in The

Language of Heaven as he wrestles with this sensitive issue experientially as well as theologically. He ultimately provides a platform to allow God to speak for Himself as he addresses every text of Scripture on the subject and engages with every theological issue that speaking in tongues provokes. As a pastor, Storms knows the questions that the typical churchgoer is asking and provides clear and accessible answers to them all, including: Is the gift of tongues for every Christian or only some? How does the gift of tongues operate in the life of the believer individually in private practice? How does the gift of tongues operate in the corporate assembly of God's church? How is the Christian edified and strengthened by praying in tongues? How do I pray for the gift and prepare my heart to receive it? You can overcome the arguments, fears, and anxieties related to this spiritual gift. Remember, God gives only good gifts, and it is His intention that His church utilize all that He has provided so that we might experience all that He is.

The English Rider's Complete Guide to Daily Care and Competition

The Publishers Weekly

The End of the Age

Many say Tess is the fifth horseman of the apocalypse. The weapons she uses does not leave the pain of a bullet, bow, or sword; it leaves pain of a different kind. She leaves misery in the lives of her prey. In her arsenal she carries strife, discord, conflict, confusion, slander, and insults. She feasts on the chaos and disorder she causes. She thrives on the misfortune of others. How do you know Tess is about to do something wretched and wicked? It's when she gets "that" smile across her face like a big cat with a mouse under each paw. A man in her neighborhood made the statement, "Ole Tess is so bold slinging gossip you would think she received a paycheck from Satan himself!" Tess is a hunter of any information to condemn another. It's hard to believe she's in church every Sunday. She'll fight in the church parking lot. Her friends will fight over a \$3 chicken. Have you ever seen chicken bone wind chimes made by a witch? Tess has. Have you ever read a letter from Lucifer? Tess has. Have you ever been to a yard sale in hell? Tess has. Tess stays busy. She might be screaming at the preacher or spreading rumors about a deacon of the church. She spends hours on the phone repeating gossip and lies like a satanic secretary. Being Tess is hard work! Being Tess is exhausting!

In an effort to regain his Prince of Hell title, Lucifer recruits four demons to masquerade as the Four Horsemen of the Apocalypse. Archangel Michael, Angel Warriors Mihdael and Liftheon, and Angel Aleilah form the Heavenly Task Force sent to stop the Fake Four. Bound by their human forms, the Angels try to survive long enough on Earth to destroy the phony Horsemen, and defeat the powerful, unholy leader of the Old Ones, who has taken on the mantle of the Horseman of Death. Join the Heavenly Task Force as they pursue the Fake Four from Texas, to Kansas, to Kentucky as they embark on the DEMON HUNT!

When owning, training, riding, and showing horses, there is a certain "look" to which one aspires. World-class "turnout"—a horse in peak condition, perfectly coiffed and luminous with health, outfitted with gleaming and well-fit tack appropriate for his sport—can take your breath away. And while it can certainly play a significant role in a competitive rider's success, it is just as appealing to have any horse "groomed to the nines," whether he's headed for an afternoon lesson or just out on the trail. Achieving this superior look is not just about clean tack, shiny brass, spotless stockings, or perfect braids. The most important steps are in the day-to-day nitty-gritty of grooming and caring for the horse: noticing "something not-quite-right" about the way the horse looks or moves before it becomes "something wrong"; brushing and combing and trimming a little every day so the horse's skin and coat remain healthy; knowing how to prepare a horse properly for training, and how to cool him down afterward. Now, two of the best professional grooms in the business share their trade secrets, with over 1200 color photographs accompanying the ultimate modern-day guide for all riders who want their horses to look and feel their best.

This commentary, like each in the Brazos Theological Commentary on the Bible, is designed to serve the church--providing a rich resource for preachers, teachers, students, and study groups--and demonstrate the continuing intellectual and practical viability of theological interpretation of Scripture. In this addition to the series, Joseph Mangina offers a constructive ecclesiology for the role and mission of the church in the twenty-first century formed by a close examination of Revelation.

Dragon Soul: A Reverse Harem Fantasy Romance

The Four Horsemen of the Acropolis

The Language of Heaven

Bound to Darkness

Embers

Raised by the ancient Order of Solomon, Adam Cahill is one of the rare handful of highly trained warriors bound by bloodline to guard the Seven Holy Seals that contain the End of Days. But ageless forces have conspired towards a prophetic event foretold by numerous cultures and multiple religionsÉ and when that cryptic date arrives, they strike against the order without mercy! The entire saga is collected at last, with all-new bonus features, including covers, posters, and concept art by the Eisner Award-winning master of painted horror himself Ð the BIZ!
