that the  
desegregation  
situation should  
not be interpreted  
literally. Authorities  
and adults  
certainly, school-  
age children  
probably, are  
influenced by their  
awareness of a  
sequence of past  
and future  
situations. Some

specious present"  
that "has melted in  
our grasp, fled ere  
we could touch it,  
gone in the instant  
of becoming," thus  
reducing the  
potency of the  
present situation.  
Others may be

An African American  
Dilemma offers the first  
social history of  
northern Black debates  
over school integration  
versus separation from  
the 1840s to the present.  
Since *Brown v. Board  
of Education* in 1954  
Americans have viewed  
school integration as a  
central tenet of the

Black civil rights movement. Yet, school integration was not the only--or even always the dominant--civil rights strategy. At times, African Americans also fought for separate, Black controlled schools dedicated to racial uplift and community empowerment. An African American Dilemma offers a social

history of these debates  
within northern Black  
communities from the  
1840s to the present.

Drawing on sources  
including the Black  
press, school board  
records, social science  
studies, the papers of  
civil rights activists, and  
court cases, it reveals  
that northern Black  
communities, urban and  
suburban, vacillated

between a preference for  
either school integration  
or separation during  
specific eras. Yet, there  
was never a consensus.  
It also highlights the  
chorus of dissent,  
debate, and counter-  
narratives that pushed  
families to consider a  
fuller range of  
educational reforms. A  
sweeping historical  
analysis that covers the

our understanding of  
school integration by  
highlighting the diverse  
perspectives of Black  
students, parents,  
teachers, and  
community leaders all  
committed to improving  
public education. It  
finds that Black school
