Its an in depth journey through the Holy Scriptures of the bible to guide you through Gods pathway of salvation which he has provided for human life on this earth. Crucial Questions about Speaking in Tongues

Golden Remedy for the Moral Disease ... Paradise Lost The Paradise Or Garden of the Holy Fathers The Gift of Tongues

*Paradise for the Hellbound*A book about changel grew up feeling as if I had no place on this Earth I truly belonged. Somehow I felt I had no right to be me. My parents are good people yet they had no idea how to emotionally nurture a child. Neither do many parents have the knowledge of how to feed their children self-worth, confidence, and spirituality. When I got clean and sober in 2006 for the second time in my life I not only dove into alcoholics anonymous, I also received a year of group therapy and sought God with every fiber of my being for years on end. I was not going back to the hell I put myself into. My life has been transformed from a dark, bleak place to a place of love light and peace. A.A., rehab, and church all have their dogma. I do not feel the need to white-wash any organization no matter how miraculous the results from my participation are. One thing sure I now know what to do with feelings that used to scare and confound me. I now know how to connect with my higher power and use that relationship to be OK. I no longer experience deep depression, panic attacks and anxiety. I want to share with you the revelation and understanding that I have found from not only research, A.A., and church but also the ideals I have attained from the numerous supernatural white light experiences God has chosen to bestow upon me. I received a touch from God not because I am better than anyone else but rather because I was so much more desperate than others to escape the Hell I found myself in. I believe that God is love and "He" (for lack of a better pronoun) has shown me His grand power in dreams, visions, white light experiences, and every spiritual experience of the educational variety and good change that I have had. Allow me to share with you what has liberated me from the guilt and shame I used to feel every time I picked up the bible and starting reading. We do not have to shut down our Biblical belief's because of the extreme do-good-er mentality and punishment it describes. *THE BIBLE IS NOT GOD. I DO NOT WORSHIP THIS BOOK AS IF IT WERE MY HIGHER POWER. NO BOOK WRITTEN BY MAN SHOULD BE WORSHIPED AS I WORSHIP AND RESPECT GOD.* However, I do believe many of its scriptures are the anointed words of God.Let me share with you what grace really is to me and how far grace can really go. Do you believe in karma? I do too and there is one thing for certain that trumps karma...and that is God's Grace. By Grace I have been saved from the typical consequences of deep Heroin and Cocaine addiction. If your higher power is/are 'good principles' for instance; who on Earth has the all-knowing insight to say "you won't have eternal life in the spirt world and are going to Hell a very bad place for very bad people". It baffles me that so many people think they can judge my salvation and yours. It baffles me that it's always those who have no experience with the gifts of the spirit who want to write a book on the workings of The Spirit. Or, those who have no experience with the gift of tongues who want to write a book on the workings of the gift of tongues. If I am not a math scholar shall I write a text book on mathematics? The topics I cover in this book are all things I have experienced in depth. You are the master of your salvation. It is by your own heart that you will be saved from death. It is by your own wisdom that you will choose to seek God far in advance of your old age. It is by compassion and Love that we see others as having a right to be saved also. Do I judge that many will be going to Hell? Well if so perhaps I will enjoy seeing them suffer. Perhaps I hope they will suffer. Do you see people surrounded by Grace and a Loving God? Then perhaps you hold more Love in your little finger than the fire and brimstone lovers hold in their entire being. I think you may get something very good from Paradise For The Hellbound.

This fifth volume begins the doctrinal treatises of Perkins with three contributions of catechetical theology. The first treatise is An Exposition of the Symbol or Apostles` Creed . Examining the contours of Christian faith, Perkins handles each article of the Creed according to its basic meaning, the duties it calls us to, and the consolation it brings. He closes the entire work by explaining how the Creed is a "storehouse of remedies against all troubles and temptations whatsoever." The second treatise is An Exposition of the Lord`s Prayer . Detailing the chief Christian desires, Perkins explains the meaning of the petitions of the Lord`s Prayer and the " manifold uses " for each. Perkins closes his exposition with the proper uses of the Lord`s Prayer in general, the circumstances related to the way we pray, and a word on God hearing our prayers. This treatise also includes a collection of prayers (with short expositions) from the Bible and a poetic song "gathered out of the Psalms, containing the sobs and sighs of all repentant sinners." The third treatise is The Foundation of Christian Religion Gathered into Six Principles , which sets down the principle points of Christian religion in order to establish readers in true knowledge, unfeigned faith, and sound repentance. Providing a rudimentary understanding of the Ten Commandments, the Creed, the Lord`s Prayer, and the two sacraments, Perkins`s Foundation sets a framework for people to profit more from sermons and to receive the Lord`s Supper with comfort.

The reader will greatly benefit from this book by grasping a profoundly biblical grid for understanding the purposes and benefits of speaking in tongues.

?The speaking in Tongues in Churches has been of significant controversy in many Christian circles, with some even openly rejecting it as part of their doctrine. Some believe it died with the Apostles of Jesus Christ. To those who believe, it is a gift of God by the Holy Spirit, that enables the believer to connect to his or her spiritual umbilical cord, receiving spiritual strength and nourishment from the Father. It is also the means by refueling and powering up one's faith and ability to

The Mystery of Tongues, the author reveals how God the Father desired that the Israelites hear His voice and know Him, but rejected His offer, and asked Moses to represent them at Mount Sinai. Jesus in John 10 spoke about the sheep knowing the voice of their shepherd. Tongues is a spiritual language for the believer in Christ, as our natural languages are to our various nationalities. The Bible teaches that the one who speaks in tongues has an advantage over one who does not. I hope this book will bring illumination and enlightenment to many.

The Book of James says it best; "Every good and every perfect gift comes fromabove, and cometh down from the Father of Lights." The gifts from above are always good and perfect, or in other words incorruptible. There are corrupted treasures on earth that many do strive for. The treasures on earth are those that moth and rust corrupt or thieves take and steal. Those are not the treasures we are going to write about here. The Lord said; "Seek first the Kingdom of God and his righteousness and all things (perfect gifts) will be added (given) unto you." We seek first the eternal things above and get earthly treasures too; seek only earthly treasures and those are the only things you will receive.

This practical textbook is "the most exhaustive single work in our language on the history of the interpretation of the Scriptures." So affirms Dr. Wilbur M. Smith, well-known Bible scholar. Milton S. Terry's book on 'Biblical Hermeneutics' (the science of interpretation) is conveniently divided into three main areas: Part I -- Introduction to Biblical Hermeneutics Part II -- Principles of Biblical Hermeneutics Part III -- History of Biblical Interpretation This ideal standard textbook abstains from dogmatism and adheres strictly to the method of scientific and conscientious inquiry.

It ranks as a classic in its field. Adapted to meet the practical needs of most students studying the Word of God, 'Biblical Hermeneutics' is a model text for interpreting the Bible.

The Key to Heaven: Christian Gnosticism

Biblical hermeneutics by M. S. Terry

A Theological Dictionary

An inspiring and prophetic book with sacred secrets for the ascension of humankind and the subsequent evolution into Angels of God.

Every critic who desires to deny the validity of modern tongue speech must develop a scheme to destroy Paul's teaching.Through the centuries, there has been a wide variety of answers regarding the validity and veracity of speaking, praying, and singing in tongues, and its place within the life of the Christian and the Church. What is it? Is speaking in tongues such a radically supernatural experience that language is totally unknown, or is it, as some have contended, actual human languages that are simply unknown to the speakers? Several have believed it to be the language of heaven or at least from heaven. Others have declared it to be ecstatic, unintelligible utterances that require a highly charged emotional moment to experience. Should each Christian pray and sing in tongues, or is it reserved for a special few deeply spiritual ones? Did Jesus pray in tongues? These questions and more are answered by author and pastor Richard Hogue inTongues: A Theological History of Christian Glossolalia. His academic approach begins by firmly establishing biblical evidence before launching a chronological connect-the-dots exercise through Christian history. The design revealed is the undeniable influence of the Holy Spirit. From Saul of Tarsus to

John Wesley, from Pentecost to Azusa Street, Richard Hogue follows the gift of tongues and clearly draws a picture of today's role of the Holy Spirit inTongues: A Theological History of Christian Glossolalia.
