Don Lawrence's first masterpiece, from the artist of The Rise and Fall of The Trigan Empire comes the epic historical fantasy of Karl the Viking! "Lawrence [is] celebrated for his richly coloured, highly detailed visions of fantastic worlds." - The New York Times Originally serialised in Lion, Karl the Viking is a sweeping historical fantasy story of an orphaned Saxon boy, adopted and raised by the viking Eingar after his raid on Britain. Upon coming of age Karl succeeds Eingar and leads his tribe into battle in Britain against wild tribes of Picts, and re-connects with his old Saxon family, gaining an ally in his cousin Godwulf, and making an enemy of the Earl of Eastumbria. These fast-paced stories were drawn by Don Lawrence shortly before he revolutionised painted comic art with The Trigan Empire, when he was already a master of pen and ink, and his Karl the Viking series was the pinnacle of black and white comic art.

Great copy is the heart and soul of the advertising business. In this practical guide, legendary copywriter Joe Sugarman provides proven guidelines and expert advice on what it takes to write copy that will entice, motivate, and move customers to buy. For anyone who wants to break into the business, this is the ultimate companion resource for unlimited success. The updated 4th Edition of THE ENTREPRENEUR'S GUIDE TO BUSINESS LAW takes you through the various stages of starting a business—from start-up and growth to an initial public offering—while highlighting the legal preparations and pitfalls that go along with them. Packed with practical strategies for managing legal issues, the text presents the essentials on leaving your job, competing with a former employer, contract law, and bankruptcy, as well as on the most current issues like clean energy, e-commerce, and the effects of the recent recession on entrepreneurship. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The single most important thing you can do to dramatically improve your advertising and marketing is to come up with better headlines. And there is no better way to do that than to study the greatest headlines ever written. As David Ogilvy said: "On the average, five times as many people read the headlines as read the body copy...It follows that unless your headline sells your product, you have wasted 90 percent of your money...headlines, more than anything else, decide the success or failure of an advertisement" Top marketing expert, Jay Abraham, said: "By merely changing the headline, the number of new prospects and sales can increase up to 17 times. That's 1,700% leverage." Don Belding added: "selling punch in your headline is about the most important thing." John Caples joined in: "I have seen one mail order advertisement actually sell, not twice as much, not three times as much, but 19 1/2 times as much goods as another...The difference was that one used the right appeal and the other used the wrong appeal...The appeal is usually expressed in the headline" "If the headline of an advertisement is poor, the best copywriter in the world can't write copy that will sell the goods...because, if the headline is poor, the copy will not be read. And copy that is not read does not sell goods. On the other hand, if the headline is a good one, it is a relatively simple matter to write the copy." Vic Schwab said: "...Perhaps you have read somewhere that 50 per cent of the value of an entire advertisement is represented by the headline itself. Or 70 per cent. Or 80 per cent. The truth is that you cannot possibly evaluate it in percentages...it is the headline that gets people into the copy...the copywriter's aim in life should be to try to make it harder for people to pass up his advertisement than to read it. And right in his headline he takes the first, and truly giant, step on the road to that goal." Andy Byrne says this: "The problem with many advertisers, and even with advertising writers, is that they don't appreciate how much the headline can affect the response of the advertisement...two headlines were tested against each other...the second pulled 300 percent more...Another headline test...The second headline actually pulled five times as many Claude Hopkins said: "It is not uncommon for a change in headlines to multiply returns from five to ten times over...It is a basic law in advertising that no advertisement is better than its headline" There's no better way to write great headlines than to study other great headlines. This book has 2001 of them. Take each that you like and write it down on a separate 3x5 index card. When you're ready to create your headline, shuffle through the cards, not to copy but to be inspired. You'll soon find ideas jumping out at you. Now you're on your way to great results. Each and every one of the headlines in this book is a proven winner. Chances are that many of them can be quickly and easily adapted to your own special needs. They will save you countless hours of time and effort. And bring you thousands of dollars in increased profits from your advertising. No need to struggle trying to come up with an effective headline. It doesn't have to be that way anymore because this book makes it easy. It saves you hundreds of hours and untold expense trying to assemble a collection like this. You'd have to study hundreds of publications to select the winning headlines. So, having a convenient, easy to use collection like this is a real time and money saver. But it's real value is in the results you'll get with better headlines. It doesn't matter whether you are writing ads for your web pages, email, a magazine, a sales letter, or whatever, this book will inspire you to write better headlines that will multiply your results way beyond it's small investment. The increased profits from just one ad alone should easily repay you many times over. And you'll be able to use it for every ad you write

As soon as the Web became viable for entrepreneur marketers in the early 2000's, John Carlton surfaced as the go-to teacher for writing everything required to find prospects and persuade them to become eager customers..... as well as being The Dude for solving almost any biz problem holding things up. For decades, he was a notoriously-successful freelance direct-response copywriter with a global reputation for creating ads that brought home the bacon in almost every possible media (particularly direct mail, magazines and newspapers). And his street-savvy, close-the-deal style of salesmanship has now helped mobs of new entrepreneurs dominate niches online. This book is a collection of his best (and most recent) lesson-dense private articles to insider colleagues. What you're about to discover is the timeless advice and first-choice strategies that can help rookie entrepreneurs murder their competition, and veteran marketers re-establish dominance in their niche. No theory here. Every lesson is from the front trenches of the business world, where fortunes are won or lost through your ability to craft superior marketing in crowded business environments... and produce jaw-dropping results regardless of the economy, the competition, or any problem currently holding you up. If you have a great product or service, then shame on you if you don't learn and use the reality-tested, results-proven toolkit of advice and tactics packed into this sizzling tome. It's your best First Step to becoming an awesome entrepreneur, no matter where you are now or what your experience is or how broke/disadvantaged/clueless you are. You start here, and

the greatest adventure of your life can finally begin in earnest. About the author: John Carlton's notorious 30-year career has become something of a legend among modern marketers. Just some of the highlights: He started out as the "bad boy" freelance copywriter snuck through the back doors of Los Angeles advertising agencies to do the hard-core sales jobs their staff writers couldn't pull off (because they didn't understand street-level salesmanship)... He penned game-changing packages for the largest direct response mailers in the world (like Rodale Press)... while single-handedly also completely transforming the way print ads worked in a number of markets (through sizzling long-copy ads the magazine owners hated, but which worked like crazy)... And he pioneered the now-common use of killer "old school" persuasive ad-writing models for online markets when the Web finally became a viable vehicle for entrepreneurs. John's been called "the most respected and ripped-off copywriting wizard alive", because so many of his ads are still used as templates by other marketers. (Yes, even the ads written before the Web became a viable marketing medium.) And for over a decade now, John has been the "go-to-teacher" for helping entrepreneurs learn how to craft ads that get results. His first book, "Kick-Ass Copywriting Secrets of a Marketing Rebel", is still cited as a primary resource by the best writers working today.

IN MARKETING What is the main difference between "pathetic" and "profitable?" A compelling advertising headline. Veteran marketers and entrepreneurs alike know a powerful headline is the most important factor for putting more money in your pocket. Whether it's for your .Web site .Yellow Pages ad .Sales Letter .Postcard .Marketing brochures .Newspaper or magazine ad .. the right advertising headline will attract, persuade and retain your most loyal, valuable customers. It's true. A great headline makes all the difference. Scientific tests have proven it over and over: Just by changing a headline, you can increase an ad's profitability by two, three, even five times.

Finally, here is the world's #1 resource for quickly and easily creating powerful advertising headlines that are a perfect fit for your business. The kind of headlines that produce record-breaking sales results! In this book, copywriting expert David Garfinkel, who mentors other copywriters for \$15,000 and up, offers you one of his most prized possessions: his carefully chosen, market-tested set of advertising headline templates that truly can make you rich! "David Garfinkel is the best copywriter I know." - Jay Conrad Levinson, author, best-selling Guerrilla Marketing series

The definitive book on sensory branding, shows how companies appeal to consumers' five senses to sell products. Did you know that the gratifying smell that accompanies the purchase of a new automobile actually comes from a factory-installed aerosol can containing "new car" aroma? Or that Kellogg's trademarked "crunch" is generated in sound laboratories? Or that the distinctive click of a just-opened jar of Nescafé freeze-dried coffee, as well as the aroma of the crystals, has been developed in factories over the past decades? Or that many adolescents recognize a pair of Abercrombie & Fitch jeans not by their look or cut but by their fragrance? In perhaps the most creative and authoritative book on how our senses affect our everyday purchasing decisions, global branding guru Martin Lindstrom reveals how the world's most successful companies and products integrate touch, taste, smell, sight, and sound with startling and sometimes even shocking results. In conjunction with renowned research institution Millward Brown, Lindstrom's innovative worldwide study unveils how all of us are slaves to our senses—and how, after reading this book, we'll never be able to see, hear, or touch anything from our running shoes to our own car doors the same way again. An expert on consumer shopping behavior, Lindstrom has helped transform the face of global marketing with more than twenty years of hands-on experience. Firmly grounded in science, and disclosing the secrets of all our favorite brands, Brand Sense shows how we consumers are unwittingly seduced by touch, smell, sound, and more.

Fastest Cash-Producing Secrets Known to Man

A book for everyone who writes or edits copy, it reveals dozens of techniques that can help you write ads, commercials, and direct mail that get more attention and sell more products.

WARNING: Read this BEFORE buying. While every single strategy, technique and concept revealed in this easy-to-follow little book are more profitable than ever... this cult classic was written back in 1990 so please keep in mind how the tech has changed but the psychology of selling hasn't. For example, inside the book, there is a section on 900 numbers which appears useless until you realize it's 100% applicable to texting short codes. Anyway, in the interest of preserving the original experience, we have only removed outdated contact info and any updates have been added to the end of chapters but... even with the occasional reference to ancient technology, this book is loaded with step-by-step guidance on marketing. Techniques people are still using to make a lot of money. Here is why How To Make Maximum Money In Minimum Time is so popular. Out of necessity, Gary invented "Gun-To-The-Head-Marketing"... and... used it to write what would become the most widely mailed sales letter in history. A Letter Mailed Close To 1 Billion Times And To Almost Every Household In America Nearly 7 Times! Gary continued to defy the "experts" and industry norms and smash sales record after sales record for over 35 more years with his breakthrough copy! Halbert wrote record-smashing newspaper ads, magazine ads, web copy, direct mail pieces, infomercials, phone scripts and just about anything and everything where words are used to sell. Even more impressive, Gary wrote record-breaking advertisements in finance, cosmetics, diet, real estate, self-help, marketing, collectibles, genealogy, chiropractic, dentistry, water filtration and more. The list goes on and on... The Gary Halbert Letter is also the first newsletter to dish out real-world advice from one of the best marketers and copywriters on Earth. Soon, all the pros started copying his headlines, bullets, closing copy, offers... and now... to this day, you see his words being used in sales copy everywhere. In fact, the beginning of Gary's famous dollar-bill letters is almost certainly the most replicated piece of opening sales copy in the world of direct-mail. Even after he passed away, TheGaryHalbertLetter.com has enjoyed a huge following and is more popular than ever for a reason. And that reason is... They Are Addictive! Gary Halbert's mark is everywhere because so many marketers around the world learned part of their craft directly from Mr. Halbert... or... they learned the business from mentors who learned their best secrets from Gary. Top ad writer Paris Lampropoulos may have put it best when he said... "In the world of copywriting, all roads lead back to Gary Halbert." And it's true! Here's just a small sample of the what's revealed inside... How to get your mail open and read! (For many savvy marketers, direct mail is actually working better today than it ever has!) The single best advantage any business owner can have! (It's so simple, yet almost everyone overlooks it.) How top pros write killer headlines, fast... and... how you can do it too! The sordid details of Gary's infamous and scandalous life... including... how he went from being a military policeman... to self-made multi-millionaire... to prison inmate... to self-made multi-millionaire yet again! What it really takes to write breakthrough promotions. (Hint: The actual writing has very little to do with it!) Why the fastest writing is often the best writing! The one secret nearly ALL top copywriters used to get to the top of their profession as fast as humanly possible! Why you should not start your sales messages with a question! For years, I've been asking myself: How can a guy whose native language is not even English be one of the best U.S. copywriters in history? Now I have the answer... nicely reduced to a simple, understandable formula. And the best thing is that it's a usable formula. Anyone seriously interested in copywriting should discover Evaldo's secret." --Bill Bonner, Founder of Agora. "It's not often that I come upon a copywriting strategy that feels new to me. And even less frequently do I encounter one that is both new and exciting. Evaldo Albuquerque's "16 Word Sales Letter(tm)" is such a strategy. I'm going to recommend this as a must-read to all my copywriting proteges." --Mark Ford, best-selling author and chief growth strategist for Agora."Evaldo is the world's greatest copywriter you've never heard of. Why haven't you heard of him? Because while others are selfpromoting ... heck, while they're eating, sleeping and relaxing... he's cranking out the next blockbuster. He never stops. He's a 9-figure sales machine and our business's secret weapon. This book is your blueprint to how the machine dominates. Read it and put it into action. Your royalty check will thank you." --Peter Coyne, founder of Paradigm Press, Agora Financial's largest imprint. "I'm recommending this book to everyone in my company, and making it required reading for all new hires. When it comes to books on "writing" I try to read everything new, and no matter how many books I pick up, I rarely find any ideas that are innovative (or even useful), but this book shattered my expectations--I found page after page packed with fresh ideas. It's engaging to read, and very easy to implement the writing techniques. Evaldo has uncovered a new way to write sales copy that is perfect for today's buyers; I really love this book, and after you turn the first two pages, you'll see exactly why. It's a must-read primer for anyone who writes sales copy.... Read this book--and learn from one of the best." --Oren Klaff, best-selling author of Pitch Anything and Flip the Script "Few people know his name. Yet, those at the highest levels of direct response advertising consider Evaldo Albuquerque the Michael Jordan of modern financial copywriting. His new book, The 16 Word Sales Letter(tm), reveals for the first time the secret to his astonishing success. In split tests, the selling formula Evaldo reveals in his book has won, repeatedly, against ad copy written by the world's top copywriters. When asked at a recent seminar I gave what are the two best books I've ever read on copywriting, my answer was Breakthrough Advertising by Eugene Schwartz and The 16 Word Sales Letter(tm) by Evaldo Albuquerque." --Caleb O'Dowd, www.roitips.com
